

# Year 5 French, week beginning 11<sup>th</sup> January

L.O.: To be able to describe different types of weather

To name the months and seasons

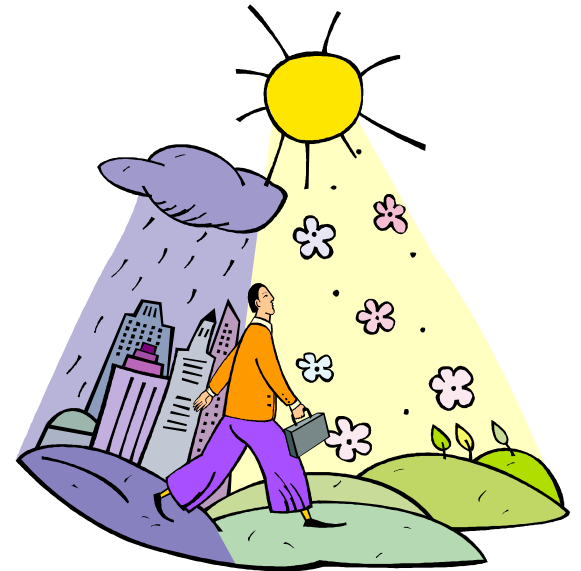

Over the next 2 weeks, we are going to consolidate work on the **seasons and weather** (you should have covered this in Year 4).

Watch the video here by wacky French teacher Mr Innes to help you with pronunciation! The link is also on the Learning from Home Task List.

<https://youtu.be/MkatDR7XTCE>

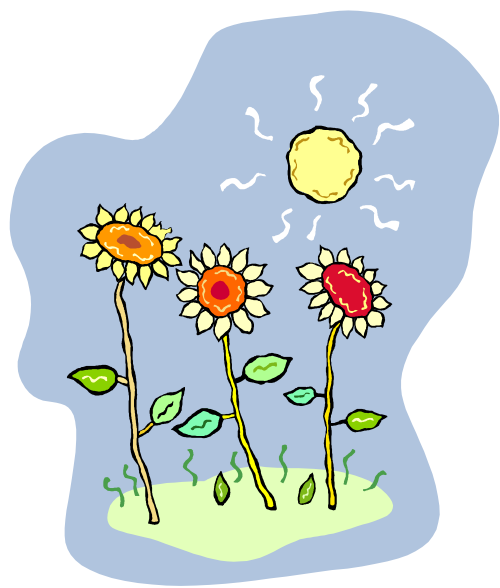

# Quel temps fait-il?

Watch Mr. Innes' video and join in with his activities. Then look through this presentation and do the following activities to practise:

- Use this presentation to revise and learn the vocabulary for the topic:
- **LOOK** at the word
- **SAY** it (use the phonetic pronunciation in purple to help you say it correctly)
- **COVER** up the word and try to remember how to say it
- **WRITE** it down
- **CHECK** - were you right?
  
- Copy the French words (types of weather an seasons) onto small bits of paper and write them in English on some other pieces of paper. Turn them over and mix them up - can you turn over 2 at a time and find matching pairs?
  
- Use the same pieces of paper to play 'Qui manqué?'. Ask someone to take away one of the pieces of paper and you have to work out which one is missing - just like Mr Innes does in his video.

Il fait beau

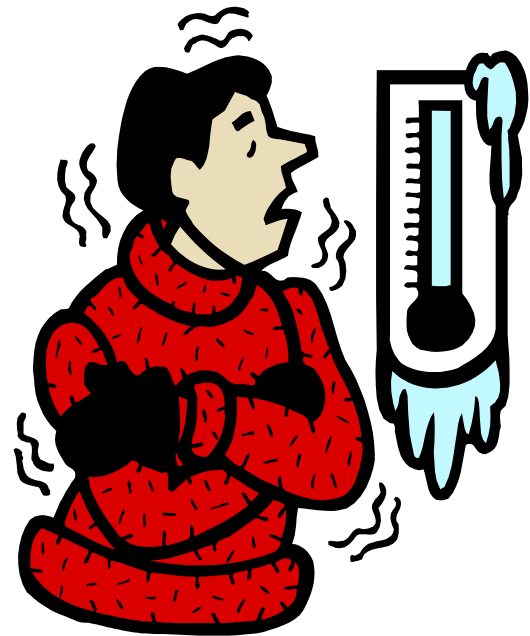

Il fait mauvais

Il fait chaud

Il fait froid

Il pleut

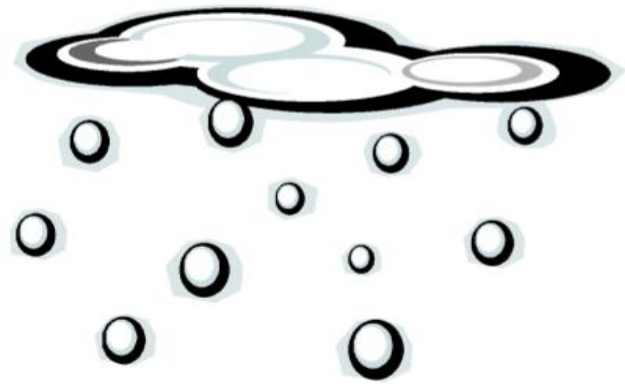

Il y a du soleil

Il y a du vent

Il neige

Quel temps fait-il? For each image, say what the weather is in French.
