

Message from the head:

It has been another busy week this week with our special S.T.E.A.M. focus. The children were really excited by the focus on built environment and thinking about their perfect school (if only we could have slides to get from class to class and a swimming pool to relax in on those hot days!) and meeting architects and scientists through the week.

Next week we have our annual wellbeing week with a number of activities planned. Please refer to the letter Becca sent out earlier in the week for all the details.

We are also hopeful the junior playground will be able to be used from next week again. As you will see the new equipment is in place and we have gained a lot more open space too for the children to play and run around in. Next steps are to replant the quiet area (school council project) and eventually we hope to add to the equipment by installing more but that will be a longer term plan requiring more fundraising.

We also hope the new building at the bottom of the playground will be finished soon too, further enhancing the space we have available for the children.

We are getting close to the summer fair, a vital date in the Fleet calendar in terms of fund raising by the PTA. They financial contributions really do make a difference to the children and what we can offer them so I hope you will all rally round in the next couple of weeks to support the PTA with this. Have a lovely weekend. See you next week.

Strike Action & Sports Day

Due to the ongoing strike action by the NEU we will be closed to all children on Wednesday 5th and Friday 7th July. We apologise for any inconvenience this causes you.

As a result we have moved Sports Day, which was originally planned for one of these dates, to MONDAY 3RD JULY. This will be on Hampstead Heath, on the large grass area, behind the lido. We have also moved the Reception Class Assembly to the following Friday 14th. 10am for the Class Assembly and their class tea to after school on Thursday 13th.

Appropriate Clothing/Footwear

The weather has been very hot lately and many children are coming in unprepared. All children should bring in a water bottle and sun hat and have sun cream on. In terms of footwear, please ensure that the children are not wearing flip flop/crocs/single strapped sandals that can easily come off or restrict climbing/running. As the children are very active at playtimes and during PE lessons etc. wearing these type of shoes can and has lead to accidents. In this hot weather we have very little natural shade in the school so sun hats are especially important. Thank you.

Summer Fair Message from the PTA

Dear parents,
Thank you to all parents who came along and contributed to the Summer Fair Planning meeting this morning. We are delighted to announce that there will be a magic shows and KS2 children will designing their own stalls for families to enjoy this year. We look forward to seeing you there on:

Saturday 15th July, 12-3pm.

Fun Run Sponsorship...

Please see the information sent home about children collecting sponsorship for the fun run they will be completing as part of wellbeing week next week. We are raising money for Great Ormond Street and to refurbish the quiet area of the junior playground into a sensory gar-

Toys & Cards

Please remind your children not to bring in toys or trading cards to school please.
Thank you.

Punctuality Award

Overall lates have come down this week with nearly all classes low. Year 6 (actually only 4 children) need to improve significantly. Well done to Reception, Year 1 and Year 3 with only 4 lates each—they take joint top prize. Our thanks go to the majority of you who are always here on time—come rain or shine—and ensure your children are ready to learn and that they don't arrive late and disturb others' learning. Being punctual is a life skill that children need to learn early and we rely on you to support them to learn it. Thank you.

Attendance Award

This week's attendance is misleading with around half the school off this week for Eid. For those of you celebrating we hope you enjoyed time with family and friends. The class coming out on top this week was year 1 with year 6 just behind them. Overall for the academic year at the moment, year's 4 and 6 are top with 95.1% while there isn't much between Years 1, 2, 3 and 5—less than 0.5% - all round 92.5%. We are at 93% for the year and hope over the next few weeks to continue to creep up. Our target is always 96%. The research evidence that shows the impact on achievement occurs when children dip below this level. Let's keep improving!

Lunch Menu: 12th—16th June

Meat Free Monday

Vegetarian:
Pizza
Crunchy Topped Vegetable Bake
Wedges or Potatoes
Sweetcorn & Coleslaw
Yoghurt & Fresh Fruit

Wednesday

**NEU STRIKE
SCHOOL CLOSED**

Friday

**NEU STRIKE
SCHOOL

Oaty Peach Crumble
with Custard

Thursday

Meat/Halal:
Beef Hot Pot
Vegetarian:
Five Bean Chilli
Rice
Sweetcorn & Broccoli
Orange & Lemon Short-
bread

Stars of the week!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Reception

For all the effort you have been putting into your letter writing. We have been so impressed with how carefully you are forming each letter and we enjoy reading your writing. Well done!

