

Friday 25th September 2020

Message from the head: I hope you are all safe and well. It is with concern we all watch the daily news updates regarding the rising cases of Covid-19 across the country. Thankfully, cases in Camden still remain rare and well below both London and National averages. I hope you received the letter that was sent out yesterday via Parent Hub with an important update on steps we are taking, how you can help and what to do in case of illness in the household. If you are having any problems with Parent Hub please call Lisa in the office who will help you sort it—it is so important at this time that we are able to communicate quickly and clearly with you so Parent Hub is a vital app to have on your phone. It has been a great week in school. The classes have all finished their work on the 'Here We Are' back to school topic they did for the first couple of weeks—this picture is of a fantastic display celebrating their work. Everyone has been working hard and now that we've finished baseline assessments you will be receiving your phone calls from teachers next week to introduce themselves—please see details below. There is a lot of information on pages 5 & 6 of this newsletter about active travel and next week being National Bike to School Week. Pages 3 & 4 has important info on Secondary Transfer for our year 6 parents.

Have a great weekend and enjoy the rest of the newsletter.

London Mini Marathon

Year 3 and Year 5 have entered into the year's 'London Mini Marathon'. They will be incorporating it into their Daily Mile sessions. They are going to do it to raise money for playground equipment. We will be in touch about how to give donations to support their efforts in the coming weeks.

Parent Call-Meetings Next Week—Y1-6

As mentioned in previous newsletters next week your child's class teacher will be calling you. This is to substitute for a face-to-face parents meeting. We have completed baseline assessments on all the children and teachers have now met with senior leaders to discuss targets and plan support for the term. We are making these calls earlier in the year than a parents meeting would usually be so that you can 'meet' your child's class teacher, have a chat about where your child is at and think together how to support moving their learning and development forward after the disrupted education of last academic year. As the usual regular face to face contact between teachers and parents is not possible at this time **please do all you can to take this phone call** so that the teacher has a chance to introduce themselves to you and discuss your child (**the number may show up 'No Caller ID' - please take the call**). Thanks.

Y1: 9.45am-11.45am Thursday 1st October

Y2: 1.30-3.30pm Friday 2nd October

Y3: 10am-12pm Tuesday 29th September

Y4: 1.30-3.30 Tuesday 29 September

Y5: 1.45-3.45pm Thursday 1st October

Y6: 9.50-11.50am Friday 2nd October

All classes: 4-6pm Wednesday 30th September

Bike to school week next week—28th September—2nd October

Next week is 'Bike to School Week'. It would be great to see lots of the children cycling and scooting. Take a picture of them coming in on their bikes to celebrate and we will tweet it! The bike storage is beside the greenhouse at the infant playground. Lets encourage as much active travel as possible at Fleet!

Individual School Photos—1st October

The school photographer is coming in on Thursday next week, October 1st to do individual photos. At this time there will be no group or class photos (these will hopefully be done later in the year). All Covid—secure precautions will be taken to ensure the photographer and each individual child remain socially distanced while the photos are taken. There will be no sibling photos at this time, just individual.

Fleet artists, we need your help!

Last call to enter the library genre label competition. We'd like our wonderful Fleet artists to make us some signs for the book shelves. You can see some from year 3 and 4 children in this picture.

What you need to do: Make a sign with the name of the genre (choose one—the genres are: **adventure, mystery, short stories, fantasy, spooky, funny, animals, historical, poetry**). Your sign should be 5.5cm wide by roughly 35cm long. It can be on plain white paper using pencils, felt tips, gel pens, paints or pastels. If you need some paper from school, just ask! It would be great if your writing could show something about that genre - so for example if you're doing a sign saying 'spooky' you might decorate it with some skeletons, cobwebs and ghosts, or if you're doing 'fantasy' it might have some dragons, witches or fairies on it. Make sure the name of the genre is large and clear for people to read! Hand in your entry to your class teacher and they will pass it on. We can't wait to see your fabulous art work! All entries must be in by the end of next week.

Punctuality Award

This week, our Punctuality award goes to Year 2 and Year 5 with 1 late! 36 lates for the whole school—we need to improve!

