New items this week...

On this page a reminder about the surgery with Councillor Boyland happening tomorrow here in school (8.30-9.30am drop in). Page 2 poster for today's Halloween Disco—please come along if you can. Page 3 advertising next week's first aid course for parents—great opportunity to learn valuable skills. All places are currently gone but we do have a waiting list in case anyone drops out—sign up via the office. Page 4—please check for any new/changed dates for your class and the wider school. Page 12-13 info on support available from Citizen's Advice (including in school session—see page 12). Page 14-17 has information on Camden music service and how to apply for lessons. Page 19 has the latest parent information leaflet from National Online Safety, this week on 'Five Nights at Freddy's'. Page 21 and 22 have local organisations from sports to creative groups that offer opportunities to our young people. The remainder of the newsletter includes a number of links and ads that have been in this newsletter for a while but always worth a re-read to see what is available to you.

Better Leisure Concession Membership

Exercise is so important for both physical and mental health—whether that's going for a swim, working out in the gym or going to an exercise class. However, it can be expensive to join a leisure centre and pay for classes/sessions. Better Leisure (who operate Kentish Town Swimming Pool and Talacre) offer concessionary memberships for both adults and juniors which for a small annual cost (adult = £5.90; child = £3.05) get you discounted rates on any booking. You can apply online (link below) for the concessionary membership or do it in person in one for the Better Centres.

<https://www.better.org.uk/monthly-membership/better-hf-conc>

Better adult concession:

Membership rate per session:
Swimming: £2.50
Gym: £4.20
Class: £4.00

Better junior concession

Membership rate per session:
Swimming: £1.65
Gym: £3.60

Trips, Clubs, Book Bags & Donations

If you are having any problems accessing the online payment portal on ScoPay—or are not yet setup and would like to be, please do speak to Lisa in the office. You can now pay for all of these things online without having to bring in cash via the office and can also pay for a term of clubs without having to remember each week. Please note, the app version would not show the donation tab without there being a balance so we have put £1 here. This is not money you owe! It is simply there so it shows up allowing any who wish to make any size of donation to the school to be able to do so using the app. Thank you.

Parent Workshops coming up...

We have managed to arrange a number of parent workshops this term based on feedback and requests from parents. See below for details.

Tuesday 7th November: *First Aid Training for Parents (limited spaces—need to sign up)*

Friday 17th November: *Supporting Children with Challenging behaviour (including 'zones of regulation')*

Wednesday 31st January: *Creating healthy boundaries around screen time and healthy media*

Local councillor surgery

**Thursday 2nd—8.30-9.30am
with Councillor Marcus Boyland**

Drop in sessions available this week to meet and discuss any issues you may have with Councillor Marcus Boyland, our local council representative. Come to the school office—from 8.30-9.30am

**Don't let your child miss out
- every school day counts**

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Help us ensure school gets the funding we need from the government...

If you haven't done so already, please ensure that you apply for Free School Meals. Even though the Mayor is paying for your child's lunches, this is not the same as being entitled to Free School Meals. If you are in receipt of

certain benefits, you may be entitled, which means you will receive a discount on clubs and trips, as well as a school holiday voucher issued by Camden. Much of the funding we receive as a school, or that we can apply for, to provide your child's education is also dependent on this information. We need to make sure all the children who should be funded are. This funding is vital to school.

You should apply by following this link:

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parent-thub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

Message from Camden Music Service:

Half price instrument/singing lessons for children of families claiming housing benefit and council tax support

Universal Music Group has generously given us some money to help families of pupils in KS2 (Years 3 to 6) to pay for music lessons. **Priority will be given to those pupils already on instrument lesson waiting lists.**

Here are the instruments you can choose in this scheme (please note that not all schools can offer all instruments as for tutors to attend a school there needs to be a certain amount of children wanting to do a specific instrument.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Forest School Nature Challenge!

Who can collect the most?

Can you please grab a bag and collect conkers, acorns, pine cones and big sticks when you are out and about?

