Message from the head:

As we approach the end of the school year it's been fantastic to see the children rehearse songs, plays and finish off pieces of work. There is a sense of real pride from them at what they have been able to achieve. As we dare to look forward with hope that next year we can celebrate plays and other whole school events in person it is helping give me and the rest of the staff that extra bit of energy needed at the end of a hard year. To those families celebrating Eid next week I wish you all the best for your celebrations and look forward to hearing about it from the children when they return to school. The day's absence to celebrate will be authorised as religious observance. I hope you enjoy this week's newsletter—the last full one of this academic year. It includes lots of information on summer provision in Camden as well as photos from the Y1-Y6 sports day activities this week. Have a great weekend.

Arsenal Holiday Camp at Fleet

We are pleased to be able to offer the Arsenal Holiday Camp this summer. It will be running here in school on the first week of the holidays, 26th-30th July, from 9am-12.30pm. This is completely free and is open for any pupils from Year 3 to Year 6. To express interest follow the link below. Places are limited so if you want to take up this great opportunity, which the children have really enjoyed, get in quick!

Holiday Activities & Food programme

The DfE-funded programme of Holiday Activities and Food for children and young people aged 5 to 16 is running again over the summer break. Organisations are offering **four weeks of activities for this summer** with a further week during the winter. Over 30 providers have now signed up to offer various activities for the summer, together with at least one meal a day, with space for up to 2,000 children to take up the free spaces. This programme is open to the children in receipt of free school meals. This week we sent a letter to all eligible families along with a link to the programmes on offer. If you received this letter make sure you keep it as proof of eligibility as you may be required to show it on your child's first day at each activity. The letter includes the link to a booking website where parents can search to see what activities are available and book places for their children. The link to the booking website is: <https://haf.youngcamdenfoundation.org.uk/>

Note: listed on the activities at this website is a programme running here at Fleet by Fuzion Academy. They are providing 4 weeks from 2nd August to the 26th August. We would recommend signing them up for one of more of these weeks.

PLEASE NOTE THE FREE PLACES AND THE LETTER SENT ARE ONLY FOR CHILDREN IN RECEIPT OF FREE SCHOOL MEALS— You wouldn't have received a letter if your child is not eligible FSM but you should still check the website as there are schemes available that are open to all children (although there may be a small charge if you are not)

Congratulations Beth!

We're sure you will all want to join us in welcoming Baby Noa to the Fleet community! Beth gave birth to a healthy baby girl on Friday. Mother and baby both doing brilliantly.

This week our Punctuality award goes to Year 3 with no lates! Brilliant! In fact this was one of our best weeks 4 classes only 2 or less lates. Altogether we had 31 lates—compared to 58 last week! Finishing the year strongly— thank you for ensuring children's learning is not interrupted or time lost.

Attendance Award

The Award this week goes to Year 5 with 98.4% - two weeks in a row! This year's whole school target is 96%. We are currently at 95.9% - almost there—can we do it?

After School Clubs...

CALLING ALL PARENTS

We are hopeful that after the summer we will be able to return to normal in terms of the running of the school day. This means we are looking to plan for our after school club provision. Traditionally some of the clubs have been run by parents—as a small school with limited numbers of staff available, and to keep down costs by not hiring in outside companies, to offer a broad and varied number of clubs we need your help. If you have any skills or interests that you think would be useful and you

would be willing to run a club after school please get in touch. We wouldn't necessarily be able to pay you but would be able to cover all costs for resources or equipment.

In the past parents have run cooking club, code club, language clubs etc.

Please contact the office who can arrange for a meeting to discuss further or answer any questions you might have.

Thank you for your support.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

MEANING

This year we're running the Fleet Happiness Project across the school. This is a project that we ran a few years ago with the aim of looking specifically at ways that we can increase our own, and others', happiness.

We'll be focussing on 10 themes across the year with lots of activities, assemblies and learning in class

Our last theme this year is Exercise: Looking after our bodies. We want to show the children that looking after our bodies helps look after our minds.

We'll be thinking about three key areas:

- staying active
- eating healthily
- getting enough sleep

Look out for the activities in your Home Learning and remember to share what you've been doing by sending in photos for the attention of Miss Wall at admin@fleet.camden.sch.uk.

Tropic Super Heroes & Vile Villains!

Nursery have been thinking about their year and what they have enjoyed, their favourite things to do and all the fun they have had together!

