Front Gate—please keep closed

There have been a few occasions lately where people have propped the gate open at the entrance to the school before a member of staff is there. While we understand people are trying to be helpful we ask that you not do this. We need to ensure, if a staff member is not on the gate, that all entrants to the school are checked by the office by buzzing in. This is to ensure the school site and all the children in it are kept safe and secure. Please don't prop the gate open. Thank you for your help with this.

The Big Wheel & Walk 2024!

11th-22nd March is this Sustrans sponsored event to encourage children to walk, scoot, cycle (and use public transport) to get to school. The idea is to promote the reduction of car journeys which we know causes pollution, which in turn has a detrimental effect on our children's health. The added benefit of travelling 'actively' to school improves health and fitness. The vast majority of you travel to school actively everyday—thank you for this. To those who do not, please consider making at least some of your journey without the car. The benefits for everyone are worth the extra effort it can take.

If you are having any problems accessing the online payment portal on ScoPay—or are not yet setup and would like to be, please do speak to Lisa in the office. You can now pay for all of these things online without having to bring in cash via the office and can also pay for a term of clubs without having to remember each week. Please note, the app version would not show the donation tab without there being a balance so we have put £1 here. This is not money you owe! It is simply there so it shows up allowing any who wish to make any size of donation to the school to be able to do so using the app. Thank you.

Easter Egg Decorating Competition

Every year we hold an Easter Egg decorating competition and we are all impressed and amused with the children's egg-cellent decorated eggs and eggs-tremely funny egg scenes!

They have freedom to decorate their Easter Egg scene in any way they see fit – they **don't need to use real eggs** (they can craft egg shapes from anything they would like) it just has to have an element of a designed 'egg' shape in it.

The countdown is now on for this year's competition. Entries should be brought in on the last day of term, **Thursday 28th March**. They will be judged that morning and then shared in the end of term assembly and prizes given out.

and prizes given out.

To submit your entry you need to:

- Decorate your egg/egg scene—special consideration for prizes given for creativity and imagination!
- Bring in your egg/scene on the morning of **Thursday 28th March** for judging

We can't wait to see the fantastic entries this year.

**Any Seamstresses in

Tips for Talking

camden
kids talk

Each week we will be sharing 1 or 10 top tips with you to implement with your children. We hope you will find them useful and together we can help your child to develop their speech, language and communication skills.

Using the tips

Here are some of the simple things we can all do to support the development of babies' and young children's speech, language and communication skills and give them the best start in life.

TIP 7

Singing rhymes with me is a great way to bond and be together.

Share books with me, talk with me about the pictures.

Message to parents from our School Inclusion Support Officer

School Inclusion Support Officers

Over the last few months, you may have seen stories about the importance of good attendance on social media, on TV, in newspapers and there have been posters in bus shelter in Camden and the government has launched its Moments Matter Attendance counts campaign this month. The government is very concerned about the number of pupils who are missing school, and they are asking council's attendance services and schools to help support children return to school.

Camden council has appointed three new School Inclusion Support Officers to help support schools improve attendance and reduce suspensions / exclusions by ensuring children and young people who are absent from education or at risk of suspension/exclusion receive appropriate interventions and support to enable them to achieve positive educational outcomes.

Our School Inclusion Support officer is Ms. Alison Ellis, and she will be visiting us in the coming weeks and some parents may be invited to meet with the School Inclusion Support Officer to discuss the reason for poor attendance and what we can do to help your child to return to school.

We know that children who attend school regularly and on time are more able to access their learning, get support in subjects they may struggle with and have a better chance of passing their exams.

We know as a parent you also worry about your child's future, and we want to work with you to ensure every pupil at Fleet has a full-time education to maximise opportunities for everyone to realise their potential.

Being a parent is not easy if you need talk to someone about your child's attendance, please contact me on: alison.ellis@camden.gov.uk

It is never too late to benefit from good attendance.

Dates for your diary this term...

Please bear in mind that occasionally trips may be arranged or cancelled last minute. Where possible we will give as much notice as we can. We need adult volunteers to support on these trips so please do look out for notices on class windows or sent out via ParentHub closer to the date of a trip and contact the office if you are able to accompany. Thank you.

Top Tips for Supporting Children Who Are EXPERIENCING BULLYING

In a DfE survey, 36% of parents said that their child had been bullied in the past year, while 29% of secondary school headteachers reported bullying among students. Public Health England states that young people who maintain positive communication with their family were less likely to experience bullying – so it's important that parents, carers and educators know how to talk to children about bullying.

1. WATCH FOR BEHAVIOURAL CHANGES

Children who are experiencing bullying may become quiet, withdrawn, or anxious; however, they may also act on the pain and anger that they're feeling. A shift in attitude towards their existing friends (or not mentioning them any more at all) or alluding to new friendships which seem notably different could also be warning signs. It's important to be alert to such changes and talk to your child about them if they occur.

2. THINK THINGS THROUGH

Before acting, ask yourself if this is the right time and place to address concerns about bullying. Might your worries trigger strong feelings – perhaps from your own experiences – that could discourage your child from opening up to you? You could try discussing what you've noticed with another trusted adult who knows your child well.

3. BE OPEN AND UNDERSTANDING

Try to outline to your child the changes that you've noticed in their body language, appearance, behaviour, or tone of voice – and do so without sounding judgemental. Help them to describe what they're feeling – be it anger, sadness, fear or something else – as accurately as possible. If they say they're "angry", do they mean "enraged" or "frustrated"? This will help them to understand how they're feeling and why.

4. LET THEM SPEAK FREELY

Use open questions and a welcoming tone to encourage your child to talk. Listen closely and summarise what they've said at appropriate points (ideally without interrupting) to demonstrate that you're understanding clearly. Bullying may have undermined your child's sense of control, and they may fear that you'll judge them, overreact or impose consequences – so this conversation can reassure them being honest with you was the right decision.

