

Message from the head:

This week we received the welcome news that we should be able to return to normality in September as far as our day to day operation goes. I am sure you will all be as happy as I am to not have to hear about or work around staggered drop-offs, 'bubbles', virtual assemblies etc. I will send out a letter closer to the end of term with further details as to school running for next academic year. In the meantime, I know many of you are wondering about teachers for next year and below is the list of which teacher will have which class from September. We are very lucky to have a very settled staff here at Fleet which means that we can offer the children a lot of consistency, which at this time is most welcome.

Included with the newsletter this week is a letter about online safety and children online gaming. We are aware of a few recent incidents involving children playing games online. We will be, as we do regularly, discussing online safety with the children in the next week. Please reiterate the messages in the letter to them and if you need any advice or support please do get in touch.

We have been speaking with various groups this week about what we can offer over the summer for children and families in the way of summer provision. We are pleased to be able to offer the Arsenal Holiday Camp again which will be running here in school on the first week of the holidays, 26th-30th July, from 9am-12.30pm. This is completely free and is open for any pupils from Year 3 to Year 6. We sent out information about how to express interest online yesterday but for your convenience here is the link again. Places are limited so if you want to take up this great opportunity, which the children have really enjoyed get in quick!

https://forms.office.com/Pages/ResponsePage.aspx?id=GrmMBuCL10m-OjgZCwuglYM0uVT_sG9BkKXgeVtGseZUMVhMT1pCTjZTT0hBSVc0S1RBUERFUVdQSy4u

We have also been speaking to Camden and a charitable organisation who are looking to put on a summer scheme here in school as part of the Government drive to support families eligible for free school meals over the summer. This camp, if we manage to secure it, will be for 4 weeks, starting the 2nd August, and likely to run for 4 hours a day (10am-2pm). This will include a lunch for the children. We hope to be able to bring you more details of this in due course.

Camden is aiming to provide a number of different Summer Activities and clubs for families to use which I am sure will be of great use to many children and families. As soon as we have more information from Camden we will share via ParentHub/Text.

We are aiming to get end of year reports out early next week. If you wish to discuss anything in the report with the class teacher, please contact the office to arrange a call later in the week from the teacher.

I wanted to say a big thank you to those parents who have contacted the music service to enquire about individual instrument lessons. I am pleased to say that from next year we have enough children who will be taking up piano for the tutor to add an additional visit and we are close to having enough to get a guitar tutor, a drum tutor and a violin tutor coming in. We hope, if a couple more come forward for each of these instruments, we may also get to the point that we have enough for these lessons too. If you are interested, and we know from the children many are, please contact Camden Music Service (information on Page 4 & 5). Remember there is a reduced rate for families in receipt of certain benefits. If money is the barrier please do speak with me or Lynley as we may be able to investigate other funding options to help out. We want to encourage as many children as possible to take up an instrument.

I hope you all have a lovely weekend and enjoy the game on Sunday—please see important message on Page 2 about Monday start time.

Punctuality Award

This week our Punctuality award goes to Year 2 with only 1 late! Brilliant (also well done to Year 5—only 3 this week!) Thank you for ensuring children's learning is not interrupted or time lost by getting your child here on time. They should be in their class ready to learn at their start time.

Attendance Award

Our Attendance Award this week goes to Year 5 with 99.2% fantastic! This year's whole school target is 96%. We are currently at 95.9% - almost there—getting closer—we can do it!

Euros Cup Final - Monday Soft Start

We know many of you and the children, like our staff, will be looking forward to Sunday's Final where England take on Italy in the Euros Final. This is a historic occasion for England being 55 years since the men's team has played in a major final (might be worth mentioning and discussing with the children that the English Women's Team have actually played in the Euros Final twice—1984 and 2009—without getting the same level of publicity!). The qualities many of the current England team (and Italians) display such as determination, desire and a social conscience are all wonderful teaching points to discuss with the children if you are watching and will help the children see how important those qualities are to success.

We recognise that this is something families may want to celebrate together and the children are likely to be up very late. We, like many schools both locally and nationally, want to support you to be able to do this. We also know many employers are relaxing their Monday work conditions for parents following lobbying from the Prime Minister. As a result, we have decided to offer the option of a soft start on Monday.

