

Message from the head: This week has been our Wellbeing Week. Throughout the week the children have been engaged in activities across five themes—give, connect, learn, take notice and be active. This week's newsletter is full of photos from the week. The week ended with this morning's sports day. I love the way at Fleet we encourage the older and younger children to work together. There were many opportunities this week through the well being activities and then seeing the older children supporting and encouraging their younger team mates in sports day today is always so heartening. Yesterday we had a special picnic lunch and the children were able to choose which play-ground they had lunch in, again seeing older siblings and their friends choosing to play with their younger siblings was lovely. The infants also really enjoyed getting to try out a playtime on top pitch! While I am reflecting on Wellbeing week, I'd like to take a moment to thank Becca and School Council for their hard work this week. They braved the less than wonderful rain at the start of the week out on top pitch to coordinate the Fun Run for each class. I am sure your children have told you how many laps they managed and given the high numbers, if any of you have sponsored them per lap, you might well regret not going for a fixed amount! Enjoy your weekend and with a week and a half to go, there is lots to fit in to the last stretch to the Summer term. If you are looking for something to do this weekend why not go and visit the Art Biennale (poster below). I visited for the launch last night and not only did I feel very proud of the Fleet children's work on display the whole exhibition, showcasing the creativity of the children across Camden, was fantastic. Finally, just to flag, next weekend—the 20th—is the Summer Fair, I hope you can all come to that from 2-5pm. See you on Monday.

Thank you Tom

We nominated Tom (Dad to Mickey) for the 'Going the extra Mile' award from the Camden Schools Sports Association. This is in recognition of the amazing work he has done to support Fleet through arranging our classes to have additional sport sessions through the Talacre NVQ coaching programme he runs and also for volunteering to train and coach our football teams (winning two trophies this season!). We are very lucky to have Tom as part of our community and having worked in School Sport in Camden for over 20 years this award was long overdue. Well done Tom and thank you. If you would like to see the video from school to say thank you click the link below: <https://vimeo.com/982978770/e7b2f78ed2>

Weekly Punctuality Award

Lates are slightly down this week to 31. Year 6 & Year 2 with two lates each, followed by Reception with three lates and Year 1, Year 4, Year 5 and Year 3 all with five lates and above. This is still too high and classes with a higher number will experience disruption to their learning as numerous children arrive late into the classroom. It is not fair on the other children in the class or to the child arriving late. If you were one of the families who arrived late this week please ensure that you are leaving home in plenty of time to get here. Punctuality is a life skill we should all be instilling in our children. We still have over a week to improve on this. Thank you for your support.

Class	Lates
Y6 & Y2	2
Rec	3
Year 1	5
Y4 & Y5	6
Y3	7

Weekly Attendance Award

Well done to Year 3 with 98.7%, Year 4 and Year 1 both with 97.6% followed by Year 2 with 96.6% - all 96% or above this week! Year 6 just below with 94.9%, Year 5 at 91.9% and Reception down to 87.1%. Our weekly attendance is slightly up on last week from 94.3% to 94.8%. Our overall attendance for the year is 93.8% with just over a week to go, there is still time for each class to make some improvements after what has been a challenging year in terms of illness. Please note, the DfE rules around taking children out of school during term time are changing in September 2024, fines will be increasing and penalties will be harsher, so please ensure you check term dates before booking any future holidays. Thank you for your continued efforts and support in getting your children to school.

Stars of the week!

Nursery

For being so independent in your learning and encouraging others to join in your play. We have loved all your paper aeroplane lessons and we know your friends have too!

Reception

For your positive can-do attitude. You settle to activities really well and make such worthwhile use of your learning time. It's an absolute pleasure having you in Reception.

Year 1

For having a great Wellbeing Week. You have brought energy and positivity to all the activities we have done and you have been a supportive friend. Well done!

Year 2

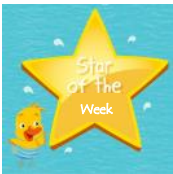

For all your brilliant efforts during our Storm Whale unit! I've loved reading your writing and I've been impressed by your handwriting and presentation too. Well done you!

Year 3

For always being so kind and considerate to others. You are such an amazing friend to everyone in the class and you are always there for others when they are in need! Keep shining bright superstar!

Year 4

For your focussed attitude this week! You have shown an increased maturity and have encouraged your peers at every opportunity during rehearsals this week! Well done and keep it up!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Year 5

For the effort you put into writing your sci-fi story! Well done for collaborating with your partner to produce a lively and interesting story. You showed great concentration, making the most of the time you had.

Year 6

For your resilience and constant smiley attitude. I was particularly impressed with how you took on a challenge with your learning and persisted when it got tricky! Keep it up.

This week at Fleet Wellbeing Week

This week has been full of activities designed to support pupil and staff wellbeing.

Children have enjoyed buddy reading—older children visiting their younger counterparts and spending time enjoying stories together, there has been exercise through the fun run, KS2 table tennis competition, the Fleet Euros and Sports Day, picnics, in class games and activities and shared story writing. It has been a great success that even the rain during the fun runs could not dampen! Massive thankyou to Becca for organising and to all the children and staff for engaging so positively with. We hope you will enjoy the pictures—as sports day was only this morning we haven't had time to get those photos into this week's newsletter. They will go in next week!

Fleet Table Tennis Competition!

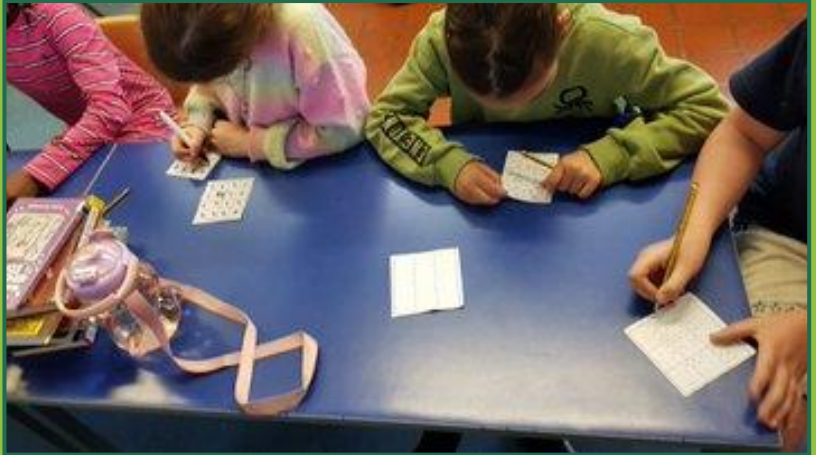

Well done to all those who took part in the competition this week—congratulations to Hana who took first place, Hunter who came second, Marcell who came third and Jake who came fourth. The final and 3-4th play off both went right down to the wire!
