New this week...

Reminder of Maths Open Mornings for Parents and Carers next week (bottom right). See the survey from Camden regarding childhood immunisations (right) and a survey from local residents (below). Page 2 has details of the Parent Association coffee morning happening this Friday—please come along. Page 3 is a copy of the letter sent home yesterday about the school being closed due to strike action next Wednesday (1st Feb). Page 6 has details from Camden Home Start—both info about how to request support as well as how to become a parent volunteer. Page 9 has a flyer we have been sent by our MP, Keir Starmer. Page 10 is an advert for some Science themed holiday camps running across London during half term in February. Page 23 has details of some excellent parent workshops running online delivered by the Camden Mental Health Support Service—many of the topics covered this term include ones that were mentioned and requested in the recent parent survey before Christmas so well worth checking out if you can. Page 25 has the latest information sheet for parents from National Online Safety—this one highlighting 'Fake News' and how to spot it online. We hope these notices and the regular ones are of use to you.

Request for help from local residents:

Spare 2 minutes to complete online survey

My name is Erdogan, we are residents in Hampstead with my wife and two kids. I am writing to request your assistance in conducting a survey that aims to gather feedback on an idea to bring local communities together in a way that is allowing residents of the same neighbourhood to help each other with tasks such as school drop-offs and pick-ups or organising activities like sports games and play-dates. We would greatly appreciate it if you could take 2 minutes to complete the survey at the below link. By participating in this survey, parents and community members will have an opportunity to provide valuable input on an idea that has the potential to drive positive change for local communities.

Camden Childhood

Immunisations Survey 2023

Camden Council, in partnership with the [NHS North Central London Integrated Care Board](#), would like to understand more about how parents make decisions around childhood vaccinations, regardless of whether they have chosen to have their children vaccinated or not, or if they are just unsure. The views of our communities are important to us and will help us to improve our services for parents and carers throughout Camden, and provide relevant, key public health information for our communities, especially around specific issues that impact on childhood vaccination. **If you are a Camden resident with a child aged 0 to 5 we would be grateful if you complete our survey.**

<https://www.camden.gov.uk/childhood-immunisation-survey>

It is anonymous and takes about 10 minutes to complete. If you have any questions about this survey or would like a follow up conversation to discuss any issue in more detail, please contact CIPHAdmin@islington.gov.uk.

Upcoming NEU Strike Action

24th January 2023

Dear Parents and Carers,

You may be aware from media coverage that the NEU teaching union have declared strike action which will take place on Wednesday 1st February 2023, Thursday 2nd March 2023, Wednesday 15th March 2023 and Thursday 16th March 2023.

The strike is happening because of a national dispute between the unions and the government over teachers' pay and conditions and how they are funded, and not because of any issues at our school. I know colleagues in this union do not take these decisions lightly and that for them, striking is a last resort in their attempts to influence government to make the changes they see as fundamental to ensuring a strong and effective teaching landscape in all our schools.

I'm writing to you to give you as much notice as possible about our arrangements for the above dates. For the **1st February** strike date, as all our teachers are members of the NEU, we will have no teachers onsite and so **WE WILL BE CLOSED TO ALL CHILDREN**. We are not in a position yet to say what arrangements we will be making for the actions set for March.

I cannot ask striking staff to set work, nor can I ask them to upload materials to Seesaw. However, there are links to a range of activities and weblinks for children to use available on the school website (see <https://www.fleet.camden.sch.uk/parents/home-learning>) as well as the Time Table Rockstars and Mathletics online learning platforms children could use on this day as well as reading the books they have borrowed from school. Please encourage your child to engage with some online work and reading while they are at home

Caterlink will be providing a school packed lunch that can be collected on the day of the strike on the 1st February for any children entitled to a free school meal. **PLEASE INFORM THE OFFICE BY FRIDAY 27th JANUARY - IF YOU WOULD LIKE TO ORDER AND COLLECT A LUNCH**. The packed lunch will be available for collection between 10-11am.

I'm sorry that you will have to make alternative arrangements for your child at short notice, and that they will experience disruption to their education. I understand that this situation may be frustrating, and ask that all members of our school community continue to treat each other with respect. Fleet Primary School and all our staff remains committed to providing a safe and secure environment for our pupils and delivering high-quality teaching.

We are working closely with our staff union representatives to keep up to date with the situation, and I will inform you as soon as possible if arrangements change further.

If you have any questions, please contact admin@fleet.camden.sch.uk

Yours Sincerely,

Don McGibbon - Head Teacher

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We also will often need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parent hub closer to the date of a trip for requests for help and contact the office if you are able to accompany. Thank you.

Fleet Primary School Calendar Competition 2024

This year's theme...A Wonderful World!

This week in assembly we introduced to the children this year's theme for our annual Fleet Calendar Art Competition. The school's Rights Respecting Ambassadors helped to come up with the ideas.

