

Message from the head:

We've had a very busy week this week as you will see by the photos later in the newsletter. We're approaching the end of this half term and it's showing no sign of letting up! This week we've had a number of different events including a meet up of Camden Primary Art Leads—hosted by Stella, our own Art Lead. We are very proud of the creative curriculum we have here at Fleet and this can be clearly seen when you visit our classes. It's never more on display than when we have our class assemblies and it's so great to have them back for the summer term—kicked off today with the fabulous Year 5 children. We really appreciate your support with helping your children to learn lines and songs and then coming along to show your support on Friday's when they perform. As we look ahead to another busy half term and more assemblies thanks in advance for your support. Have a lovely weekend (maybe enjoying the Camden Clean Air cycle ride—right!).

Talacre Sports Day Morning— 23rd May—come along!

Thanks to Tom Looney (dad of Mickey—Y4) and his team of coaches at Talacre and following this week's successful Y4-6 sports morning we have been invited for another sports day morning! Voluntary Donations for trips

As you will see from our newsletter and the list of dates for each class, at Fleet, we believe in making the most of all that being in the heart of London affords us—a wealth of amazing museums, galleries, parks, visitor attractions and historical monuments to visit. To be able to enrich our curriculum and bring the learning out of the classroom takes a lot of time and effort on the part of the staff but also a financial investment on the part of the school. We can only continue to offer this wide and varied offer through the support of our community—from volunteering to come and support on trips to the financial donations you provide. We try to keep all trip costs to a minimum and very rarely ask for more than £2 for a trip. Please, if you are in a position to donate, send in this donation with your child on days that trips take place. If you are able to come along to support the class please let the teacher or school office know. Your continued support is much appreciated.

Punctuality Award

After a few week's of excellent punctuality this week was a big disappointment with 50 instances of children arriving late. Year 1 were the most punctual class with 5. We know we can be better. Please do all you can to get your children here on time or avoid disrupting their learning and everyone else's.

Attendance Award

Year 2 and Year 4 both managed attendance this week above the 96% target level—with year 4 managing 99.3% which is fantastic! Great job from both classes. Attendance for the week overall was 94.8%. Again improving week on week. Let's see if we can keep this up moving forward into the remainder of this summer term to improve our overall attendance for the year which currently sits at 92.9% Year 1 and Year 5 just missed the 96% target—both at 95.8%. Thank you for all you do to support attendance and resilience in your children.

