

## Message from the head:

Another busy week with some brilliant work and events happening. Thanks to those parents who were able to come along to the KS1 and KS2 open reading morning on Wednesday.

I wanted to make a plea to you all about our Thursday class teas. Pre-pandemic these were a fantastic social opportunity for the Fleet community to come together in the hall, sit together and enjoy a cup of tea and snack/treat. Since we have been able to resume these following the relaxing of Covid restrictions attendance is well down. It could be that people maybe aren't aware—especially newer families who maybe joined the school during the period we didn't have them. While they offer a good fundraising opportunity (all proceeds go towards the school's curriculum budget and help fund trips and workshops) what I think made them special at Fleet was that social element—and I think we would all agree the thing we all missed during Covid was social contact so I hope we can get back to a more well attended 'Class Tea'. As a reminder, each class tea is led by each class on a rolling basis. It is timetabled at the start of the year and happens on the Thursday after school the week your class has their assembly—so for example this week Year 4 had theirs yesterday followed by their assembly today. Parents and carers for the class are asked to bring in items for the tea to sell and to then volunteer to run the sale in the hall. It is after school on Thursdays. Next week is year 3—if you check the calendar of dates at the end you will see the dates for the remaining class teas over this term. Have a lovely weekend and see you all on Monday.

## Year 6 Bike training

Next week is the Year 6 bike training. If your child handed in a form to request a place on the training please ensure they bring in their bike (if they have one) on Monday. They will need it all week.

**Reminder: This course is only for children who are already proficient cyclists.**

## Punctuality Award

An improvement in punctuality this week with 26 lates across the school compared to 33 last week. Year 3 and 5 were the best with only 2 each. Rec, Y1 and Y2 were all below 5 and no class had more than 10. Well done and thank you for the renewed effort. Please ensure your children are **IN** class by 9am.

## Attendance Award

Attendance was much better this week with an overall attendance of 96.4% above our target of 96%. Year 4 achieved 100% which is brilliant! Well done Year 4. Also well done to Year 1, 3 and 6 who also had above 96%. We are currently just below 96% for this academic year with 95.7%. Hopefully over the next few weeks if we can show the same improvement of this week we will quickly get back up to 96% and above for the whole school. Thank you for all your support in helping the children to build resilience and make the best of the educational opportunities here in school.

# Fleet Primary School Calendar Competition 2023

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

## This year's theme...Lifting Limits!

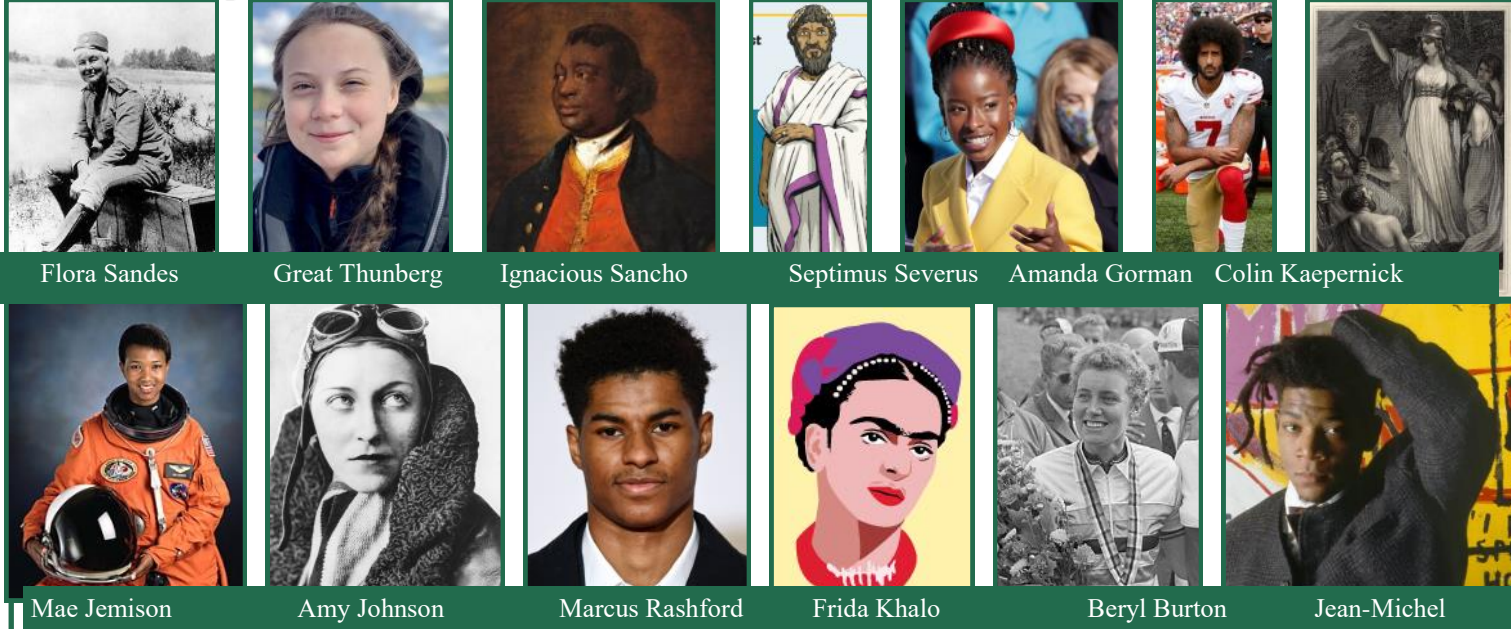

This year the theme links in with the 'Lifting Limits' gender equality work we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

### Ideas from people looked at last year in assemblies or topics - can you think of anyone new?

Flora Sandes    Great Thunberg    Ignacious Sancho    Septimus Severus    Amanda Gorman    Colin Kaepernick

Mae Jemison    Amy Johnson    Marcus Rashford    Frida Khalo    Beryl Burton    Jean-Michel

# This week at Fleet...

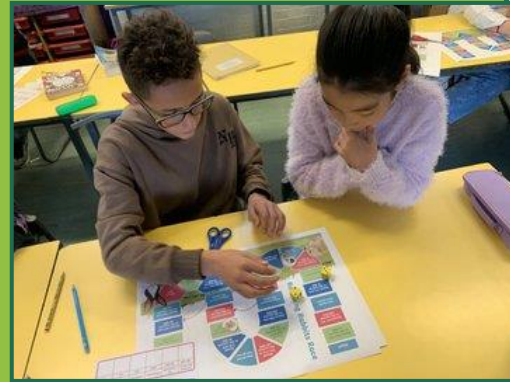

Among the fantastic learning happening in school this week we had some African Dance workshops, trips to the Camden Learning Centre for some computer programming workshops and to the October Gallery for an art workshop. Some of the year 5 children have been taking part in the level 2 cycle training and the whole class had another workshop as part of their Brass Windrush project. Children have been making kaleidoscopes, planning and creating fantastic topic inspired art, carrying out soil investigations, producing fantastic writing, turning into maths detectives and in PE exploring the climbing apparatus. Some children have even been learning some yoga techniques while over in the nursery the children continue to settle well and among other activities this week have been giving friendship bracelets to their new friends. All topped off by a fabulous class assembly from Year 4 this morning. Another busy week ahead next week!
