

Message from the head:

We had our final full governing body meeting of this academic year this week and I presented to the governors my end of year report. Preparing for this is always a time I am able to reflect back on all we have achieved as a school and a community. Every year I have been here I get to this point and when looking back am always in awe of what my staff have managed to fit in! It really has been an incredibly busy year and with the backdrop of the last two years of lost and disrupted learning it's been so good to be able to return to a far more 'normal' school year.

Thinking about all the new links we've made this year with organisations around Camden and London, the trips and workshops the children have enjoyed, the rich and creative topic learning the teachers and support staff have provided, makes me feel immense pride in the whole Fleet Community and privileged to be part of it. Coming back and providing all of this for the children has not been easy. Many families and children have had difficulties either linked to learning, what they missed, or from a more emotional perspective. We have always tried, while pushing to close learning gaps, to not lose sight of the individual and other needs they may have. With this in mind, next week we are celebrating our 'Fleet Wellbeing Week'. You should have received a letter yesterday with lots of information about this from Ms. Wall. It looks like being a great week and among all the fun activities planned will be a chance, as we approach the year's end, for the children to reflect back on their successes and challenges this year. They should feel as proud of themselves as we are proud of them. Have a great weekend and see you all on Monday.

Request for Leave during the School Term

Request for leave for holidays/travel abroad will not be authorised by the School. As you are aware, leave will only be granted in exceptional circumstances. The last day of term is Friday 22nd July and we have 6 weeks off school. Please ensure that you book your holidays within this time. Please note that, Under Section 444(1) of the Education Act 1996, the Camden Education Welfare Service may issue a Penalty Notice/s for absence during the school term. The cost of the Penalty Notices is £60 if paid within 21 days or £120 if paid between 21-28 days.

Message from out Ambassadors

Teddy tombola

We are raising money for a school in Ethiopia called Etege Menen that has suffered from **war**. We need some **preloved** teddies and soft toy donations for the Rights Respecting Ambassador stall at the Summer Fair. Please bring your donations to Nursery by **Friday 8th July**.

Thank you from the Rights Respecting Ambassadors!

Reminder—WE ARE A NUT FREE SCHOOL

Please remember we are a **NUT FREE SCHOOL**. Children should not bring snacks into school with nuts in them. Please also check any items you send in for Class Tea, Class Parties or birthday treats must also be **NUT FREE**.

There are a number of children with allergies in the school and in line with the school food policy nuts are not to be brought into school.

Thank you for help and support to ensure all the children remain free from risk to any adverse effects exposure to nuts could cause.

Punctuality Award

This week Year 6 were the champions with just 1 late—great effort! After last week's disappointment it is great to report a huge improvement this week—from 47 to 28! No classes hit double figures this week and all but two (Year 2 and Year 5) had less than 5. To those on time, all the time, we thank you. To those with multiple lates through the year, thank you for making the effort to improve this week and let's keep it up. You owe it to your children to get them to school on time to maximise their learning readiness and teach them the importance of punctuality. Remember, your child should be **in class** and ready at 9am. We hope next week we can continue to see improvement and get down below 20 lates for the week.

Attendance Award

Our Attendance Award this week goes to Year 5 with 100% - great effort! Well done to all of KS2 who were all over 98%—well above our target of 96% this week. Year 2 were also over 96% so a good week. Low attendance in Reception and Year 1 though pulled the overall attendance for the week down to 95.9%. Please keep doing all you can to encourage attendance for the remainder of the summer term and let's keep improving!

Stars of the week!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Reception

For all your wonderful enthusiasm for our class assembly rehearsals. You have energetic, focused and always try your very best. Well done!

Year 1

For a brave new start at Fleet! You've been amazing and we are so lucky to have you as part of Team Y1! Well done on a great beginning!

Year 2

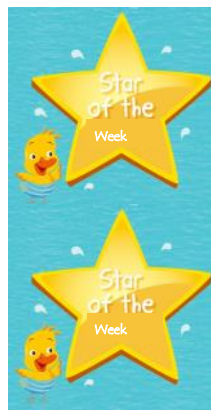

You have had such a fab week! I've been so impressed with all your independent work, especially your brilliant writing about 'The Storm Whale'. Well done superstar!

Year 3

Ffor your proactive approach to your learning! It's been great to see you ask for help when you need it - keep it up!

Year 4

you've been a superstar on both of our trips this week. You've been engaged with all the different activities and have kept a smile on your face, even when we were in the boiling hot Palm House at Kew Gardens. Keep up the positivity!

Year 5

For your fantastic attitude during our trip to the Heath. You showed enthusiasm towards all of the activities and collaborated well with the girls at the other school. Your groups song was fantastic and I loved how confidently you performed!

Year 6

For your enthusiasm and energy this week! You give everything 100% effort and this fantastic attitude is infectious. You're a great role model. Keep it up!

Fleet Primary School Calendar Competition 2023

New Entries for
Summer Term
now being
accepted...

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

This year's theme...Lifting Limits!

This year the theme links in with the 'Lifting Limits' gender equality work we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

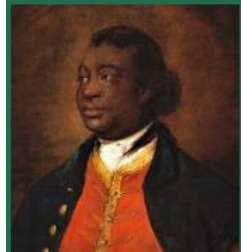

Ideas from people looked at already this year in assemblies or topics...

Summer Term Topics

Nursery & Reception:

Paws, Jaws, Claws and Roars!