If your child has been up late and you think they would benefit from a little longer than usual in bed on Monday morning then we can support that. **School will start for each class at their normal time, but children will not be marked late if they arrive before 10.30am. If your child is coming in after 9.15am please enter through the main gate on Fleet Road (the back entrance will be closed from 9.15am).** Teachers will be adjusting their timetable on the day so that any children making use of the later start will not miss any key learning.

Just to reiterate, if you want to bring your child in at normal time we will be here ready to welcome them as usual.

Whichever team you are supporting on Sunday we hope you enjoy the game.

After School Clubs...

CALLING ALL PARENTS

We are hopeful that after the summer we will be able to return to normal in terms of the running of the school day. This means we are looking to plan for our after school club provision. Traditionally some of the clubs have been run by parents—as a small school with limited numbers of staff available, and to keep down costs by not hiring in outside companies, to offer a broad and varied number of clubs we need your help. If you have any skills or interests that you think would be useful and you

would be willing to run a club after school please get in touch. We wouldn't necessarily be able to pay you but would be able to cover all costs for resources or equipment.

In the past parents have run cooking club, code club, language clubs etc.

Please contact the office who can arrange for a meeting to discuss further or answer any questions you might have.

Thank you for your support.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

MEANING

This year we're running the Fleet Happiness Project across the school. This is a project that we ran a few years ago with the aim of looking specifically at ways that we can increase our own, and others', happiness.

We'll be focussing on 10 themes across the year with lots of activities, assemblies and learning in class

Our last theme this year is Exercise: Looking after our bodies. We want to show the children that looking after our bodies helps look after our minds.

We'll be thinking about three key areas:

- staying active
- eating healthily
- getting enough sleep

Look out for the activities in your Home Learning and remember to share what you've been doing by sending in photos for the attention of Miss Wall at admin@fleet.camden.sch.uk.

Topic: Super Heroes & Vile Villains!

Nursery were looking forward to the visit of the dentist at the start of the week but unfortunately the dentist had to postpone. They also had fun learning about bubbles—did you know you can put your finger in a bubble and it won't burst?

This week in Nursery...

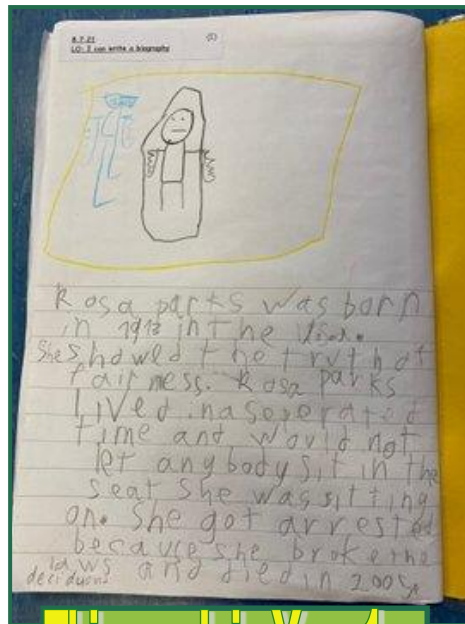

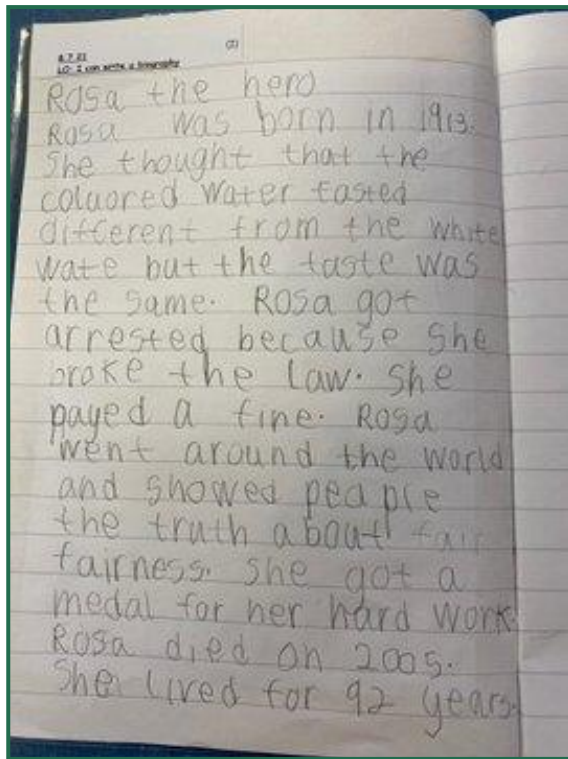

This week in Reception...