Attendance Award Our Attendance Award this week goes to Year 2 & 3—both with 100% - amazing! This year's whole school target is 96% - we're currently at 95.99%. Thanks to you all for your efforts so far. Keep it up!

Star of the Week Awards—this weeks winners...

Well done to our 'Stars of the Week' for this week. We are very proud of their hard work and effort.

*** **IMPORTANT** ***

Please Read :

What to do if my child or someone in my house is ill?

We are entering into Autumn, and with the children coming back to school and into contact with the other children in their class they are more likely to pick up illnesses than over the summer break.

In this time of Covid-19 it is important that everyone knows what to do should your child, or anyone in your house become ill.

In the case of a cold, snuffle, sore tummy etc. or other symptom that is **NOT** one of the 3 symptoms associated with Covid-19 they would only need to stay off school for the period their illness means they are too unwell to be here. Any siblings, if not ill too, are able to come to school as normal.

The indicator symptoms of Covid-19 are:

- **a high temperature** – this means you feel hot to touch on your chest or back. A temperature above 38C is normally considered to be high.
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

If your child, or any member of the family exhibits **ANY** of those 3 symptoms then you must go online and arrange a test for them. That child or person should self isolate for 10 days and their siblings and other members of the household for 14 days, until there is **EITHER**:

A negative test result **OR** A doctor's note explaining that the symptom is not COVID-19 (e.g. the cough is not a "new" cough – i.e. is typical of the child's pre-existing health condition)

If you have only been told by 111 that they do not need to get tested but the individual with symptoms still has one of the three COVID symptoms, then we will request a GP note to confirm this information before we will consider the child returning. This is in line with the advice we have received from the local authority.

To protect our whole school community and keep everyone safe...

It is really important that anyone with symptoms is tested within 5 days. If the person is not tested within 5 days of symptoms first exhibiting then the whole household is required to self-isolate for 14 days. That is a lot of school for the children to miss and having a test can really minimise that. We know it is proving very difficult and frustrating at the moment to arrange tests but please keep trying if you are in the position that someone in the house has symptoms. In the majority of cases the test will be negative (very few children across the country are testing positive and unlike the flu, young children have been shown not to be spreaders). As soon as a negative test comes back children will be able to return rather than have to miss 2 weeks of school.

If the test is positive you must let us know straight away so we can discuss with public health and determine if we need to isolate the class the child is in and move to online learning for 14 days.

In the case of a positive test in your families all children in the family home—whether they have symptoms or not would stay off school.

If you are unsure you can phone the office for advice or call 111. To arrange a Covid-19 test go to: www.gov.uk/get-coronavirus-test

please STAY AT HOME if your child or anyone in your household has symptoms of coronavirus

Stay alert to any of these symptoms:

- A high temperature
- A new, continuous cough
- A loss of, or change to, your sense of smell or taste

If your child or anyone in your household has symptoms:

- Stay at home
- Self-isolate and get tested
- Tell your school that someone in your family may have coronavirus

Find out how to get a test, and how long to isolate, at nhs.uk/coronavirus
If a test has been taken and the result is negative, we will then welcome your child back at school!

Important Information for Year 6 Parents about Secondary Transfer Events

Coronavirus (Covid-19) update: Many schools that test for a child's ability or aptitude have postponed admission tests until later in the autumn term. This is in response to a range of Covid-19 related issues. Despite these changes, you should still register your child for tests by published deadlines. You should also submit your online application by the national closing date, 31st October 2020. If you receive the results of the test after the 31st October 2020, you may make changes to your application preferences. This is such as to add or remove a selective school. Please ensure that you email admissions@camden.gov.uk with any changes by 10th December 2020. Changes to preference after this date will only be considered after places are offered on 1st March 2021. If you live outside Camden, contact your local authority for their policy on making changes to a school admission application.

