The Crowndale Centre is hosting a self sufficient women's health day which is a free event on the 22nd November please see [page 31-32](#) for details.

Please do take time to look through the whole newsletter—especially if you haven't done so for a while as there is so much available to both you and your children across Camden. We're sure you will find something of use whether that be a drop in sessions, a club, or information. there is so much on offer in Camden from the Council and other local community groups.

Morning Snacks—Fruit only please

Please can you ensure that if your child is bringing in a morning snack to have at playtime that is restricted to a piece of fruit. Any other food items should be kept to have with their lunch and any packaging disposed of in the dining room (or if in Tupperware left on the trolley in the hall to be collected after school). Thank you.

Infant Playground after school—Please read

If you are staying behind after school and using the playground then you must ensure you are supervising your child/children. Children must not take out or use any of the equipment in the green boxes located in either playground. Children must not be in the Reception play area at all or in Year 1's fenced off outside area either. Teachers set up outdoor activities for children ready for the next day and do need them to be left alone and not messed up. We are happy for children to stay and play supervised by a parent/carer however, If the rules can not be followed then we will unfortunately not be allowing anyone to remain in the school after school time.

MAYOR OF LONDON

Date: May 2025

Dear Parent/Carer,

Delivering universal free school meals (UFSM) in London's primary schools has been one of my proudest achievements. I am delighted that all primary school children in state-funded schools will continue to receive free school meals for as long as I am Mayor.

Over the last two academic years, I have seen first-hand the transformative impact of this important intervention, ensuring that no child goes hungry and giving all children the best possible chance to succeed.

At a time when the cost of living is still so high, I hope this program has offered some financial relief to your family – potentially saving parents and carers over £500 per year per child. It is hugely encouraging to see research show that UFSM in London are also improving nutrition, behaviour, concentration, energy levels and parent-school relationships.

Even though your child will continue receiving free school meals automatically, it remains vitally important to register for the Government's free school meals if you meet the criteria.

This will ensure you receive other benefits you may be entitled to, like food vouchers during the holidays. It could also bring the school an extra £1,480 in funding per child. That is more money for extra-curricular activities, teacher development, and support for children who need it most.

Please visit <https://www.gov.uk/apply-free-school-meals> or speak to your school for further information on how to register.

I am immensely proud that we have funded over 70 million free school meals to date, with hundreds of thousands of London's primary school children benefitting every day. I know this is just one part of the help families need to support their families.

I will continue to do all I can to support Londoners of all backgrounds, as we build a fairer, better and healthier London for everyone.

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go on to gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Message to parents from our School Inclusion Support Officer

School Inclusion Support Officers

Over the last few months, you may have seen stories about the importance of good attendance on social media, on TV, in newspapers and there have been posters in bus shelter in Camden and the government has launched its Moments Matter Attendance counts campaign this month. The government is very concerned about the number of pupils who are missing school, and they are asking council's attendance services and schools to help support children return to school.

Camden council has appointed three new School Inclusion Support Officers to help support schools improve attendance and reduce suspensions / exclusions by ensuring children and young people who are absent from education or at risk of suspension/exclusion receive appropriate interventions and support to enable them to achieve positive educational outcomes.

Our School Inclusion Support officer is Ms. Alison Ellis, and she will be visiting us in the coming weeks and some parents may be invited to meet with the School Inclusion Support Officer to discuss the reason for poor attendance and what we can do to help your child to return to school.

We know that children who attend school regularly and on time are more able to access their learning, get support in subjects they may struggle with and have a better chance of passing their exams.

We know as a parent you also worry about your child's future, and we want to work with you to ensure every pupil at Fleet has a full-time education to maximise opportunities for everyone to realise their potential.

Being a parent is not easy if you need talk to someone about your child's attendance, please contact me on: alison.ellis@camden.gov.uk

It is never too late to benefit from good attendance.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second installment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Winter Circle of Security Parenting group (CAMHS)

We are pleased to inform you that CAMHS (WFT-P) are running a new Circle of Security group starting this October.

