

Message from the head: This morning I had the pleasure of a VIP performance of the Year 3 show—I had a meeting with the actual performance was on so sneaked in before and they performed a full run through for me. Every time I see one of our class assemblies, I am reminded not just how incredible our children are (which they most certainly are!) but also how dedicated to delivering a broad and balanced curriculum that values the performing and creative arts my staff are. For those who have known no other school than Fleet for your children you may not realise, but having three topic assemblies a year (on top of other events such as Christmas Shows), with singing, dancing and showcasing all the learning from that term whilst also promoting confidence and performance skills, is not the norm in most schools. These shows take a huge amount of work to fit in rehearsals, without sacrificing wider curriculum pressures, to let all the children shine. I thank you for coming along to watch and for helping your children learn lines but I also want to take a moment to thank all the staff who make it possible. In education, I hear a lot about the creative and performing arts becoming less and less in schools and I am proud to say that is not the case here at Fleet. Have a great weekend.

Message from the PTA

Dear parents, The summer fair will be **July 15th!** Come to the planning meeting evening of **Thursday 22nd June &/or reply to our online survey** (<https://forms.gle/c43aW1oABF4wP2B29>) to help us make it a fun event for all our Fleet families. The winter fair this year raised a grand total of £3106.90 for the school playground improvements so it's for a good cause as well as being a good time for the whole family. Contact FleetSchoolPA@gmail.com or speak with us in the playground if you'd like to chat - we'd love to hear from you.

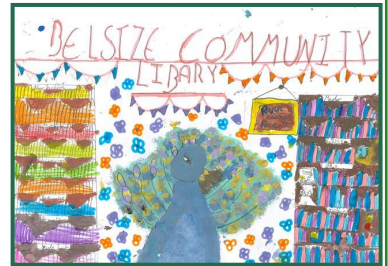

Appropriate Clothing/Footwear

The weather has been very hot lately and many children are coming in unprepared. All children should bring in a water bottle and sun hat and have sun cream on. In terms of footwear, please ensure that the children are not wearing flip flop/crocs/single strapped sandals that can easily come off or restrict climbing/running. As the children are very active at playtimes and during PE lessons etc. wearing these type of shoes can and has led to accidents. In this hot weather we have very little natural shade in the school so sun hats are especially important. Thank you.

Congratulations Alea!

Recently our Year 5 class, along with many other classes across Camden, took part in an art competition being run by Belsize Community Library. We are delighted to announce that Alea was chosen as one of the winning entries. See page 14 for a bigger version.

Help Please!

We need used 500ml plastic bottles for a year 6 project. There will be a box outside the office to put them in. Don't throw them away, give them to us!

Class Photos

The school photographer will be in to take class photos on Monday 19th June and the photographs will

Photo Consent Online Form

We have recently sent out an online photo consent form for you to complete (for each of your children), so that we can ensure that your photo consent preferences are up to date. It is important that you complete the form by Friday 23rd June 2023. Many thanks.

<https://forms.gle/adi8ySGPFvj2HoWb8>

Do you work in Architecture or Structural Engineering?

We are looking for any members of the Fleet community who work in these fields and would be willing to help us with our STEAM week later this term. Please get in touch with Oona via the school office to learn more. Thank you.

Lunch Menu: 19th—23rd June

Meat Free Monday

Vegetarian:
Veg Lasagne or
Chick Pea Curry
Rice
Sweetcorn & Broccoli
Yoghurt & Fresh Fruit

Wednesday

Chocolate & Orange
Brownie

Thursday

Meat/Halal:
Beef Lasagne
Vegetarian:
Veg Risotto
Garlic Bread
Sweetcorn & Green Beans
Apple Sponge & Custard

Available Daily
Freshly Cooked Jacket
Potato
Freshly Baked Bread

Please remember to let the office know if you want your child to change to or from school lunches so you are charged correctly

Punctuality Award

Lates came down this week from last week's high of 42 to 37 (even though an extra day in school!). Most classes were low but a few (years 4 and 6 again unfortunately) can do much better. The class on top spot this week with 3 lates is Year 2. Well done to them and thanks to all those in school on time.

Attendance Award

This week we dipped overall on last week but had more classes over the target of 96%. For the week we were 95.0%. Thank you for all your hard work in helping get us there. In terms of individual classes top spot goes to two classes—year 3 and year 5, both with 97.1%. Really well done to year 2 also above 96% (96.7%). Reception had their best week in some time with 94.7% - great improvement. Thank you for all you do to support attendance and resilience in your children. It's great to continue where we finished last half term with stronger attendance. We continue to creep overall, now up to 93.2% for the year. Let's keep improving!

Stars of the week!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Reception

For your enthusiasm for writing this week. It is lovely to see you confidently hearing the sounds in words and knowing which letters to write. Well done superstar!