Moving on to secondary school: The high quality teaching and supportive environment at Camden's secondary schools aims to help every student reach their potential. That's whether your aim is a place at a top university, an excellent apprenticeship or landing a great job. All Camden secondary schools are currently rated either 'good' or 'outstanding' by Ofsted. Read our latest guide to secondary schools in Camden:

[Secondary schools in Camden guide – applying for a Year 7 place for September 2021](#) (a copy of this was sent home with every y6 child, if you did not get it please call the office to let us know)

Your child will be due to start secondary school in September 2021 if they were born between 1 September 2009 and 31 August 2010. Applications for Year 7 places are open from 1 September until the deadline of 31 October 2020. [Apply online for a Year 7 place for September 2021](#)

Is your child due to start secondary school in September 2021? Find out more about what Camden schools can offer your child at open events taking place this term.

Camden secondary schools, which are all rated either 'good' or 'outstanding' by Ofsted, will each hold their own open days and evenings - though several of these will now be held 'virtually' online. Please check each school's website or call their office to check if the event is still on and how it is being held - face to face or 'virtually' online. The next page is [a poster with upcoming dates](#) (several of these events on the poster will now take place virtually or they have moved dates / times, as set out below. Some schools are holding additional events too).

Camden School for Girls will be replacing their open days and open evening this year with a virtual open event, which will be available on [the school's website](#) from Wednesday 16 September. The aim is to give parents, carers and children as full an impression of the school as they would receive from visiting the school in person, including a 'virtual tour' of the school.

For details of Acland Burghley School's open events, please [visit the school's website](#).

[Parliament Hill School](#) will run a virtual Open Evening on 24 September. The open mornings which were planned and are mentioned on the above poster will now take place at the end of the school day instead on 29 and 30 September and 1 October. The school will run an additional Open Day on Saturday 3 October. Booking information has now been published [on the school's website](#).

[La Sainte Union Catholic Secondary School](#)'s open mornings will be as advertised in our poster and secondary admissions guide but will now be held virtually online. The school's open evening on Thursday, 24 September, from 4 to 7pm, will go ahead as advertised but is by ticketed entry only - [find out more and book your place via the school's website here](#) (note: this open evening is now fully booked so if you were hoping to visit please book onto one of the school's virtual open mornings instead).

[William Ellis School](#) is also looking forward to welcoming prospective parents of Year 7 pupils to their open evening on Thursday, 24 September, from 4.30pm to 8pm. [Visit the school's website to book your place](#).

[Maria Fidelis Catholic School](#) is hosting an open event on Saturday, 10 October. [Find out more and book your place](#).

[Regent High School](#) will be running an Open Week from Monday 12 October to Friday 16 October, with daily tours from 9am to 10.20am. [Bookings have now opened on Eventbrite](#), with a maximum of 30 places available per morning.

[Meet the Parents](#) also holds [informal forums for primary parents](#) at local schools across the borough, some of which will also be held 'virtually' online and some face to face. See below for details of the Virtual event for Fleet Parents.

You can also find out more about Camden secondary schools and how to apply by reading our new [secondary admissions guide](#).

[Applications are now open](#) and the **deadline to apply is 31 October 2020**.

Fleet Meet the Parents event for Secondary transfer

'Meet the Parents' are going virtual for their annual event this year in response to the pandemic. The webinar format will take place on Monday September 28th from 6.30 to 7.30pm. There will be a live online panel of families from the local state secondary schools frankly answering questions about their schools from parents deciding where to send their children for Year 7. Secondaries represented will be Acland Burghley, Haverstock, La Sainte Union, Parliament Hill and William Ellis. You will be able to submit questions online during the event. Parents in all year groups at Fleet are welcome to take part but it is particularly relevant for parents of children in year 5 and 6 who are thinking about where they want to apply to for secondary school. We will send out details of the zoom link nearer the time. So that they know the level of interest in advance, please register to take part through this eventbrite link: <https://www.eventbrite.com/e/meet-the-parents-at-fleet-primary-school-tickets-118428186895>

Choosing a secondary school in Camden

Open events 2020

Open mornings: Wednesday 16 and Friday 18 September 2020, 9am

Sixth Form: Tuesday 17 November. Tickets available Thurs 1 Oct

Banding assessment registration: register online by Tuesday, 22 September, 12 noon

Haverstock School

24 Haverstock Hill, London NW3 2BQ
 020 7267 0975
www.haverstock.camden.sch.uk

Open evening: Thursday 1 October, 5 to 7pm

Open mornings with tour of classrooms: Every Thursday from 24 September to 22 October 9.20 to 10.30am

Sixth Form: Please check our website for details of Sixth Form Open Events.

