New items this week...

Page 2 has a message from the PTA following the successful Winter Fair last weekend. Page 5 details an event happening here next week in school for parents—the digital inclusion bus—please do come along if you need any information or support. Page 6 has info on the flu vaccine school visit—date changed to next Monday—you must complete online consent for your child to get this. With high levels of absence and illness at the moment we really would advise you to consider if you haven't already. Page 7 has info on the 'Winter Reading Challenge' happening now—we'd encourage all the children to do this to support their reading over the break. Page 10 is advertising the fantastic Kentish Town City Farm winter fair this coming weekend. Page 25 has the latest from National Online Safety and a reminder that on Pages 26-30 there is information on a number of holiday activity/clubs to sign up for. Page 26 in particular has a link for activities and clubs happening all over Camden (there is also a direct link to the one running here).

Camden Cost of Living Advice and Support Booklet for Parents

We recently sent out via parent hub, a very useful booklet from Camden on the various types of support available to families to support through the current cost of living crisis. The QR code to the right, and the weblink below, take you to this booklet too. If you need any help or support understanding it or applying for anything, Lisa is happy to help—simply contact the office to make an appointment with her.

Evening Yoga Classes at Fleet

Yoga Movement, Breath & Stretch

Monday evenings - 6pm - 7pm in the Fleet Primary School Hall (term time only)

This class will focus on letting go of the day. The class will allow you to move, strengthen, consciously breathe, release and rest. For more details and to make sure this class is right for you, please email:

Help us ensure school gets the funding we need from the government...

If you haven't done so already, please ensure that you apply for Free School Meals. Even though the Mayor is paying for your child's lunches, this is not the same as being entitled to Free School Meals. If you are in receipt of certain benefits, you may be entitled, which means you will receive a discount on clubs and trips, as well as a school holiday voucher issued by Camden. Much of the funding we receive as a school, or that we can apply for, to provide your child's education is also dependent on this information. We need to make sure all the children who should be funded are. This funding is vital to school. You should apply by following this link:

School Christmas lunch will be on **Friday 15th December**. If you usually have a packed lunch and would like a Christmas lunch, please let us know by emailing your **child's name, year and meal option (Meat/Halal/Vegetarian)** by Thursday 30th November.

Trips, Clubs, Book Bags & Donations

If you are having any problems accessing the online payment portal on ScoPay—or are not yet setup and would like to be, please do speak to Lisa in the office. You can now pay for all of these things online without having to bring in cash via the office and can also pay for a term of clubs without having to remember each week. Please note, the app version would not show the donation tab without there being a balance so we have put £1 here. This is not money you owe! It is simply there so it shows up allowing any who wish to make any size of donation to the school to be able to do so using the app. Thank you.

Parent Workshops coming up...

We have managed to arrange a number of parent workshops this term based on feedback and requests from parents. See below for details.
Wednesday 13th December: Digital Inclusion Bus drop in 9-11am
Wednesday 31st January: *Creating healthy boundaries around screen time and healthy media*

Parent Questionnaire

Thank you to all of you who have already completed the online parent questionnaire sent home last week (and links given out in parent-teacher meetings). If you have not yet completed one please take 5 minutes to do so. Your feedback is much valued and also we are looking for your input into planning workshops etc. for the coming week from what you want. The link to the questionnaire for your child was sent via ParentHub. If you cannot find it please contact the office and they will resend it to you.

Shopping Online...

If you are shopping online there are a number of retailers who will donate money to school—at no cost to you—as a reward for your purchases. With Christmas shopping coming up for many of you and lots doing it online, please consider supporting us this way—see page 6 for more details on 'Easy Fundraising' and how to sign up.

WINTER FAIR
Saturday 2nd Dec 2023 · Results

Dear Fleet Community,

The PTA just wanted to say a **huge thank you** to everyone who came along to support our Winter Fair on Saturday, despite the extremely cold weather!

I think we can all agree that the fair looked very magical, and we really enjoyed the atmosphere, and seeing lots of happy children and parents enjoying what was on offer.

Showing your support by being at the fair means a lot to us, and helps us raise vital funds for the school. You will be pleased to know that together we **raised £3500**, which is a fantastic achievement for such a small school!

Funds raised by previous PTA events have supported buying iPads and musical instruments for the school, as well as installation of new playground equipment, and most recently, Fleet sports kits and new playground toys. A **survey** will go out in the **new year** asking for your input on how you would like the money be spent for the children and the school.

