

Week commencing 1st June

L.O.: I can understand the phases of the Moon.

First watch this video

<https://www.bbc.co.uk/bitesize/clips/z3jd7ty>

Then read this National Geographic page

<https://www.natgeokids.com/au/discover/science/space/the-phases-of-the-moon/>

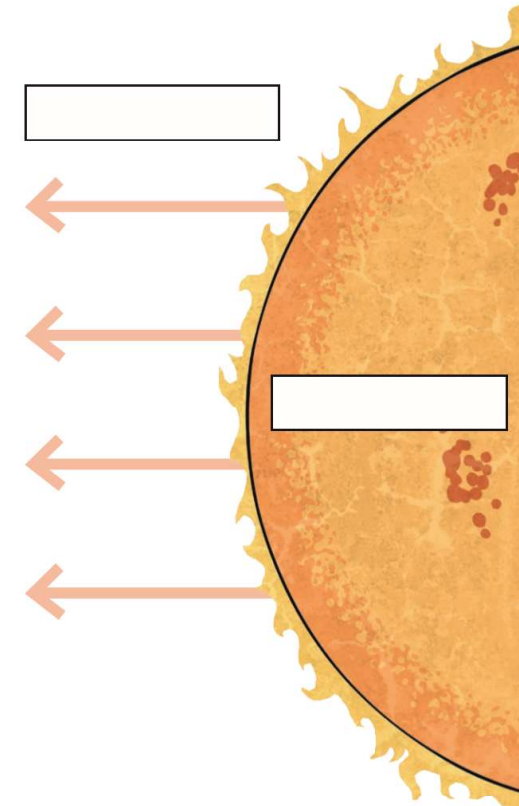

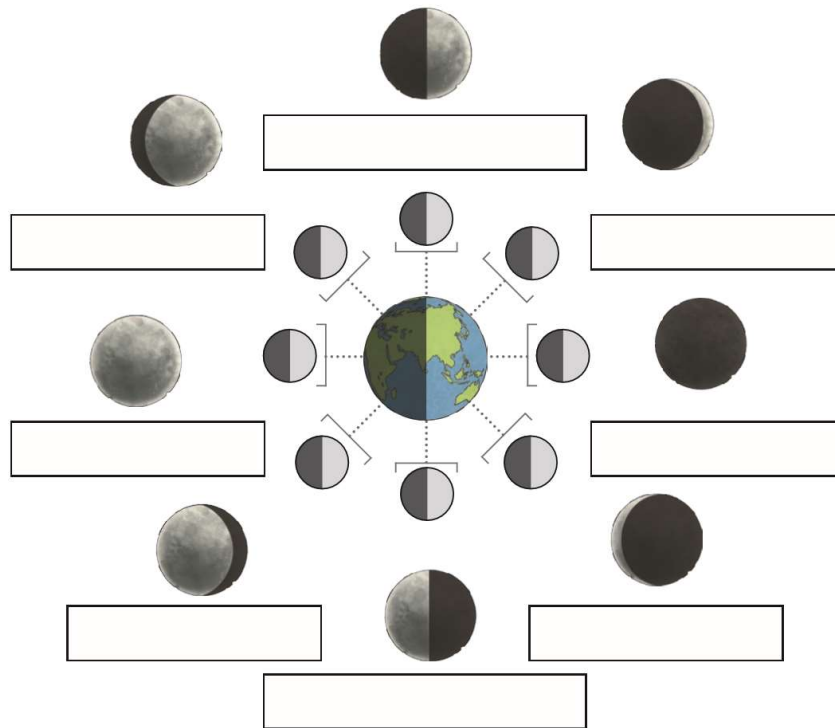

Then listen to this Moon phase rap! This was my favourite one 😊

Once you have looked at all three websites, complete your task on the next page.

Task. Print off and complete this sheet. Or you can draw your own diagram like this one, showing the different phases of the moon.

Phases of the Moon

Sun	Waning Gibbous	Waxing Half Moon
New Moon	Waxing Crescent	Full Moon
