

Fleet Community Notices

Wednesday 20th September 2023

New items this week...

Welcome to this week's Community Notices Newsletter. On this page (and page 3) please note reminder about next week's parent session for EYFS and KS1—please come to this important session. Also note on health bus visiting and an offer from 'Perform' for Fleet Families. New items also on page 19 (football club) and page 22 and 23 for half term opportunities running locally. The latest parent information leaflet from 'National Online Safety' is on page 16—this week it's all about 'setting boundaries around gaming' - some useful advice for all parents! The remainder are notices in previous issues but hopefully still useful.

Phonics Parent Meeting for all parents and carers of children in Nursery, Reception, Year 1 and Year 2—Thursday 28th September @ 3pm—please come along before pick up—see letter sent home on Monday (also on Page 3)

The Camden Mobile Health Bus coming soon... Lismore Circus—Friday 29th September

The bus service will be operating in our area next week: The Health Bus will be in Lismore Circus on **Friday 29th September** **This is a free, walk-in service with no appointment necessary.** See pages 10 & 11 for more information of where they will be and what they offer.

Digital Skills for Parents & Carers in Camden
Camden Adult Community Learning (ACL) digital courses are starting again in September! If you know parents or carers who need to develop their basic digital skills, we offer **FREE** courses in venues across the borough. These include our new 'Digital Basics' courses, to develop skills in using devices, emailing, searching online, creating accounts, taking photos, editing documents and images, and e-safety and security. For adults needing a qualification, we're offering the Essential Digital Skills Qualification (Entry and Level 1) and the Level 2 Award in Digital Skills. And if you know parents who would like to work in an office environment, they can take the Level 1 Award in Business & Office Administration, too. Please see our Camden ACL Digital Inclusion Course Guide [here](#), and most courses are now open for online enrolment [here](#).

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Parent Phonics Meeting – Thursday 28th September @ 3pm in the Hall

18th September 2023

Dear parents and carers,

As you are hopefully aware, the children from Nursery to Year 2 follow a phonics programme to aid their acquisition of reading skills and develop towards being fluent readers.

The phonics programme your children follow is called 'Little Wandle Letters and Sounds'. This will be our second full year of taking this approach and last year we really saw the benefit of the consistent approach this programme gives with our year 1 children outperforming both Camden and National averages in the end of year 1 check.

This is a programme that has an element of home rehearsal involved, taking home and reading their books and as such it is really helpful to your child's learning of phonics and developing their reading skills that you know how the programme works.

For this reason, we will be holding an information meeting before next week, pick up on Thursday 28th September starting at 3pm. Please do make the effort to come along in time for the meeting to start at 3pm so everything can be covered and you leave with the best understanding possible of how to help your children in time for them to be collected from class at 3.30pm.

This meeting is for all parents/carers of children in Nursery, Reception, Year 1 and Year 2.

The meeting will be led by Ruth Hanfling (our English lead) and Bea Durston (English Specialist with the Wandle English Hub).

We look forward to welcoming you all on the 28th.

Yours Sincerely,

Don McGibbon – Head Teacher

Camden Moving On to Secondary School Event - 21 September 2023

Parents of pupils in Years 4, 5 and 6 are invited to the Camden Moving On to Secondary School Event, at the prestigious Francis Crick Institute, in King's Cross, on Thursday, 21 September from 4.15pm to 6.45pm.

Camden secondary schools are high achieving and ambitious for all students, offering a tremendous range of opportunities to help prepare young people for happy and successful futures.

This is your opportunity to:

- ★ Receive advice on how to apply from the Camden admissions team
- ★ Find out more about what Camden secondary schools have to offer your child
- ★ Speak with headteachers, student ambassadors and staff from Camden secondary schools.

Register to attend by scanning the QR code or search 'Camden Moving On' on **eventbrite.co.uk**

Please note: this event is aimed at adults and any children attending are the sole responsibility of their parents.

You can also get information on becoming a school governor at this event, or visit **camdenlearning.org.uk/become-a-governor**

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. This can happen for any number of reasons and we try, where possible, to give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via parenthub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

Lismore Circus - 1-2 Lismore Circus, NW54QF	Friday 29/09 11am-3pm

The **Camden Mobile Health Bus** is a walk-in service offering free diabetes risk checks, health information and advice to support residents to make positive health and wellbeing choices, and to prevent them from developing serious health conditions in the future.

What is a diabetes risk check?

A diabetes risk check is open to anyone aged between **30 to 70**. It is a short 15-20 minute appointment between you and a healthcare professional.

As we get older, we have a higher risk of developing conditions such as diabetes. This check helps us identify your level of risk and helps us find ways for you to lower this risk by exploring how you can reduce factors that affect this, such as your blood pressure and weight.

What can I expect during my check?

We will take your body measurements including your weight, height, waist and check your blood pressure. These measurements will help us assess your risk for developing diabetes. We will discuss actions you can take to improve your health and wellbeing, depending on your risk level. A sample of your blood will only be taken for testing if you are assessed as being at high risk for diabetes.

What happens if I am high risk?

If the measurements taken during your appointment identify you as a person at high risk for diabetes the healthcare professional will take a sample of your blood for testing to determine if you have diabetes or not. The medical team will then contact you with the test results within 4 weeks after the check.

Why is the diabetes risk check only for people aged 30 - 70?