We would especially like to thank everyone who worked so hard to make this happen, from those that helped with set up and pack down, who helped on the stalls, on the grotto and in the kitchen, that donated raffle and food items for people to enjoy, and those that collected Golden Ticket items for the auction. There are too many of you to name individually, but your amazing efforts highlight just how wonderful the Fleet Community is. So thank you!

Our Y3-Y5 children did an amazing job coming up with and running their own games, well done to everyone who helped with these. The Y6 kids also did a fantastic job of running the grotto, which by all accounts was very popular!

We would like to congratulate the Y4 class (again!) for raising the most amount of money, by some margin, for their aiming game. They managed to raise a whopping £317, so well done for organising such a fun game! The class has won a special Fleet Treat afternoon of their choosing!

Before I finish, I would like to say a few special thank yous.

Firstly, to the PTA committee: Ailbhe, Abbie, Becky, and our newest members, Mishel and Viki. Mishel, your baked goods and cake for the guessing stall looked amazing and went down a treat! Viki, the grotto looked absolutely magical - you've set a new bar that may be hard to match!

As always, you have all put in lots of hours of your own free time to work tirelessly to help organise this fair. Thank you for tolerating me, and everything you do on a daily basis, much of which goes unnoticed. Without your dedication, none of this would be possible.

As a quick aside, **new members are welcome** so do get in touch if you'd like to join!

To the Class Reps, for helping the PTA to send out communications and organising support from their year groups. It's very much appreciated!

To Santa, who made the time to visit our grotto for 2 hours, without a break, on a very cold December night. I hope you are now enjoying a well earned, and warm, rest.

To Stella and the Fleet Choir, who put on an amazing performance at the start of the evening. It was such a wonderful way to open the fair and I hope you enjoyed the experience as much as we did.

To Ewan & Heini King, and Caroline Chan, for all the wonderful live music being played on the night.

To Don and Becca for all their help and patience on the day with set up and pack down. To Debbie, Lisa and June, who I pester almost daily, if not more, for one thing or another. I hope you can all enjoy a few months of peace from us.

Best wishes,
Fab, on behalf of the PTA

Finally, thank you to the private donors and local businesses (listed below) that supported our fair, including sponsors, **Rochester Place Estate Agents** in Kentish Town.

Fleet Primary School Calendar 2024

As you will know from the advert in our weekly newsletter, all year long we run a Fleet Calendar art competition. The winning images are collated together into our Annual Calendar. This year's competition is now closed and we have created a wonderful calendar, showcasing the art work of a number of children from across the school.

To order your copy of this fantastic Calendar please use the link below:

<https://forms.gle/71yVQXJjNyfy7PiT7>

You can pay via Scopay.com or with cash in the office. £4 for 1 calendar or £10 for 3. They will be ready in time for taking home before the end of term. They would make a fabulous Christmas gift.

Who wouldn't want to find this in their Christmas sack? Excellent value at £4 and includes all the holiday and INSET dates for 2024.

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

2023 -24 Childhood Flu vaccination programme

Your child will be offered a flu vaccine that is given as a simple spray up the nose. It is painless, very quick, and serious side effects are uncommon. This vaccination programme is designed to protect your child against flu which can be an unpleasant illness and, although rarely, sometimes cause serious complications. By having the flu vaccination, children are also less likely to pass the virus on to friends and family. This will help to protect those who are at greater risk from flu including infants, older people, and those with an underlying health condition. The flu vaccine provides protection against the strains that are predicted to circulate in the coming season. These strains may change from year to year which is why we recommend vaccination every year.

We believe your child should be vaccinated and we are now inviting parents/guardians to register your consent for the above vaccination. The School Health Service are now using an electronic method of communication which is a faster, more efficient and a safer way to deliver your child's health information. We have developed a secure online link that parents/guardians can use to register consent for the vaccination. The process is quick and easy to use.

Please click on the link to access the eConsent

Please see the information below about consent – this is very important

1. It is vital that the consent form is completed as soon as possible. Do ensure that you have your child's NHS number when completing the online form.
2. The consent form allows you to refuse this vaccine for your child. If you are thinking about this step, please talk to you GP or ask to speak to your child's school nurse first. It is very important that you take this opportunity to protect your child against this very serious disease.

For more information about the eConsent Parent Portal, watch this 2-minute video:
<https://youtu.be/OUT-pAYOwF0>

You should inform the nurses on the day of the vaccine if your child has been wheezy or there is any change in their asthma medication.

Contact the Immunisation team if you require any further assistance.