Maria Fidelis School FJC

1–39 Drummond Crescent, London NW1 1LY
 020 7387 3856
www.mariafidelis.camden.sch.uk

Please check the school calendar or contact the school for the arrangements of the open evening and Sixth Form events.

Open mornings: Every Tuesday morning throughout the school term, 9.30 to 10.30am (please note that this will be by appointment only – due to Covid-19). Please call the school office on 0207 387 3856 option 0 to arrange.

Regent High School

Chalton Street, London NW1 1RX 020 7387 0126
www.regenthighschool.org.uk

Open evening: Thursday 1 October, 4 to 6pm

Open mornings: 1, 7, 13, 19 October, 9am

Sixth Form: Thursday 19 November, 4 to 6pm

William Ellis School

Highgate Road, London NW5 1RN 020 7267 9346
www.williamellis.camden.sch.uk

Open evening: Thursday 24 September, 6 to 8pm

Open mornings: 29, 30 September and 6 October, 9 to 10.30am

Sixth Form: LaSWAP: Thursday 26 November, 5.30 to 8pm at Acland Burghley School (pre-registration is required – see the school website or www.laswap.camden.sch.uk)

While most Camden secondary schools still plan to have open events for parents and the details below were correct at the time of going to print, these arrangements could change or the events may be held 'virtually' online – please check the school's and Camden Council's website for the most up to date information.

Back to School Travel Information...

Welcome back to a new school term! While the majority of our pupils live in the local area and are able to walk/scoot/cycle to school we know for some of you that is not possible. Social distancing measures and pressures/anxieties around using public transport may mean changes in the way some of you travel to school. To help you make the journey to and from school easier and safer for everyone this year, here are some important travel updates and resources to share from Camden.

Planning your journey to school:

TfL have provided resources to help plan your children's journey. You can find the best walking and cycling routes to school, as well as the nearest bus, train and underground stations through the [Journey Planner webpage](#). You can find the new STARS Safer Journey guide on our website by clicking [here](#):

Changes to bus services:

To help understand the changes in the school bus services, please visit tfl.gov.uk/reopeningeducation. TfL have a short video to help everyone understand how this will work. You can find the video [here](#).

Walking, cycling and scooting to school:

- Unfortunately, we are unable to do our usual cycle skills training this term. However, **free cycle skills training courses** are available for all Camden children and adults, register for a session [here](#). TfL have also launched a new online Cycle Skills course that can be found [here](#).
- Camden will be organising a Doctor Bike event at Belsize terrace on Wednesday 16th September where you will be able to **get your bike serviced and repaired for free**, (this is the same as the one we would normally do here) as well as see up close one of the cargo bikes Camden has on offer. For more information please contact richard.riddle@camden.gov.uk
- Parents may wish to try our **cargo bike loan scheme**, giving them a chance to trial for free one of our electric assist cargo bikes for a period of 1 to 3 months. Please refer to the flyer (left) for more information.

- Camden is also partnering with Lime bikes and will be offering **20% discounts on all Lime rides** from 6 to 9:30 on weekdays through September, for the morning commutes and school runs. For more information please visit the app: <https://www.li.me/en-us/home>.

- **Get ready for Bike to School week** later this month! (September 28th to October 2nd)
- Sustrans Activity resources are available to download here: <https://www.sustrans.org.uk/our-blog/projects/2019/uk-wide/bike-to-school-week>

Active travel news in Camden:

Healthy School Streets: from September this year as part of our Transport Strategy Camden will be rolling out more of the Healthy School Streets. Visit this [web-site](#) for more information and the latest project updates.

London Living Streets and Urban Good are launching Central London Footways with Transport for London on 17th September. This is a new walking map that highlights a network of quiet and interesting streets in central London.

