

## Year 6 –Summer Term week 4 Home learning

Hi Year 6!

This would have been your SATs week and although it may have been a time of nerves and a little apprehension it would have also been a great opportunity for you to show off all your wonderful learning. The progress you guys have made is amazing and you should be really proud. However, SATS are just a snapshot of what you have all achieved and I wanted us to take some time this week to remember that we are more than just numbers on papers. You all have talents, knowledge, skills and passions that cannot be measured in a test- it is important to remember that!

If you need some extra reading material, you can join Camden's library online and access lots of ebooks! See link below.

<https://www.camden.gov.uk/digital-library>

**English:** For English this week, I would like you to write a letter to yourself reminding yourself of all the great things you have achieved so far this year. Perhaps you might focus on or two things that you are really proud of, such as performing in our winter show or completing your times tables. You may want to think about how you have developed as a writer or how you built your confidence up. Maybe you developed new skills in swimming or art or have developed a new interest that you are now passionate about.

Then listen to the next part of 'Wolf brother'.

Chapter 4 ( part 5)

<https://www.youtube.com/watch?v=EWlzmV65hcY>

**Guided reading:** Choose your spice level- Mild- 'Reynard the fox', ( its is a bit tricky to read this one as the colour are fait- just try your best) Spicier- 'Macavity the mystery cat''( sorry- I accidentally cut off the side of the text when i scanned it but you should just about be able to figure the sentences out. You could google this poem as it is well know!). Answer ALL the questions for the text- set 1, 2 and 3. Keep up your daily reading too!

**Maths:** click on the link White Rose website link below. Watch the video lessons for 'Summer Term week 3' and click on the activity to answer the questions related to each video.

<https://whiterosemaths.com/homelearning/year-6/>

**French:** Go through the powerpoint on 'i go to school'. I hope the sound works for you but if it doesn't it doesn't really matter.

**Science:** Watch the video on the link below to remind yourself what classification 'keys' or branching systems are. Then look at the pdf on classification and complete the activity.

<https://www.bbc.co.uk/bitesize/topics/zxj16sg/articles/z9cbcwx>

**Geography:** Go through the pdf and complete the task. Please make sure your presentation is beautiful and clear. We always label in a straight line remember!

**Music & Art:** Go to the bbc website below watch the 'first' and 'then', videos then have a go yourself at creating your own portrait of someone you care about, with a description of music that reminds you of them. And why.

<https://www.bbc.co.uk/teach/ten-pieces/watch-this-do-this-weekly-activities/zjy3382>

**R.E:** Watch the two video links below about Mosques. Then create your own fact file with the key information about mosques. You can present it how you like but try to make it clear and visually appealing.

<https://www.bbc.co.uk/bitesize/clips/zjr87ty>

**PSHE:** We are continuing our work on how laws are made. This week we are exploring the process of debating. .  
Look through the PSHE pdf on debates, then answer the questions at the end.

**Well done, Year 6! 😊 You are doing a super job!**
