Beware of Scam Communications

Dear parents and carers,

We have been made aware of a national scam to get bank details off families under the guise of the school requiring the details to transfer funds for Free School Meals (FSM). This communication is from fraudsters. We are not aware of any of our families yet having been targeted but we wanted to let everyone know in advance. The school does not require any bank details from families and we would not ask for them.

Please be vigilant and if you receive an email such as the one described please report it to your email service provider.

Best wishes
