New this week...

Final shout out for Friday's Winter Fair after school—sign up sheets for helpers on the day are in the covered area outside the hall. See Camden reading Challenge for over the Christmas holidays information on page 6 and a fantastic Mosaic opportunity for the holidays for 10 and 11 years olds on page 7. Look at the web link below for a list of all Camden Holiday programmes running this Christmas (including here at Fleet). Note the change to the term dates on page 8—addition of extra bank holiday for King's coronation. Page 22 has the latest parent information sheet to help keep children safe online and while gaming—this week looking at the game 'Call of Duty'. Enjoy your week.

Camden Foodbank

The Rights Respecting School Ambassadors will be collecting food items again this Christmas for the Camden Food Bank. Look out for a letter coming home soon with the items they would like donated. Thanks in advance for your support.

Junior Playground Refurbishment

As you probably know we are currently trying to raise money to refurbish our Junior playground. At some point in the future we will also need to do the same in the infant playground. We are hoping to be able to get some funding towards this from the Camden Local Community Investment Levy Fund (CIL). It would be great if you could support this by leaving a comment on the CIL consultation currently open. If you search the map for the school you will see a comment with our plans—you could add your own or indicate agreement with the existing comment. Your support with this will hopefully increase our chances of securing funding to make our plans reality.

Help a child learn to read

This year our school is working with **Bookmark**, a children's literacy charity that links schools with volunteers to provide children with extra reading support.

You can help a child develop the reading skills and confidence they need for a fair chance in life. Two hours a week, for 12 weeks.

As a Bookmark volunteer, you'll help your community and make a huge difference to a child.

Fleet Primary School Calendar Competition 2023

NOW TAKING ENTRIES FOR THE AUTUMN TERM!

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

This year's theme...Lifting Limits!

This year the theme links in with the 'Lifting Limits' gender equality work we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

Ideas from people looked at last year in assemblies or topics - can you think of anyone new?

Message from Camden Music Service:

Half price instrument/singing lessons for children of families claiming housing benefit and council tax support

Universal Music Group has generously given us some money to help families of pupils in KS2 (Years 3 to 6) to pay for music lessons. **Priority will be given to those pupils already on instrument lesson waiting lists.**

Here are the instruments you can choose in this scheme (please note that not all schools can offer all instruments as for tutors to attend a school there needs to be a certain amount of children wanting to do a specific instrument.

Apply here: <https://www.camden.gov.uk/apply-for-music-lessons-in-school>

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

These sessions are organised by Camden Health and Wellbeing Team.

Are you currently pregnant?
OR
Have you been pregnant in the past 3 years?

Were you referred for mental health support during your pregnancy and/or the first year after giving birth?

If you answered **'YES'** to the questions above, we would like to hear from you.

What is this research about?

We want to explore people's experiences of Mental Health Services during pregnancy and the first year after giving birth (*Perinatal Mental Health Services*). Little is known about how helpful people find these services, and why some people access these services and others don't.

What would I have to do?

A 20-minute online survey which asks you questions about you, your mental health, your pregnancy, and whether or not you used Mental Health Services during pregnancy.

This survey is **anonymous and confidential**.

This highly valuable research aims to inform the development of Perinatal Mental Health Services to better support mothers in times of need.

To help everyone stay warm this winter, **'warm welcome'** spaces are available in Camden's libraries, council buildings and voluntary and community sector organisations across the borough.

Each **'warm welcome'** space will be a little different in its offer but wherever residents visit, they will be met with warmth and kindness, and they will be able to relax, meet up with others and get support with the cost of living crisis in a safe and warm place.

Weekly Wellbeing Update

We hugely value our relationships with parents at Fleet so we're delighted that our staff are now able to see you in person more regularly. If there is anything that you'd like support with please don't hesitate to speak to your child's teacher or Becca Wall and we will do everything that we can to help.

My Wellbeing Tip!

By Agnes, Christ Church NW3

Worrying thoughts stop many people from having a nice time with their friends and family. Visualising a happy memory or relaxing with the people you love can smooth out and blow away worrying thoughts that get in the way of having a nice time. Remember there are always people who love you and will always have time to help you. Just take it one thing at a time. Here are some more ideas to help you overcome your worries:

Write your worry on a piece of paper and put it away in a box
Tell your worry to someone (saying it out loud will help)
Say it to a cloud or into a bubble and blow it away.
Take some time to be around nature
Do something you love (a hobby perhaps)

Parent Workshops

We're keen to provide parent workshops where we can, to work together in order to best support your child's mental health and wellbeing. In the past we've hosted workshops on areas such as self-esteem and resilience and we'd really like to target the areas that most interest you. Please contact Miss Wall through the admin address (admin@fleet.camden.sch.uk) if you have any suggestions.

