New this week... Link to donate to Holly's running of the London Marathon this weekend—she is running to help us towards our goal of refurbishing the junior playground. Page 8 and 9 have some information from Camden and page 14 has the latest parent information sheet from National Online Safety—topic this week is Reddit. We hope you find these and the other notices useful. Enjoy the rest of your week.

Camden Clean Air Action 2022-26

Air pollution is the largest environmental risk for health. Everyone is affected by air pollution and clean air is important for us all. Our Camden Clean Air Action Plan 2022-2026 describes what Camden Council and other partners will do to improve air quality and protect health from air pollution over the next four years.

It also provides useful information, guidance and suggestions to help you protect your own health by avoiding air pollution and reducing emissions from your own activities.

Leave your comments at the Camden consultation (closes October 16th):

Holly is running the Marathon!

Fleet is an amazing school where children love learning, however, our playground needs a little TLC! We want to renovate our outside play space to make our school even better, but need your help to raise the money.

On 2nd October 2022, I will be taking on the London Marathon. I was gifted this place by The Daily Mile - an initiative that aims to get children active for 15 minutes a day every day. This helps boost concentration levels, improve fitness and gives a sense of team work and achievement. We really want to encourage and motivate the children to be more active in their break and lunchtimes, and new playground equipment will help this. We'd love to have a climbing frame installed and purchase new equipment such as skipping ropes, balls and space hoppers to get every body moving. Please donate what you can to help us realise our dream of a new playground and to make all the pain of marathon training worth it! Thank you.

Dates for your diary this term...

As we are early in the term many trips do not yet have firm dates. As soon as they do they will be added on here as it is updated in each newsletter.

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We also will often need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parent hub closer to the date of a trip for requests for help and contact the office if you are able to accompany. Thank you.

Secondary Transition Information and Events - Year 5 & 6 families...

This booklet has all the information you will need to begin your online application for a year 7 place for your child for September 2023. The deadline for applications is the 31st October.

The booklet (and a copy is on the next page) lists all the different schools' open days—some coming up this week but also over the next few weeks! We would recommend going to as many of these as you can so you can make the most informed choice possible.

The link below takes you to a digital copy of the booklet.

<https://www.camden.gov.uk/documents/20142/225233791/Secondary+schools+in+Camden+2023+admissions+guide.pdf/a2db1f7c-62db-14d8-56aa-031d235b82c5?t=1659624759799>

The key dates for this year are shown below along with some other important information on transition events happening. If you have any questions, or need any support or help to make your online application please contact the office. While this is a requirement for Year 6 families to apply for places, some year 5 parents may want to start thinking about this for next year and are welcome at many of the events. We would ask for now though that no year 5 children are taken out of school to attend transition events as they can do this in their year 6.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Teaching - the best job in the world!

Are you interested in training to become a teacher – or do you know someone amazing who would make a fantastic teacher? Here in Camden, led by our partners at Eleanor Palmer, we run an outstanding primary teacher training programme in conjunction with UCL's Institute of Education which leads to a PGCE qualification.

You will get the chance to train in amazing local schools, and see what a great place Camden is to train in and launch your teaching career. This programme brought us our own wonderful Rachel Webb, Holly Kingham and Sinead Costelloe.

Recruitment will shortly launch for entry in September 2023. If you would like to hear about our programme and what we can offer please do get in touch to attend one of our Open Mornings at Eleanor Palmer. The first one this year is on **Friday 4 November 9.30am-11.30am** where you can find out more about the process of becoming a teacher and find out about Camden Primary Partnership's unique teacher training programme.

To book your place or for more information email Vicky@eleanorpalmer.camden.sch.uk, call her on 020 7485 2155 or follow the teacher training link on EP's website <https://www.eleanorpalmer.camden.sch.uk/school-direct/>

R/TRENDING

AGE RATING

R/MEMES

WHAT ARE THE RISKS?

Reddit describes itself as a social news website where users connect and share stories, opinions and support; debate issues; ask questions; and chat to people with similar interests. Discussion topics are organised into communities (known as subreddits) that are created, run and populated by users, who remain anonymous throughout. Free speech is encouraged, and users – or ‘redditors’ – can vote posts ‘up’ or ‘down’ so they get more (or less) attention. Reddit is free to join, although signing up to Reddit Premium unlocks an advert-free version of the platform.

MINIMAL MODERATION

As sharing opinions on Reddit is easy (and anonymous), offensive or age-inappropriate content is frequently posted. Moderation by admins and bots does occur, but can't cover every community – so Reddit relies on users voluntarily moderating these spaces. Subreddits marked NSFW (‘not safe for work’) can contain anything from profanity to pornography, so are not suitable for under 18s.

HARASSMENT AND TROLLING

If someone on Reddit doesn't agree with your child's opinion, they may feel compelled to say so – in no uncertain terms. This could lead to a public bombardment of hurtful messages. Likewise, Reddit users are highly likely to encounter trolling (where someone posts a deliberately inflammatory comment to provoke a reaction) on the platform, which can be distressing.

FAKE NEWS

Absolutely anyone can post a story on Reddit, so sub-reddits are occasionally prone to bias, misinformation and opinions being repeated as if they are facts. Fake news articles often grab users' attention with catchy or controversial headlines, and Reddit is no exception. It's important that young people are able to identify fake news – and disregard it rather than sharing it.

