

Message from the head:

We come to the end of the final full week of this academic year. So much has been accomplished this year. Tomorrow afternoon we have the last big whole school event of the year with the summer fair. I hope to see all of you there. The Parent's Association have worked so hard throughout the year, not just on this event, but on many others, and I can't thank them enough. They are currently a small group of very dedicated parents. Fleet has a fantastic community feel, and I know that is why many of you chose to send your children here. The Parent's Association do need your help to keep putting on these events. The more people that are involved the less work there is for each and the easier and better events are for everyone, so if you are able, do consider taking a more active role in the coming year.

Our Year 6 children have been practicing this week for their leavers assembly on Tuesday. They are a great bunch of children and I for one cannot wait to see their final Fleet performance—the leavers assembly always brings a tear to my eye. It's a time of celebration, a time to look back and reflect on all their accomplishments, and a time to look ahead to their next adventure. For some of you it will be the end of an era with your last child passing through and onto secondary—if that is the case thank you for all your support over the years.

We are looking forward to the last few days with your children before we all go off on our summer breaks. For anyone looking for activities to keep the children entertained and occupied for part or all of the summer do check out the summer clubs and courses advertised in Wednesday's community notices newsletter—there is so much going on locally. See you all at the fair tomorrow.

Parents Association

Becky and Fab will be stepping down from the PTA committee at the end of this school year, which means there will be some vacancies that need filling to help the PTA run as smoothly as possible. An active PTA helps to build a strong school community and raise vital extra funds for the school through the yearly events it helps to organise, such as the upcoming summer fair on the 20th July. If you think you would like to get involved in the PTA please let Fab know by contacting him on 07813513587 and he will be happy to explain what the PTA is about and why it is important for the school to have one. Being part of the PTA is fun and rewarding, and a great way to meet other families and give back to the school.

Weekly Punctuality Award

We are delighted to see that last week's increase in lates was just a blip in an otherwise excellent period in terms of punctuality. There were only 6 lates all week across the whole school! Reception had none while the other 6 classes all tied with just 1 late each. This is a fantastic way to come towards the end of the school year. 3 more days to go—wouldn't it be amazing if we could finish the final week with no lates in any class?! If you were one of the families to arrive at school late this week please help us to achieve none next week! Punctuality is a life skill we should all be instilling in our children. Thank you to all those arriving everyday on time and who have done so throughout this year.

| Class | Lates |
|------------------------|-------|
| Rec | 0 |
| Y1, Y2, Y3, Y4, Y5, Y6 | 1 |

Weekly Attendance Award

We remain at 93.7% for the year, still some way below the 96% target. This week we have also seen a dip to 92.1% overall for the week—this is mainly due to Reception being incredibly low this week but all classes except for Year 2 were below 95%. Well done to Year 2 who have been on a great run recently and are this week's winner by some distance. At this point in the year 3 classes are above 95% (unfortunately none are currently above the 96% target). Year 5 are still on top with 95.9% followed by Year 6 with 95.4% and then Year 2 with 95.1%. With just 3 days to go let's try and see if we can avoid missing any of the last days so the children have proper closure to their school year and time with their current teacher. Thank you for your continued efforts in getting children to school and maximising their learning opportunities.

| Class | % |
|--------|-------|
| Year 2 | 97.3% |
| Year 4 | 94.5% |
| Year 5 | 94.3% |
| Year 6 | 93.9% |
| Year 3 | 93.2% |
| Year 1 | 90.2% |
| Rec | 81.4% |

Lunch Menu: 22nd—24th July

Meat Free Monday
Pasta in tomato sauce
or carbonara sauce

Vegetables of the day

Iced Biscuit & Yoghurt

Wednesday
Meat/Halal:
Roast Chicken
Vegetarian:
Quorn Roast
Stuffing & Gravy

Freshly Cooked Jacket
Potato
Freshly Baked Bread

Please remember to let the office know if you want your child to change to or from school lunches so you are charged correctly

Stars of the week!

