Message from the head:

It's been another busy and hot week! We've hosted a Music Festival this week, had drama workshops, visited two schools and seen an incredible class assembly. You'd think we would be winding down as we approach the end of the year but in primary school there is never any let up with lots more events and exciting trips and workshops planned for the coming weeks. This week the children should have taken home a sponsorship form for the fun run they will be doing during our 'Wellbeing Week' in July. As mentioned in the letter we will be using some of the money raised to support a school close to our hearts in Ethiopia which has been ravaged by the ongoing civil war there. This school is the local school to where our very own Alem comes from and she very much appreciates anything we can do to help having visited the school earlier this year and seen the destruction that has taken place. You will see the message from the ambassadors to the right here too of another way we hope to raise money for them through the school fair. I know as a community we will do all we can to help the community of Etege Menen school. A reminder, we're planning ahead and thinking out clubs for September, thanks to the parents who have already come forward to volunteer to run new clubs. If any more of you are interested please do get in touch so we can make all the necessary arrangements before the letters go out in September.

Next Wednesday morning I have invited representatives from the group setting up a local 'Food Co-operative'. I would urge as many of you to come along as possible. For this to be a success and help families save money in these times of spiralling costs it needs as many people to become members as possible and increase its bulk buying power. The session will be in the hall after drop off on Wednesday. Have a great weekend.

Request for Leave during the School Term

Reminder: Request for leave for holidays/travel abroad will not be authorised by the School. As you are aware, leave will only be granted in exceptional circumstances. The last day of term is **Friday 22nd July** and we have 6 weeks off school. Please ensure that you book your holidays within this time. Please note that, Under Section 444(1) of the Education Act 1996, the Camden Education Welfare Service may issue a Penalty Notice/s for absence during the school term. The cost of the Penalty Notices is £60 if paid within 21 days or £120 if paid between 21-28 days.

Message from out Ambassadors

Teddy tombola

We are raising money for a school in Ethiopia called Etege Menen that has suffered from **war**. We need some **preloved** teddies and soft toy donations for the Rights Respecting Ambassador stall at the Summer Fair. Please bring your donations to Nursery by **Friday 8th July**.

Thank you from the Rights Respecting Ambassadors!

Food Co-operative Parent Session Wednesday 29th June 9am

A food co-op is being set up running out of St Martin's Church locally. The organisers are keen to support the local community to being able to mitigate some of the effects of the rising cost of living, especially around food. A food co-op works by being able to buy food and household products in bulk and then passing on the savings to members who can save up to 40% off their weekly food costs. If you would like to learn more please do come along to the hall after drop-off on Wednesday 29th June. We think this is a great initiative for our local community but will only work with people joining. It has the potential to save you all significant money on your weekly shop. Please come along if you can.

Punctuality Award

This week Reception were the champions with no lates—great effort! It's disappointing to report, after a number of really good weeks, that for the second week in a row lates were up again. 47 lates in total—double figures in Year 1 and Year 5. If reception, with the youngest children and those needing the most help to get ready can be in school on time all week there really is no reason older children should be late to level they are. Mr McGibbon is meeting with a number of families next week regarding punctuality, many others will have received letters regarding poor punctuality. To those on time, all the time, we thank you. To those with multiple lates, please improve. You owe it to your children to get them to school on time to maximise their learning readiness and teach them the importance of punctuality. Jobs will not tolerate lateness in later life and that lesson starts now. Remember, your child should be **in class** and ready at 9am.

Attendance Award

Our Attendance Award this week goes to Year 4 (again!) with 99.6%! Well done to all of KS2—classes were over our target of 96% this week. Overall for the year, at the moment we have 2 year groups above 96% for the year—Years 3 and 5. Years 2 and 6 are so very close! We are at 95.5% for the whole school for the year. Please keep doing all you can to encourage attendance for the remainder of the summer term. Let's keep improving!

Stars of the week!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Reception

For working hard to learn the lines to our songs ready for Reception's first assembly. I can't wait to see you perform them. You are such a superstar!

Year 1

For increasing concentration in lessons and putting in lots of effort in his written learning. Well done!

