Wednesday 5th October 2022

New this week...

A number of new items this week—shout out for parent reading volunteers on page 4, Some wellbeing related notices on pages 5-7, Dance club opportunity at Acland Burghley on page 16, local arts courses for children (including half term) on page 17-18, Camden eco champions awards info on page 19, parent info from National Online Safety on page 21. We hope you find it all useful.

Camden Clean Air Action 2022-26

Air pollution is the largest environmental risk for health. Everyone is affected by air pollution and clean air is important for us all. Our Camden Clean Air Action Plan 2022-2026 describes what Camden Council and other partners will do to improve air quality and protect health from air pollution over the next four years.

It also provides useful information, guidance and suggestions to help you protect your own health by avoiding air pollution and reducing emissions from your own activities.

Leave your comments at the Camden consultation (closes October 16th):

Calling all parents—we need your help!

If there are any families with connections to the performing arts! Actors, makeup artists, set designers, costume designers—from film, TV or theatre we would love them to come and have a chat to Y6 as part of this terms topic 'City of Stars'. So if you or anyone you know can help please come and speak to Lynley. Thank you.

Fleet Community Marathon Runners...

Massive congratulations to those who ran the marathon this weekend. All finished and were still walking on Monday!

It's not too late to donate to their good causes:

Dates for your diary this term...

As we are early in the term many trips do not yet have firm dates. As soon as they do they will be added on here as it is updated in each newsletter.

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We also will often need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parent hub closer to the date of a trip for requests for help and contact the office if you are able to accompany. Thank you.

Six-week Parenting Programme for all parents at Fleet - every Wednesday @ 9am

Thank you to those of you who came along to the first two 'Parent Gym' sessions. If you didn't make it don't worry—you can still come to the next sessions. Next week is Week 3—the topic is 'Behave' - see below for more details. We hope to see lots of you there.

parentgym

Dear parents,

Parent Gym is coming to Fleet School

We know from talking with parents that many of you wonder what you can do to give your children the best start in life (and make your life as a parent a bit easier too).

This is why we're delighted to offer Parent Gym, a well-established, six-week programme that shares and explores practical tips and strategies to make family life easier and help your children thrive. Come along to meet other parents, hear their stories and pick up new ideas. Everyone is welcome!

Through our relationship with Parent Gym the programme, normally worth £1000 per parent, is free of charge. All parents are welcome to apply but places are limited so sign up now to secure your place.

Each weekly session lasts two hours. See below for details on how to find out more info.

28/9/22

Chat (2 hours)

Help your family talk and listen to each other.

5/10/22

Love (2 hours)

Build self-esteem and independence through secure attachments.

12/10/22

Behave (2 hours)

Bring calm and order to your home.

10/10/22

Care (2 hours)

Looking after ourselves and our families.

2/11/22

Discover (2 hours)

Support your children to learn and explore.

9/11/22

Together (2 hours)

Look to the future and recapping key techniques.

To find out when and where the sessions are happening and confirm your place, please email admin@fleet.camden.sch.uk

We look forward to hearing from you.

Yours sincerely, Margaret O'Sullivan

Parent Reading Volunteers Needed!

Could you spare half an hour a week?

Come and share your love of reading with
some of our children.

No experience necessary, just enthusiasm!

Weekly Wellbeing Update

We hugely value our relationships with parents at Fleet so we're delighted that our staff are now able to see you in person more regularly. If there is anything that you'd like support with please don't hesitate to speak to your child's teacher or Becca Wall and we will do everything that we can to help.

My Wellbeing Tip!

