

Fleet Community Notices

Wednesday 26th April 2023

New this week... Some new dates added to the dates for the term (see page 2) as well as the provisional term dates for next academic year (page 4). Note on the Eid Celebration—next Friday (5th May) is this page to the right—we hope you will all be able to come along and enjoy some tasty treats and good company. Page 9 has a poster from the October Gallery about an upcoming family day while Page 10 has a poster from Kentish Town City Farm about their May Day celebrations—great place to spend the bank holiday Monday. Don't forget tomorrow school is closed for all EXCEPT year 6 due to strike (see yellow box bottom). Page 15 has the latest top tips from National Online Safety to help you keep your children safe online. See item below about cheaper broadband and phone contracts. Final shout out on a Wednesday for the fundraising event (see bottom right) happening this Saturday. Thanks Susan for all you are doing to help raise money for our junior playground refurbishments. Finally for this week, see item below about Jodi in Reception Class' efforts to raise money—please support and help show him the positive difference acts of kindness like his can make.

Please Support Jodie!

Jodi-Cali who is known for his lovely long hair has decided he wants to get it cut and donated to a charity. Jodi is fundraising for The Little Princess Trust, and they'd really appreciate your support. Donating through JustGiving is simple, fast and totally secure. Once you donate, they'll send your money directly to The Little Princess Trust, so it's the most efficient way to give - saving time and cutting costs for the charity. You can donate by clicking here:

Paying too much for your broadband and phone package?

Social tariffs are cheaper broadband and phone packages for people claiming Universal Credit, Pension Credit and some other benefits. Some providers call them 'essential' or 'basic' broadband. They're delivered in the same way as normal packages, just at a lower price. Amid rising living costs, Ofcom is encouraging companies to offer social tariffs to help customers on low incomes

How a social tariff could help you

- **It's available to those on a variety of benefits.** If you or someone in your household claims Universal Credit, you could switch to any of the tariffs available.
- **It's cheaper than a regular package.** Current prices range from £10 to £20.
- **Fast, unlimited broadband.** Most tariffs offer superfast broadband at speeds over 30 Mbit/s – fast enough for you to keep in touch with friends and family, stream or shop online.
- **You'll pay next-to-nothing to get set up.** If you do have to pay any setup costs, these should only be small. Your provider should tell you before you sign up.
- **It could cost nothing to switch.** If your provider offers a social tariff, you can switch to it at any time, free of charge.
- **The price won't go up mid-contract.** You won't pay any more than what you agree at the start of the contract.
- **It costs nothing to leave.** You won't pay a fee to leave the tariff before the end of your contract.

See link below for more details and a list of available tariffs:

Eid Celebration—Friday 5th May

A big thank you to the parents who came along to the planning meeting this week and have agreed to co-ordinate an Eid Celebration. This will take place next Friday after school—3.30-5.30pm. There will be food, games, music and decorations. The whole school community is invited to come along and help us celebrate Eid.

Fleet Primary School Calendar Competition 2024

This year's theme... **A Wonderful World!**

This week in assembly we introduced to the children this year's theme for our annual Fleet Calendar Art Competition. The school's Rights Respecting Ambassadors helped to come up with the ideas.

The theme this year is 'A Wonderful World' and is all about the natural world and protecting it. Art can be inspired by nature, animals, plants, insects, birds, ocean life, habitats, protecting the environment or environmentalists—see some of the examples at the bottom of this page.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want. It is important that they put their name and class on the reverse side of the picture in pencil (don't write in pen and not on the front). They should also include a 'fun fact' about their subject written on the back too which will be included in the final calendar if their image is selected.

Prizes will be awarded termly, with a selection of entries chosen to go in the calendar for 2024. Entries should be handed in to the school office. We have some very talented artists at Fleet and we can't wait to see the fantastic pieces the children come up with. Good luck!

From National Online Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should this be needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

Helping children and young people with MANAGING DEVICE STRESS AND ANXIETY

The internet and advances in the capability of digital devices have afforded us arguably the fastest period of technological and social evolution in living memory: creating opportunities for us to interact with people anywhere in the world, 24 hours a day. It's also, however, blurred safety boundaries and added new stresses for young people, who are often less aware of the hidden hazards. With almost half of 10-15-year-olds experiencing bullying online and algorithms pushing content in front of our children every day, it's important to know how to address some of these challenges.