Year 2

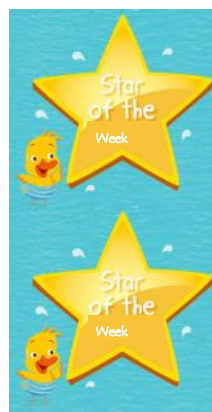

For excellent effort in our assembly this week. You were so quick to learn your lines and even managed to take on a couple of extra ones. Well done for working so hard to make our assembly great!

Year 3

For your wonderful work in Art this week! You demonstrated real skill and had such a responsible approach to the group project. What a superstar you are!

Year 4

For your perseverance and positive attitude during Maths this week. You've worked hard to learn some tricky methods. Well done!

Year 5

For making such a brilliant start in your new school! You have shown such a great attitude towards your learning. I've also noticed your excellent manners and how you are always kind and considerate towards everyone. We are very lucky to have you!

Year 6

For a noticeable improvement in focus and resilience which has led to some excellent work this week - your Gower leaflet is a lovely example of this - well done and keep it up!

Fleet Primary School Calendar Competition 2023

New Entries for
Summer Term
now being
accepted...

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

This year's theme...Lifting Limits!

This year the theme links in with the 'Lifting Limits' gender equality work we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

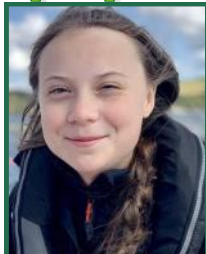

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

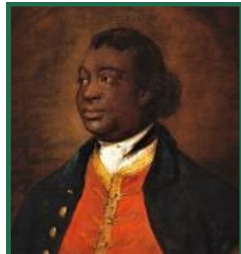

Ideas from people looked at already this year in assemblies or topics...

Fleet Steam Week Fashion Show!

Last Friday, at the end of STEAM week, the children put on a fantastic fashion show to show off the amazing topic inspired clothing they had designed—a huge thankyou to Ms Webb for organising, Ms Wall for compering and all the children for their brilliant, creative and expressive designs and excellent modelling skills!

Fleet Steam Week Fashion Show!

This week in Nursery...

Topic: Paws, Jaws, Claws and Roars!

This week in nursery the children have been reading 'The Leopards Drum' and making their own drums and beaters as well as making shells of Achi Cheri, the tortoise from the story. They have also been creating some fantastic artwork together as well as planting out their plants into the raised beds and harvested their first produce—radishes!

This week in Reception... Topic: Paws, Jaws, Claws and Roars!

Nursery have had a great time in the forest school area this week with Rebecca. They particularly enjoyed the slack line. They have also been getting help to cool down with the hot weather with some ice lollies and the hose—we're not sure which they enjoyed more!

This week in Year 1... Topic: History Detectives

Year 1 were reminded of their Reception Forest School sessions this week when they had an afternoon session with Rebecca. They loved it! Back in class they have, as always, been working hard. In English, they've been reading Rapunzel. They have been creating missing posters for her and have even been having Twitter conversations with the version of the story they are reading who has been following the work they have been doing! Well done Year 1.

This week in Year 2... Topic: From Sea to Shore

Year 2 had a very interesting session this week exploring objects washed up on the beach. They had a series of questions to consider in relation to them and showed fantastic beachcomber detective skills. They have also been doing lots a great

maths this week looking at time. All this and put on a fantastic Class Assembly for the school today all based on the book they have looked at in class, 'The Pirates Next Door'. What a fantastic effort Year 2.