By Agnes, Christ Church NW3

Worrying thoughts stop many people from having a nice time with their friends and family. Visualising a happy memory or relaxing with the people you love can smooth out and blow away worrying thoughts that get in the way of having a nice time. Remember there are always people who love you and will always have time to help you. Just take it one thing at a time. Here are some more ideas to help you overcome your worries:

Write your worry on a piece of paper and put it away in a box
Tell your worry to someone (saying it out loud will help)
Say it to a cloud or into a bubble and blow it away.
Take some time to be around nature
Do something you love (a hobby perhaps)

Parent Workshops

We're keen to provide parent workshops where we can, to work together in order to best support your child's mental health and wellbeing. In the past we've hosted workshops on areas such as self-esteem and resilience and we'd really like to target the areas that most interest you. Please contact Miss Wall through the admin address (admin@fleet.camden.sch.uk) if you have any suggestions.

Secondary Transition Information and Events - Year 5 & 6 families...

This booklet has all the information you will need to begin your online application for a year 7 place for your child for September 2023. The deadline for applications is the 31st October.

The booklet (and a copy is on the next page) lists all the different schools' open days—some coming up this week but also over the next few weeks! We would recommend going to as many of these as you can so you can make the most informed choice possible.

The link below takes you to a digital copy of the booklet.

<https://www.camden.gov.uk/documents/20142/225233791/Secondary+schools+in+Camden+2023+admissions+guide.pdf/a2db1f7c-62db-14d8-56aa-031d235b82c5?t=1659624759799>

The key dates for this year are shown below along with some other important information on transition events happening. If you have any questions, or need any support or help to make your online application please contact the office. While this is a requirement for Year 6 families to apply for places, some year 5 parents may want to start thinking about this for next year and are welcome at many of the events. We would ask for now though that no year 5 children are taken out of school to attend transition events as they can do this in their year 6.

Message from Camden Music Service:

Half price instrument/singing lessons for children of families claiming housing benefit and council tax support

Universal Music Group has generously given us some money to help families of pupils in KS2 (Years 3 to 6) to pay for music lessons. **Priority will be given to those pupils already on instrument lesson waiting lists.**

Here are the instruments you can choose in this scheme (please note that not all schools can offer all instruments as for tutors to attend a school there needs to be a certain amount of children wanting to do a specific instrument.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second installment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Teaching - the best job in the world!

Are you interested in training to become a teacher – or do you know someone amazing who would make a fantastic teacher? Here in Camden, led by our partners at Eleanor Palmer, we run an outstanding primary teacher training programme in conjunction with UCL's Institute of Education which leads to a PGCE qualification.

You will get the chance to train in amazing local schools, and see what a great place Camden is to train in and launch your teaching career. This programme brought us our own wonderful Rachel Webb, Holly Kingham and Sinead Costelloe.

Recruitment will shortly launch for entry in September 2023. If you would like to hear about our programme and what we can offer please do get in touch to attend one of our Open Mornings at Eleanor Palmer. The first one this year is on **Friday 4 November 9.30am-11.30am** where you can find out more about the process of becoming a teacher and find out about Camden Primary Partnership's unique teacher training programme.

To book your place or for more information email Vicky@eleanorpalmer.camden.sch.uk, call her on 020 7485 2155 or follow the teacher training link on EP's website <https://www.eleanorpalmer.camden.sch.uk/school-direct/>

Supporting all our young people by offering our free courses and workshops in the Arts.

To enrol for our **FREE** courses go to www.hvharts.org/courses.

We are pleased to be able to offer the following courses **FREE** and continue to support our young people in Camden. We must ensure that we follow up on our courses by giving our young people access to the arts projects that we deliver to encourage and inspire our future generation!

Please take note of age groups according to course/workshops as this is important when enrolling your child/young person. See location and times according to workshops in schedules below.

We will be adding more projects during the Autumn term - you'd like to receive our updates please email courses@hvharts.org

TMMP BAND /TMMP MUSIC PRODUCTION: with professional musicians Spider and Piers

We are delighted to announce we are supporting 15 young people every Saturday and Sundays to support learning to play musical instruments, voice coaching, song writing and music production. To enrol on this programme, you must be able to dedicate to the dates of this programme to enable us to teach the skills we provide to give your young people the highest level of education in music we want to provide.