Please bring whatever you collect to Rebecca in Nursery. It will be really useful to have lots for Forest School. Thank you!

What Parents & Carers Need to Know about

FIVE NIGHTS AT FREDDY'S

AGE RESTRICTION
PEGI
12

WHAT ARE THE RISKS?

Five Nights at Freddy's is a series of indie point-and-click horror games whose word-of-mouth success and widespread spin-off content on YouTube have helped each of the nine instalments so far to sell almost five million copies on Steam (the PC gaming platform) alone. Set in various deserted locations at night, with creepy animatronic characters suddenly coming to life, the games are rated PEGI 12 for disturbing/violent content, mild profanity and horror themes.

FRIGHTENING THEMES

Five Nights at Freddy's (FNaF for short) doesn't feature bloodshed like many horror games – but it does build tension and use jump scares, which may be too intense for young players. The sinister animatronic characters and the sensation of being trapped and defenceless could be particularly unsettling, as could the inclusion of disturbing elements such as murder or possession by evil spirits.

STRESSFUL SITUATIONS

Due to FNaF's suspenseful atmosphere, it can be extremely stressful for players. Constantly checking that one's surroundings are safe is a crucial part of the gameplay and could create residual stress or even obsessive-compulsive behaviours. Several media reports have suggested that some younger children have experienced severe nightmares or sleep anxiety after playing games from the series.

IN-GAME SPENDING

FNaF doesn't foreground in-game purchasing as strongly as many other well-known games, but some titles in the series do offer additional content that promises to enhance the experience. Five Nights at Freddy's: Help Wanted, for instance, is complemented by a Halloween-themed expansion pack called 'Curse of Dreadbear' (costing £8.99), which unlocks new levels and mini-games.

AGE-INAPPROPRIATE CONTENT

18

As a result of FNaF's popularity, a sizeable YouTube community based on fan-made content has developed around the game. While the majority of this material is still child friendly, there are a number of channels which are geared more towards mature audiences: they contain adult and disturbing themes, for example, and (in some cases) age-inappropriate language.

PLAYING IN ISOLATION

Many parents will be relieved to learn that Five Nights at Freddy's is a single-player game which doesn't include any online chat functionality. Conversely, however, this could also make playing FNaF quite an isolating experience – especially if your child is spending a lot of time investigating the game's spooky, shadowy environments alone in their room, for example.

Advice for Parents & Carers

USE PARENTAL CONTROLS

Five Nights at Freddy's doesn't have conventional parental controls. However, if you're concerned about the potential impacts of the game's themes and content, you can simply choose not to let your child play it. If they use an Android or iOS device for gaming, you can adjust Apple and Google's built-in parental controls to restrict your child's access to certain content.

TRY IT YOURSELF

Every child is different, of course, so it could be worth playing Five Nights at Freddy's yourself for a while to gauge how your young gamer might cope with the series' more frightening and disturbing aspects. If they're old enough, you could spend some time playing it together – after all, it usually only takes between two and ten minutes to complete a level.

LIMIT SPENDING

Unlike many popular titles, Five Nights at Freddy's doesn't bombard players with tempting in-game purchase offers. It's worth noting, however, that some instalments in the series do provide the option for players to spend real-world money. With that in mind, it's important to either keep a close eye on your child's expenditure or limit their access to digital payment options.

SPOT THE SIGNS

If you're concerned that your child might be spending too much time on Five Nights at Freddy's, or you're worried that the game's scary themes are taking a toll, watch out for warning signs. Young people may start to prioritise gaming over everyday essentials like schoolwork or sleep; irritability or a lack of concentration could also indicate that their gaming sessions are going on too long.

TALK ABOUT THE RISKS

Before you allow your child to play Five Nights at Freddy's, it's wise to have a conversation about the game so that they're aware of the potential risks. Ensure that your child understands that the series is purposely designed to be tense and unsettling, and that they should stop or take a break if the intensity of the gameplay is making them feel uncomfortable or putting them on edge.

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Stop Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