What? The group is called Circle of Security Parenting Group for parents of children aged 1-5. The group is run by two clinical psychologist and will support parents and carers to understand their child's communications and behaviours through an attachment lens. There is a focus on parents' and carers' own histories and experiences and how these may interact with their current parenting. It's a lovely intervention which takes a strengths-based approach to enhance parents' own confidence and enable them to promote their child's secure attachment and self-esteem. Here is short video to give you a flavour:

[Circle of Security Animation - YouTube.](#)

Who? Are you working with a family/parent/carer who are:

- anxious about their parenting roles
- struggling to understand/respond to their child's communication/behaviour
- feeling triggered/overwhelmed by their child's communication/behaviour
- struggling with their relationship with their child
- wanting to understand more about their child's emotional world
- likely to benefit from a space to reflect on their experiences of being parented and current parenting
- wanting to develop their confidence in their parenting skills/may benefit from receiving peer support around their parenting

Where? At Agar Children's Centre. Creche support TBC.

When? Starting on 16th October 2025 (with a break over half term) and running for 8 sessions until 12th December - 12.30 - 2.30pm.

Who can attend? Parents who would benefit from a space to reflect on their relationship with their child. We welcome fathers and couples. For further details, please see the following advert: [Circle of security parenting group - Tavistock and Portman](#). *Please note the current dates (October – December) and location (Agar).*

Referral process: If you are working with families you think would benefit please send an email to *both* Nicky and Fran at: flarcombe@tavi-port.nhs.uk and nsmith@tavi-port.nhs.uk with the subject line 'Circle of Security referral'. We will arrange a brief referral discussion to discuss why you think the parent(s) would benefit from the group. If they are suitable, we will ask you to complete a group referral form and we will then organise an assessment with family.

Please note, this is a targeted and not specialist intervention. As such, there may be some families who may benefit from a different kind of support and may not be suitable for CoS on this occasion.

We look forward to hearing from you soon!

With best wishes,

Fran & Nicky

AUTUMN TERM Calendar 2025

Welcome to our AUTUMN Term Calendar of events, workshops and meetings for any parent, carer in Camden with a child or young person (0- 25 years) with special needs. Whether you are seeking guidance, looking to share your experiences or simply hoping to connect with other parents or carers, our calendar has something for everyone. Please join us!

Coffee Mornings are a chance to meet other parents for a chat & to share advice and info.

Walk and Talks are relaxed walks on Hampstead Heath and a chance to get together with other parents, have a cup of coffee along the way and just talk about anything and everything.

Workshops are held each term jointly with other services and agencies on various subjects.

Forum Meetings are when we get together as parents with different professionals from services in and around Camden – ask questions, get updates and give feedback.

If you would like to attend any of the events on our calendar below, request a zoom link for our online workshops, find out more information or to join our membership and receive regular updates directly - [please get in touch:](#)

Introducing the new neurodevelopmental website for children, young people, families and professionals in Barnet, Camden, Enfield, Haringey and Islington

A new ADHD and Autism website has been developed to improve and enhance the support available for children and families across North Central London (NCL). Specifically created for children and young people (CYP), as well as their families and professionals working with them, this pioneering website is the first of its kind for the area.

The site was co-produced with young people, parent/carers and professionals across the five North London boroughs. The idea behind its creation was to help users to easily find information local to them, such as NHS assessment services, psychoeducation and pre- and post-diagnostic support online and in their area, and to find support in **one convenient location**. Young people can search for organisations suitable to their needs, and parent/carers can access the live online calendar to look for drop-ins, training sessions and many more events – connecting people to their community.

This site acts as a central resource, delivering information and guidance on education, wellbeing, communication, self-care, and family support services, bringing together a wide range of support options throughout NCL. It is a cornerstone of NCL's commitment to accessible, equitable, and high-quality neurodevelopmental care. Visit the site today at [Autism and ADHD support in NCL | Waiting Room](#) or by scanning the QR code on the accompanying leaflet.

The site is part of the NCL Waiting Room and has been designed to provide comprehensive and user-friendly resources.

Talk to us about MMR

Take your child's Red Book or vaccine record to their vaccination appointment. You can ask the nurse any questions you have about the MMR or other vaccines.

MMR does not cause autism. Many studies have shown there is no link between MMR and autism. Your nurse will be happy to answer any questions you have about this in your appointment.

Ask your GP or nurse for an MMR vaccine without pork ingredients if you need it.

There are two brands of MMR vaccine in the UK – MMR VaxPro and Priorix. MMR VaxPro contains pork gelatine and Priorix does not.

If your child needs an MMR vaccine without pork ingredients, tell your doctor or nurse and they will be given a Priorix vaccine.

Is your child fully vaccinated against measles?

Measles cases are increasing in London

What is measles?

Measles is a very contagious disease that can make kids seriously unwell if they're not fully vaccinated. Measles is also very serious in pregnancy and for people with weakened immune systems.

