Headteacher: Don McGibbon

Learning from home – Year 6 – w.b. 18th May 2020

Hi there Year 6,

I hope you have all had a good weekend at home. We're into another week and I wanted to tell you that I think you're doing a great job. Motivating yourself at home can be tricky but it's important to keep some of your learning ticking over in your brain, so keep going!

Please share a sample of their learning with us every week – a piece of English, Maths and perhaps another piece they are very proud of – by emailing it to admin@fleet.camden.sch.uk with the class teacher's name as the subject.

English: Go through the English Pdf on poetry, and complete the given activities. Please send me a picture of your poem when you have written it up in best. I would love to see them! 😊
Then listen to the next part of 'Wolf brother'.

Chapter 5 (part 6)

<https://www.youtube.com/watch?v=R38948NNa6g>

Guided reading: Choose your spice level- Mild- 'The People's Dispensary for sick Animals', Spicier- ' The BT Tower''. Answer ALL the questions for the text- set 1, 2 and 3. Keep up your daily reading too!

Story with Mr McGibbon: The next few chapters of the amazing story 'Thief' by Malorie Blackman are now on the website. More will be added soon so keep checking your home learning page. On there just now are Chapters 11 to 19

<https://fleetprimaryredesign.fluencycms.co.uk/CorHLY6>

Maths: click on the link White Rose website link below. Watch the video lessons for 'Summer Term week 4' and click on the activity to answer the questions related to each video.

<https://whiterosemaths.com/homelearning/year-6/>

French: Go through the powerpoint on ' Where is the library' and complete the activities on there. I hope the sound works for you but if it doesn't it doesn't really matter.

Science: Then look at the pdf on classification- vertebrates and invertebrates, then complete the two activities.

Watch the link below for:

<https://www.bbc.co.uk/bitesize/topics/zn22pv4/articles/zp6g7p3>

Geography: Go through the powerpoint and complete the task.

Click on the link below to see how a compass works.

<https://www.youtube.com/watch?v=LroX6ThIDpw>

Computing & Music: Follow the link to start creating your own version of the Star Wars theme

music. Once you finished, click save, copy the link and send it to us in your usual email. I'll be able to listen to your creation!

All you need to do is click in the percussion grid to add beats. I've circled the conga on mine. You can change to a different drum by clicking that icon. Have

fun! <https://musiclab.chromeexperiments.com/SongMaker/song/4895194731249664>

If you're feeling more adventurous this version doesn't include the entire melody, so you need to complete that first:

<https://musiclab.chromeexperiments.com/SongMaker/song/6387954973933568>

R.E: In the next week or so it will be Eid. We are going to find out more about this special time for Muslims. Watch the short video below and then look at the pdf on recipes of Eid. Let me know how you get on creating!

<https://www.bbc.co.uk/newsround/36713429>

PSHE: We are continuing our work on how laws are made. This week we are exploring the process of elections . Look through the PSHE powerpoint on elections, then complete the quiz at the end.

Great job, Year 6! 😊 Keep up your brilliant effort!
