Message from the Executive Head...

This week we have begun welcoming our new children and families into Nursery and Reception. It's been wonderful to see so many new faces joining the Fleet community, and we look forward to getting to know you all in the weeks ahead. I also want to congratulate all the children on such a positive first full week back. Already there is so much fantastic learning happening across the school—it's clear that everyone has returned ready and eager to learn. A big thank you as well to parents and carers for getting children into school on time each morning. A prompt start helps classes settle quickly and ensures no minute of learning time is missed. Your support makes a huge difference. Thank you too to all our Year 1–6 parents who were able to come along to this week's important Curriculum Meetings. It's so valuable to have you on board, supporting your child's learning and understanding what we are covering in class this term and year. Curriculum letters will be sent out next week, along with the topic snapshots showing the key knowledge we want the children to take away this term. Please look out for these on **ParentHub**. If you haven't yet registered your child on ParentHub, or you're unsure how to do so, please speak to the office—otherwise you will only receive whole-school messages and not the class- and child-specific updates we send out. Clubs are now back underway, and there are still a few spaces available. Please check with the office if your child would like to join. There may also be further opportunities coming up, so do keep an eye out. Have a great weekend, and I look forward to seeing everyone on Monday.

Weekly Punctuality Award

Punctuality Update: Thank you to all families for continuing to make punctuality a priority. Arriving on time sets children up for a successful day of learning, and we appreciate your efforts to ensure pupils are in class ready to start at **9:00am**. This week, we recorded **45 lates** across the school – this is far too high and we need to work on improving those figures next week - you can do it!

Punctuality Summary – This Week

- **Reception:** 0 late – Consistent start – well done!
- **Year 1:** 5 lates – We can improve this year 1!
- **Year 2:** 7 lates – This needs work lets try harder next week!

We need to see improvement on lates next week as these figures are far too high in particular **Year 3** and **Year 4** with **23** lates between them. We know you can do better! Well done to Reception with **0** lates, a brilliant start to the school year.

This week at Fleet...

Our first full week comes to an end and has been very busy! Trips have started with Year 2 out this week to a special reading event at Argyle Primary School - later on in the day there was a special presentation to children from across Camden who completed this summer's Camden Reading Challenge - we were really proud to hear that four Fleet children achieved this feat (not easy to do!) and were able to attend the event to receive recognition for their hard work in front of the Mayor of Camden and the other special guests including author Tola Okogwu who presented the certificates. Well done to them (see next page!)

Camden Summer Reading Challenge Award Winners

Well done to Max, Samantha, Aysen and Lolanthe who this week were recognised for all the amazing reading they did over the holidays and managed to complete the Camden Summer Reading Challenge!