WHAT ARE THE RISKS?

LIVING ONLINE

The internet is awash with sophisticated algorithms that learn from our online behaviour and try to predict our wants and needs. That's very helpful in some respects, but it can make the online world difficult for children and young people to negotiate. Content can be brought to them at any time - it may not always be appropriate, and children may not have the ability or the support to deal with it.

PUSHY NOTIFICATIONS

Content is also directed at us through notifications from our apps: letting us know we have a new message or social post to read, for example. While that's useful in some circumstances, it conditions us to keep going back online (and is designed to do so) and can be a near-constant demand on your child's attention. As such alerts become more common, are we experiencing an 'attack of the plings'?

BLURRED BOUNDARIES

There are now so many ways we can communicate online in real time (like instant messaging apps) or with a delay (such as on social media) that it's possible to be constantly in conversation. Young people often prefer quickfire exchanges of text - but using fewer words can cause distressing miscommunications through the lack of non-verbal cues like facial expressions or tone of voice.

DIGITAL DEPENDENCY

As devices allow access to immediate external help in challenging situations, it's a concern that children may not be developing the inner confidence to work things out for themselves. Likewise, group membership is hugely important to young people - both in digital and 'real' life - and being excluded from online conversations can cause damaging feelings of loneliness and isolation.

DISGUISED DISTRESS

Children often haven't yet developed the emotional resources to deal with many of the setbacks of everyday life, so identifying when it's specifically something online that's worried them can be tricky. A certain level of stress is a normal response to a problem: it spurs us into action to keep ourselves safe. If the stress is excessive, though, it can feel overwhelming and potentially lead to anxiety or depression.

ANTI-SOCIAL SOCIALS

Social media can bring people together in hugely positive ways. Sadly, it does also have a darker side, including 'flame war' arguments which can escalate quickly and have hurtful consequences. With so many people looking on, 'group shaming' situations are also common - while there are continual opportunities for young people to compare themselves negatively with other social media users.

Advice for Parents & Carers

LEARN THE BASICS

It's impossible to keep up with every online change or every new app. The best option is to make yourself aware of the fundamentals of how the internet operates, so you can help your child to grasp how - and why - content reaches them. Devices and the digital world can be confusing, so learning to understand them better will give you the confidence to talk to your child about them.

PUSH DISTRACTIONS AWAY

Notifications to our phones and tablets can be helpful, but they sometimes make one wonder who's really in charge: the person or the device? Checking our phone as soon as it goes off is an easy habit to fall into - especially for young people. Try switching off non-essential alerts on your devices and encourage your child to do the same: you should both feel less triggered and more in control.

KEEP CHECKING IN

Healthy emotional regulation balances three systems: threat, drive and grounding. Down the various rabbit holes of the internet, however, that balance can easily slip away - so it's important to help your child manage their emotions when they're online. Check in with them regularly when they're on their device, and remember that 'distraction' and 'relaxation' aren't always the same thing.

TALK IT OUT

If a child mentions a comment that's been directed at them in a text chat or on social media, it may sound minor but can actually have a much bigger effect than we realise. In our evolved brains, any perceived threat can get internalised while our body reacts as if we were in physical danger - raising stress levels. It's always worth encouraging your child to get any concerns out in the open.

LOOK FOR THE SIGNS

This is tricky - and may depend on the child's age - but any sudden change in behaviour is worth looking out for. If your child seems to be checking their phone or tablet more, doesn't want to be parted from them, or appears unusually secretive, anxious or withdrawn, it could be a sign that something is amiss in relation to their device - and, possibly, that they're in need of extra support.

BE KIND: UNWIND

Be kind to yourselves as parents and carers. Remember that we're all in the same boat, trying to safely guide our children through this complex, fast-moving digital environment. Getting into the habit of having natural, relaxed conversations with your child about their online life (and yours) can level the playing field and make it far easier for them to open up to you about any concerns.

NSPCC School's Service Volunteer

Locations: Central London (Camden, Islington, City, Westminster, Kensington & Chelsea, Tower Hamlets)

What we're looking for: We need people to help us protect a generation of children from abuse and neglect. As a *Speak out. Stay safe.* volunteer, you will visit primary schools to deliver *Speak out. Stay safe.* workshops to children in Year 5 and Year 6 that teach children about the different types of abuse and how they can speak out and stay safe.

