Message from the head:

While this has been a slightly shorter week than usual it's been a particularly busy one! I'd like to say a huge thank you to all those parents who were able to come along to the Parent Gym taster session this weekfeedback has been excellent and we hope to see you all back (and anyone who missed the taster can still come) when the 6 week course starts this coming Wednesday. This week's topic is 'Chat', please do come along to the QUBE (building in the junior playground) if you can.

Also next week (Tuesday morning in the hall) we are holding a workshop for parents on the topic of 'Promoting Positive Body Image and Selfesteem'. We hope you will be able to come along to that too. It should be really useful and a subject that children (and parents) are facing more and more in today's society.

I sent home a letter yesterday about looking for a new parent governor. We really value parent voice on the governing body and hope some of you will be interested in joining to add your voice to the board. If you have any questions or want a chat about the role please don't hesitate to ask me, or you can speak to Marcus Boyland (he can be contacted via the office) who is our chair of governors, or by speaking with one of the current parent governors (Jason-dad of Amber-Lily Y6 & Robyn Y3; Annie-mum of Tabby Y5; Ellie—mum of Sam Y4 & Delphi Y2; Sabiha—mum of Suha Y2; John-dad of James Y1;).

Thanks for all your continued efforts to get into school regularly and on time and as much as possible—we really noticed a difference since the start of the year, it makes such a difference to their learning. Finally, please make sure you have signed up to Parent Hub (and regis-

tered your child) so that you get all the relevant communications. Speak with Lisa in the office if you have any problems. Have a great weekend and see you all on Monday next week.

Calling all parents—we need your help!

If there are any families with connections to the performing arts! Actors, makeup artists, set designers, costume designersfrom film, TV or theatre we would love them to come and

have a chat to Y6 as part of this terms topic 'City of Stars'. So if you or anyone you know can help please come and speak to Lynley. Thank you.

Reminder—WE ARE A NUT FREE SCHOOL

Please remember we are a NUT FREE SCHOOL. Children should not bring snacks into school with nuts in them. Please also check any items you send in for Class Tea, Class Parties or birthday treats must also be NUT FREE. Thank you for help and support to ensure all the children remain free from risk to any adverse effects exposure to nuts could cause.

Punctuality Award

This week Year 3 were the champions again with no late! What an amazing effort—3 weeks in a row! There were 29 lates altogether this week which is an increase on last week. Year 4, whose attendance is fantastic but had 11 lates on there own—we know you can do better. Thanks for all your hard work already.

Attendance Award

This week we did not quite make our 96% target with 95.5% across Y1-Y6. Year 4 came top again with 98.3%-well done. Year 3 and 6 also beat the target of 96%. This shows an improvement on last week and shows we are moving in the correct direction. Thank you to all of you for your hard work in this area. Working together we can keep improving.

Our Parent Gym taster session was a huge success! Thank you so much to all the parents who came along!

Parent feedback from the session was incredibly positive with lots of people leaving with tips to put into practise straight away.

There is still time to join! The next session is on Wednesday 28th September – 9 am in the Qube.

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Reception

For such a great start to Reception. You are a fun friend and have been playing really nicely with everyone in the class. Well done!

For having so much enthusiasm and working so hard at school, especially in your reading group. Well done Peggy! You have had a fantastic week.

Year 2

For your fantastic attitude to learning this week. You have been listening so well and trying your best. You did some fab reading and singing too! Well done superstar.

Year 3

You have worked so hard this week, especially during Maths lessons where you have developed your independence! Keep up the incredible effort! You should be proud of yourself!

Year 4

For your hard work in English this week. You wrote a fantastic description of a battle scene, using adventurous verbs and adjectives. Well done!

Year 5

For your constant positivity! You have such a 'can do' attitude and always apply yourself to every task. As well as this, you are consistently helpful and supportive - we are so lucky to have you!

Year 6

Your description of the Globe Fire and your creative photoshoot at the October Gallery were both powerful. Keep up the creativity and focus.

Holly is running the Marathon!

Fleet is an amazing school where children love learning, however, our playground needs a little TLC! We want to renovate our outside play space to make our school even better, but need your help to raise the money.

On 2nd October 2022, I will be taking on the London Marathon. I was gifted this place by The Daily Mile - an initiative that aims to get children active for 15 minutes a day every day. This helps boost concentra-

tion levels, improve fitness and gives a sense of team work and achievement. We really want to encourage and motivate the children to be more active in their break and lunchtimes, and new playground equipment will help this. We'd love to have a climbing frame installed and purchase new equipment such as skipping ropes, balls and space hoppers to get every body moving. Please donate what you can to help us realise our dream of a new playground and to make all the pain of marathon training worth it! Thank you.

TERM!

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

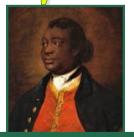

theme links in with the 'Lifting Limits' gender equality work This year the we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

A slightly shorter week with the bank holiday but busy nonetheless. Year 5 started a music project this week that will feed into this years Camden Music Royal Albert Hall performance (year 5 parents—please make sure your children are taking him their trumpets/trombones to practice and bringing back in for their Thursday sessions with Rod). There has also been a year 6 trip to the October Gallery this week and Year 4 to the Museum of London at the end of last week, Year 1 have been doing some forest school activities, as well as some wonderful art work and writing linked to topics happening across the school. Not to mention science experiments (look out for the shadow and light investigations by year 6) as well as maths. Enjoy the images of the next few pages to see the work they children have been doing as they continue their Autumn Term learning journey.

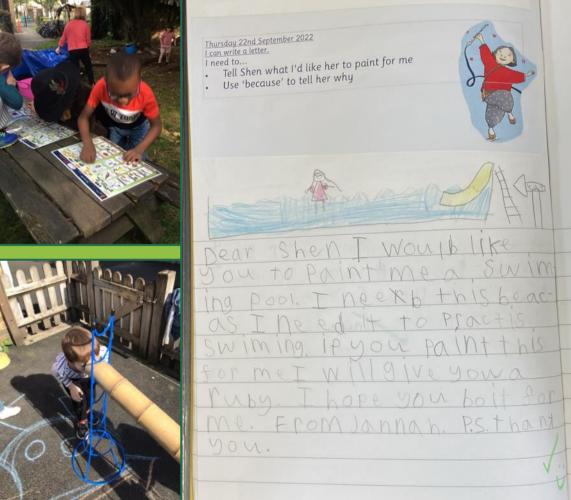

tes for your diary this term

As we are early in the term many trips do not yet have firm dates. As soon as they do they will be added on here as it is updated in each newsletter.

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We also will often need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parent hub closer to the date of a trip for requests for help and contact the office if you are able to accompany. Thank you.