We look forward to receiving your child's e-forms. Please remember to return the consent e-form even if you DO NOT consent for the vaccination for your child, explaining the reason for your decision. This will help us in the development of the flu vaccination programme in the future.

Yours faithfully

Immunisation Team

You must complete the online consent form **before the 11th December** for your child to receive this important vaccination:

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Message from Camden Music Service:

Half price instrument/singing lessons for children of families claiming housing benefit and council tax support

Universal Music Group has generously given us some money to help families of pupils in KS2 (Years 3 to 6) to pay for music lessons. **Priority will be given to those pupils already on instrument lesson waiting lists.**

Here are the instruments you can choose in this scheme (please note that not all schools can offer all instruments as for tutors to attend a school there needs to be a certain amount of children wanting to do a specific instrument.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second installment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Forest School Nature Challenge!

Who can collect the most?

Can you please grab a bag and collect conkers, acorns, pine cones and big sticks when you are out and about?

Please bring whatever you collect to Rebecca in Nursery. It will be really useful to have lots for Forest School. Thank you!

From National Online Safety

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they it is needed. This guide focuses on one of many platforms which we believe trusted adults should be aware of. Please visit nationalcollege.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

DISNEY+

The Walt Disney Company's streaming service, Disney+ combines entertainment from the famous animation studio itself with Pixar, Star and National Geographic, plus the Marvel and Star Wars franchises. With access to the latest releases, Disney classics and original series, there's plenty of content to explore. While parents may have noted that adverts have now been introduced on some versions of the service, the platform is – unsurprisingly for a Disney product – designed to be appropriate for the whole family.

WHAT ARE THE RISKS?

LESS SUITABLE CONTENT

While Disney+ is predominantly family friendly, there are some movies and shows in its library which are aimed at an older audience: these may scare younger ones or contain themes or language that you'd rather your child wasn't exposed to. You could avoid such situations by enabling Junior Mode (see 'Adjust content settings', below) or specifying a content age rating for your child's profile.

BINGE WATCHING

With the option to view content on any internet-enabled device and a growing catalogue of movies, cartoons and documentaries, Disney+ can make managing screen time difficult. This could result in children binge watching content, distracting them from activities like homework or socialising. Too much screen time has also been shown to negatively impact mood, sleep patterns and weight.

PHISHING EMAILS

Be especially cautious if you receive emails or text messages purporting to be from Disney+. There have been numerous reports of online scammers impersonating Disney+ staff in an attempt to gain access to subscribers' personal information. Disney+ states it will never email or call customers asking for their payment details, their private information or their password.

ENCROACHING ADVERTS

Disney+ has introduced a new subscription package – Disney+ Standard with Ads – which plays commercials before movies and during shows (like many TV channels). There are no adverts in Junior Mode, but profiles with a content rating of 6+ years will see ads appropriate for that age category. Adults who give consent will see personalised adverts based on their location and viewing history.

ACCESSING ADULTS' PROFILES

If adults don't set a PIN for their profile, children could access it and encounter content which isn't age appropriate. In the settings, Junior Mode has a toggle titled 'Kid-Proof Exit' which requires the user to read four words (numbers, spelled out) and enter them to switch profiles. For older children who can read, though, this isn't secure enough – so using a PIN for adult profiles is recommended.

Advice for Parents & Carers

ADJUST CONTENT SETTINGS

When a cartoon, show or movie finishes, Disney+ uses algorithms to identify content with similar themes, which it thinks your child will also enjoy. This suggestion will then automatically begin to play by default. There's an option to turn off this auto-play function in the profile settings, which will encourage your child to take a break from the screen and move on to a different activity.

TURN OFF AUTO-PLAY

When a cartoon, show or movie finishes, Disney+ uses algorithms to identify content with similar themes, which it thinks your child will also enjoy. This suggestion will then automatically begin to play by default. There's an option to turn off this auto-play function in the profile settings, which will encourage your child to take a break from screen time and move on to a different activity.

ADD PIN PROTECTION

Disney+ enables you to effectively lock profiles behind a four-digit PIN. In particular, some of the shows on the platform's Star content hub are far more oriented to adults (including several hard-hitting dramas from US networks), so protecting parents' or older siblings' profiles with a PIN will help to prevent younger children stumbling across material which isn't intended for them.

ENJOY AS A FAMILY

When your child watches a movie or show on Disney+ for the first time, you may want to sit with them to ensure it's suitable. You could do the same when introducing them to older films that you haven't seen for years: your perception of what's appropriate has very probably changed, and some of the language and attitudes in movies from your own childhood may seem quite shocking today.

