## Paying too much for your broadband and phone package?

Social tariffs are cheaper broadband and phone packages for people claiming Universal Credit, Pension Credit and some other benefits. Some providers call them 'essential' or 'basic' broadband. They're delivered in the same way as normal packages, just at a lower price. Amid rising living costs, Ofcom is encouraging companies to offer social tariffs to help customers on low incomes

### How a social tariff could help you

- **It's available to those on a variety of benefits.** If you or someone in your household claims Universal Credit, you could switch to any of the tariffs available.
- **It's cheaper than a regular package.** Current prices range from £10 to £20.
- **Fast, unlimited broadband.** Most tariffs offer superfast broadband at speeds over 30 Mbit/s – fast enough for you to keep in touch with friends and family, stream or shop online.
- **You'll pay next-to-nothing to get set up.** If you do have to pay any setup costs, these should only be small. Your provider should tell you before you sign up.
- **It could cost nothing to switch.** If your provider offers a social tariff, you can switch to it at any time, free of charge.
- **The price won't go up mid-contract.** You won't pay any more than what you agree at the start of the contract.
- **It costs nothing to leave.** You won't pay a fee to leave the tariff before the end of your contract.

See link below for more details and a list of available tariffs:

## Eid Celebration

Huge thank you to all the parents and families who organised and ran Friday's fantastic Eid celebration. I think we all agree it was a brilliant occasion. A special thank you to Sabiha (mum to Suha) for being the driving force to suggest, organise and put on the event. We sincerely hope it is the first of what will become a regular part of the Fleet Community Celebration diary.

## School Meal Taster Session: Tuesday 16th May after school in the hall

Have you ever wondered what school dinners taste like—they are very different to how they were when most of us grown ups were in Primary school! Why not come along to the hall from 3.15-4pm next Tuesday, 16th May, for a taster session. Our chef and kitchen team from Caterlink will be there with samples of hot food that is on our current menu for you to taste. This event is open to the whole school community—whether your child currently eat a school meal or not. We hope you are able to come along.

**REMINDER: This is a 'NUT FREE SCHOOL'. Do not send in any nuts or products containing nuts in packed lunches or for snacks. Thank you.**

# Fleet Primary School Calendar Competition 2024

This year's theme... **A Wonderful World!**

This week in assembly we introduced to the children this year's theme for our annual Fleet Calendar Art Competition. The school's Rights Respecting Ambassadors helped to come up with the ideas.

The theme this year is 'A Wonderful World' and is all about the natural world and protecting it. Art can be inspired by nature, animals, plants, insects, birds, ocean life, habitats, protecting the environment or environmentalists—see some of the examples at the bottom of this page.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want. It is important that they put their name and class on the reverse side of the picture in pencil (don't write in pen and not on the front). They should also include a 'fun fact' about their subject written on the back too which will be included in the final calendar if their image is selected.

Prizes will be awarded termly, with a selection of entries chosen to go in the calendar for 2024. Entries should be handed in to the school office. We have some very talented artists at Fleet and we can't wait to see the fantastic pieces the children come up with. Good luck!

## What Parents & Carers Need to Know about

# TELEGRAM

AGE RESTRICTION  
**17+**

Telegram isn't new, but it's grown significantly in popularity over recent years, thanks to its secure nature and speedier performance than many of its competitors – including WhatsApp. While Telegram is an excellent app in terms of actual performance, like any messaging platform it brings its own challenges for parents when it comes to feeling confident about children being able to handle their own messaging conversations and contact with the outside world in general. Here's everything that trusted adults need to know about using Telegram safely.

### WHAT ARE THE RISKS?

#### LACK OF AGE RESTRICTION

17+

Telegram has a 16+ age restriction on using the service, while someone is required to be over 17 to actually download the app. Once that's accomplished, however, there's no need to provide further identification. That means there's no guarantee that under 17s aren't using the app – and no way to confidently verify that any other user actually is who they say they are.

#### POSSIBLE CYBERBULLYING

If your child uses Telegram, they could well be in a group with friends and peers on the app. These groups are managed by admins who can remove the option to post replies – possibly leading to instances of cyberbullying in which the victim has no ability to respond. Messages can be forwarded from groups, too, which potentially opens up images and text being seen by to people they weren't intended for.

#### UNMODERATED CONTENT

Because Telegram relies on users' self-moderation, it can sporadically become a hotbed for illegal or inappropriate content. In the past, the circulation of this material has led to its temporary removal from the App Store. In fairness, the same can be said of several messaging platforms, but Telegram's features (Secret Chats, for instance) certainly present more issues than the likes of WhatsApp.

#### PREMIUM COSTS

Telegram is free to use, but it also offers a premium membership (£4.99 per month or £35.99 a year) which increases download speeds, adds translation features, and increases channel and account limits. If your child has access to your Apple ID or Google Pay details, they may be able to sign up for the premium package without your knowledge.