GIFTING AND SPENDING

Users can gift awards to the authors of posts that they like (thereby encouraging their favourite redditors to keep contributing) by spending Reddit Coins. This virtual currency can be bought on demand (with real money) or received as part of the paid-for premium package. Users sending a gift can also leave an anonymous private message, a feature which has been abused by groomers.

'SUPPORTIVE' STRANGERS

By definition, Reddit users interact with strangers in public through their community – but also have the option to do so privately. Groomers could repeatedly up-vote a child's comments or respond encouragingly to their posts to win their trust. Once they've built a rapport, the predator then begins messaging the child in private to obtain personal details or try to lure them into meeting in person.

NEVER-ENDING NOTIFICATIONS

Reddit's default is for all notifications to be on. There are a total of 26 types of notification on the platform, ranging from chat messages and comments to updates and mentions of username. This would lead to a child's device being pinged almost constantly with alerts, frequently causing them to be distracted by incoming notifications rather than being present in the moment.

Advice for Parents & Carers

SORT THE SETTINGS

Reddit's user settings can help ensure that minors don't view adult material. Under the 'Feed Settings' tab, switch the Adult Content toggle to 'off', and enable Safe Browsing Mode (this blurs out any explicit images). Also in settings, you can turn off all unnecessary notifications, to prevent your child being distracted by every post or comment on Reddit, allowing them some tech-free time.

ENCOURAGE CRITICAL THINKING

It can often be difficult to tell if something online is real or fake – particularly for young people. It's important to encourage your child to double-check with reputable sources if what they've read is genuine. Remind them to consider what motives might be in the message – and to watch out for scams. Chatting about this regularly helps to develop critical thinking skills and good online habits.

RISE ABOVE IT

If a person says something critical or offensive to your child on Reddit, it's natural that they'll want to respond. Explain to them, however, that is exactly the reaction that trolls look for. Don't give them the satisfaction: instead, report the comment to Reddit Support for investigation. Blocking a user stops them from messaging or following your child on the platform.

AVOID PRIVATE MESSAGING

Through their Reddit profile, young people can control who's able to message them privately – with options including 'no-one' and 'accounts older than 30 days'. These controls help ensure potential groomers can't talk to your child in private, and that Reddit's admins and other users will be able to moderate and report anything they spot which causes them concern.

Fleet Primary School Calendar Competition 2023

**NOW TAKING
ENTRIES FOR
THE AUTUMN
TERM!**

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

This year's theme...Lifting Limits!

This year the theme links in with the 'Lifting Limits' gender equality work we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

Ideas from people looked at last year in assemblies or topics - can you think of anyone new?

SAFE AND HEALTHY STREETS

Have your say on proposed changes around South End Green

camden.gov.uk/making-travel-safer-in-camden

The Covid-19 pandemic has changed how people in Camden live, travel and work. We want our streets to have more safe space for everyone to walk and cycle, for children to get to and from school safely and healthily, for businesses to be able to flourish, to reduce carbon emissions from vehicles and for you to be breathing cleaner air.

We want to ensure that our streets support a strong recovery from the pandemic and a lasting legacy of greener, safer, healthier travel with places for people to spend time in and enjoy.

SAFE AND HEALTHY STREETS

Proposals for Public Realm, Road Safety and Streatory improvements at South End Green

In 2020, the Council created a temporary traffic free area by temporarily closing the slip road to motor traffic at South End Road, removing a parking bay and relocating the bus stand for route 168. This enabled neighbouring businesses to offer outdoor dining on a safe space on the road (a Streatory) while social distancing rules were limiting opportunities for indoor seating as well as making it safer for pedestrians to cross to the Green.

We are now proposing permanent changes at South End Green to improve the local public realm, road safety and provide a Streatory. The proposed changes include:

- Relocating the bus stand for bus route 168 to South End
- Close and removing the paid for parking bay to close the slip road on South End Road, and retain access for cyclists
- Extending bus stop B on Elm Terrace to serve bus route 24
- Providing three new zebra crossings

Closing the slip road would create a new public space for community use, including a Streatory. This would also address long-standing local concerns about poor air quality and noise, and improve the inhospitable environment caused by standing buses. More information on the proposed changes can be found on our website using the details below.

Wellbeing Tip of the Week!

by Saba, Christ Church NW3 Primary School

Have a you day!

Spend a day focusing on you! You can finally feel relaxed after a long week of school or work. Try and find somewhere you can go where you feel comfortable and can do something you enjoy, such as:

- Reading a nice book
- Listening to music
- Reflecting on your day
- Doing some meditation

These things can help you feel less tense or stressed. There are many more things that you can do to help you feel relaxed, but these are just some of MY favourites. Give some time to yourself!

These are great websites providing advice to parents who would like support with their child's wellbeing:

Parent Workshops

We're keen to provide parent workshops where we can, to work together in order to best support your child's mental health and wellbeing. In the past we've hosted workshops on areas such as self-esteem and resilience and we'd really like to target the areas that most interest you. Please contact Miss Wall through the admin address (admin@fleet.camden.sch.uk) if you have any suggestions.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.
