Message from the Executive Head...

A huge thank you to everyone who helped make last Friday's Summer Fair such a brilliant occasion! It was a truly joyful afternoon with a fantastic turnout. We're so grateful to all the parents and staff who gave their time and energy to help run the stalls and activities. A special shout-out goes to the small group of dedicated PTA parents who did an incredible job organising everything behind the scenes and making it easy for helpers on the day. It was a real team effort and a great celebration of our school community.

Today, you should have received a letter via ParentHub letting you know your child's class teacher for next academic year. If you haven't seen this yet, please do get in touch with the office.

Next week, we're looking forward to our class swap afternoon, when the children will get to spend some time in their new classrooms with their teacher for September. It's always a lovely opportunity to ease any nerves and build excitement for the year ahead.

As the warmer weather continues, please remember to send children in with a sun hat and a water bottle. Children are encouraged to drink throughout the day and can refill their bottles whenever they need to. With our new air-conditioning systems up and running in every classroom, we're proud to say they've been some of the coolest places in London this week!

Yesterday we welcomed Bob Hamlyn, our Professional Partner from Camden Learning, for his final visit of the school year. As always, Bob spent time in classes and spoke with children and staff. He was full of praise for what he saw and heard, and was especially impressed by a group of Year 5 and 6 pupils who spoke confidently about our wider curriculum and the care and support we provide at Fleet. Wishing you all a lovely weekend—we'll see you next week!

General Health & Safety Reminders...

- Don't send in any snacks or food containing nuts - we are a nut free school.
- If your child is going on a playdate with another parent after school please make sure to let the teacher know directly. Do not rely on the other parent to tell us.
- If you change phone numbers or addresses please let us know immediately. We need your current contact details.
- Please do not prop open the main gate to the school site either before or after school. If there is not a member of staff there, the gate should be kept closed.
- If adults need to use the toilet on the school premises, even if accompanying a child, they must use the staff toilets in the corridor.
- The site is open to parents from 8am for breakfast club, please wait until then, even if a member of staff is buzzed in whilst you're waiting *(some parents have been coming in before 8 and leaving their children in the cubs unattended)*
- If you are in the junior playground after school, please supervise your children carefully and be mindful that the equipment in the junior playground is designed for older children and is unsafe for little ones. Other playground equipment (balls etc) is not for use after school.
- If you need to walk between the main school and the Nursery please use the path rather than cutting through the hall or corridor.

Fleet Summer Fair 2025!

On behalf of the entire PTA, we want to extend a huge **thank you** to everyone who came along to our **Summer Fair** — whether you volunteered your time, donated goods or simply came along to enjoy the day and show your support.

Thanks to your generosity and community spirit, we're thrilled to share that we've raised **over £5,000**, which is absolutely incredible! This will make a real difference to the school and our children's experiences, and we couldn't have done it without you.

The day was full of fun, laughter, live music, wet sponges and sunshine (thankfully!), and an amazing atmosphere that captured what our community is all about. From setting up early in the afternoon to clearing away at the end, to all of you that rolled up your sleeves and pitched in, the PTA felt genuinely supported throughout. Be sure to extend our thanks to family, friends, neighbours and businesses that supported us!

Thank you again for helping to make the Summer Fair such a wonderful success.

From us all on the PTA committee

Please do talk to any of us, if you wish to join us in making these wonderful events happen 😊

Arriving on time sets children up for a successful day of learning, and we appreciate your efforts to ensure pupils are in class ready to start at 9:00am. This week at Fleet...

Such a busy week with some extreme heat at the beginning - thank goodness for our super cool classrooms! As well as the school based activities (including the Nursery butterflies being released!) we've had some fabulous trips to the zoo, centre of the cell, Crick Institute, Kew Gardens and Cecil Sharp House this week - things don't slow down at the end of term if anything there is even more going on! Well done to all the children who continue to work hard with enthusiasm and dedication after a long school year.
