Message from the Executive Head...

Welcome back! I hope you all had a restful half term. We've hit the ground running for this final half term of the year—always a busy and exciting time.

Many of our families will be celebrating Eid today—Eid Mubarak to you all! We've moved the Year 5 class assembly to Monday to avoid a clash, and I'm really looking forward to seeing it then.

This week we held our very first *Fleet Futures Fair* for KS2 pupils. A big thank you to the parents who came in to share their career journeys and show how passions and hobbies can become fulfilling work. The children were truly inspired—we hope to make this a regular event, so if you'd like to take part in future, please let Lynley know.

We've also sent out a letter this week asking for more support with the PTA. Events like fairs and celebrations are a huge part of Fleet life, and having more hands involved in the planning makes all the difference. If you can give a little time, please do get in touch.

Next week marks a big milestone for our Year 6 children as they head off to Gower for their residential. Fingers crossed for some good weather—but we know they'll have a brilliant time whatever the skies bring. Thank you as always for your continued support. Have a lovely weekend and we'll see you on Monday.

General Health & Safety Reminders...

- Don't send in any snacks or food containing nuts - we are a nut free school.
- If your child is going on a playdate with another parent after school please make sure to let the teacher know directly. Do not rely on the other parent to tell us.
- If you change phone numbers or addresses please let us know immediately. We need your current contact details.
- Please do not prop open the main gate to the school site either before or after school. If there is not a member of staff there, the gate should be kept closed.
- If adults need to use the toilet on the school premises, even if accompanying a child, they must use the staff toilets in the corridor.
- The site is open to parents from 8am for breakfast club, please wait until then, even if a member of staff is buzzed in whilst you're waiting *(some parents have been coming in before 8 and leaving their children in the cubs unattended)*
- If you are in the junior playground after school, please supervise your children carefully and be mindful that the equipment in the junior playground is designed for older children and is unsafe for little ones. Other playground equipment (balls etc) is not for use after school.
- If you need to walk between the main school and the Nursery please use the path rather than cutting through the hall or corridor.

Weekly Punctuality Award

 **Punctuality Update:** This week, our total number of **lates was 19**, down from **28** last week – a fantastic improvement! A big thank you to all families who made an effort to improve punctuality. Arriving on time helps children start their day feeling calm, focused, and ready to learn.

How Did Each Year Group Do?

- **Year 1 – 0 lates** (down from 1): Brilliant! A perfect week – well done!
- **Year 6 – 0 lates** (down from 2): Fantastic achievement – keep it up!
- **Year 5 – 2 lates** (down from 3): Another strong week – great job
- **Year 4 – 4 lates** (same as last week): Holding steady – let's aim to reduce that next week
- **Year 3 – 4 lates** (down from 6): A positive step in the right direction – keep going
- **Year 2 – 4 lates** (down from 7): Great improvement – well done
- **Reception – 5 lates** (same as last week): Let's see if we can bring that down next week

 **Punctuality Matters:** Even arriving just a few minutes late can mean missing the start-of-day routines and important instructions. It also disrupts the class and can leave children feeling unsettled. A smooth start supports a more successful day.

Top Tips for a Calm and Timely Morning

- Get ready the night before: lay out clothes, pack bags, prep lunches
- Aim to leave 10 minutes earlier than usual
- Enjoy a **free bagel** in the playground from 8:30am – a positive start to the day

Helpful Reminders:

- School doors open at **8:45am**
- **Breakfast Club** is available from **8:00am** in the QUBE
- **Free bagels** are served daily from **8:30am** in the playground
- Children arriving after **9:00am** will be marked as late

Thank you again for supporting punctual starts. Let's keep moving in the right direction and finish the term strong!

Fleet Futures Fair

We held our first 'Fleet Futures Fair' this week for the KS2 classes. A huge thank you to the parents who were able to give up their time and introduce the children to what they do and how they have turned passions and interests into jobs. The children really enjoyed seeing and hearing what was presented to them on the day. Hopefully we have inspired some of them and shown them how an area of interest, skill or hobby can be turned into a future career! A big thank you too to Lynley who organised and developed this event. The first of many similar we hope. If you have a hobby, interest or job which you would be happy to share with a group of enthusiastic children please do get in touch and we can bear you in mind for future events.
