New items this week... On this page are adverts for three in school parent events—this Friday's Maths open mornings in KS1 and KS2 and the internet safety parent workshop happening on Monday morning next week. Please do come along if you can. Also, tomorrow is Councillor Marcus Boyland's advice surgery here in school from 9am. Page 2 advertises a new service Lisa is going to be offering after half term in her Family Support Worker role while page three has this week's 'Top Tip' from the Camden Kids Talk initiative. Page 4 has the latest dates for the term. Page 6-10 has some useful ads that have been in before but well worth a re-read in case they might be of use and then Page 11 has the latest parent info sheet from 'National Online Safety'. Pages 19-21 have some ads for Half Term activities while pages 22-26 are adverts around music and provision in Camden for your children. While the remainder of the newsletter includes clubs, organisations, mental health and council support and provision information that may be of use. While many of these ads have been in for a while it's always worth scanning through in case you've missed anything in previous weeks.

Safer Internet Day

Safer Internet Day Parent Workshop Monday 5th February @ 9am

Does your child go online? If the answer is yes then you should come along to next week's parent workshop. It is so hard to keep up with the ever changing world of the internet and mobile apps not to mention the skill levels of our children using them. Yet we still need to know enough ourselves to ensure they stay safe and behave appropriately in the online world. As well as the class workshops happening next Monday we have a parent workshop lined up.

Come along on **Monday 5th February at 9am** after drop off for what will be a really informative session on the latest development and how to ensure we do all we can as parents to ensure our children are able to be good digital citizens.

KS1 and KS2 Open Mornings

Please come along on Friday morning this week for the KS1 and KS2 open morning. Spend the first part of the day in your child's class and join in with some maths games that will support your child's learning. You will come away with some fun ideas of how to play maths games at home and help your children's mathematical development.

Councillor Advice Surgery

Monthly Surgery—tomorrow—Thursday 1st February 9-10am

Councillor Marcus Boyland will be in school tomorrow morning for his monthly advice surgery. If you need any help, support or have any questions or points to raise with him please drop by. Come to the school office from 9am and they can direct you to a 1-1 session with the councillor.

Help us ensure school gets the funding we need from the government...

If you haven't done so already, please ensure that you apply for Free School Meals. Even though the Mayor is paying for your child's lunches, this is not the same as being entitled to Free School Meals. If you are in receipt of certain benefits, you may be entitled, which means you will receive a discount on clubs and trips, as well as a school holiday voucher issued by Camden. Much of the funding we receive as a school, or that we can apply for, to provide your child's education is also dependent on this information. We need to make sure all the children who should be funded are. This funding is vital to school. You should apply by following this link:

Tips for Talking

Each week we will be sharing 1 or 10 top tips with you to implement with your children. We hope you will find them useful and together we can help your child to develop their speech, language and communication skills.

Using the tips

Here are some of the simple things we can all do to support the development of babies' and young children's speech, language and communication skills and give them the best start in life.

TIP 3

Talk to me in our home language.

Talking in two or more languages helps my brain develop. This makes it easier for me to learn English and other languages.

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

From National Online Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should the need arise. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit nationalcollege.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about PERSUASIVE DESIGN ONLINE

'Persuasive design' refers to the techniques that companies employ to influence our thoughts and behaviours when we're on the internet. These approaches can be spotted on websites, in apps and even as part of some video games. Persuasive design means that this content has been deliberately presented in a way that's intended to encourage you to spend your time or money (or both). These methods often prove highly effective at keeping people engaged and invested for longer than we might expect.

WHAT ARE THE RISKS?

POTENTIAL ADDICTION

In the digital world, persuasive design can make certain activities more addictive and harder to walk away from; some people may begin to feel anxious or irritated without access to their device or their favourite app, for example. It can also often leave users feeling isolated, as – if they spend most of their time on social media – they may start to find it difficult to talk to other people in real life.