Year 1

For lovely work in writing this week. You did a wonderful job of your 'guess who' writing and your mini-beast poem. Lovely to see you saying words slowly and recording the sounds you could hear. Well done and keep it up.

Year 2

You have had a brilliant week! We loved your dream school model and drawing and your fantastic maths. Well done!

Year 3

For always showing kindness and consideration to your peers. You always help your friends when they are down and show them empathy. Kindness is such an important quality! Keep being brilliant!

Year 4

For the effort and perseverance you put into building your structure out of card. Well done for problem solving when it didn't go exactly to plan and finding a solution!

Year 5

For your wonderful efforts recently. You have revised carefully for our end of year quizzes and done a fantastic job! You approach all tasks with a bright and enthusiastic attitude and it's always a pleasure being in class with you! Thanks for all you bring to Year 5!

Year 6

For your effort and engagement this week. You've been noticed by several adults for how hard you've been working during our swimming sessions. And, we were impressed by how super careful you were during our gardening session. Keep it up!

Fleet Facts!

Well done to all these children who have passed their Fleet Facts test this week!

Year 3: Thaddeus, Ayman

Year 5: Yara, Evangeline, Alea, Rayan, Alfie, Rayn, Yonis, Natasha, Ranya, Muhib, Gabi, Arin, Abid, Conor, Hana

Times Tables Rock Stars of the Week—this week!

Well done to these children who earned the most coins in their class on Times Tables Rock Stars this week!

Year 2: Albie—196 coins!

Year 3: Mason—1,400 coins!

Year 4: Okpe—20,843 coins!

Year 5: Ena—8,640 coins!

Year 6: Aadam—1,240 coins!

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parenthub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

See the tables here (below) for events specific to individual classes. If you have any questions about these trips, visits or events please speak to the class teacher or contact the office.

12th July	Hampstead Heath

YEAR 6

4th July	Talacre—Basketball
20th July	Leavers Assembly @ 2pm
20th July	BBQ & Gower Exhibition

IMPORTANT DATES

Fleet Primary School Calendar Competition 2024

This year's theme...A Wonderful World!

The theme this year is 'A Wonderful World' and is all about the natural world and protecting it. Art can be inspired by nature, animals, plants, insects, birds, ocean life, habitats, protecting the environment or environmentalists—see some of the examples at the bottom of this page.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want. It is important that they put their name and class on the reverse side of the picture in pencil (don't write in pen and not on the front). They should also include a 'fun fact' about their subject written on the back too which will be included in the final calendar if their image is selected.

Prizes will be awarded termly, with a selection of entries chosen to go in the calendar for 2024. Entries should be handed in to the school office. We have some very talented artists at Fleet and we can't wait to see the fantastic pieces the children come up with. Good luck!

"The art and / the art / the art of the world are everywhere and the world is the world - there are no art and art in the world."

"I have art and it is not a very good art. I have art and it is not a very good art. I have art and it is not a very good art. I have art and it is not a very good art."

Summer Term Topics

- Nursery - Let's Grow!
- Reception - When I grow up
- Year 1 - Spring Into Summer
- Year 2 - From Sea to Shore
- Year 3 - Fantastical Forests
- Year 4 - Under the Canopy
- Year 5 - Waterway Wonder
- Year 6—Wild and Wonderful

Year 1 Class Assembly...

School Council Wellbeing Champions

On Wednesday School Council went to the Wellbeing Champions event at the Zoo. This is the first year that school council have been trained as Wellbeing Champions and during the event they shared their achievements over the year with other Camden schools and the Mayor of Camden. Well done School Council!

Welcome to our garden update...