This week in Nursery--

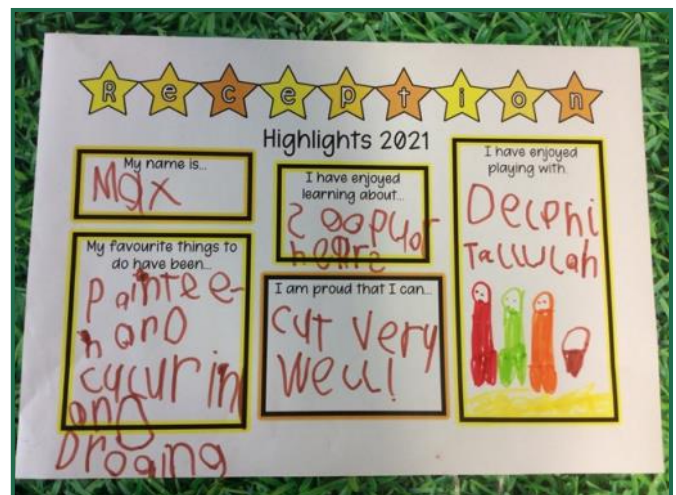

This week in Reception...

This week the children have been reflecting on their year in Reception. They discussed what it means to be a good friend and made thank you cards for each other. Then they thought about all of the things they have enjoyed this year in Reception, and wrote down some of their ideas. They looked closely at their facial features and created a self portrait using only half of a photo of their faces to help. They also focussed on counting on and back from 20 using numicon and play dough. What a busy week they have had! Well done Reception!

Topic: Animal Adventures

The children continued their work on Rosa Parks. They wrote books and recorded the text using the iPads and an animation app to make their digital art come to life! They have also published their books using the book creator app. Also this week they have been looking at a new text, 'If all the world were...' This has led to some great work on similes and thinking about the important people to them.

This week in Year 1...
Topic: History Detectives

Dear Matilda,
We're going on a special voyage. It will be so much fun if you come too since you are my best friend. Tell your mum and dad it won't be scary. Maybe you could sneak out at night if they won't let you. We are going to Survy Sands because Mad Jack Mc Muddle hidden some of his treasure there and we must get the treasure. Please can you come please. Oh and would you like to come? Please can you come please. bring a eye patch, compass, shawl and some pirates cloths if you don't then buy it from other shops. From your best friend Jim Lad. have fun too! also never forget me I won't forget you. From your best friend love Jim Lad.

Amreen

Dear Matilda, we're going on a special voyage to the island of Survy Sands. It will be fun but not scary don't worry. Tell your family that I am going to help the farm and after it will be at school. If your mum says no sneak out in the night. We are going to get Mad Jack Mc Muddle treasure. You will need water, food, ares, spad and clouthing. From Jim Lad

This week the children took part in a litter pick on Hampstead Heath. They also have been writing some fantastic pirate letters and have been very creative with making 3D creatures for an underwater scene. Well done Year 3!

This week in Year 2...

Topic: The Island

This week in Year 3...

The children have been showing their culinary skills in the last week. They made delicious pizzas from scratch—all to support their maths fractions work.

They also had a special 'Tea and Toast Reading' morning—herbal tea of course! Well done Year 3.

Topic: Into the Woods

Y4 Brass Practice:

This week in Year 4

Topic: Into the Rainforest

What a busy week the children have had—their Panamanian paper 'molas' are starting to take shape. They have also been loving solving habitat questions in a clue hunt in the forest area as well as looking for different habitats in the pond area. They also earned their Fleet Treat this week and enjoyed some ice-cream in the sun.