Please visit: <https://footways.london/>

Camden Cargo Bike Network

The Camden Cargo Bike Network offers cargo bike trials to parents who wish to try out a cargo bike for the school run. During a free, no-obligation cargo bike loan you can decide whether buying your own cargo bike will be the right choice for you. We offer free tailored cycle skills training, too, so you can cycle your children to school safely and confidently.

Why parents are embracing pedal power for the school run:

1. Improved air quality around schools and for your children - cargo bikes provide zero emission transport
2. Reduced costs - no fuel charges
3. More efficient: reliable journey times, no parking issues outside of schools
4. A great alternative to cars during Healthy School Street closures

If you would like more information about the Camden Cargo Bike Network, please contact Paul Davis or Michelle Jamieson (020 7974 5537, Travelplans@camden.gov.uk)

Camden Active Travel Challenge for Fleet Primary School

Monday 5th – Friday 16th October, 2020

We are calling all of our families to rise to the Active Travel Challenge!

Our school has been entered into Camden's Active Travel Challenge. Children are being asked to walk, scoot or cycle to and from school as much as possible for **2 weeks beginning Monday, the 5th of October until Friday, the 16th of October**, to help win our school some amazing prizes!

1st prize:

Active Travel Trophy to be displayed in school for the year and a 'Scoot Fit Experience' Session for all pupils

<https://www.scootfit.co.uk/scooter-experience-day>

2nd prize:

Schools to receive a fit kit bag including equipment and instructions for over 30 different activities

All children will get lots of fun prizes throughout the competition such as:
Reward badges and stickers.

For those pupils not able to travel in an active way for the whole journey for whatever reason. The following will also count towards our schools active travel total:

- Parents park 10 mins away from school and walk the remainder to school.
- Parents and children get off of the bus 2 stops early and walk the remainder to school
- Parents and children do some form of exercise for 20 minutes a day (Walk for 10 minutes twice a day, go for a bike ride, play a game of tag in the park, etc)

We are very excited about this campaign for many reasons especially in our current Covid-19 world, the importance of social distancing and avoiding public transport, where possible. We see this as something we can all do to keep all our students safe and healthy, all the while having great fun!

We will be encouraging the staff to do this too!

Thank you and we hope to see lots of you walking, biking or scooting 5th-16th of October!

CHANCE TO WIN A SCOOTER EXPERIENCE DAY FOR THE WHOLE SCHOOL!!

TOP SCHOOLS FIT KIT BAGS WITH OVER 30 ACTIVE GAMES AND EQUIPMENT!

5th October – 16th October, 2020

PRIMARY ACTIVE TRAVEL CHALLENGE

How do you get to school?

WALK, SCOOT OR CYCLE
to school and home again
to earn prizes!

From National Online Safety

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.

In school this week...

Terracotta Warriors

Look at these fantastic Terracotta Warriors Year 2 have created as part of their topic this week. Some very talented sculptors we're sure you will agree!

Year 2

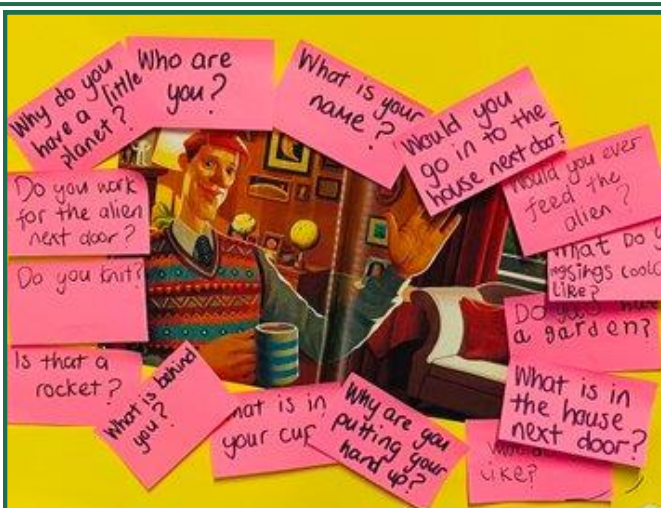

This week year 6 had a great session with Gillian from the CLC. They used our laptops and were coding micro-bits - first to control a Tamagotchi and then to give temperatures in the room!

