New items this week... Couple of new items on this page—see ad for the parent workshop happening on Thursday morning after drop off—please come along if you can, also an advert for the Book Fair happening in the hall on the 5th March during 'Book Week'. Children will be able to spend their £1 book day token here as well as buy other books if you want to. Page 4 has a letter to all parents from our School Inclusion Support Officer. Please take some time to read through the rest of the newsletter for lots of useful adverts and notices.

The Big Wheel & Walk 2024!

11th-22nd March is this Sustrans sponsored event to encourage children to walk, scoot, cycle (and use public transport) to get to school. The idea is to promote the reduction of car journeys which we know causes pollution, which in turn has a detrimental effect on our children's health. The added benefit of travelling 'actively' to school improves health and fitness. The vast majority of you travel to school actively everyday—thank you for this. To those who do not, please consider making at least some of your journey without the car. The benefits for everyone are worth the extra effort it can take.

Trips, Clubs, Book Bags & Donations

If you are having any problems accessing the online payment portal on ScoPay—or are not yet setup and would like to be, please do speak to Lisa in the office. You can now pay for all of these things online without having to bring in cash via the office and can also pay for a term of clubs without having to remember each week. Please note, the app version would not show the donation tab without there being a balance so we have put £1 here. This is not money you owe! It is simply there so it shows up allowing any who wish to make any size of donation to the school to be able to do so using the app. Thank you.

Front Gate—please keep closed

There have been a few occasions lately where people have propped the gate open at the entrance to the school before a member of staff is there. While we understand people are trying to be helpful we ask that you not do this. We need to ensure, if a staff member is not on the gate, that all entrants to the school are checked by the office by buzzing in. This is to ensure the school site and all the children in it are kept safe and secure. Please don't prop the gate open. Thank you for your help with this.

Tips for Talking

Each week we will be sharing 1 or 10 top tips with you to implement with your children. We hope you will find them useful and together we can help your child to develop their speech, language and communication skills.

Using the tips

Here are some of the simple things we can all do to support the development of babies' and young children's speech, language and communication skills and give them the best start in life.

TIP 5

Talk with me about the things that interest me.

This helps me to link the words you say with the things I see.

Message to parents from our School Inclusion Support Officer

School Inclusion Support Officers

Over the last few months, you may have seen stories about the importance of good attendance on social media, on TV, in newspapers and there have been posters in bus shelter in Camden and the government has launched its Moments Matter Attendance counts campaign this month. The government is very concerned about the number of pupils who are missing school, and they are asking council's attendance services and schools to help support children return to school.

Camden council has appointed three new School Inclusion Support Officers to help support schools improve attendance and reduce suspensions / exclusions by ensuring children and young people who are absent from education or at risk of suspension/exclusion receive appropriate interventions and support to enable them to achieve positive educational outcomes.

Our School Inclusion Support officer is Ms. Alison Ellis, and she will be visiting us in the coming weeks and some parents may be invited to meet with the School Inclusion Support Officer to discuss the reason for poor attendance and what we can do to help your child to return to school.

We know that children who attend school regularly and on time are more able to access their learning, get support in subjects they may struggle with and have a better chance of passing their exams.

We know as a parent you also worry about your child's future, and we want to work with you to ensure every pupil at Fleet has a full-time education to maximise opportunities for everyone to realise their potential.

Being a parent is not easy if you need talk to someone about your child's attendance, please contact me on: alison.ellis@camden.gov.uk

It is never too late to benefit from good attendance.

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

From National Online Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they need it. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit nationalcollege.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about ONLINE DATING & RELATIONSHIPS

Most online dating apps claim to be for over-18s only but, in some cases, relaxed age verification also allows children to access them. What's more, some popular social media platforms use similar design features to many dating sites – blurring the line between why a young person initially downloads an app and what they *actually* end up using it for.

WHAT ARE THE RISKS?

ONLINE GROOMING

Online grooming is when someone forms a connection with a child in the digital world and carefully cultivates this relationship with the intention of manipulating the child into doing something sexual or illegal. The process involves gaining the young person's confidence – which can make them far less likely to tell a trusted adult about their new online 'friend', or to recognise what is even happening.

WEBCAM BLACKMAIL

Some young people have been coaxed into getting nude or semi-nude on a video chat with someone they met on a dating platform. They're then told that, unless they hand over a certain amount of money, a recording of the video will be posted online (or possibly sent to their contacts). This can be hugely traumatic for a young person and, in extreme cases, has resulted in self-harm and even suicide.