MENTAL HEALTH CONCERNS

Scrolling online or gaming without regular breaks is proven to be harmful to our mental health. The constant bombardment of news stories (many of them negative), images and influencers' posts can create sensations of unease, uncertainty and FOMO (fear of missing out). Young people can get so immersed in this environment that they become less likely to spot misleading posts.

PROLONGED SCROLLING

Social media can draw any of us – regardless of age – into a continuous pattern of refreshing our screen, following posts and links down rabbit holes or reading countless comments made by others. This aimless scrolling can eat up time which could have been spent on more productive activities. It could also lead younger users into areas of the online world which aren't age appropriate.

SENSORY OVERLOAD

Repetitively scrolling, clicking on links or playing games can create an unending stream of new information and visual stimuli. Put it this way: social media isn't exactly renowned as a carefree, chilled-out environment. Such overstimulation can become too much for young people to handle, resulting in sensory overload and causing them to feel stressed, overwhelmed and exhausted.

COSTLY ADDITIONS

Video games sometimes display offers for downloadable content or loot boxes which can be bought with real money. While these 'microtransactions' temptingly promise to improve a player's gaming experience, most of the time they are money sinks. Young people in particular, excited by the chance of enhancing their game, could spend quite a sizeable sum very quickly indeed.

PHYSICAL CONSEQUENCES

Hours spent sitting and scrolling means far less time moving around and getting exercise: hardly ideal for a young person's physical health. Additionally, prolonged exposure to the light given off by a phone's screen can lead to eye fatigue and discomfort, especially if viewing it in the dark. Extended phone use before bed can also impact on sleep quality, affecting mood and energy levels over the following days.

Advice for Parents & Carers

ESTABLISH LIMITS

Talk to your child about setting some time limits on how long they can use their phone, tablet or console in the evenings or at weekends – or perhaps how often they can go on a specific app, game or website. You could also decide to involve the whole family in creating this shared screen time agreement, making things fair (and healthier) for everyone.

ENCOURAGE MINDFULNESS

Acknowledging any addiction is key in overcoming it – and compulsive scrolling is no different. If anything mentioned in this guide sounds familiar, it could help to have an honest, open chat with your child about how much time they spend online. Get them to think about how often they scroll through social media aimlessly or habitually open it up whenever they have a spare moment.

NIX NOTIFICATIONS

Stop knee-jerk responses at the source by turning off push notifications and alerts. Whether it's a gaming notification or a social media update, these not-so-gentle reminders are designed to catch our attention and lure us back to our device. Switching them off – or even deleting any particularly intrusive apps – can help prevent your child from being reeled back into the online world.

MAKE A CHECKLIST

Considering a list of relevant questions can be an effective way of helping children figure out why they're scrolling on certain sites or consuming particular pieces of content. A checklist can prompt young people to ask themselves if they're learning anything or benefiting from this activity – or if they're wasting their time. Taking a step back can sometimes help us to see things more clearly.

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Message from Camden Music Service:

Half price instrument/singing lessons for children of families claiming housing benefit and council tax support

Universal Music Group has generously given us some money to help families of pupils in KS2 (Years 3 to 6) to pay for music lessons. **Priority will be given to those pupils already on instrument lesson waiting lists.**

Here are the instruments you can choose in this scheme (please note that not all schools can offer all instruments as for tutors to attend a school there needs to be a certain amount of children wanting to do a specific instrument.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

If you or any friends/family are tidying gardens and pruning trees please save and bring in any branches or logs for our Forest School. Any size! They are very useful for making dens and forest crafts. Thank you so much. If you have any questions, please pop over and speak to Beth Cleine in Reception or Rebecca Combes in Nursery.

AUDITION DETAILS:

There will be an audition on **Thursday 5th October 2023** from **3.45pm-4.45pm** in the Dance Block at Acland Burghley School.

What do you need to do for the audition?

Please wear appropriate dance clothing, you will be dancing bare foot.

What qualities do you need to audition for Burghley Junior Dance Company?