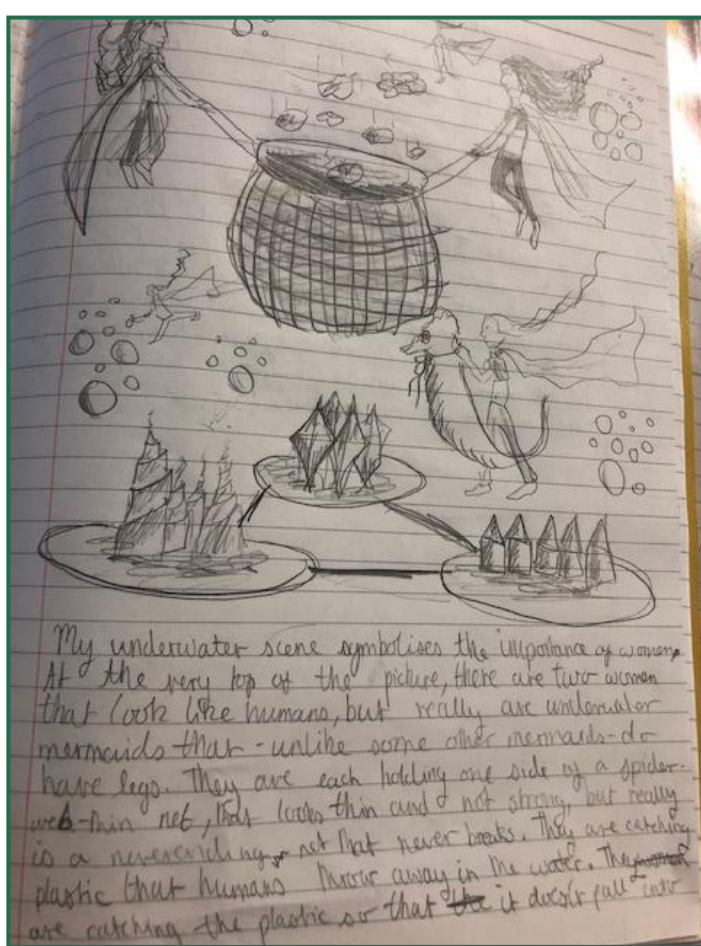

Year 5 have been working hard on the Fleet Beat Magazine recently getting everything together for the end of the year. They also have been experimenting with green screen and the iPads to record the Viking poems they wrote. They've been making art work inspired by the Anglo Saxon abbey of Lindisfarne which was attacked by the Vikings.

Y5 Brass Practice:

This week in Year 5... Topic: Raiders & Invaders

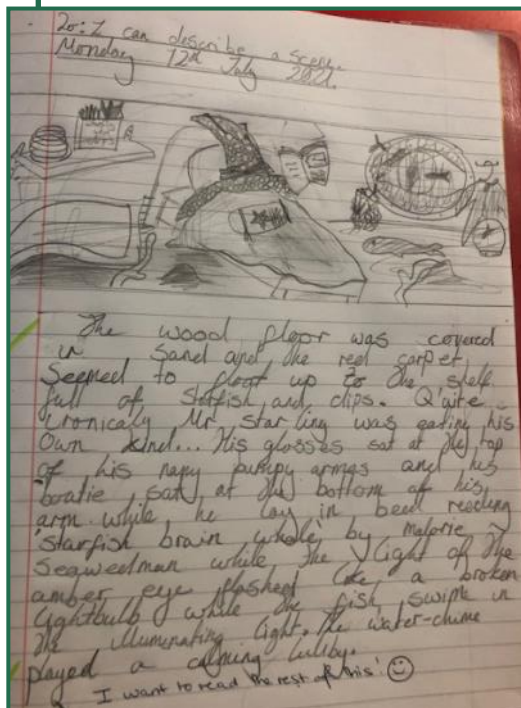

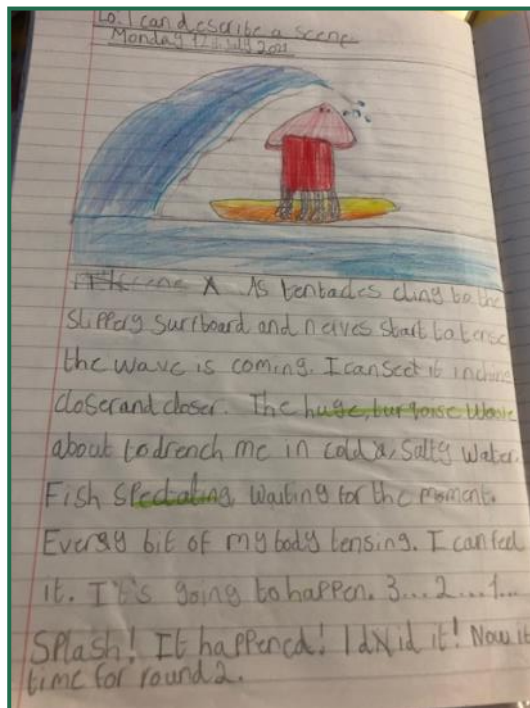

My underwater scene symbolises the importance of women. At the very top of the picture, there are two women that look like humans, but really are unblemished mermaids that - unlike some other mermaids - do have legs. They are each holding one side of a spider-web-like net, that looks thin and not strong, but really is a never-ending net that never breaks. They are catching plastic that humans throw away in the water. They are catching the plastic so that it doesn't pollute.

