Message from the head: Thank you to all who were able to come along to a parent conference this week with your child's class teacher. Please contact the teacher if you haven't yet met. Seeing the children enjoying their learning and really getting into their acting and singing practice for their Christmas shows is fantastic and one of my favourite bits about this time of year. I can't wait to see them!

This week we were visited by 17 student teachers from the Camden School's Direct programme. They came for a session on planning and learnt about our creative topic based curriculum and how we make it work so well for the children. They really enjoyed what they saw and we are glad to be able to support the training of the next generation of teachers.

We are also sad to announce that Candice will be leaving us at the end of the year to return to Australia. She has been a great support to the school and we would like to thank her for all of her hard work during her time here! I hope to see lots of you at the fair tomorrow—a huge thank you to the PA for their hard work—I know it will be great—I have my fingers crossed I win the signed football in the raffle from my beloved Tottenham team! We are still raising money for the refurbishment of part of the Junior Playground to install some new, much needed equipment. With your help we can hopefully get a step closer to realising our plans. Have a great weekend.

Birthday Cakes

Can we request that if you are bringing in a cake/s for your child's birthday that it is either already cut up (if bringing in a large cake) or that you bring in cup cakes. We want to help you celebrate your child's birthday with their classmates but do not always have the capacity to go and get the cake and portion it up at the end of the day. This simple step would really help us. Thank you.

Fleet Winter Fair—Saturday 30th November

Again a big thanks to all parents. PA- Becky, Fab, Jo & Marc

Our punctuality award goes to Year 1 with no lates! Well done to them. There were 47 lates for whole school last week. We need to improve.

Attendance Award

Our Attendance Award this week goes to Year 4 with 98%. Remember our target for the year is 96%. Anything below that is a worry—this week no Classes were above 96%. We need to improve on this.

Star of the Week Awards—this weeks winners...

Well done to our 'Stars of the Week' for their hard work and effort in class.

William Morris in Y4...

Year 4 have been studying William Morris and creating their own art-work inspired by nature and his work. A talented bunch of artists!

Congratulations to Ifeoma and Leda who were the winners of the 'Autumn' Calendar Competition and received their prizes recently. We are now accepting the entries for the 'Winter' round. We hope to have all the winners pictures from the year in the calendar for 2020 and ready to be purchased through the school office in time for the end of term.

Christmas Shows...

Preparations are well under way for the Christmas Shows with the infants singing their hearts out and prop making in year six—can you tell what the Junior show is this year from the picture clue?

Taking over the museum with Y6...

On Friday, Year 6 took part in 'Take over the Museum' Day at Burgh House. They all had specific jobs for the day from museum communications, to front of house also jobs in exhibit design, restoration and care of artefacts. They were brilliant. Mr McGibbon thought Ava and Hannah's tour was the best he's ever had at a museum and he learnt lots he didn't know! Well done Y6.

Beowulf Beasts in Y5...

Following on from their Beowulf inspired writing that was in the newsletter last week, Year 5 have been creating their own monsters for Beowulf to do battle with. Along with drawing them they've planned their defining features, strengths and weaknesses and will now be writing about their battle with the mighty and fearless Beowulf!