From National Online Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should the need arise. This guide focuses on one of many games which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

CALL OF DUTY: MODERN WARFARE II

The Call of Duty (CoD) series is a worldwide gaming phenomenon, with millions of copies sold every year. While 2021's release, Vanguard, wasn't quite as well received, this latest entry – Modern Warfare II – has so far proved a massive commercial success. A sequel to the recent Modern Warfare reboot (and not to be confused with the original Modern Warfare 2, from back in 2009), the game is an online shooter which features – unsurprisingly – extreme violence, rendered in realistic graphics. Amid the explosions and political nature of the plot, there's much for parents to be aware of.

AGE RATING

PEGI 18

WHAT ARE THE RISKS?

VIRTUAL VIOLENCE

Like most of its predecessors in the franchise, Modern Warfare II carries an 18 age rating from PEGI (the Pan-European Gaming Information system, which assesses games' content for suitability). This means players will encounter – according to PEGI's wording – depictions of "gross violence, apparently motiveless killing, or violence towards defenceless characters".

OFFENSIVE CHAT & MESSAGING

Most CoD players are likely to spend the majority of their time on Modern Warfare II in online multiplayer mode. This entails competing against – or cooperating with – strangers on the online battlefield. The fast-paced, cut-throat world of CoD means that communication through the game's voice chat and direct messages often turns heated and aggressive, which may upset younger players.

IN-GAME PURCHASES

Modern Warfare II follows the 'battle pass' model of games like Fortnite. For a fee – usually around £10 – each 'season' (every three months or so), players will be invited to complete extra challenges to earn new weapons and equipment. Different tiers of battle pass (costing more money) enable them to achieve this more quickly, while items can also be purchased from the in-game store.

POLITICAL SENSITIVITY

Previous CoD games have been accused of attempting to "rewrite history": failing to correctly attribute alleged war crimes to the US military, for example. The semi-fictional version of history presented on screen can cause players to misunderstand past conflicts and the real reasons they took place. This could lead to young people developing a distorted, inaccurate view of world politics.

AN ADDICTIVE EXPERIENCE

Multiplayer mode in Call of Duty titles revolves around levelling up your character to unlock new weapons, abilities and equipment. The process is designed so that it doesn't take too long to see an improvement, and the feeling of making meaningful progress can keep players hooked for hours. It's easy for gamers of any age to lose track of time, but younger ones are especially susceptible.

Advice for Parents & Carers

RESPECT THE AGE RATING

Based on accurately recreating combat situations, Call of Duty games are unflinching in their portrayal of war. Limbs are shot off and explosions send gore flying, while the previous Modern Warfare featured a lengthy interrogation and torture sequence. With Modern Warfare II offering the same style of brutal realism, it's worth reiterating that the PEGI 18 age rating is there for a reason.

SET SPENDING LIMITS

If your child is likely to be tempted by buying that 'must-have' weapon or item, consider removing your bank details from the console or computer to prevent indiscriminate spending – and an unwelcome bill. Pre-paid cards could be an option for in-game purchases, allowing you to control how much your child can spend in advance – and helping them learn the basics of budgeting.

CLOSE OFF COMMUNICATION

Unless they're playing with their real-life friends, it may be worth closing communication channels if your child plays Modern Warfare II. There's less of a team focus than in many other online combat games and therefore no real need to interact with strangers. Call of Duty fans can be intensely competitive, so even a single action by your child could provoke a barrage of abuse from strangers.

TRY OTHER MODES

If it seems that your child only ever plays Modern Warfare II in multiplayer, you could try out the Spec Ops mode with them – formulating strategies while enjoying each other's company. You could also play multiplayer together, taking it in turns to ensure regular breaks. Another alternative is the game's campaign mode, featuring bespoke missions and scenarios which follow an overarching plot.

Free 24/7 urgent mental health support for young people

The last 18 months have been particularly hard for young people's mental health and wellbeing. Young people and their families in need of urgent help with their mental health can get free 24/7 support from trained NHS professionals by telephone.

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need - including children, young people and their parents. The lines are free to call and open 365 days a year.

Attention to all children and teachers!

Find some empty ink cartridges and bring them to the school to turn them into gold!

Your school will receive money for them, and you will help the environment with your recycling!

If you receive Working Tax Credit you will not be entitled to free school meals unless you have:

- stopped work in the last 4 weeks; or
 - reduced your hours to less than 16 hours in the last 4 weeks
- Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

'That's not very ladylike'

'Man up'

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