Year 1

For your fantastic work around badgers this week. I really enjoyed your narrative writing and your pastel drawing of a badgers sett. You have been focusing really well on your work and trying your best. Well done!

Year 2

you have been speaking up much more in class. We always enjoy hearing your contributions on the carpet and we like your jokes too! Well done for increasing your confidence.

Year 3

for being so responsible on our school trips. You always listen carefully! to instructions and make sure you are doing the right thing. Additionally, you always look out for your class-mates and show them kindness. Well done superstar!

Year 4

for the effort you have put into your English learning this week. You were working hard to find out facts about deforestation and I have really noticed an improvement in your presentation. Well done!

Year 5

for your amazing attitude! You are so positive and attack every task with enthusiasm and gusto! The joy and pride you take in your learning is very special. As well as this, you are so supportive and kind to all your class-mates! Well done, superstar!

Year 6

for your creative and focused learning during our Music workshops with the musicians from the Royal Academy. I was particularly impressed with your contributions to your group's composition. Well done!

Fleet Facts!

Well done to all these children who have passed their Fleet Facts test this week!

Year 3: Abida, Thaddeus, Mo, Frankie, Angelo, Rocco

Year 5: Yara, Theo, Natasha, Alfie, Muhib, Rayan, Evangeline, Yonis, Hunter, Hana, Saheim, Tabby, Alea, Millie, Ena

Year 6: Ugo, Tawfiq, Isabella, Sara, Lizzie, Ryan, Adil, Amber, Riley, Harea

Times Tables Rock Stars of the Week—this week!

Well done to these children who earned the most coins in their class on Times Tables Rock Stars this week!

Year 3: Humayra—1,488 coins!

Year 4: Okpe—26,774 coins!

Year 5: Ena—7,730 coins!

Year 6: Aadam—5,391 coins!

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parenthub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

WHOLE SCHOOL EVENTS

21st June	Citizens Advice Camden Individual Advice Sessions Available here in school—must be booked in—contact Lisa in the office if interested
26th-30th June	STEAM Week
28th June	Members of School Council out at Wellbeing Champion Event

27th June	Kew Gardens
6th July	Trumpet & Trombone performance on Hampstead Heath Bandstand—t.b.c.
13th July	Central London Mosque

Fleet Primary School Calendar Competition 2024

This year's theme...A Wonderful World!

The theme this year is 'A Wonderful World' and is all about the natural world and protecting it. Art can be inspired by nature, animals, plants, insects, birds, ocean life, habitats, protecting the environment or environmentalists—see some of the examples at the bottom of this page.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want. It is important that they put their name and class on the reverse side of the picture in pencil (don't write in pen and not on the front). They should also include a 'fun fact' about their subject written on the back too which will be included in the final calendar if their image is selected.

Prizes will be awarded termly, with a selection of entries chosen to go in the calendar for 2024. Entries should be handed in to the school office. We have some very talented artists at Fleet and we can't wait to see the fantastic pieces the children come up with. Good luck!