This week in Reception they have been busy exploring arctic animals. They enjoyed reading the story, 'Blue Penguin' and then discussed the things that make us unique and special. They wrote letters to Blue Penguin, created penguin collages based on the story, explored the environments that arctic animals live in and also kept themselves busy making patterns and focussing on doubles for maths. What a busy week they have had. Well done Reception!

Topic: Animal Adventures

This week in Year 1... Topic: History Detectives

From Roll'n'Read Phonics on Monday morning right through the week, Year 1 are always purposeful in their learning. Some of the highlights this week include biographical research on Rosa Parks, building fairy-tale towers (showing fantastic co-operation), and looking at gender differences and stereotyping. They are so thoughtful and always have interesting discussions. Great job Year 1!

Thankfully the sun shone so the children could get up to the Heath this week. They had a great time and had a bonus fishing demonstration by one of the pond fisherman! Pirate Day was a huge success this week—lots of swashbuckling fun was had—thanks to all the parents who helped the children come in dressed up! Looks like a fun week Year 2!

This week in Year 2...
Topic: The Island

This week in Year 3...

This week Year 3 got the creative juices flowing programming their own bands in Scratch with Gillian from the CLC, doing some drama in the forest area from Mid-summer Night's Dream and working on character descriptions. They also did some practical science investigating plants and how they feed and grow. Great work Year 3!

Book Title: <i>The Explorer</i>	Who would you recommend the book to? Why?
Author: <i>K. R. R. R. R.</i>	<i>I would recommend this interesting book to people who love adventure.</i>
Fiction or Non-fiction: <i>Fiction</i>	<i>It would be a good book to read for people who love adventure.</i>
What is the book about?	
<i>It is about a boy who goes on an adventure to find a treasure. He has to go through a lot of challenges and he has to be brave. He has to go through a lot of challenges and he has to be brave. He has to go through a lot of challenges and he has to be brave.</i>	
Rating: ★★★★★	
Can you write three facts you have learnt or three things you have loved about one of the characters?	
<i>1. I liked the way he was brave.</i>	
<i>2. I liked the way he was brave.</i>	
<i>3. I liked the way he was brave.</i>	

The Explorer's usual clothes are a black fur jacket which has sleeves going halfway down his arms so you can imagine how he got all his fierce scars on his arms. He has caiman teeth for buttons, still with blood stains from how he got them. The colour of his arms and skin was a mixture of black and dark brown with a signet ring as shiny as a clean piece of metal showing he had been protecting it. He had long khaki trousers covering the top of his shoe made of shiny crocodile skin with laces as thin as a piece of paper. Next to him constantly waddled a red headed fierce vulture as tall as the Explorers knees.

By Ryan

The Explorer was scary looking with his wiggly hair and deep voice and his bird. Everywhere the Explorer when the bird went. He was wearing ripped, dark green trousers. He had a fluffy black jacket made of panther. He had many scars like King Kong. He had a necklace made out of scary bloody caiman teeth like he just got them fresh. He had a monkey tooth like her ran into a tree full speed. I saw a bloody ring like he had killed hundreds of animals.

This week in Year 4

Topic: Into the Rainforest

Year 4 have been Eco-warriors this week! They have been creating posters to remind us all how we can help hedgehogs, they worked on stop motion animations on deforestation with Gillian from the CLC and visited the Heath where they worked on classifying birds and insects. They also continued their literacy work on the text, 'The Explorer'. Great work Y4!

This week Year 5 took part in a fantastic social media workshop as well as impressing in their weekly Brass Lesson (look out for the video of Francesca on Twitter doing a fabulous solo performance!). They also did some really impressive drawing work looking at Norse Symbols. Excellent stuff Year 5!

In Year 6... Topic: Wild!

On Thursday the fearless side of the children was seen as the children swung, climbed and zipped their way around the Go Ape obstacles at Ally Pally. They followed this with pizza and a campfire before watching the recording of their play. Then it was a sleepover in the hall—lots of fun!

Stars of the week!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Weekly Wellbeing Update

New Tip...

Relationships with parents are valued hugely at Fleet and we're very much missing seeing everybody as regularly as we usually would. Therefore we'd like to look at alternative ways of communicating and helping each other; at this difficult time we'd like to know how best to support you.

