Learning from home – Year 6 – w.b. 4th May 2020

Hi Year 6!

I hope you enjoyed a little of the sunshine whilst we had it. Thank you to those of you who are doing your home learning. I know it can be difficult to motivate yourself but we need to keep all those skills and the knowledge that you worked hard for ticking over, so that you don't forget it all! This is really important. Please do remember to send me a couple of pictures of the work you have been doing!

If you need some extra reading material, you can join Camden's library online and access lots of ebooks! See link below.

<https://www.camden.gov.uk/digital-library>

Please share a sample of their learning with us every week – a piece of English, Maths and perhaps another piece they are very proud of – by emailing it to admin@fleet.camden.sch.uk with the class teacher's name as the subject.

English: For English this week we are focusing on SPAG, as I had a few questions about things such a passive voice etc and wanted to make sure we don't forget what we should know.

In addition, you should listen to the next chapet of the book- Wolf Brother.

Chapter 3- (Part 4)

https://www.youtube.com/watch?v=7wEIT_CycTs

Reading: Read through 'After chapter one'(chapter 1 5) of Floodlands pdf. Answer the class reading questions on this chapter. Is this how you thought the story might end? Are you satisfied with this ending, why/why not?

Guided reading: Choose your spice level- Mild- 'Carrie's War', Spicier- 'Naming a cat''(sorry- I accidentally cut off the side of the text when i scanned it but you should just about be able to figure the sentences out). Answer ALL the questions for the text- set 1, 2 and 3. Keep up your daily reading too!

Story Time: Mr M^cGibbon has uploaded to the website the next two chapters of the book he was reading with you – Chapter 11 and 12 of 'Thief' by Malorie Blackman are now on there. He will keep adding a couple of chapters at a time for you to listen to.

Chapter 11 - <https://vimeo.com/408818420>

Chapter 12 - <https://vimeo.com/408818057>

Chapter 13 – <https://vimeo.com/411072063>

Chapter 14 – <https://vimeo.com/411071692>

Chapter 15 and 16 should be on the website before the end of the weekend too!

Maths: Go through Maths pdf , complete your fab four and the activities for each lesson.

French: Go through the powerpoint on 'Who lives where'. I couldn't get the sound to work on my computer but you don't actually need the sound. The song is to the tune of old McDonald which we all know. Complete the learning by writing out the matching activity.

Science & Art: Look at the pdf on living things- leaves and complete the two learning tasks at the end. The slides also include your Art for the week- detailed botanical sketches of plants. Use your pencil for shading details and texture. You can do these in colour or in black and white.

Geography: Go through the pdf and watch the video link below on coastal erosion, then complete the task. Please make sure your presentation is beautiful and clear. You could do this on paper or on a computer.

 When you write out this rhyme give extra thought to the way you make your ascenders and descenders.

playing heard spoke

Remember, the ascenders and descenders should not quite reach to the lines above or below.

There was an old owl
who lived in an oak,
The more he heard the
less he spoke.
The less he spoke, the
more he heard.
Why aren't we like
that wise old bird?

Check through your writing of this rhyme and see that all letters and joins are properly made. Pay particular attention to the proportions of ascenders and descenders.

Handwriting: Write this little poem out in your tidiest writing. Focus on keeping your letter sizing consistent.

PSHE: We are continuing our work on how laws are made. This week we take a closer look inside Parliament. Look through the PSHE pdf on the House of Commons and the House of Lords. Then complete the tasks listed at the end.

Keep going, Year 6! 😊 I am really proud of you!