- Be in Years 4, 5 or 6. (Age 8-11)
- Enjoy performing, choreographing and working with other dancers.
- Be keen to try out new dance styles.
- Enjoy working as part of a company and have the ability to work well with others.
- Be enthusiastic, punctual, respectful, professional and committed.

Our aims of Burghley Junior Dance Company:

- To have fun, dancing in a group with other dancers of a similar age and make new friends.
- To work with professional choreographers and teachers to produce outstanding performance pieces.
- To improve our performance and choreographic skills and build on our confidence to express ourselves through dance.
- To perform at open evenings, annual dance shows, dance company sharing and any other performance opportunities.

What will be the level of commitment required if I become a member of Burghley Youth Dance Company?

You must be able to attend Thursday classes every week during term time. We realise that people get ill or injured, or may have other unavoidable events. However, if you miss more than one rehearsal you risk losing your place in the company.

Company classes will begin Thursday 12th October 2023.

Help a child learn to read

This year our school is working with **Bookmark**, a children's literacy charity that links schools with volunteers to provide children with extra reading support.

You can help a child develop the reading skills and confidence they need for a fair chance in life. Two hours a week, for 12 weeks.

As a Bookmark volunteer, you'll help your community and make a huge difference to a child.

Could you volunteer to help a child with their reading? Our school is working with Bookmark, a children's literacy charity, to provide our pupils with extra reading support. As a volunteer, you'll come into school to read and play fun, literacy games with the same child for 30-minute sessions, twice a week. We're looking for people who could support a minimum of two children a week, across 12 weeks. Sign up now to help children in your local community. Please feel free to share this volunteering opportunity with your own networks. You can find out more and sign up here: www.bookmarkreading.org/volunteer2f

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). To find your nearest 'warm welcome' space, visit [camden.gov.uk/warmwelcome](#)

Come and talk to us...

We listen to parents. We can advise you about your child's development, breastfeeding, parenting, housing, employment and benefits advice. There are local free drop-in 'stay and play' sessions and we can help you find an early education and childcare place. In fact everything you need in the early years to bring up your child.

Come along to your local children's centre and get to know other parents.

If you would like to know more — just ask us.

To find out more about services and support in your area, or just to ask a question, please phone or call in to your nearest children's centre. We do not charge for our services.

Pregnancy & New Born Baby

New Born Baby to 2 Years

Child 2 to 5 Years

Mums, Dads and Carers, come with your children to your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

One-to-one support if you are feeling low, anxious or stressed by family life

Our support.

- Midwifery and health visiting services
- Information and support about breastfeeding, baby feeding and healthy eating
- Stay and play drop-ins and other activities for you and your child to enjoy together
- Family support team — if you need extra help
- Early education and childcare and childminders
- Help to find training and employment and benefits advice

Parenting your Child with ADHD

Group for parents and carers of children aged 5-12 years who have a clinical diagnosis of ADHD

Brandon Centre
Here for Young People

For parents and carers of children with ADHD aged 5-12 years

For parents and carers of children with a diagnosis of Attention Deficit Hyperactivity Disorder (ADHD) aged 5-12 years. This is a 6-week group programme that meets for 1.5-2 hours a week. The group is facilitated by a qualified mental health professional with experience in supporting parents and carers. The group is run several times a year either online or face to face.

The group builds on what parents are doing well and teaches parents and carers skills and strategies to improve and manage difficult behaviour in children in this age group. It also incorporates the **123 Magic™** approaches, which complement and enhance the programme. The sessions cover the following areas:

- Providing information on Attention Deficit Hyperactivity Disorder
- Setting household rules
- Developing and implementing schedules and routines
- Realistic expectations
- Giving clear and calm instructions
- Rewards and praise
- Staying positive and looking after yourself
- The 123 Magic™ approach to effective discipline.

FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are

allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or

reduced your hours to less than 16 hours in the last 4 weeks
Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

'That's not very ladylike'

'Man up'

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)