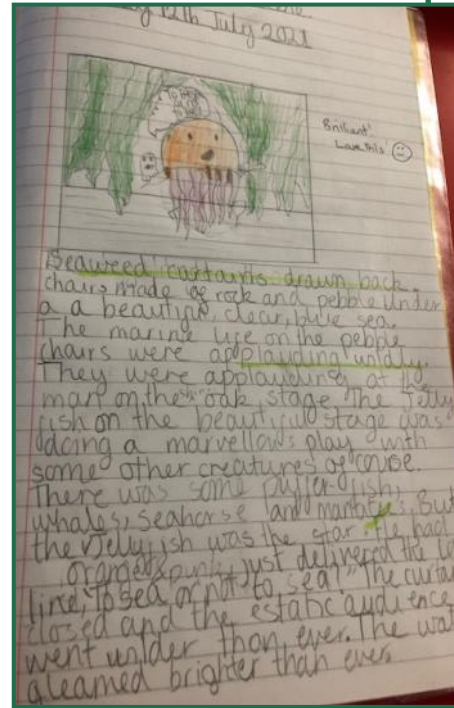

The mighty octopus king sits on his throne what's on top of a bunch of fish skeletons. A mighty fishman carrying a dead sea slug. A salmon fish panicking a bit of him in a can. A tuna fish eating a tuna sandwich. The ice cold banana frang!

The wood floor was covered in sand and the red carpet seemed to float up to the sky full of starfish and chips. Quite ironically Mr Starling was eating his own kind... His glasses sat at the top of his ratty puppy arms and his boatie sat at the bottom of his arm. While he lay in bed reading 'Starfish' brain by Malone. Seaweedman while the light of the amber eye flashed like a broken lightbulb while the fish swam in the illuminating light. The water-chime played a curious lullaby. I want to read the rest of this! 😊

After a 15 tentacles dash to the slippery surfboard and nerves start to tense the wave is coming. I can see it inches closer and closer. The huge, burly wave about to drench me in cold & salty water. Fish splashing waiting for the moment. Ever so bit of my body tensing. I can feel it. It's going to happen. 3... 2... 1... Splash! It happened! I did it! Now it's time for round 2.

Seaweed curtains drawn back chairs made of rock and pebble under a beautiful clear blue sea. The marine life on the pebble chairs were applauding wildly. They were applauding at the man on the oak stage. The jelly fish on the beautiful stage was doing a marvellous play with some other creatures of the sea. There was some other fish, whales, Seahorse and manatee. But the jelly fish was the star of the show. Or was it just delivered the line, 'Ised or not to sea?' The curtain closed and the estate audience went under their eyes. The water gleamed brighter than ever.

In Year 6... Topic: Wild!

Following on from their sleep over in school at the end of last week the children, while rehearsing for their leavers assembly, they have still found time to imagine their own fantasy underwater scenes and do some writing based on the book 'Flotsam' they have been studying.

Sports Day...

Thankyou
Coach
Keeley!

Weekly Wellbeing Update

New Tip...

Relationships with parents are valued hugely at Fleet and we're very much missing seeing everybody as regularly as we usually would. Therefore we'd like to look at alternative ways of communicating and helping each other; at this difficult time we'd like to know how best to support you.

Week 31 – Pause for Reflection

As we approach the end of another academic year, we might like to spend some time reflecting on the past year, whilst also thinking about what the coming year may bring us. Practicing reflection is one of the best ways to shift our mindset, increase positivity, and discover a greater understanding of ourselves. The past year and a half has been difficult for many of us; having to deal with lockdowns, uncertainty, stress and loss. However, it was also a time where we could re-assess our lives and consider any changes we want to make to improve our overall wellbeing.

Here are some examples of what you might like to reflect on:

- Challenges I faced over the last year and how I overcame them
- New skills/games/activities I learnt and how they helped me
- Different ways I learnt to connect with friends/family
- Positive things I discovered about myself and how I like to cope

Any goals/aspirations I want to set myself for the year ahead

Are you worried your
child is showing signs of
stress and anxiety?

