

## Message from the head:

Like many schools at the moment, this week has been very tricky with a number of staff unwell and unable to be in school. As has happened so often over the last two and a bit years the rest of the staff have showed fantastic resilience and flexibility to ensure that all this weeks events were still able to go ahead. We have been celebrating 'Fleet Wellbeing Week' this week with a number of special events and activities. It has been brilliant and I know from conversations with the children and sitting in on some of the workshops and special assemblies how much they have enjoyed it. A massive thank you to all the staff, and Ms. Wall in particular for organising and running it.

Shortly after you receive this newsletter on Parent Hub you will be receiving another message with the letter showing where teachers will be next year. Please let us know if you have not received it. The children will be spending some time with their new teacher on Monday afternoon.

Thankyou to all of you who were able to come along and cheer the children on in the sports day today. It was a lot of fun—thank you Coach Keeley for organising. We will be announcing the winning team next week and the newsletter next week will have lots of pictures.

Next week (Monday) you will be receiving your child's end of year school report. Please make sure they give it to you at the end of the day. If they do not have it when you collect them please let the school office know as soon as possible.

I'd like to draw your attention to the notice to the right about the appeal to raise money for the Bangladesh Flood Appeal, more than many recent appeals, this one is for a disaster that directly affects a number of Fleet families. I know you will all rise to the occasion and do what you can to help with this. A big thankyou to Shami and Sabiha for raising this and organising. Also, I'd like to highlight the request in Wednesday's community notices newsletter to the work the Parents' Association have been doing in the infant playground to spruce it up ahead of next weekend's fair. If you are around and able to help this Saturday they and I would very much appreciate it. Finally, I look ahead to the last couple of weeks, still with so much ahead of us, from the Nursery going to the zoo to the Year 6 leavers events. I hope all staff, children and families remain fit and healthy as we head into the final two weeks of term.

## Bangladesh Flood Appeal

In mid may a devastating flood crisis in Bangladesh left many homeless, with 68 people losing their lives from flood-related causes, including drowning, electrocutions, and landslides, government data show. More than 4,000 people have been infected with water borne diseases. Crops have been devastated and 4 million are now stranded in Sylhet.

Parents and Carers of Fleet are organising a tea party in aid of the Bangladesh Flood Crisis to support the children and families that have been severely affected. All donations will go direct to Islamic Relief a UK registered charity that is working on the ground delivering humanitarian aid to families affected in Sylhet, Bangladesh. Any donations are welcome and please also bring in any pre packaged snacks and treats for the tea party on Wednesday 20th July from 3:30-4:30pm we will be taking all donations at the class tea.

We would love parents to sign up to help on the day sell items, please get in touch with Sabiha (Suhas mum year 1) or Shami through [admin@fleet.camden.sch.uk](mailto:admin@fleet.camden.sch.uk) by the 19th July.

For quick online donations please donate at <https://www.justgiving.com/fundraising/bangladeshfloodcrisis>

Many thanks!  
Fleet Parents and Carers

## Reminder—WE ARE A NUT FREE SCHOOL

Please remember we are a **NUT FREE SCHOOL**. Children should not bring snacks into school with nuts in them. Please also check any items you send in for Class Tea, Class Parties or birthday treats must also be **NUT FREE**.

There are a number of children with allergies in the school and in line with the school food policy nuts are not to be brought into school.

Thank you for help and support to ensure all the children remain free from risk to any adverse effects exposure to nuts could cause.

## Punctuality Award

This week Year 4 were the champions with just 1 late—great effort! The better punctuality we saw last week was kept up this week with only 27 lates (28 last week and 47 the week before!). Let keep this up to the end of the year.

## Attendance Award

Our Attendance Award this week goes to Year 3 and Year 6—both with 95.6%. There was low attendance across the school this week with a number of children out. Overall attendance for the week was below 90%. Lets hope that illness over the next couple of weeks picks up. Please keep doing all you can to encourage attendance for the remainder of the summer term and let's keep improving!

# Fleet Primary School Calendar Competition 2023

New Entries for  
Summer Term  
now being  
accepted...

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

## This year's theme...Lifting Limits!

This year the theme links in with the 'Lifting Limits' gender equality work we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

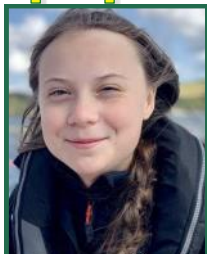

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

# Fleet Wellbeing Week

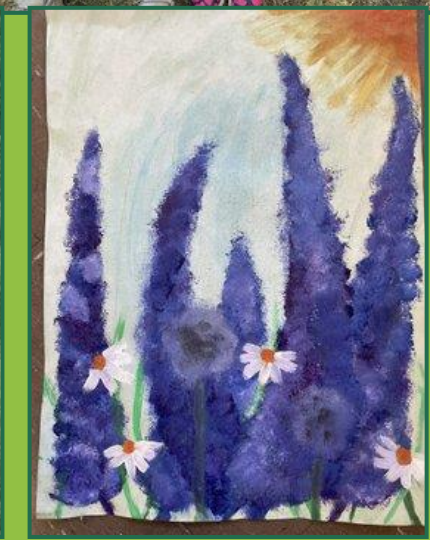

This week we have celebrating Fleet Wellbeing Week. There have been 5 strands to the activities this week: Keep Learning; Connect; Take Notice; Give; and Be Active.

Throughout the week classes have been engaged in different activities and events to celebrate positive mental health and link in with these strands. On Monday there was the 'Fun Run' for Y2 -Y6—keeping active and giving through the money raised for a school in Ethiopia. On Tuesday everyone had a skipping workshop—more keeping active and keeping learning. Wednesday we all connected with a whole school teddy bear's picnic alongside the many buddy sessions happening in classes linking older and younger children for different activities. Thursday the last of the infant classes completed their 'fun run' and then each class enjoyed watching 'Inside Out' in the afternoon—taking notice of the different thoughts and feelings we and the characters in the film have and how to manage them. Today we finished the week with our annual Sports Day on the heath and another chance to support each other and have a picnic lunch together. Well done to all the children for their focus, support and ideas this week and a huge thankyou to Ms. Wall for organising it—especially as she missed all the fun from her hard work by being off ill. We missed you Ms. Wall!