What you'll do: Our *Speak out. Stay safe.* workshops are age-appropriate and memorable and need an energetic and enthusiastic person to deliver them. You'll work alongside other *Speak out. Stay safe.* volunteers to make sure at the end of each session the children feel empowered and know who they can speak out to if they are worried. *In some sessions children may speak up and disclose abuse, so you will also be required to sensitively handle this and report any concerns you have about the child. But don't worry you'll get plenty of support and training on this.*

Who's right for the role? While we think this role is suitable for a whole range of people, we are particularly looking for those with the following qualities and experience:

- Passionate about helping children and young people
- Great communication skills
- Empathetic and perceptive
- Sensitive and supportive
- Able to think on your feet
- Work well within a team

For this role, we can only accept people over the age of 16.

Interested in getting involved? Volunteer today and join our fight for every childhood.

Home-Start Camden & Islington is a grass-roots charity that supports and empowers parents with children under five who are struggling to cope.

Our volunteers are given bespoke training and matched with a family to best meet the family's needs. They visit the families in their home and provide non-judgmental, peer-to-peer, practical and emotional support.

All volunteers have parenting experience so they know what families are going through. Support is confidential, compassionate and totally responsive to the needs of the family.

To receive support from Home-Start Camden and Islington all we need to know is that you:

- Live in Camden or Islington
- Have a child or children under the age of five
- Be in need of a little extra help

FREE MATHS SKILLS COURSES

SUPPORTED BY
MAYOR OF LONDON

Having a good level of maths skills can help you find more job opportunities and lead to higher wages or can help you prepare for further study. They also help in everyday life, for example helping children with homework and budgeting.

Launching this year across the UK, 'Multiply' is a new government funded programme to help adults improve their numeracy skills.

If you're aged 19 and over and don't have maths GCSE Grade 4 Grade C or equivalent, you can access free numeracy courses through **Multiply** to build your confidence with numbers and gain a qualification.

We are partnered with the Mayor of London to deliver free Multiply courses designed to fit into your daily life, including evenings and weekends.

Multiply is a brand-new programme designed to help adults in London improve their maths skills to help with everyday life and provide more opportunities.

Multiply courses can help you to:

- Improve your confidence
- Manage your money
- Strengthen skills in the workplace
- Upskill to access better job opportunities
- Gain a maths qualification if you don't have one
- Support your children while improving your own skills
- Access maths if you've found it hard to access before

To be eligible you must:

- Have the right to live and work in UK
- Be aged 19+
- Live in London
- Not have maths GCSE at grade C (or equivalent)
- Have evidence of 3 years of residency in the UK

Are you interested in taking part in Multiply? Simply register your interest

Camden

To help everyone stay warm this winter, 'warm welcome' spaces are available in Camden's libraries, council buildings and voluntary and community sector organisations across the borough.

Each 'warm welcome' space will be a little different in its offer but wherever residents visit, they will be met with warmth and kindness, and they will be able to relax, meet up with others and get support with the cost of living crisis in a safe and warm place.

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). Mums, Dads and Carers, come with your children to your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

One-to-one support if you are feeling low, anxious or stressed by family life

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Free 24/7 urgent mental health support for young people

The last 18 months have been particularly hard for young people's mental health and wellbeing. Young people and their families in need of urgent help with their mental health can get free 24/7 support from trained NHS professionals by telephone.

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need - including children, young people and their parents. The lines are free to call and open 365 days a year.

FREE SCHOOL MEALS

You may be entitled to Free School Meals if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

Clue

There are hundreds of different ones out there, you will find them near home printers

and when not hiding inside printers they usually look like this

Treasure Hunt

Attention to all children and teachers!

Find some empty ink cartridges and bring them to the school to turn them into gold!

Your school will receive money for them, and you will help the environment with your recycling!

If you receive Working Tax Credit you will not be entitled to free school meals unless you have:

- stopped work in the last 4 weeks; or
 - reduced your hours to less than 16 hours in the last 4 weeks
- Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Do you have any used printer cartridges lying around at home? Send them into the school office!

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Stop Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