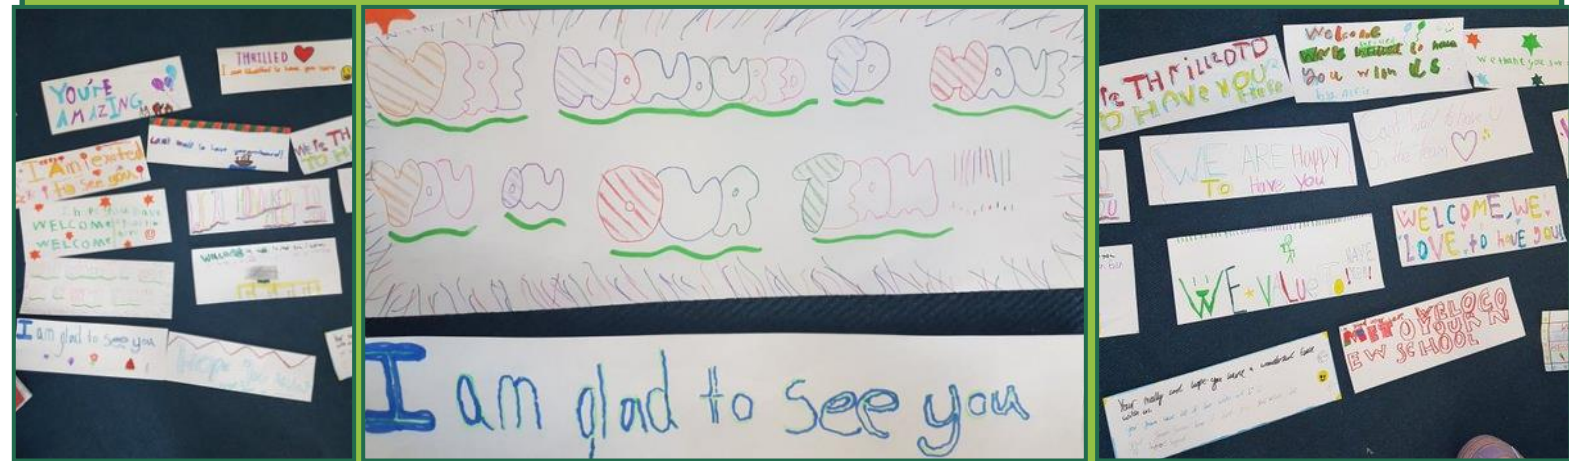

What a busy week Year 3 have had this week. They have visited Belsize Synagogue, had a dram workshop with 'West End in Schools' themed around 'Our World, Our Future' and created some fantastic artwork for the NW3 Festival. Great work Year 3.

This week in Year 3... Topic: Plant Power

This week in Year 4... Topic: Spirit of the Amazon

Year 4 had two opportunities this week to show their creativity this week on the back of their amazing class assembly last week. On Monday they took part in (in fact they also played host to two other Camden schools) the Camden Summer Music Festival. They sang a piece they had written themselves for their class assembly, a rap, for the other schools, as well as performed a number of pieces with the other schools. Then on Tuesday they took part in a drama workshop. Meanwhile in class they have been looking at persuasive writing in English and in PSHE talking about prejudice and how they would make newcomers feel welcome and included. Another fantastic week from this group of fantastic children. Well done year 4.

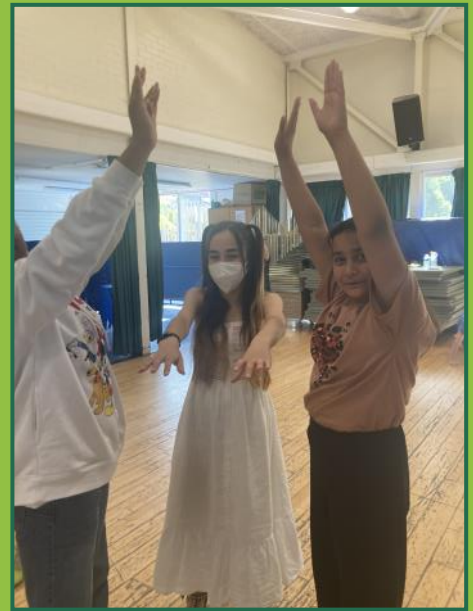

This week in Year 5...

Topic: Journey Through India

Year 5 have been busy this week working on the Fleet Beat 2021-22 Edition. As well as that they visited St Christopher's school for a cricket afternoon and spent today at UCS school at a COP26 Climate Conference. This follows up perfectly the work they have been doing in class on Carbon footprints and the climate crisis. Well done Year 5.

Year had a great drama workshop earlier in the week with the theme 'Our World, Our future'. They were brilliant and really got into the creative aspect of expressing themselves. In maths they have been working on a project this week—designing a theme park and working out running costs etc. so they can plan a budget and see if their park would make a profit—so many different maths skills involved. Well done Year 6.

This week in Year 6... Topic: Wild and Wonderful

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We also will often need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parent hub closer to the date of a trip for requests for help and contact the office if you are able to accompany. Thank you.