Fleet Primary School Calendar Competition 2024

This year's theme...**A Wonderful World!**

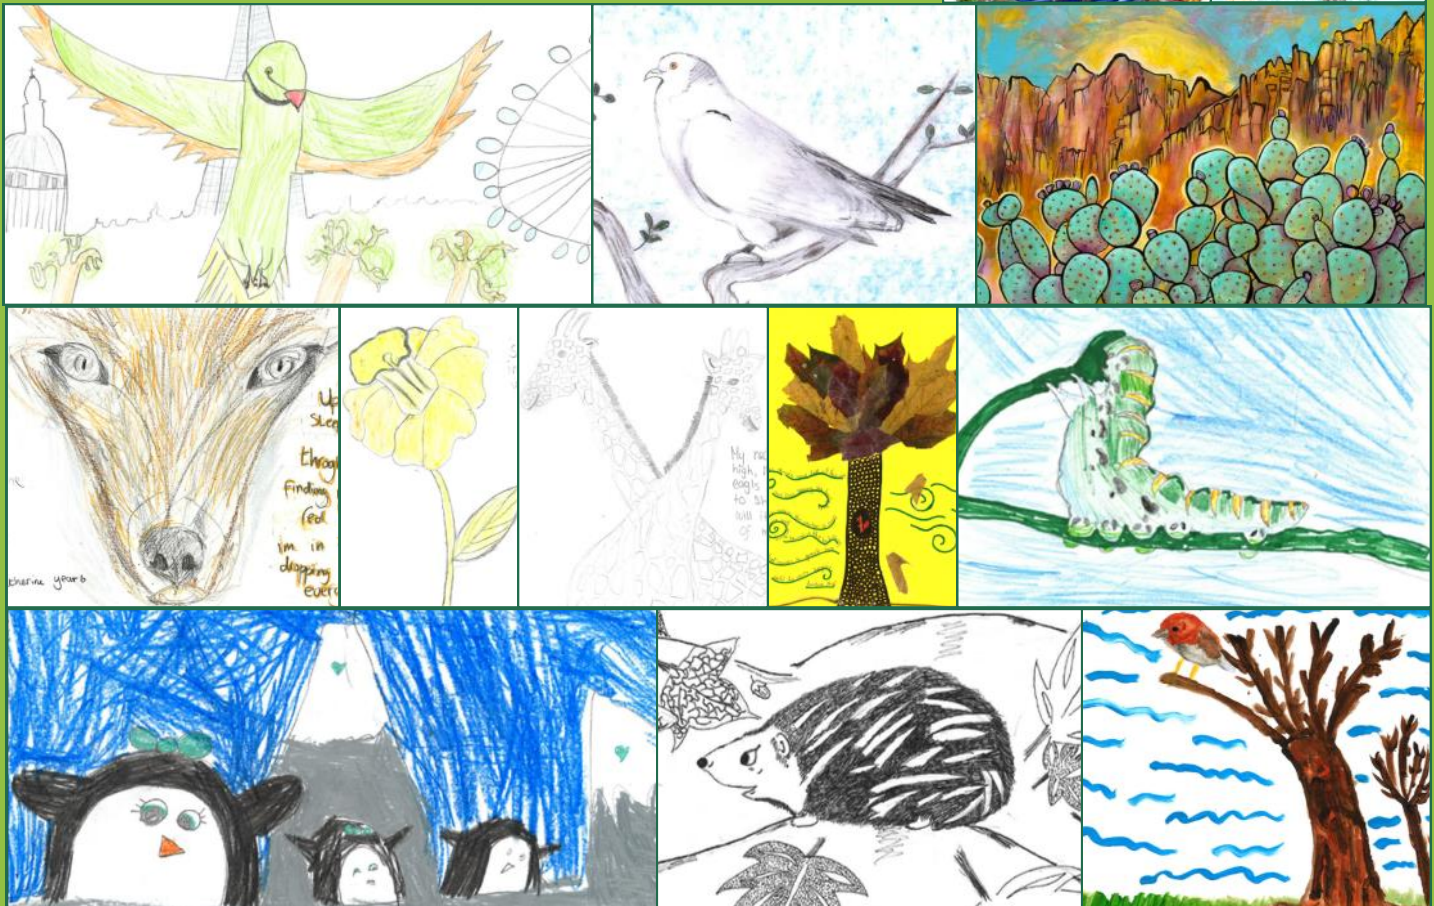

The theme this year is 'A Wonderful World' and is all about the natural world and protecting it. Art can be inspired by nature, animals, plants, insects, birds, ocean life, habitats, protecting the environment or environmentalists—see some of the examples at the bottom of this page.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want. It is important that they put their name and class on the reverse side of the picture in pencil (don't write in pen and not on the front). They should also include a 'fun fact' about their subject written on the back too which will be included in the final calendar if their image is selected.

Prizes will be awarded termly, with a selection of entries chosen to go in the calendar for 2024. Entries should be handed in to the school office. We have some very talented artists at Fleet and we can't wait to see the fantastic pieces the children come up with. Good luck!

This week at Fleet...

A fantastic week filled with forest school fun, trips out to the zoo and farm, the first class assembly of the term (well done Year 5!), a sports morning at Talacre and the gardening work going strong. On top of this some brilliant art, writing, science and maths happening in the classes. We also enjoyed the international food evening on Thursday. As we come to the end of the penultimate week of this half term things show no sign of slowing down! Well done everyone.

International Food Evening

Massive thank you to all the parents' who helped out on the night and brought a dish along to share. Also, to our wonderful entertainers for the evening—such a lovely evening.

Welcome to our garden update...

Y1 Garden Guardians

Year 1 have had a great time this week as our 'Garden Guardians'! They have been weeding and watering the raised beds. Perfect on the sunny afternoons we've had this week. They have been planting Carrots and Swiss Chard too. Have a look if you are out in the infant playground at all their hard work, and that of Nursery and Reception our 'Garden Guardian's' for the previous two weeks. It's year 2 up next week to look after things. Keep an eye out in the newsletter for how our planting progresses.