With professional music producers and writers will be to teach management skills, production skills, writing skills each session. The outcome at the end of this 3 months will be for this group to manage, write, produce their own tracks to be released on Spotify, iTunes and Apple Music – to ensure full release is managed and released on DITTO. The young people on this course will also be learning how to create artwork, to become mentored in the music industry.

Location: Pirate Studios, Hampshire Street, Camden, NW1

Cooking in the Community

We will be offering a fantastic cooking project with chef Justine Kanter living in the Mansfield Conservation Area. Working with children and young people in the kitchen, teaching them how to cook, and getting them excited and inspired around food. Cooking with children is a great way to educate them about good nutrition, what's in season, planning and preparing meals, and reading food labels. It can encourage them to eat healthy foods, especially ones they may normally refuse to try.

Location: Rhyl Kitchen Classroom, Rhyl Community School, Rhyl St, NW5

Dates: Due to run over the Christmas Holidays – Dates to be confirmed.

Ages: 10yrs to 18yrs

10 tips for parents and carers HOW TO BE GREEN WITH YOUR TECH

Right now, humans aren't living sustainably: we're taking too many resources and not leaving the world in a fit state for future generations. Old tech products are a clear example: if we throw them away, the poisonous lead and mercury inside can get into the food chain through the soil. Recycling tech, though, has its own issues: it's often exported to countries where the law doesn't protect people from hazards. Whole villages (including children) sort through discarded devices to remove useful parts and substances like gold, silver and copper – often putting their health at risk. Finding ways to re-use tech is the greenest option.

So what can we do with those cupboards and drawers full of old phones and unwanted computers?
Reuse, recycle, donate or sell them!

1 DONATE THEM TO CHARITY

There are lots of charities that redistribute unwanted tech to worthy causes, either in the UK or in developing nations. If your old products are still working, this is a great option – as it means that new products don't have to be made. Search online for your nearest place that does this.

2 REMEMBER THE BATTERIES

Almost all batteries can be recycled – even the little 'button' ones from smaller gadgets. You could choose a box at home or school to keep used batteries in, and then take them to a designated place that collects them. Be very careful, though – button cells can be deadly if eaten by small children or pets.

3 USE YOUR ONLINE SAFETY KNOWLEDGE

If you're recycling, selling or repurposing any of your devices, make sure that all your personal data, private photos and so on have been deleted before the tech leaves your hands or is connected online.

4 REUSE THEM

Old smartphones can be used as webcams, security cameras, baby monitors or pet cams: there are apps that will configure them to do this. You can also turn an outdated phone into a TV remote control, an alarm clock that wakes you up with your favourite track, or a media centre you can take to places where you wouldn't risk your new phone.

5 TURN IT INTO SOMETHING NEW

Smartphones are more powerful than most older computers. If you have an unwanted android phone, it's quite easy to create a new computer – you could use an old TV as a monitor, meaning you just need a mouse and keyboard. There are also small devices you can buy which let you do the same with iPhones.

6 RETURN THEM

Return devices to the manufacturer or retailer you bought them from. Some manufacturers take responsibility for their products and accept them back, to refurbish and redistribute. If they don't, you could contact them and ask why: the more consumer pressure there is on shops and manufacturers, the more likely they are to act in a greener way.

7 SUPPORT SCIENCE

Let your old devices help modern research. Scientists currently investigating topics like far-off star systems, cancer treatment and earthquakes need enormous computing power. If your unwanted device is WiFi enabled, for example, you can connect it to a network so that it can boost scientists' research.

8 SELL THEM

This is also a green option as it means that fewer devices have to be produced. On top of that, you could also donate some of the money you make to an environmental charity.

9 RESEARCH DISPOSAL METHODS

If your device is beyond repair and no one wants it, get rid of it safely through a specialist tech disposal company. Check that your device won't be shipped off to another country for processing.