HAPPY PROVIDERS

Thomas left the children buzzing with excitement and left us unable to believe our own eyes. He explained carefully and demonstrated some magic tricks. All were amazed at their own success! Thomas provided all the equipment and even a very special surprise at the end. We are already planning to book him for next year as he was worth every penny!

Rachel, Gemma and Charlie
Year 4 staff Folville Junior School

The hands-on approach and use of props were very engaging for the young people, and they learned new skills that many had not previously experienced. The fun and friendly approach during the workshops was mentioned a few times, and the fact that you created a welcoming and exciting environment for the young people.

Barnet Council of London
HAF Summer Activities

ENRICHMENT ACTIVITIES

The magic students will learn easy-to-do magic tricks with step-by-step instructions and a video link to continue practising at home. Most importantly, they will develop resilience and confidence skills. All through play and some mind-blowing tricks!

AIM OF THE WORKSHOPS

Our aim is for the magic students to master how to use their body language to communicate trust, learn about the power of eye contact, and how to direct the audience's attention to communicate more effectively. Opportunities to practice in an informal, supportive environment will boost confidence even in the most reserved students.

Enjoyment and play are the key aspects that guide all our teaching.

INCLUSION

Inclusion, equality, and accessibility are at the forefront of our work. When delivering workshops, we ensure all of our students' needs are met by speaking to the teachers, families, staff, support team and students themselves.

Parenting your Child with ADHD

Group for parents and carers of children aged 5-12 years who have a clinical diagnosis of ADHD

Brandon Centre
Here for Young People

For parents and carers of children with ADHD aged 5-12 years

For parents and carers of children with a diagnosis of Attention Deficit Hyperactivity Disorder (ADHD) aged 5-12 years. This is a 6-week group programme that meets for 1.5-2 hours a week. The group is facilitated by a qualified mental health professional with experience in supporting parents and carers. The group is run several times a year either online or face to face.

The group builds on what parents are doing well and teaches parents and carers skills and strategies to improve and manage difficult behaviour in children in this age group. It also incorporates the **123 Magic™** approaches, which complement and enhance the programme. The sessions cover the following areas:

- Providing information on Attention Deficit Hyperactivity Disorder
- Setting household rules
- Developing and implementing schedules and routines
- Realistic expectations
- Giving clear and calm instructions
- Rewards and praise
- Staying positive and looking after yourself
- The 123 Magic™ approach to effective discipline.

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). To find your nearest 'warm welcome' space, visit [camden.gov.uk/warmwelcome](#)

Come and talk to us...

We listen to parents. We can advise you about your child's development, breastfeeding, parenting, housing, employment and benefits advice. There are local free drop-in 'stay and play' sessions and we can help you find an early education and childcare place. In fact everything you need in the early years to bring up your child.

Come along to your local children's centre and get to know other parents.

If you would like to know more — just ask us.

To find out more about services and support in your area, or just to ask a question, please phone or call in to your nearest children's centre. We do not charge for our services.

Pregnancy & New Born Baby

New Born Baby to 2 Years

Child 2 to 5 Years

Mums, Dads and Carers, come with your children to your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

 Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

 One-to-one support if you are feeling low, anxious or stressed by family life

Parent and carer counselling service

Are you stressed or worried and need someone to talk to?

Are you a parent or carer with a child in a Camden school or children's centre?

Life is complicated and sometimes feels like an uphill struggle. Talking with a counsellor can help untangle thoughts and feelings.

- The parent and carer counselling service is FREE
- Counselling sessions are confidential
- Counselling takes place in schools and children's centres

Counselling is arranged by completing an application form or by phoning or emailing the co-ordinator.

We can also support with the referral process from in school. If you would like any support with this please come and speak to Rhian or Don.

Free 24/7 urgent mental health support for young people

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need, including children, young people and their parents. The lines are free to call and open 365 days a year.

allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or

reduced your hours to less than 16 hours in the last 4 weeks
Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

<https://accountforms.camden.gov.uk/freeschoolmeals/>

Please ask Lisa in the office for help applying if you need it. Fleet relies on accurate funding to support the education of all our children.

Do you have any used printer cartridges lying around at home? Send them into the school office!

FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoys.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start
A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators
Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Step Early Help
A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus
A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team
A team of family workers who will work alongside you for 12 months plus.

Youth Early Help
A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.