Nursery

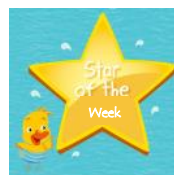

We love the way that you are really engaging in purposeful mark making. It has been fabulous to see!

Reception

For always offering to lend a helping hand to those in need. Your kind nature doesn't go unnoticed! Reception is lucky to have a friend like you.

Year 1

For your recount of our trip to Kew Gardens. I really appreciate how carefully you consider what to write. You skilfully put your voice and humour into the writing, making it fun to read. Well done!

Year 2

for your fantastic enthusiasm about Chalkwell beach this week. You've been keeping a daily countdown for everyone and also doing some fab writing for our information leaflets. Well done you!

Year 3

For always having such a wonderful, positive attitude! You really tried your best during our community event at Heath School and demonstrated great teamwork skills. Well done superstar!

Year 4

For your engagement and contribution to class discussions. You are always keen to share your ideas. I was particularly impressed with the maturity you showed in our PSHE lesson. Well done!

Well done to these children who have been chosen by their class teachers to be the 'Star of the Week' - Well done to all these children, and to all the rest who might not have been picked this week but could have been.

Year 5

for your enthusiasm and excellent contributions during our class debate. Well done for delivering your arguments clearly and listening carefully to everyone's points.

Year 6

for your enthusiasm during our gardening week this week. You've really got stuck in and worked so hard to sow seeds, pull weeds and generally be super helpful. Well done!

Dates for your diary this term...

WHOLE SCHOOL EVENTS

| | |
|---------------------|---|
| 24th July | Last day of term—school closes at 2pm |
| 25th July—30th Aug | Summer holidays—School Closed |
| 2nd & 3rd September | INSET Days—school Closed |
| 4th September | Autumn Term Starts—9am start for Y1-Y6 Reception and Nursery Staggered Starts begin—see info on starting |

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

Come and see the displays in the admin block!

Year 6:
Wild and Wonderful!
Year 5:
Planets and Palettes

Summer Term Topics

Year 4: Under the Canopy
Y3 - Fantastical Forests
Year 2: From Sea to Shore
Year 1: Spring into Summer
Nursery & Reception: Animal Adventures

This week at Fleet...

What a busy last full week—we finished off Wellbeing week last Friday with Sports Day and then this week a number of classes have visited the Art Biennale to see the work of Fleet students and other Camden children in the Letharby Gallery—we know many of you also visited. There has been lots of gardening taking place as well as putting the finishing touches to topics and end of year activities. When you look back at the newsletters over this academic year it is truly remarkable to work the children have done. We really hope you enjoy seeing what they are up to both in school and on the many trips and workshops that take place throughout the year. A short week next week before we break up on Wednesday. Enjoy your Summer break.

Welcome to our garden update...

This week, with most of the raised beds already planted and growing nicely, Year 6 have been taking care of Autumn and winter harvesting veg—they planted out some potatoes and cabbage in the bed beside the greenhouse. They then turned their attentions to the planters around the school—digging them through, trimming the plants in the quiet area, and planting our new things into the planters. They have been doing a great job. Thank you Year 6!

More Wellbeing Week Activities from last week...

Sports Day!

Last Friday was our Sports Day. A big thank you to all of you who were able to come along and cheer on the children. Also a huge thank you to Keeley for making sure all the team events, then the running races, went smoothly. It's all supposed to be a fun experience and certainly seeing the older and younger children supporting and cheering for each other we think it was a huge success. Thank you too for the kind things many of you have since passed on about how much you enjoyed it. If you too part in the parents race I hope you weren't too stiff the next day! Many of the children do show special aptitude for athletics and we would remind you about the advert for 'Quad Kids' that is in the Wednesday newsletter each week—well work taking the children along—the next Olympian could well be in our midst already!

Big Thankyou to James in Y2—our official photographer for the day—when his broken arm stopped him competing he was ready on camera to take some action shots!