The theme this year is **'A Wonderful World'** and is all about the natural world and protecting it. Art can be inspired by nature, animals, plants, insects, birds, ocean life, habitats, protecting the environment or environmentalists—see some of the examples at the bottom of this page.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want. It is important that they put their name and class on the reverse side of the picture in pencil (don't write in pen and not on the front). They should also include a 'fun fact' about their subject written on the back too which will be included in the final calendar if their image is selected.

Prizes will be awarded termly, with a selection of entries chosen to go in the calendar for 2024. Entries should be handed in to the school office. We have some very talented artists at Fleet and we can't wait to see the fantastic pieces the children come up with. Good luck!

Home-Start Camden & Islington is a grass-roots charity that supports and empowers parents with children under five who are struggling to cope.

Our volunteers are given bespoke training and matched with a family to best meet the family's needs. They visit the families in their home and provide non-judgmental, peer-to-peer, practical and emotional support.

All volunteers have parenting experience so they know what families are going through. Support is confidential, compassionate and totally responsive to the needs of the family.

To receive support from Home-Start Camden and Islington all we need to know is that you:

- Live in Camden or Islington
- Have a child or children under the age of five

camden.gov.uk/warmwelcome

To help everyone stay warm this winter, 'warm welcome' spaces are available in Camden's libraries, council buildings and voluntary and community sector organisations across the borough.

Each 'warm welcome' space will be a little different in its offer but wherever residents visit, they will be met with warmth and kindness, and they will be able to relax, meet up with others and get support with the cost of living crisis in a safe and warm place.

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second installment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

WHAT IS FAKE NEWS

Parveen Kaur, Kids N Clicks Founder

Fake news can be false information, photos or videos purposefully created to confuse or misinform. It can also be genuine information that has been manipulated to deceive. It is important that children learn how to distinguish between real news and fake news, so that they don't inadvertently share something which isn't true or believe something which could be misleading.

KNOW THE RISKS

SHOCK VALUE

Fake news can cause upset or shock to readers or viewers. Many fake news stories are written with appealing headlines and have content designed to create 'shock value', so the news spreads rapidly (common examples include the 'death' of a celebrity, company giveaways, news relating to supernatural events, or terror-related posts that provoke reactions).

EMBARRASSMENT

Fake news is often deliberately created to misinform people – whether for fun, out of malice or to support an ideological or political agenda. As it's often difficult to tell the difference, young people can easily believe what they see and then share something which is a hoax or a joke, leading to embarrassment or ridicule.

INFLUENCE BEHAVIOUR

Ultimately, fake news is designed to shape people's beliefs, thoughts and decisions: influencing them into believing something which has been misreported or which simply isn't true. This can shape how children think, behave or act in real life. It can especially affect their trust in the media or even in democracy itself.

FURTHER SUPPORT

REPORT THE CONTENT

Google and many social media platforms now have dedicated methods for fake news stories to be reported to them. This can range from sending a feedback message to Google via the page itself to the 'Report Post' buttons on Facebook and Twitter.

PROVIDE REASSURANCE

If your child feels as though they have been negatively impacted by a fake news story, or has suffered some form of embarrassment because of fake news, it's important to be supportive and reassuring. Discuss with them how not everything that's posted online is true.

IMPROVE THEIR DIGITAL LITERACY

If your child has been tricked by a fake news story, try to encourage them to think more rationally about what they see and hear on the internet. Advise them to question the motivation behind a story – such as why it's been written, and if it's trying to make them form a specific opinion or influence their actions.

SPOT THE SIGNS

CONSIDER THE SOURCE

Fake news stories can sometimes be identified simply because they are too ridiculous or outrageous to believe. Make sure that the website that published the story is a credible source, like a major news network or local paper which has the resources to fact-check published stories.

CHECK THE URL

Does the website address at the top of the page look real? An easy way to spot suspect stories is if they're located on a news site with an odd domain name. So check the URL. Some shady websites try to incorporate a legitimate news source into their URL (such as www.therealbbc.co.uk) or will slightly misspell a popular domain name.

VERIFY FACTS AND IMAGES

Authentic news is usually backed up by official data or surveys and previous, similar instances of the occurrence being reported. Similarly, fake news stories often include photos which have been manipulated. Perform a Google reverse image search to see if the picture has been stolen from another source and doctored.

RESEARCH THE WEBSITE

Be wary when a big story comes from a news organisation that you've never heard of. Some hoaxers will quickly set up a website just to spread fake stories and so-called 'breaking news'. Use the internet archive to research how long a site has been running – and check if the same story is being reported by more credible news outlets.

Free 24/7 urgent mental health support for young people

The last 18 months have been particularly hard for young people's mental health and wellbeing. Young people and their families in need of urgent help with their mental health can get free 24/7 support from trained NHS professionals by telephone.

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

'That's not very ladylike'

'Man up'

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoys.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
- Swap 'he' and 'she' where male-dominated.
- Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.
