

Hi guys, for your Easter holidays we're not setting lots of different home learning for each subject but are asking you to have a go at project style learning, like we do over half term holidays.

The theme is kindness and resilience.

When life gets a bit challenging the kindness of others can cheer us up and carry us through. **Have a look at the video 'Wing' on The Literacy Shed website.** See link below. You could use this story as inspiration to: create your own story over kindness overcoming negative situations, make your own artistic representation of the power of kindness or make a short animation of the story or your own version.

<https://www.literacyshed.com/the-thinking-shed.html>

You could create a kindness jar with your household.

Write down on little slips of paper any small acts of

kindness that you could do for each other or other people (remember to consider the current situation carefully as we need to stay indoors so be creative!). Fill a clean empty jar with your ideas and then every day one person takes a slip out for them to carry out. You could things like, making someone a cup of tea, writing a kind letter, giving someone a compliment, making someone's bed etc.

During difficult times we rely on our resilience to carry us through. How do you think we build resilience? **I'd like you to pick one or two things you find very challenging and write it down.** Over the two week holiday focus on practising those things again and again. Keep a journal of your efforts and how you feel through your journey of this task. Some days may be harder than others. How can you keep going? You could pick doing a handstand, learning long division etc.

Please also keep up your reading and pop onto Mathletics when you have time. We need to keep our skills up!

Fleetbeat competition

Pet Mania! Have you got a gorgeous goldfish, a handsome hamster, an adorable dog or a cute cat? Then enter this competition! We are looking for Fleet's cutest pet for our Fleet Beat competition. Send in a photo of your pet to fleet.beat@fleet.camden.sch.uk along with the pet's name, age, breed and a little bit about its personality. The photo must include a piece of paper saying 'Fleet' in it so we know it is a real pet and not from the internet! If you don't have a pet, you can use a friend's pet. All entries must be emailed by 15th April. Good luck!