Are you concerned about
your child's wellbeing
coming out of lockdown?

SUPPORTING YOUR CHILD TO BUILD RESILIENCE AND POSITIVE MENTAL HEALTH

The aims of this session are to help you to

- Identify the signs and symptoms of a child struggling with their emotional wellbeing
- Support your child to make positive choices for their wellbeing
- Learn strategies and activities to support their mental health resilience
- Reflect on the impact of the pandemic and how we can support children to move forward

Dear Sir or Madam,

Electric Vehicle Charging Point Bay – Fleet Road

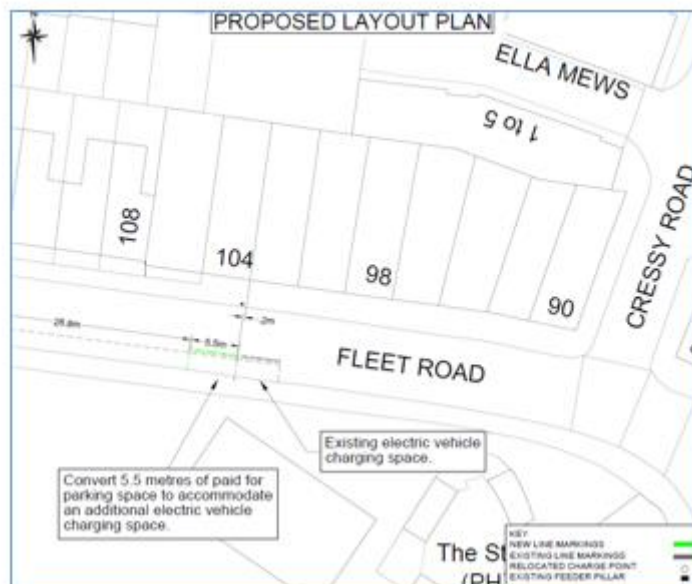

We are writing to inform you of the Council's proposal to extend the existing electric vehicle charging space opposite 104 Fleet Road to allow two electric vehicles to charge at the same time. The extension is being proposed because usage data shows that this location and other proposed extension sites have the highest use in the borough.

The council is committed to rolling out a network of electric vehicle charging points to encourage people who live, work, and visit the borough to use electric vehicles when there is an essential need for a motor vehicle. This is in line with our Camden Transport Strategy and the Electric Vehicle Charging Point Action Plan.

As electric vehicles become more popular the demand for charging points in Camden is growing. Benefits to owning and using an electric vehicle include:

- Exemption from Vehicle Excise Duty and London's Congestion Charge;
- Heavily discounted residents' permit;
- Zero tailpipe emissions, contributing to our ambitions to reduce nitrogen dioxide emissions in the borough and assist in improving air quality
- Less noise pollution as electric vehicles are quieter than petrol/ diesel vehicles

The proposed layout is illustrated in detail on the plan overleaf. The measures, if approved for implementation, will result in the loss of one paid for parking space.

New Charge Point & Feeder Pillar

Proposed changes – opposite 104 Fleet Road

The proposals consist of the following:

- To convert 5.5m of paid for parking space to accommodate an additional electric vehicle charging space.

The proposed works are scheduled to be implemented by the end of the calendar year, and the charge point is being funded by Source London.

Prior to implementation a statutory Traffic Management Order (TMO) consultation will be undertaken which will involve advertising the changes in local newspapers.

Please ensure any comments are received by 22/07/2021.

Option 1 Email: You can submit your comments via email to: source@camden.gov.uk

Option 2 Post: Send your comments using the following freepost address (no stamp required) FREEPOST LBC TRANSPORT STRATEGY – Only this text is required to reach us.

Violence & weapons

Games with a high skill ceiling – which require dedication and repetition to master – can quickly become addictive. Developers design games like *Valiant* to hook players and keep them coming back every day; this practice has seen online shooters cultivate vast user-bases over the last decade. Children are particularly susceptible to these tactics, which can unfortunately lead to obsession and eventual addiction.

Valorant is free to download, only requiring an account on the Riot Games site. There is, however, a built-in digital store where real money can be exchanged for points: Valorant's in-game currency, which can be spent on weapons. Bundles of points cost between £4.99 and £99.99 – so if a card or PayPal account is linked to the game, children could easily rack up a large bill without realising it.