Wellbeing Tip of the Week!

An initiative brought to you by Camden Learning's Health and Wellbeing Team—a new one each week!

Week 30 - Commit to something that brings you joy

This week we want to focus on committing regularly to something that makes you feel good. Joy and laughter are medicinal, research has shown that laughter increases serotonin and endorphins in the brain, replenishes the lungs, relaxes muscles, eases tension in the body and strengthens our immune systems. Laughter also relieves everyday worry and stress, adds positivity and resilience to life, improves overall happiness and mood, and helps ease worry and fear.

Your go-to joy may be watching funny TV shows, playing with your pet, meeting friends or family, listening to music or going through old photos and videos. Whatever it is, investing in joy is not a waste of time. To start off, aim to have 30 minutes of joy every week, then increase this to at least 30 minutes a day. Enjoy!

Dear Sir or Madam,

Electric Vehicle Charging Point Bay – Fleet Road

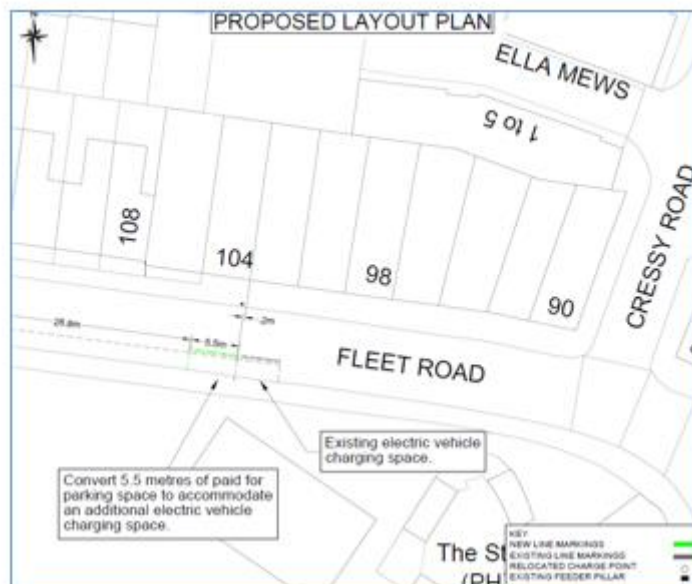

We are writing to inform you of the Council's proposal to extend the existing electric vehicle charging space opposite 104 Fleet Road to allow two electric vehicles to charge at the same time. The extension is being proposed because usage data shows that this location and other proposed extension sites have the highest use in the borough.

The council is committed to rolling out a network of electric vehicle charging points to encourage people who live, work, and visit the borough to use electric vehicles when there is an essential need for a motor vehicle. This is in line with our Camden Transport Strategy and the Electric Vehicle Charging Point Action Plan.

As electric vehicles become more popular the demand for charging points in Camden is growing. Benefits to owning and using an electric vehicle include:

- Exemption from Vehicle Excise Duty and London's Congestion Charge;
- Heavily discounted residents' permit;
- Zero tailpipe emissions, contributing to our ambitions to reduce nitrogen dioxide emissions in the borough and assist in improving air quality
- Less noise pollution as electric vehicles are quieter than petrol/ diesel vehicles

The proposed layout is illustrated in detail on the plan overleaf. The measures, if approved for implementation, will result in the loss of one paid for parking space.

New Charge Point & Feeder Pillar

Proposed changes – opposite 104 Fleet Road

The proposals consist of the following:

- To convert 5.5m of paid for parking space to accommodate an additional electric vehicle charging space.

The proposed works are scheduled to be implemented by the end of the calendar year, and the charge point is being funded by Source London.

Prior to implementation a statutory Traffic Management Order (TMO) consultation will be undertaken which will involve advertising the changes in local newspapers.

Please ensure any comments are received by 22/07/2021.

Option 1 Email: You can submit your comments via email to: source@camden.gov.uk

Option 2 Post: Send your comments using the following freepost address (no stamp required) FREEPOST LBC TRANSPORT STRATEGY – Only this text is required to reach us.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. It's voluntary and your choice whether to have it or not.