This week our Garden Guardians were year 6. They have planted out some more items with lettuce for a quick harvest and longer term swede being planted for an autumn/winter harvest. They also made sure the beds are free of weeds and well watered. The beds continue to look good—here's hoping the tasty lettuce seedlings survive the attentions of the local wildlife! Thanks to Year 6 and all the children who have tended the garden so well this term so far.

Y6 Garden Guardians

This week at Fleet...

This week has been STEAM week. STEAM stands for Science—Technology—Engineering—Arts—Maths and recognises the fact that in many modern jobs the arts and science are interlinked. The days of science/maths/engineering being somehow separate from the arts and creative thinking are gone in the modern world of work. We've had a number of exciting events and projects including a trip to Google, visits from two architecture firms including workshops and assemblies, scientists from the Crick coming in to school to work with classes and a class going to the Crick institute to work in the amazing labs there. Through the week the children have been focussing on the built environment and especially thinking about schools and what their dream school would have (slides and zip wires for getting around as well as swimming pools were popular ideas!). All in all a great week—huge thank you to Rachel for organising the special week.

S.T.E.A.M. Week!

This week at Fleet...

Gower

So, you are going to be in Gower. I think you're going to have a great time. I hope you can see the Gower Coast from your car. It's a beautiful area. I hope you can see the Gower Coast from your car. It's a beautiful area. I hope you can see the Gower Coast from your car. It's a beautiful area.

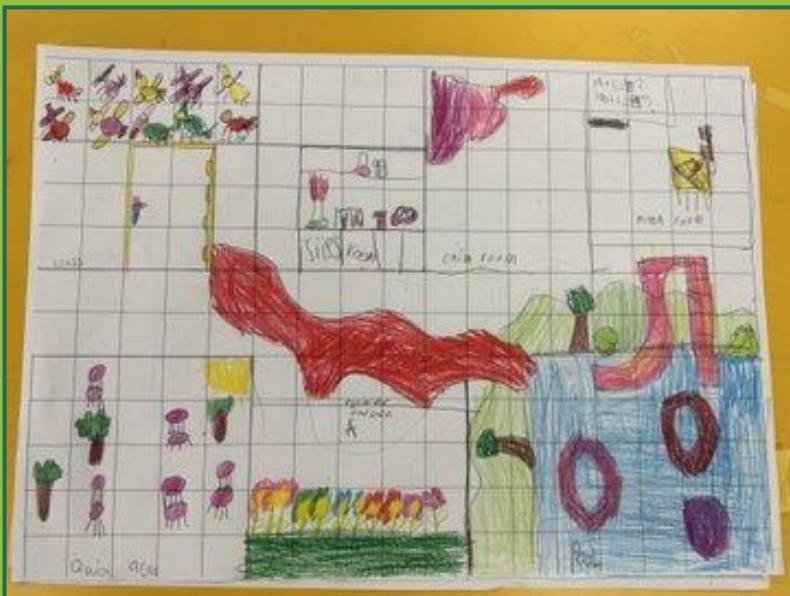

Local area

Gower - a memorable place in Wales is a place of freedom. The endless stone staircase might be difficult but once you're in the woodland, it's amazing! You can visit the ancient beach in the woodland at weather. The walk was amazing. You can share with your friends.

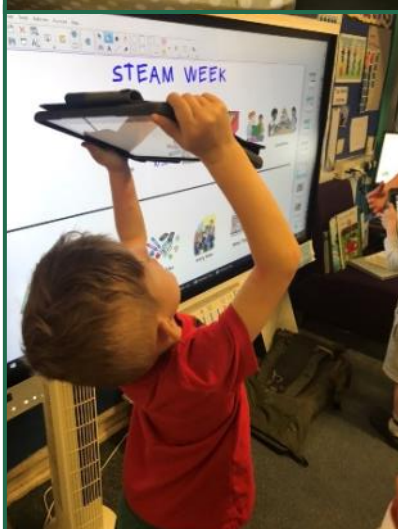

We're excited if you are going to know what you need for the trail on my fellowly's. You know yourself to be wanted!
