

# Spring Break Design Challenge

Calling all UK student inventors. We need you to invent and design a product to improve the quality of people's lives during the Coronavirus lockdown period.

## Your Challenge

Design a product that will help people in one of the following contexts: home office, family living, (playful) family activities, boredom, home exercising, social distancing.

## Your Prize

The best idea will be manufactured by the Design staff at University College School for you to keep. The top three inventions will receive Amazon vouchers worth £50 each.

## What's Required

Create three pages of drawing, including:

- 1 page introducing what context you are designing for and research on the problem.
- 1 page displaying your different ideas explaining your problem solving. Draft multiple ideas to show your creative process.
- 1 page communicating your best and final design. Make sure to include some text to help communicate your genius idea with details on materials, sizes, etc.

## How To Enter

Please email photos of your drawings to [henry.franks@ucs.org.uk](mailto:henry.franks@ucs.org.uk) by 20th April 2020. All age inventors welcome. Each prize given to a different UK school year bracket: 2-5, 6-9, 9-13. Your email subject line should be: 'My Coronavirus Design Solution - first name surname'