From National Online Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

ONLINE FAIR PLAY The Dos and Don'ts of Online Conduct

Alongside individual skill, impressive teamwork and some truly epic matches, one of the most enjoyable things about this summer's European football championships has been the sense of sportsmanship and fair play. Players have competed fiercely, but they've (mostly) remembered that they're representing their country – and that bad behaviour, dangerous play or outright cheating tends to last in people's memories for a long time after tournaments are over. The same is true of how we act online – one error of judgement or loss of control might only take a second, but can have results that are difficult to forget. Instead, just like the heroes of the Euros, we should aim for people to see us and feel proud and inspired. So, in a five-a-side line-up (with five "dos" and five "don'ts"), here are our top tips for playing fair online.

FAIR PLAY

1 Organise your defence

Use strong passwords to protect your personal information, accounts and data. A trusted adult, like a teacher or a relative, can help you choose one that's easy for you to remember but hard for anyone else to guess.

2 Keep possession

Only share personal information online with people you know well, like friends and family. A trusted adult will be able to help you change your online privacy settings so strangers can't find things out about you.

3 Use teamwork

Before you use a device for the first time or download a new app, always check with a trusted adult. They'll be able to check if it's safe for you to use and make sure the privacy settings are right for you.

4 Be respectful

Treat people online like you would treat them in real life. Remember your manners and be polite and kind in your posts, comments and messages.

5 Catch attackers offside

If someone is trying to bully you online, a trusted adult can help you to gather evidence and report that person to the authorities. You should also tell a trusted adult if you see anything online that makes you feel worried, upset, frightened or sad.

FOUL PLAY

1 Don't ignore possible danger

Never accept a friend request from a stranger. If somebody you don't know tries to contact you online, tell a trusted adult straight away.

2 Don't lose control & retaliate

Although it can be tempting, it's best not to respond if someone attempts to bully you online or sends you hurtful messages. Tell a trusted adult what happened, and then block the person from contacting you again in future.

3 Don't hurt people deliberately

It's important to behave online just like you would in real life. Don't post anything that can make you look like a bad person, because the things we put online can stay there for a long time.

4 Don't cheat your way to victory

Don't copy another person's work that you found online or pretend that it's yours. This is called plagiarism and can get you into a lot of trouble.

5 Don't play for extra time

It can be easy to spend too much time online. Instead, take a break to go outside for some fresh air and exercise. Not using your device just before bed will also help you get a good night's sleep so you can be fresh and focused the next day.

Walk-in COVID-19 vaccination clinics

You can get the COVID-19 vaccine without having an appointment at pop-up vaccination centres, on Camden's vaccination bus and at walk-in clinics across the borough.

Get your second dose

Getting both doses of the COVID-19 vaccine is vital to give you maximum protection against the virus, especially the Delta variant. Everyone can now get their second dose 8 weeks after the first, but you must have the same type of vaccine as the first. Make sure you continue to follow public health advice even after you've been vaccinated.

Why I had the COVID-19 vaccine

"It was traumatising to work in intensive care throughout the pandemic, so I'm glad to be doing all I can to help people protect themselves and loved ones. I chose to have the vaccine to protect myself and loved ones. So far, everyone I've spoken to about their concerns has gone on to have the vaccine too." **Kadija Hassan, intensive care nurse and vaccination programme clinical lead, University College London Hospitals NHS Foundation Trust (UCLH)**

This week the Government announced that current restrictions will likely be lifted from 19 July, with confirmation expected next week. Cases are still rising rapidly in Camden so we will be asking people to continue to be careful and for now the rules currently remain in place, so it is really important that you keep following these. This includes wearing a face covering in indoor and busy outdoor public spaces (unless exempt), continuing to socially distance, washing your hands regularly, letting fresh air in if you're meeting indoors, and taking rapid tests twice a week. If you have COVID-19 symptoms, you need to self-isolate and take a PCR test.

As cases continue to rise in Camden and London, I urge anyone who has not yet had their vaccine to come forward as soon as possible to keep yourself and loved ones safe. Over 143,000 people in Camden have now had their first dose. Second doses are now available to everyone 18 or over eight weeks after the first dose. You must have the same type of vaccine for both doses.

Thank you for your continued efforts to support each other in Camden.

Councillor Georgia Gould, Leader of Camden Council

Support for private renters

The Government's eviction ban put in place to protect private renters during the pandemic has ended. This means that landlords and letting agents now have legal powers to serve eviction notices.

If you are struggling to pay your rent, or you are being told to leave by your landlord, please get in touch with Camden Council for help and advice.