DAMAGE TO SELF ESTEEM

Many dating platforms encourage users to rate the images that people upload; this has clear potential to negatively impact a young person's self esteem. On some apps, pictures of a user's face and body can be rated anonymously, with notifications informing them if someone has then declined to match with them. This form of rejection can feel extremely hurtful and degrading.

CATFISHING AND SCAMS

Creating a false identity to deliberately lure people into a relationship (whether romantic or platonic) online is known as catfishing. Commonly, someone pretends to share interests or beliefs with their victim and gradually gains their trust. A young person's feelings for this fake 'friend' may cloud their judgement and can lead to them surrendering money, personal images, passwords and so on.

STALKING AND HARASSMENT

Stalking is obsessive behaviour by a fixated individual which disrupts their victim's life; it can bring severe distress and even the fear of violence. There have been frequent reports of stalking cases that originated on dating apps, with perpetrators creating new accounts in response to being reported or blocked. It's a particular cause for concern if a young person has ever given out personal details (such as their street or school name) online.

Advice for Parents & Carers

KEEP THE CONVERSATION GOING

Reassure your child that they can always talk to you about anything online that's worried them. Emphasise that if they're being sent unwanted images – or if they've shared images or video content themselves – they should tell you straight away. Discuss the potential risks of online dating and check in with them frequently to ensure that they're feeling comfortable about their online relationships.

TAKE A 'SAFETY FIRST' STANDPOINT

Encourage young people to be careful about who they send invitations to – and accept them from – on dating sites and apps. Familiarise yourself with how to adjust the privacy settings on your child's devices and apps to help them control who can access their profiles and information. Talk to your child about why it's unwise to share any sensitive, private or confidential information in their profile.

PROTECT CONTACT DETAILS

If a young person is interested in using online dating sites or apps, strongly encourage them to choose one that offers the facility to conceal both parties' email addresses when messaging prospective dates. If that's not possible, ensure that the young person sets up a separate email address which doesn't include their real name. This is easy to do via providers like Hotmail, Yahoo! Mail or gmail.

HIGHLIGHT COMMON DANGER SIGNS

Talk to your child about some of the obvious red flags in online dating: requests for money, for instance, should always ring alarm bells. Likewise, if a young person is in contact with someone who they feel is pressuring them into providing personal or financial information – or who they suspect is trying to trick them into it – they should end communication immediately and contact the dating service provider.

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

If you or any friends/family are tidying gardens and pruning trees please save and bring in any branches or logs for our Forest School. Any size! They are very useful for making dens and forest crafts. Thank you so much. If you have any questions, please pop over and speak to Beth Cleine in Reception or Rebecca Combes in Nursery.

Every Thursday 3.45pm - 4.45pm
Acland Burghley School
Audition - Thursday 5th October 2023
Scan the QR Code to apply

AUDITION DETAILS:

There will be an audition on **Thursday 5th October 2023** from **3.45pm-4.45pm** in the Dance Block at Acland Burghley School.

What do you need to do for the audition?

Please wear appropriate dance clothing, you will be dancing bare foot.

What qualities do you need to audition for Burghley Junior Dance Company?

- Be in Years 4, 5 or 6. (Age 8-11)
- Enjoy performing, choreographing and working with other dancers.
- Be keen to try out new dance styles.
- Enjoy working as part of a company and have the ability to work well with others.
- Be enthusiastic, punctual, respectful, professional and committed.

Our aims of Burghley Junior Dance Company:

- To have fun, dancing in a group with other dancers of a similar age and make new friends.
- To work with professional choreographers and teachers to produce outstanding performance pieces.
- To improve our performance and choreographic skills and build on our confidence to express ourselves through dance.
- To perform at open evenings, annual dance shows, dance company sharing and any other performance opportunities.

What will be the level of commitment required if I become a member of Burghley Youth Dance Company?

You must be able to attend Thursday classes every week during term time. We realise that people get ill or injured, or may have other unavoidable events. However, if you miss more than one rehearsal you risk losing your place in the company.

Company classes will begin Thursday 12th October 2023.

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). Pregnancy & New Born Baby

New Born Baby to 2 Years

Child 2 to 5 Years

Mums, Dads and Carers, come with your children to your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are

allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or

reduced your hours to less than 16 hours in the last 4 weeks
Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Please ask Lisa in the office for help applying if you need it. Fleet relies on accurate funding to support the education of all our children.

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Stop Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