When millions of gamers from around the world discover a new title, it's sadly inevitable that some will harbour more sinister aims than winning games and having fun. In *Valorant*, teams audio chat via headsets – potentially exposing children to hazards such as name calling, harassment, inappropriate language and grooming. Players could also befrend each other online and then communicate outside the game via third-party apps like Discord or TeamSpeak.

Watch for signs of addiction

The simplest way to prevent children accidentally (or deliberately) spending money on in-game purchases is to remove their ability to. If there is a bank card or PayPal account linked to any online games your child plays, the safest option is to disconnect them. Valorant supports prepaid gift cards, so you could consider purchasing these as an alternative which gives you more control.

If another player becomes a problem, your child could mute them or report them to the game's developers. From the 'Career' tab on the main menu, they can view previous matches and should select the match featuring the abusive player. Highlight that player, and the option to report is in the dropdown menu. To mute other players in a game, go to the scoreboard and either mute or drag the volume slider of that player all the way down.

Games like Valorant can seem overwhelming to start with, but they are designed to be easy to pick up and play – with a level of depth for those who want it. If you have another computer, you could download a second copy of the game and play alongside your child. It's an enjoyable way to bond over something they're already interested in, while also keeping an eye on them online.

As a popular eSports title, Valorant has many professional players who compete in tournaments for sizeable prize pots. Watching a high-octane competitive game with professional shoutcasters (commentators) on platforms like YouTube and Twitch can be exciting. You could find out when live games are being played and watch them with your child, just like you might with football or rugby.

Coronavirus cases are rising

Even if you think you'll be fine if you catch coronavirus, you could pass it on to someone who could get seriously ill, so please keep following the rules to protect yourself and others.

- Get your free COVID-19 vaccine as soon as possible – book at nhs.uk/coronavirusvaccine, call 119, or see details about walk-in events below

- Regularly wash your hands

- Wear a face covering in indoor and busy outdoor spaces, unless exempt

- Stay 2 metres from others

- Socialising indoors? Keep windows open to dilute infectious particles

- Get a regular rapid test (for people without symptoms) to check you're COVID-free before meeting others

Got symptoms? Self-isolate for 10 days and get tested by visiting nhs.uk/coronavirus or calling 119

Please remember the current restrictions aren't being lifted until 19 July, so please keep following them carefully. We strongly advise you to keep following this advice after this date to help keep yourself and others safe.

Rapid COVID-19 tests for people without symptoms

You can still catch or spread COVID-19 and not have symptoms, even after being vaccinated. A free, rapid test twice a week will prevent you passing COVID-19 on to others and helps stop the spread. You get results in 30 minutes. To find your closest test site, home test pick-up or delivery options, visit

camden.gov.uk/rapidtest or call 020 7974 4444 (option 9).

Get vaccinated without an appointment

If you'd prefer to just turn up to get your COVID-19 vaccine, there are many walk-in events happening across Camden. To find one near you, visit camden.gov.uk/getting-the-vaccine or call the Council on 020 7974 4444 (option 9).

COVID-19 vaccine second dose advice

Please remember that you can only get your second dose of the vaccine 8 weeks after your first dose, and it must be the same vaccine as you had previously. Unless you're advised otherwise by your GP, please don't attend a vaccination event to get your second dose until you're eligible.

I want to start by saying a huge thank you to everyone in Camden for their role since the pandemic began. The strength of spirit demonstrated, from following public health guidance to protect our communities, to looking out for neighbours when they needed it most, has undoubtedly saved lives.

While 19 July signals a new phase, it is not the end of this deadly virus. COVID-19 cases are still rapidly rising. Please remember that if you catch the virus, you could pass it on to someone else, even if you are vaccinated. The sooner everyone is double vaccinated, the safer we will all be, so please get both doses as soon as possible.

After 19 July, you will still be required to wear a face covering on public transport in London, unless exempt. We also strongly advise you to keep following advice around washing your hands, wearing a face covering in other busy indoor and outside areas, keeping a safe distance, and ventilating indoor spaces to help keep everyone as safe as possible.

Please also remember that some residents may be feeling nervous, overwhelmed or frightened about restrictions easing for a variety of reasons. So please continue being kind to others, and do all you can to keep yourselves and others safe.

Councillor Georgia Gould, Leader of Camden Council