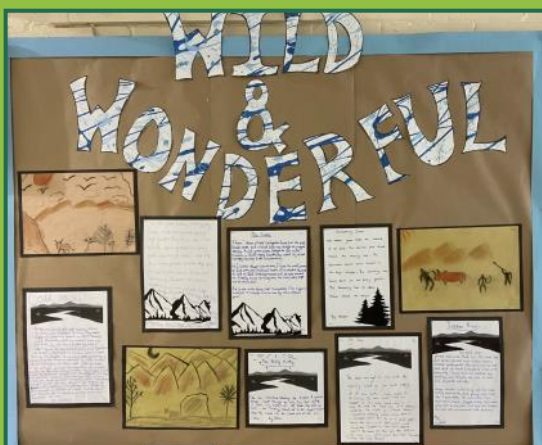

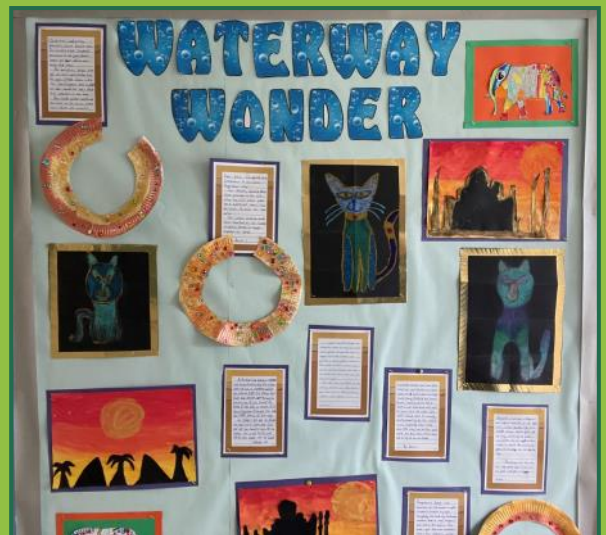

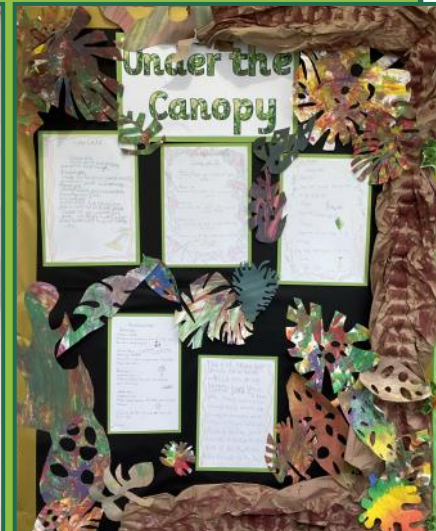

July 2023

Summer Term Topics

- Nursery - Let's Grow!
- Reception - When I grow up
- Year 1 - Spring Into Summer
- Year 2 - From Sea to Shore
- Year 3 - Fantastical Forests
- Year 4 - Under the Canopy
- Year 5 - Waterway Wonder
- Year 6—Wild and Wonderful

Summer Home Learning Projects Y2-6

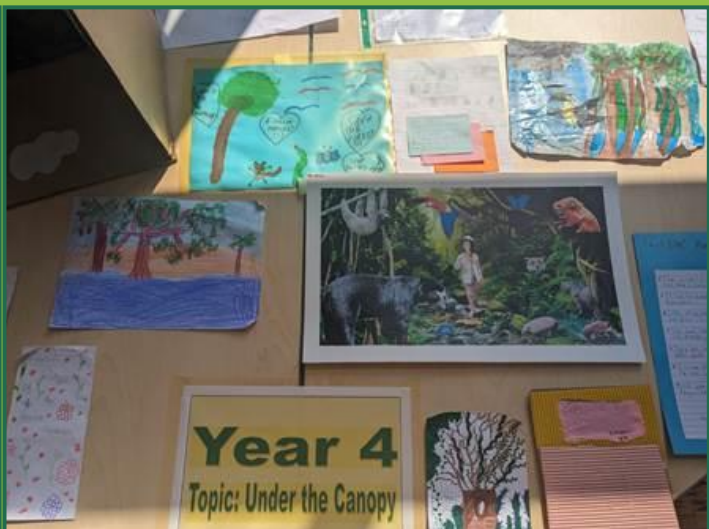

A huge thank you to all the children (and their families!) who completed home learning projects this term. As usual the standard was very high, showcasing lots of different creative skills and ideas. These projects clearly illustrate the impact of the creative curriculum here at Fleet. In case you weren't able to make it to the hall on Tuesday after school or Wednesday morning before school here is a small sample of some of the projects.

CORAL REEFS

(also called rainforests of the seas)

Coral reef fish
 Tomato Clown Fish
 They do not mind the plants sting.
 Regal tang
 They are shy dinosaurs.
 Royal gramma
 Only found in caribbean reefs.

Famous Reefs
 The great barrier reef is the biggest reef.
 Red sea reef is 1200 meters wide.
 The ego reef is the second longest reef.

Other facts
 These reefs can be found in the UK.
 If the water is too warm coral will die.
 It covers as much as the world's ocean but is disappearing.
 25% of the world's sea creatures.

What they are made of.
 These reefs are made from tiny animals called polyps.
 They are only a few centimeters tall.
 They are made of calcium carbonate.
 They are made of many layers.
 They are made of many layers.
 They are made of many layers.

I did not know how it would be today.
 There are many different types of reefs.
 Some are very deep.
 Some are very shallow.
 Some are very old.
 Some are very new.

Year 3 Class Assembly...

This week at Fleet...

This week we've been making the most of the sunny weather and getting out and about. Year 6 took part in a two day Art/Music workshop with the Royal Academy of Music (one of the days on the Heath). Classes have been out to Kew Gardens and also to the Zoo, while Year 5 had a brilliantly informative visit to a Gurdwara. Back in school there has been some fabulous work going on (despite the very hot classrooms!). Year 6 have immersed themselves in their post Gower Art project being inspired by many famous artists and using lots of different media and techniques. We also had the home learning project exhibition this week which showed the usual high standard of creativity across the school (big thank you to parents for supporting your children to complete these and also for coming to see the work and help us celebrate the children's hard work).

Welcome to our garden update...

This week, year 4 were our enthusiastic 'garden guardians'. They harvested radish and distributed it around the school so everyone got to try some - lots of children found it a little too peppery for their taste! They sowed cauliflower seeds in the winter beds and beetroot and okra seeds in the summer beds. The plants in the greenhouse and around the infant playground were checked and given a much needed drink.
