

Fleet Community Notices

Wednesday 8th June 2022

New this week...

Remember no school this coming Monday—it's when we are taking the extra day's holiday school's have been given this year due to the Jubilee Bank Holiday day falling in half term. Page 4 has details of this weekend's Camden Clean Air Cycle—the children will have Monday to rest—get them out exercising and celebrating Camden and active travel if you are able! Class Photo ordering info is below to the right. We're starting to get in information from Summer Holiday course providers. We expect to be running a HAF programme here at Fleet as was done last summer. Once finalised more information will be shared via the newsletter. Page 10 has information on some Dance and Drama courses being run for 4-10 year olds by Perform. Enjoy the rest of your week.

Fleet Summer Fair

We look forward to the Summer Fair making a triumphant return this summer.

Please save the date—
Saturday 16th July

The PA will be in touch with requests for help and plans over the next few weeks.

Reminder School Closed this Monday (13th June)

Class Photos

The order form for your child's class photo along with a sample should have gone home with them this week (Year 6 will get theirs next week when they return from Gower). If you wish to order one please return the order form and exact payment to the office before next Wednesday — or you can order online following the instructions on the order form. If your child did not bring home the sample image and order form please let the office know. Thank you.

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We also will often need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parent hub closer to the date of a trip for requests for help and contact the office if you are able to accompany. Thank you.

Fleet Primary School Calendar Competition 2023

New Entries for
Summer Term
now being
accepted...

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

This year's theme...Lifting Limits!

This year the theme links in with the 'Lifting Limits' gender equality work we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

Ideas from people looked at already this year in assemblies or topics...

Summer holiday fun for 4–10s

'Let's have fun' said Peter Pan and that's exactly what your child will do this summer as they fly off to Neverland on an adventure with Tinker Bell, the Lost Boys and Captain Hook.

We'll add a sprinkle of Perform fairy dust, imaginative costumes, songs and original music as your child stars in a wonderful show for family and friends.

Your child will enjoy:

- Three or five full days of drama, dance and singing
- Energetic friendly team of actors, dancers and musicians
- Colourful performance on the last day for friends and family with original music and costumes
- Personalised certificate of achievement for every child

From National Online Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should it be needed. This guide focuses on one of many topics which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guidance, hints and tips for adults.

What Parents & Carers Need to Know about THE METAVERSE

AGE RATING
Varies per metaverse platform

'Metaverse' is a relatively new term to many, however the concept has been around for some time. Videogames, for example, use many aspects of the metaverse; avatars, digital currency, mini-games, and open communication. A metaverse can also take many forms; Fortnite can be seen as a metaverse, as is Roblox. Put simply, a metaverse is an online environment where people interact, play games and express themselves. Away from traditional videogames, there are newer and more 'dedicated' metaverses such as Decentraland, The Sandbox and Somnium Space which are akin to Second Life.

WHAT ARE THE RISKS?

UNSAFE AREAS

Many metaverse platforms feature little to no moderation. This is due to the decentralised nature of the metaverse - as there is no one company overseeing the platform, users can create and build with freedom. This can be a minefield for younger users as adult material or sensitive topics can feature on a parcel of land seen by everyone.

VOICE COMMUNICATION

The freedom found within creation is also found in communication. Most metaverses use proximity VOIP communication (Voice Over Internet Protocol) and users can approach any other user to start a conversation. It is necessary for avatars to be quite close to another in order to talk and once they are, anything can be said. While a chat box can be moderated, voice chat cannot.

ANONYMITY

As with almost every other form of online interactions, anonymity features heavily within the metaverse. The concept for the metaverse is to live any type of life digitally. This could mean that 'bad actors' (those with malicious intent) can take advantage of others with ease. Reporting and monitoring these users is becoming easier on the more popular platforms, but others struggle to police these situations.

VIRTUAL REALITY

Not all metaverse platforms are VR enabled, in fact less than 10% feature VR interactivity. However, it's always worth monitoring the amount of time younger users spend in virtual reality. A VR metaverse differs greatly to VR gaming in user interaction. Approaching each other in a VR metaverse attempts to represent 'reality' and can result in a greater impact if experiences are negative.

PSYCHOLOGICAL IMPACT

Whether in virtual reality or not, interactions and experiences in the metaverse can often carry more weight because they mimic 'real life'. Oftentimes, due to the freedom in avatar creation, younger users may open themselves up to bullying, prejudice or an unrealistic idea of reality. For instance, female-orientated avatars may find themselves targeted by bullies or inappropriate users.

Advice for Parents & Carers

TRY IT OUT FIRST

This may sound like an obvious tip, but by entering the metaverse and exploring on your own, you'll be able to see what your child might. You can explore the busier areas and even the quietest corners to see what users are building or advertising. You'll also learn first-hand how users communicate with each other. Many metaverse platforms will feature an entry area which showcases the busiest areas. Check them all out and see what's happening.

LEARN ABOUT NFTS, WALLETS AND CRYPTO

With the metaverse comes Web3 technologies such as NFTs, cryptocurrency and wallets in which to store them. If you have a crypto wallet, do not connect it to your child's metaverse. One simple click could result in loss of cryptocurrency, if you are unsure what these technologies are, try to research them as these terms will appear in the metaverse.

CREATE AN AVATAR TOGETHER

If you decide on allowing your child into the metaverse, set up their initial avatar together. This way you can ensure the avatar is age-appropriate and keeps their identity private. You can also advise on aspects which may result in attracting bullies or unwanted attention. It will also allow you to see which avatar items cost money, and talk to your child about in-game spending.

START WITH THE FAMILIAR

There are already metaverse experiences with children in mind; explain to your child what a metaverse is and have them recognise similarities between those and games like Roblox, Fortnite and Minecraft. Unfortunately, there is no 'child safe' metaverse option as yet, though Epic Games and LEGO are currently developing a family safe metaverse.

Meet Our Expert

Daniel Spicomb is a father to two girls, aged 14 and 12. Before Dan began his Web3 metaverse journey, he worked as a videogame journalist and editor for a decade, reviewing games, talking to creators and writing about videogame trends. Dan has also written fifteen guide books about Fortnite, Minecraft, Roblox, Apex Legends and Valorant for HarperCollins and Bomber Books.

Free 24/7 urgent mental health support for young people

The last 18 months have been particularly hard for young people's mental health and wellbeing. Young people and their families in need of urgent help with their mental health can get free 24/7 support from trained NHS professionals by telephone.

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need – including children, young people and their parents. The lines are free to call and open 365 days a year.

FREE SCHOOL MEALS

You may be entitled to Free School Meals if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

Clue

There are hundreds of different ones out there, you will find them near home printers

and when not hiding inside printers they usually look like this

www.recycle4charity.co.uk

Recycle 4 Charity

Treasure Hunt

Attention to all children and teachers!

Find some empty ink cartridges and bring them to the school to turn them into gold!

Your school will receive money for them, and you will help the environment with your recycling!

If you receive Working Tax Credit you will not be entitled to free school meals unless you have:

- stopped work in the last 4 weeks; or
 - reduced your hours to less than 16 hours in the last 4 weeks
- Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

<https://accountforms.camden.gov.uk/freeschoolmeals/>

Do you have any used printer cartridges lying around at home? Send them into the school office!

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

Weekly Wellbeing Update

New Tip...

We're delighted to be returning to school in a relatively 'normal' way this term and it's been so good to see so many of you at drop offs and pick ups. We hugely value our relationships with parents at Fleet so we're delighted that our staff are now able to see you in person more regularly. If there is anything that you'd like support with please don't hesitate to speak to your child's teacher or Miss Wall and we will do everything that we can to help.

These are great websites providing advice to parents who would like support with their child's wellbeing:

Wellbeing Tip of the Week!

An initiative brought to you by Camden Learning's Health and Wellbeing Team—a new one each week!

Week 33 – Self-Compassion

This week's tip comes from Anita Vital, who has created the below infographic to remind us not to be too hard on ourselves. Sometimes, when we have a bad day, we can start to doubt our capabilities, and we can allow self-criticism to flood our thoughts. But by being kind and compassionate to ourselves, we can turn these thoughts into more positive and uplifting feelings.

HOW TO NOT BE HARD ON YOURSELF

Parent Workshops

We're keen to provide parent workshops where we can, to work together in order to best support your child's mental health and wellbeing. In the past we've hosted workshops on areas such as self-esteem and resilience and we'd really like to target the areas that most interest you. Please contact Miss Wall through the admin address (admin@fleet.camden.sch.uk) if you have any suggestions.

If you or any friends/family are tidying gardens and pruning trees please save and bring in any branches or logs for our Forest School. Any size! They are very useful for making dens and forest crafts. Thank you so much. If you have any questions, please pop over and speak to Rebecca Combes in Nursery.

KIDS Early Years

Specialised Stay & Play sessions

The KIDS Portage team run two drop-in developmental stay and play sessions in Camden.

These are for pre-school children who have developmental delays or who have a diagnosed or an undiagnosed disability or condition.

Both groups provide a variety of play based activities aimed at supporting Children's learning and development.

We provide a support network for the parents and share information about local services.

Does your child have asthma? Your child will need:

an asthma management plan

the correct inhaler technique

an annual asthma review

What you can do:

- 1 Ask your GP or school nurse for an asthma management plan
- 2 Ask your pharmacist, GP or nurse how to use their inhaler correctly
- 3 Ask your GP, asthma nurse or consultant for an annual asthma review for your child

These three important steps can prevent an emergency admission to hospital and even save a life.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Stop Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