They have also been working on some artwork for their corridor display linked to their topic. They used pastel and pencil to create incredibly life-like images of Cacao pods. The variation in colour and their use of shading is superb.

Year 6

This week, Y1 met a stranger and had a cheeky look inside his lounge!

They had lots of questions for him and later in the week received a surprise letter and a book from the stranger, who they now know is called Bob, the Man on the Moon.

They are hoping to discover more about Bob as the days go on.

Dear Y1

Hello! It's Bob here. It's me in the picture that Ms Coulter showed you yesterday. She sent me your questions, which I really enjoyed reading. To help answer them, I'm including this book about me for Ms Coulter to read to you. It should help to answer some of your questions. I can't wait to hear from you again! Have a great day!

Bob (AKA The Man on the Moon)

Year 1

Year 5 have been working hard on the research for their Planet Top Trumps cards! In the process they have been able to answer some of the questions they set themselves

at the start of our Space topic.

Can you guess the painting Y5 are recreating this week? It's a slow process as they're using small dashes to build colour, just like the original artist!

Year 5

Reception

Reception have been busy talking about what it means to be a good friend. They talked about how they are all going to try their best to look after one another, share, take turns and play together. They painted self portraits to add to their friendship wall. Definitely some promising artists in this year's class!

Here are some of the finished 'Words for the World' that Y3 made for the end of their 'Here We Are' unit.

Boudicca portraits are taking shape in Year 4. We can't wait to see them once they are painted!

Thursday 24th September 2020
I can write a persuasive speech
 If you want to live come help me fight with the
 Spanish Romans. We won't pay the taxes to them this
 is our land and nothing is going to take us
 from having this. I'll never let your sets down
 and always believe that your strong and brave.
 We will do anything to protect our lands.

They have also been writing in role as Boudicca, persuading the Iceni to join her in fighting against the Romans. We've been impressed by what they've come up with.

Thursday 24th September 2020
I can write a persuasive speech
 My dear people we need to fight those
 cruel Romans and they stole our land. My
 husband Prasutagus said we could have half
 the land but those selfish, greedy Romans
 stole it! We must fight the Romans to
 get our land back. I stand here asking
 for everyone to fight those stupid Romans!
 Do you love your land or not? I suppose
 want to survive follow my join me. This land
 belongs to us, we can't let some nasty
 Romans stop us! The Roman army was
 overpowered us we can overpower them!
 As you don't care then leave this land!
 I call on you all to fight those terrible
 Romans. My brave people follow me and
 put who is right!

Year 4

Our new Nursery children are settling in well. They are really enjoying exploring our inside classroom this week. Lots of painting and fun being had—what a group of busy bees!

1st Online Sharing Assembly!

Coronavirus: Weekly update from Camden Council

For the latest information and support from Camden Council and its partners, including updates to services:

- Visit camden.gov.uk/coronavirus
- Check the rolling newsfeed at camden.gov.uk/coronavirusnews
- Follow Twitter [@CamdenCouncil](https://twitter.com/CamdenCouncil)
- Speak to someone at the Council directly by calling **020 7974 4444 (option 9)**

SIGN UP to receive the Council's e-newsletter at camden.gov.uk/coronavirus-updates

NHS COVID-19 app

The NHS COVID-19 app launches today (Thursday 24 September) to support Test and Trace. The app will help to prevent the spread of coronavirus by:

1. Enabling people to scan a QR code to 'check-in' to a venue – e.g. a shop, voluntary organisation or place of worship.
2. Helping to identify people who've been in close recent contact with someone who's then tested positive for coronavirus – including people they may not personally know.

Downloading the app is advised but not mandatory. To find out more and download the app, visit covid19.nhs.uk

COVID-19 app guidance for businesses

All local businesses and venues – including shops, voluntary organisations and places of worship – are encouraged to download and display their unique QR code poster for recording visitors' contact details.