#### UNAUTHORISED ACCESS

One of Telegram's major selling points is that it's accessible across multiple platforms. Once the app's been downloaded, users can log in from a phone, tablet or computer. This multi-device availability means increased opportunities for someone else to gain unauthorised access (if your child leaves a computer or tablet at school logged into their Telegram account, for instance).

#### SECRET CHATS

Telegram offers a feature called Secret Chats, which allows for messages which self-delete after a specified period of time. There are instances where this can be useful (journalists often use Telegram to protect their sources, for example), but for young people it can make it extremely difficult to prove that someone has been abusive or inappropriate towards them on the app.

## Advice for Parents & Carers

#### PRIVACY CONTROLS

If your child wants to use Telegram, we'd strongly suggest using the app's built-in privacy settings to restrict who can see when they were last online, their profile photo, and their phone number. This can be set to 'everybody', 'my contacts' or 'nobody'; we'd recommend either the second or third options, depending on how locked down you want the platform to be.

#### DISCUSS SECURITY

It's important that your child understands the merits of strong passwords and logging out of devices when they're finished – and the benefits of protecting their personal data in general. This could range from relaxed chats and simple tips like "don't send your bank details" to how to set up passcodes for Telegram so your child's chats stay secure when they step away from their screen.

#### REPORT UNSAFE CONTENT

If your child receives private messages which include content that could be considered illegal, unsafe or upsetting, they can of course block the account responsible within the app itself. Be aware, however, that Telegram won't necessarily take any further action unless this offensive content involved a user-created channel, bot or sticker.

#### USE THE BLOCK FUNCTION

Users can block spam, abusive, or imposter accounts within the app. Blocking stops that account from messaging your child, or viewing their profile and activity. If the user in question is one of your child's peers or friendship circle, it may be worth bringing it to the attention of their school. Also bear in mind that your child can also voluntarily leave a Telegram group at any point if they wish.

#### PROTECT PAYMENT METHODS

Apple and Google's storefronts offer family sharing options, but it's also worth double-checking your settings to ensure that a password or two-factor authentication option is set up to prevent any unexpected purchases. If your child does pay for a premium Telegram subscription without your consent, Apple and Google have been known to issue refunds in some cases.

# NSPCC School's Service Volunteer

**Locations:** Central London (Camden, Islington, City, Westminster, Kensington & Chelsea, Tower Hamlets)

**What we're looking for:** We need people to help us protect a generation of children from abuse and neglect. As a *Speak out. Stay safe.* volunteer, you will visit primary schools to deliver *Speak out. Stay safe.* workshops to children in Year 5 and Year 6 that teach children about the different types of abuse and how they can speak out and stay safe.

**What you'll do:** Our *Speak out. Stay safe.* workshops are age-appropriate and memorable and need an energetic and enthusiastic person to deliver them. You'll work alongside other *Speak out. Stay safe.* volunteers to make sure at the end of each session the children feel empowered and know who they can speak out to if they are worried. *In some sessions children may speak up and disclose abuse, so you will also be required to sensitively handle this and report any concerns you have about the child. But don't worry you'll get plenty of support and training on this.*

**Who's right for the role?** While we think this role is suitable for a whole range of people, we are particularly looking for those with the following qualities and experience:

- Passionate about helping children and young people
- Great communication skills
- Empathetic and perceptive
- Sensitive and supportive
- Able to think on your feet
- Work well within a team

For this role, we can only accept people over the age of 16.

**Interested in getting involved? Volunteer today and join our fight for every childhood.**

# Cost of Living Crisis - Camden Support Available

## Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10<sup>th</sup> week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

## Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

## Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

### **How to apply**

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

### **Eligibility criteria**

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

## The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). ## Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

## How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

## What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

## Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – [camdenmusic@camden.gov.uk](mailto:camdenmusic@camden.gov.uk)

# Individual Instrument Tuition at Fleet

## Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

## What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

## Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

## When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

## What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

### Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

### Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

## What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term  
Ten individual 20 min lessons £112 per term  
Ten individual 30 min lessons £168 per term

## How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

## Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

## What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

## How do I apply?

- You can apply online
- Visit [www.camden.gov.uk/camdens-music-service](http://www.camden.gov.uk/camdens-music-service) and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

## Gender equality: guide for families

### What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

### Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

#### Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

#### Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

### FAQs

- *But aren't girls and boys just different?*  
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*  
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*  
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*  
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

**Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations**

[www.liftinglimits.org.uk](http://www.liftinglimits.org.uk)

## Gender stereotyping: what can we do about it?

### Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at [www.lettoysbetoysof.org.uk](http://www.lettoysbetoysof.org.uk) – especially their Gift Guides and recommended retailers.

### Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

### Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

### Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

### Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
  - Swap 'he' and 'she' where male-dominated.
  - Use books as an opportunity to question roles and attitudes.

### Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

### Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

### Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

### Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.