5. CALL A TIME OUT

A conversation about bullying could leave both you and your child feeling distressed. It's important to recognise this and pause at suitable moments to calm down. Take deep breaths, enjoy a hot drink or even have a cathartic cry. This can reinforce trust, while also helping you both feel that you have control over the situation and the emotions that you're feeling.

6. STAY INFORMED

Make sure you know your child's school's definition of, response to and relevant contacts for bullying. This information should be in their anti-bullying policy, which ought to be available on the school's website. Class teachers or form tutors are usually the first point of contact, though there may be dedicated support teams or key workers to help your child, depending on the specific situation.

7. PREP YOUR CHILD FOR THE RESPONSE

Schools' responses to bullying vary depending on whether they're resolving disagreements and arguments, or addressing unintended verbal or physical harm and so on. It's important to work out with your child whether any harm was intentional, how much control they had over the situation and how often such incidents have occurred. Reporting concerns accurately will get the best outcome for your child more quickly.

8. SUMMARISE YOUR CHILD'S EXPERIENCE

When you contact the school, make sure you've precisely described what your child experienced: what happened; when; where; and who was involved. This will help the school to investigate further, identifying any witnesses, as well as those who were directly involved. It can also help the school to know how your child is feeling and how they'd like the matter to be resolved.

9. LIAISE WITH THE SCHOOL

Any school has a duty to ensure that the members of its community feel safe and included. It's important for children to learn their role in this. The school must determine how best to restore these feelings of safety and respect. It's often best for schools to keep parents and carers informed of any action taken – and for families to avoid taking matters into their own hands.

10. CHECK IN FREQUENTLY

Once the issue has been resolved and the bullying behaviour has stopped, your child may still feel anxious and might find it difficult to rebuild relationships or develop new ones. Parents, carers and the school should all keep an eye on how the child is feeling and acting over the following months. Any relevant information should be shared, so that further support can be planned if necessary.

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Message from Camden Music Service:

Half price instrument/singing lessons for children of families claiming housing benefit and council tax support

Universal Music Group has generously given us some money to help families of pupils in KS2 (Years 3 to 6) to pay for music lessons. **Priority will be given to those pupils already on instrument lesson waiting lists.**

Here are the instruments you can choose in this scheme (please note that not all schools can offer all instruments as for tutors to attend a school there needs to be a certain amount of children wanting to do a specific instrument.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second installment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

If you or any friends/family are tidying gardens and pruning trees please save and bring in any branches or logs for our Forest School. Any size! They are very useful for making dens and forest crafts. Thank you so much. If you have any questions, please pop over and speak to Beth Cleine in Reception or Rebecca Combes in Nursery.

AUDITION DETAILS:

There will be an audition on **Thursday 5th October 2023** from **3.45pm-4.45pm** in the Dance Block at Acland Burghley School.

What do you need to do for the audition?

Please wear appropriate dance clothing, you will be dancing bare foot.

What qualities do you need to audition for Burghley Junior Dance Company?

- Be in Years 4, 5 or 6. (Age 8-11)
- Enjoy performing, choreographing and working with other dancers.
- Be keen to try out new dance styles.
- Enjoy working as part of a company and have the ability to work well with others.
- Be enthusiastic, punctual, respectful, professional and committed.

Our aims of Burghley Junior Dance Company:

- To have fun, dancing in a group with other dancers of a similar age and make new friends.
- To work with professional choreographers and teachers to produce outstanding performance pieces.
- To improve our performance and choreographic skills and build on our confidence to express ourselves through dance.
- To perform at open evenings, annual dance shows, dance company sharing and any other performance opportunities.

What will be the level of commitment required if I become a member of Burghley Youth Dance Company?

You must be able to attend Thursday classes every week during term time. We realise that people get ill or injured, or may have other unavoidable events. However, if you miss more than one rehearsal you risk losing your place in the company.

Company classes will begin Thursday 12th October 2023.

*Could you volunteer to help a child with their reading? Our school is working with **Bookmark**, a children's literacy charity, to provide our pupils with extra reading support. As a volunteer, you'll come into school to read and play fun, literacy games with the same child for 30-minute sessions, twice a week. We're looking for people who could support a minimum of two children a week, across 12 weeks. Sign up now to help children in your local community. Please feel free to share this volunteering opportunity with your own networks. You can find out more and sign up here: www.bookmarkreading.org/volunteer2f*

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). To find your nearest 'warm welcome' space, visit [camden.gov.uk/warmwelcome](#)

Come and talk to us...

We listen to parents. We can advise you about your child's development, breastfeeding, parenting, housing, employment and benefits advice. There are local free drop-in 'stay and play' sessions and we can help you find an early education and childcare place. In fact everything you need in the early years to bring up your child.

Come along to your local children's centre and get to know other parents.

If you would like to know more — just ask us.

To find out more about services and support in your area, or just to ask a question, please phone or call in to your nearest children's centre. We do not charge for our services.

Pregnancy & New Born Baby

New Born Baby to 2 Years

Child 2 to 5 Years

Mums, Dads and Carers,
come with your children to
your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

One-to-one support if you are feeling low, anxious or stressed by family life

Our support.

- Midwifery and health visiting services
- Information and support about breastfeeding, baby feeding and healthy eating
- Stay and play drop-ins and other activities for you and your child to enjoy together
- Family support team — if you need extra help
- Early education and childcare and childminders

FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are

allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your household income must be less than £7,400 a year (after tax and not including benefits)
- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or

reduced your hours to less than 16 hours in the last 4 weeks
Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Please ask Lisa in the office for help applying if you need it. Fleet relies on accurate funding to support the education of all our children.

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.

- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:
