

Year 5 Spellings

Week beginning 15th June

L.O.: I can spell words with a hyphen after the prefix.

The hyphen - is a punctuation mark used to join words, and to separate syllables of a single word.

Some words with prefixes need to have a hyphen added to separate the prefix and the root word. For example...

co-ordinate

re-educate

co-own

Working with a partner, can you discuss why these words might need hyphens? Do the examples have anything in common?

All of these words have a prefix that ends in a vowel and a root word that begins in a vowel.

co-orordinate

re-educate

co-own

This usually means that the prefix and root word are separated by a hyphen.

Here are this week's spellings.
They all have a **hyphen** separating the prefix from the root word, to avoid 2 vowels being next to each other.
The prefix '**co-**' means to do together (in **CO**mpany); the prefix '**re-**' means to do again (to **RE**peat).

co-operate

co-ordinate

co-own

co-author

re-enter

re-educate

re-examine

re-evaluate

re-energise

re-elect