The diabetes risk check is focused on people aged 30 to 70 because certain body and lifestyle factors can start to emerge as potential risk factors for each of us as we get older. By inviting people in this age group to have a diabetes risk check as soon as they can we hope to identify people who might be at risk early so they can take steps to reduce their risk to maintain and improve their health.

Does the bus offer anything other than a diabetes risk check?

Camden Mobile Health is focused on diabetes prevention. This means we do not hold or have access to personal medical records on board and cannot help with routine medical or emergency medical concerns. For routine medical questions please contact your GP. In an emergency always dial 999. Other health services may join us from time to time. Find more information about these services and the full bus schedule at camden.gov.uk/camden-mobile-health

I have a question that is not covered here, who can I contact to find out more?

If you would like to contact us, please email mobilehealth@camden.gov.uk

Message from Camden Music Service:

Half price instrument/singing lessons for children of families claiming housing benefit and council tax support

Universal Music Group has generously given us some money to help families of pupils in KS2 (Years 3 to 6) to pay for music lessons. **Priority will be given to those pupils already on instrument lesson waiting lists.**

Here are the instruments you can choose in this scheme (please note that not all schools can offer all instruments as for tutors to attend a school there needs to be a certain amount of children wanting to do a specific instrument.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

From National Online Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should the need arise. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

Top Tips for SETTING BOUNDARIES AROUND GAMING

If your child loves video games, then you'll probably be aware that how long they spend gaming – and what they're actually playing – can occasionally become a source of concern or conflict. The UK's trade body for interactive entertainment, Ukie, has recently launched a campaign to promote safer and more responsible gaming among young people – with parents and carers helping by setting sensible and fair boundaries. Our guide has tips on key areas where you could agree some healthy ground rules for your child's gaming activity.

PROMOTE SAFER GAME CHOICES

Deciding which online games are OK – and which should be avoided – is tricky. Some titles allow children to cooperate or compete with strangers, which creates potential risks. Watching your child play online for a while could provide more insight into a particular game, while the parental controls on most consoles allow you to limit who can chat to your child or send them friend requests. Remind your child of the hazards around strangers online when you discuss this boundary with them.

ENCOURAGE REGULAR BREAKS

Help your child understand the need to take regular breaks, playing in shorter bursts rather than marathon sessions. Bear in mind that some games (such as role-playing games) require time investment from the player, while others (online team games, for example) can't be stopped or paused at a moment's notice. A quick break every hour or so is good practice, and you could suggest some things to do in these breaks, such as having a drink of water or getting some fresh air.

AGREE SPENDING LIMITS

There's no doubt that gaming can be expensive, and younger players often don't realise how much paying for digital items and subscriptions can add up to. Many young gamers love to buy new skins or upgrades for their character, so you could settle on a fixed amount that your child is allowed to spend on in-game items each week or month. This sort of boundary will not only help your child to manage their expectations but will also make you more aware of the price of these items.

DISCUSS AGE RATINGS

Children often ignore the age ratings on games – or are unaware they even exist. If you're happy with your child playing a particular game even though it's rated above their age, then establish that as a boundary: emphasise that you've made an exception, and talk about what age ratings mean and why they're important. You could add context to this boundary by browsing games' boxes together while shopping, discussing why some games might have earned certain age ratings.

Meet Our Expert

Daniel Upcombe is a writer specialising in technology, video gaming, virtual reality and Web3. He has also written 15 guidebooks for children, covering games such as Fortnite, Apex Legends, Valorant, Roblox and Minecraft. With work published by the likes of PC Gamer, Kotaku, Pocket Gamer and VG247, he has reviewed more than 50 games and products over the past year.

FACTOR IN FRIENDS

If your child is a keen video gamer, the chances are that they'll have other gamers among their social circle, too. When friends visit, do they instantly dash to their console or computer? You could put boundaries in place before their guests arrive by agreeing on a length of gaming time. Bear in mind, though, that they may try to extend this once they're together. Try coming up with activities or challenges for them during screen breaks – if they join in, they earn a little extra time on their game.

ENJOY GAMING TOGETHER

Setting time aside to play video games together can be an enjoyable bonding exercise. Undeniably, some young gamers may be less enthusiastic about a parent or carer joining in, but it can be a productive way of encouraging them to share their hobby with you. Setting goals or tasks might be useful: if they love Minecraft, choose something to build together; if Fortnite's their favourite, ask to try out some of the fun game modes, like Prop Hunt, which don't require high skill levels.

TALK ABOUT EMOTIONS

Help your child to monitor their emotions as they play. Discuss what is (and isn't) an acceptable level of competitiveness to show while gaming. Are they allowed to trash talk other players, for example? Can they notice when they get angry if they lose? Do they think these emotions are healthy? Some games can provoke anger, but others can bring joy, humour and the thrill of overcoming a challenge. Try to steer your child towards games that tend to produce these more positive feelings.

BE PREPARED FOR TROLLS

A frequent problem when gaming online is other players who are deliberately troublesome. Make sure your child knows how to report and block someone who makes their experience a negative one. Between you, decide if or how they should deal with these online trolls. Talk about where your child's boundaries are in terms of what they think is acceptable: what behaviour by other users is merely frustrating, and what crosses the line to become upsetting or abusive.

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are

allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or

reduced your hours to less than 16 hours in the last 4 weeks
Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Stop Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