Year 1: History Detectives

Year 2: From Sea to Shore

Year 3: Plant Power

Year 4: Spirit of the Amazon

Year 5: Journey through India

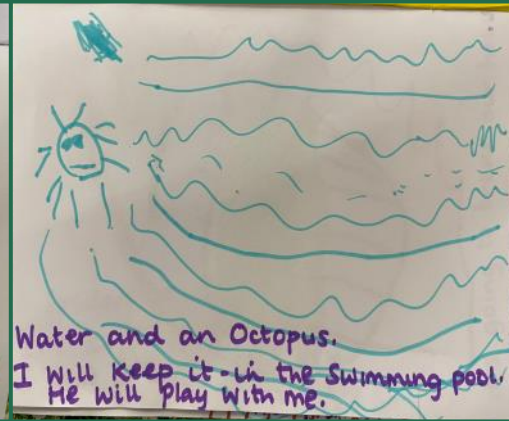

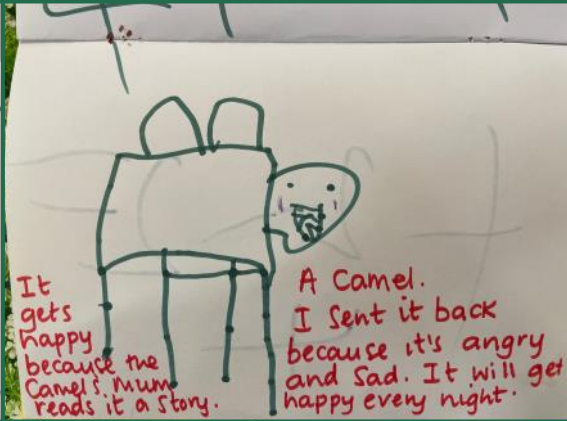

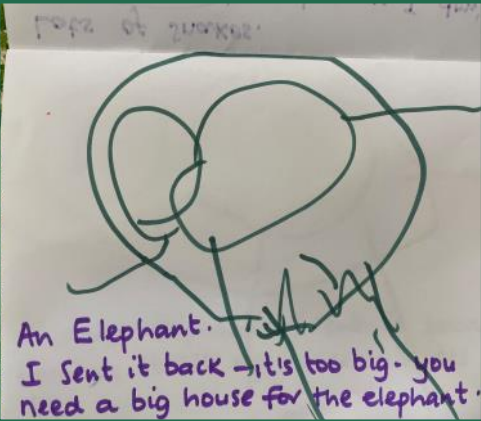

Year 6: Wild and Wonderful

This week in Nursery...

Topic: Paws, Jaws, Claws and Roars!

The children had a fantastic time this week when their year 6 buddies came down to read with them. It is so good to see the older and younger children working together. Year 6 can't wait to come again and visit next week! The story the children have been focussing on this week is 'Dear Zoo'. They've been thinking about their favourite animals and writing their own versions of the story. Well done Nursery—such great work this week.

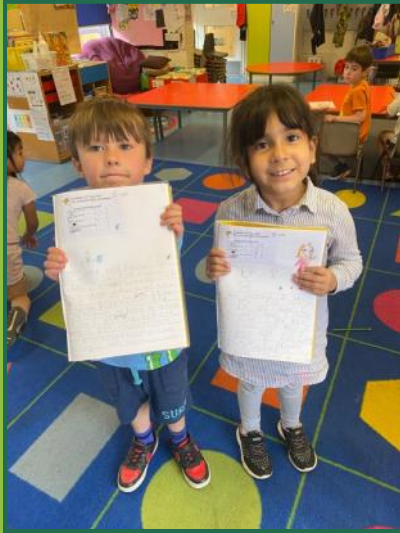

This week in Reception... Topic: Paws, Jaws, Claws and Roars!

Reception had a lovely trip to the Zoo this week seeing and learning about lots of different animals. The penguins proved to be especially popular! Back in school there has been some fabulous construction skills on display not to mention some great reading too. Well done Reception.

This week in Year 1... Topic: History Detectives

Year 1 have been continuing their fantastic work in class but this week saw them WOW the school with their class assembly—they acted and sang beautifully giving us a story mash-up of the class texts they've studied over the last two terms as well as dropping in bits of science and learning from other subjects throughout the show. Well done to them all!

This week in Year 2... Topic: From Sea to Shore

Following last Friday's wonderful Pirate themed class assembly the children finished off their own pirate portraits—they came up with their own pirate names too! They also had a Forest School session with Rebecca at the start of this week which they loved! Ask them what their favourite activity was. Unfortunately the poor weather towards the end of the week meant we have postponed their trip to the seaside but we hope to take them in a couple of weeks instead. Watch this space for date!

Year 3 have out and about this week. They visited Burgh House where they took part in a 'history or the ponds' workshop. They have also been looking at the history of the Hampstead spa and went to see the Chalybeate Well. They've also been on a local re-search walk categorising the uses of different local buildings. Well done Year 3.

This week in Year 3... Topic: Plant Power

Year 4 have been out and about this week with a trip to Kew Gardens and a visit to the Heath where they, along with the year 5 class, met up with St Christopher's School and took part in a number of outdoor activities with the St Christopher's Forest School teachers. Even though the day started off damp, the children were fantastic and really enjoyed the sessions. Thanks for inviting us St. Christopher's!

This week in Year 4...
Topic: Spirit of the Amazon

This week in Year 5... Topic: Journey Through India

Year 5 have been very busy this week. They spent a morning at Haverstock school having a science lesson in the labs there making rockets! They also spent the day on the Heath with Year 4 as guests of St Christopher's School and their outdoor learning day. They showed their creative side with nature art and music inspired by the Heath.

What a busy week! They were brilliant reading buddies for nursery, they had an exciting 'Forest School' session with Rebecca and they have been starting to practice some of the songs and dances for their leavers assembly. Well done Year 6.

This week in Year 6... Topic: Wild and Wonderful

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We also will often need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parent hub closer to the date of a trip for requests for help and contact the office if you are able to accompany. Thank you.