10 KEEP THINKING

There's no such thing as 'too many' ways to help our planet! If you come up with a better idea than ours, contact National Online Safety and tell us.

Fleet Primary School Calendar Competition 2023

**NOW TAKING
ENTRIES FOR
THE AUTUMN
TERM!**

The Calendar Art Competition for creating a school calendar at the end of the year is still on. Due to lockdowns over the last 2 years this popular annual event has not been possible so it's great to bring it back.

Children can use any art medium in their entries as long as it is A4 in size and they can enter as many times in a term as they want.

Prizes will be awarded termly, with a selection of winning entries chosen to go in the calendar for 2023 at the end of this year.

Entries should be handed in to the school office and should have the child's name and class on the back (in pencil) along with an indication of the person or event that inspired it.

This year's theme...Lifting Limits!

This year the theme links in with the 'Lifting Limits' gender equality work we are doing in all classes and also with the racial equality work that runs throughout our curriculum. We are asking that the subject of the art be inspired by a historical figure—contemporary or older.

Think about GENDER EQUALITY - a man or woman who did something amazing and at the time, unusual or not the norm, for someone of their sex.

Think about RACIAL EQUALITY - someone again who was a trailblazer and didn't let their race, colour of their skin or religion stop them from doing something.

It could be someone we have talked about in assembly, or someone you have learnt about in class or even someone you have learnt about from your own reading or investigations.

Ideas from people looked at last year in assemblies or topics - can you think of anyone new?

SAFE AND HEALTHY STREETS

Have your say on proposed changes around South End Green

camden.gov.uk/making-travel-safer-in-camden

SAFE AND HEALTHY STREETS

The Covid-19 pandemic has changed how people in Camden live, travel and work. We want our streets to have more safe space for everyone to walk and cycle, for children to get to school safely and healthily, for businesses to be able to flourish, to reduce carbon emissions from vehicles and for you to be breathing cleaner air.

We want to ensure that our streets support a strong recovery from the pandemic and a lasting legacy of greener, safer, healthier travel with places for people to spend time in and enjoy.

Proposals for Public Realm, Road Safety and Streetworks Improvements at South End Green

In 2020, the Council created a temporary traffic free area by temporarily closing the slip road to motor traffic at South End Road, removing a parking bay and relocating the bus stand for route 168. This enabled neighbouring businesses to offer outdoor dining on a safe space on the road (a Streetworks) while social distancing rules were limiting opportunities for indoor seating as well as making it safer for pedestrians to cross to the Green.

We are now proposing permanent changes at South End Green to improve the local public realm, road safety and provide a Streetworks. The proposed changes include:

- Relocating the bus stand for bus route 168 to South End
- Close and removing the paid for parking bay to close the slip road on South End Road, and retain access for cyclists
- Extending bus stop B on Elm Terrace to serve bus route 24
- Providing three new zebra crossings

Closing the slip road would create a new public space for community use, including a Streetworks. This would also address long-standing local concerns about poor air quality and noise, and improve the inhospitable environment caused by standing buses. More information on the proposed changes can be found on our website using the details below.

Free 24/7 urgent mental health support for young people

The last 18 months have been particularly hard for young people's mental health and wellbeing. Young people and their families in need of urgent help with their mental health can get free 24/7 support from trained NHS professionals by telephone.

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need - including children, young people and their parents. The lines are free to call and open 365 days a year.

Attention to all children and teachers!

Find some empty ink cartridges and bring them to the school to turn them into gold!

Your school will receive money for them, and you will help the environment with your recycling!

If you receive Working Tax Credit you will not be entitled to free school meals unless you have:

- stopped work in the last 4 weeks; or
 - reduced your hours to less than 16 hours in the last 4 weeks
- Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

'That's not very ladylike'

'Man up'

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
- Swap 'he' and 'she' where male-dominated.
- Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Step Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