It is a legal requirement for businesses and venues in these sectors to display a QR code poster:

- **Hospitality** e.g. restaurants, hotels and bars
- **Leisure and tourism** e.g. gyms, museums and cinemas
- **Close contact services** e.g. hairdressers and beauty salons
- **Local authority venues** e.g. libraries and children's centres.

These businesses and venues will also need to continue offering a manual option for recording visitors' contact details for people without the app. If your business or venue is in one of these sectors and you fail to display a poster and offer a manual option to record customer details, you could be fined.

Creating a QR code poster is free and easy – visit gov.uk/create-coronavirus-qr-poster

With coronavirus cases rising across London, and as new measures are put in place to slow the spread, I want to reassure Camden residents that we are here to support you.

I know you've all had to make personal sacrifices over the past six months to keep each other safe – and it's vital that we all continue to follow public health advice. This includes self-isolating and getting tested if you develop symptoms. If you struggle to access a test, please keep trying. Regardless of whether you can access a test, you must self-isolate – this means not leaving your home at all, except to get a test.

If you need any help with self-isolating – whether that's accessing food, support with your work needs including finances, or help with your children's education and caring responsibilities – please call **020 7974 4444 (option 9)** or visit camden.gov.uk/coronavirus. We're also putting additional support in place to protect our most vulnerable residents.

Councillor Georgia Gould, Leader of Camden Council

New Government guidance

The Government has announced new restrictions to curb the rise in coronavirus cases across the country. These include:

- People should work from home wherever possible.
- From today (Thursday 24 September), restaurants, pubs and bars must close at 10pm – they will also be restricted to table service only.
- **Face coverings:** By law, you must now wear a face covering if you are travelling in a taxi or visiting a restaurant, pub or bar, except when seated at a table to eat or drink. Staff in the retail, leisure and hospitality industries must wear face coverings where they are likely

to come in close contact with the public.

Fines for not wearing one have been increased to £200 for the first offence. To request a free print or digital exemption badge, search 'face covering exemption' at gov.uk

- **Weddings:** The maximum number of guests will be reduced from 30 to 15 from Monday (28 September).
- **Public sporting events:** Plans to allow fans to return are paused.
- **'Rule of six':** As of Monday (28 September), socialising in a group of no more than 6 also applies to indoor team sports for over 18s.

For more information, visit gov.uk/coronavirus

Crowdfunder launched to end digital divide in schools

Camden Learning, a partnership between local schools and Camden Council, has launched its first ever Crowdfunder to raise money to support school children whose learning is most affected by the coronavirus pandemic.

More than 3,000 Camden pupils are without access to a computer – or have to share with siblings. Unless money is raised to buy laptops and Wi-Fi access, many of these children, who are among the most disadvantaged in the borough, will be denied the online learning they desperately need if they are sent home due to COVID-19 cases in their school or there is a local or national lockdown.

To support these pupils, Camden Learning is asking residents and businesses to support the Crowdfunder to end the digital divide.

To donate or find out more, visit crowdfunder.co.uk/end-the-digital-divide-for-camden-pupils

CORONAVIRUS CASES ARE RISING ACROSS LONDON

GOT SYMPTOMS? SELF-ISOLATE AND GET TESTED.

If you develop symptoms, or someone you live with does, self-isolating is vital because it will prevent you passing it on. If you need support to be able to self-isolate – for example if you need help accessing food, are worried about your finances or need support with your children's homeschooling – Camden Council can help. Call the Council on **020 7974 4444 (option 9)**.

FOLLOW PUBLIC HEALTH ADVICE

Wash your hands regularly

Keep 2 metres apart from people you don't live with

Wear a face covering in indoor public spaces where you can't social distance safely

Don't socialise in groups of more than 6

LOOK OUT FOR SYMPTOMS

New, continuous cough

High temperature

Loss of, or change to, your sense of smell or taste

GOT SYMPTOMS? STAY AT HOME AND GET TESTED.

Request a test online at

nhs.uk/coronavirus

OR CALL 119

IF YOU'RE STRUGGLING TO ACCESS A TEST, PLEASE KEEP TRYING.

REGARDLESS OF WHETHER YOU CAN ACCESS A TEST, YOU MUST SELF-ISOLATE.