There is no cure for measles and it can lead to complications like pneumonia and in rare cases can lead to long term disability or death.

camden.gov.uk/measles

Measles symptoms

- Measles usually starts with cold-like symptoms, followed by a rash a few days later.
- The rash starts on the face and behind the ears before spreading to the rest of the body.
- The rash looks brown or red on white skin. It may be harder to see on brown and black skin.

Rash

Temperature

Runny nose

Red eye

Cough

If you think your child has measles

If you or your child has symptoms of measles, stay at home. Measles can spread easily so call your GP surgery before going in. They may suggest talking over the phone. You can also call NHS 111 for advice.

Find out more about symptoms and see photos of the measles rash at nhs.uk/conditions/measles

The MMR vaccine is safe and effective

Two doses of the measles, mumps and rubella (MMR) vaccine is the only protection against the most severe forms of measles. The vaccine also offers protection against mumps and rubella. It is safe and effective and always free for everyone on the NHS.

MMR vaccinations are needed at age:

1 year

3 years and 4 months

If your child has missed either or both of these vaccines, it's not too late to catch up.

Getting a free MMR vaccine

- Check if your child is up to date with their measles vaccinations by looking in their Red Book (or vaccine record). If you're not sure, contact your GP to book a free vaccine appointment.
- You can find free vaccine appointments near you at schoolvaccination.uk/catch-up-camden or by calling 020 4603 3486.

What Parents & Educators Need to Know about AI-GENERATED VIDEOS

WHAT ARE THE RISKS?

AI-generated videos are increasingly difficult to spot and easy to share. From fake news clips to deepfake abuse, children and young people face new risks every day online. These videos can imitate real people, spread false narratives or even generate harmful content from scratch. Understanding these dangers is crucial for schools and families who want to protect children in a fast-evolving digital world.

DEEPPAKE ABUSE CONTENT

Shockingly, artificial intelligence is now being exploited to create child sexual abuse material (CSAM). These synthetic images and videos are a form of digital abuse, often generated by manipulating real children's photos, including ones shared innocently online. Worryingly, the Internet Watch Foundation (IWF) has identified a sharp rise in this disturbing trend. Whether real or AI-generated, this content causes lasting trauma – and its creation or possession remains a criminal offence under UK law.

BLURRED REALITY

Regular exposure to fake content can erode a child's trust in real-world evidence. If everything can be faked, they may begin to question genuine videos – including actual abuse or injustice. This is known as the 'lora's dividend', where real harm is dismissed as fake news. It can discourage victims from coming forward or speaking up.

USED FOR BULLYING

Deepfake technology is already being used by peers to create embarrassing or explicit clips of classmates. These videos can be edited to appear as though a child said or did something they never did. Once shared, they are almost impossible to delete completely. AI-generated bullying adds a new layer of harm that is deeply personal and difficult to prove.

EMOTIONAL MANIPULATION

AI-generated videos can be used to provoke strong emotions, including fear, anger or guilt. False footage of crying children, injured animals or burning buildings may be created purely for clicks, donations or political influence. Children may feel upset or powerless, unaware that what they are watching has been digitally invented to manipulate their reaction.

DISINFORMATION

AI-generated videos can spread fake news, making it harder for children to separate fact from fiction. False clips may include deepfake interviews, hoax disasters or fabricated health claims. AI is already being used to produce misleading or persuasive material that appears authentic. If they don't develop media literacy, children may accept false content as truth.

IMPERSONATION AND SCAMS

With just a few photos or voice clips, AI tools can imitate someone's appearance or speech. This makes it easier for scammers or bullies to create fake videos of children, teachers or celebrities. These impersonations can be used for fraud, harassment or humiliation – and can spread quickly through social media or group chats, due to the viral potential of video, in particular, on social media.

Advice for Parents & Educators

TEACH HOW IT WORKS

Explain to children that videos can be faked – and show them how. Demonstrating side-by-side examples of real vs AI-generated clips helps to build awareness. Discuss how faces, voices and even movements can be copied by machines. Understanding the technology reduces fear and builds confidence in navigating digital content safely.

TALK ABOUT TRUST

Always keep lines of communication open. If a child sees something upsetting or unbelievable, they should feel safe discussing it without judgement. Create an environment where they know they will not get in trouble for asking questions. This also helps you step in quickly if harmful content has been shared; trust is vital and needs to be nurtured.

ENCOURAGE CRITICAL QUESTIONS

Help children question what they watch. Who made this? Why was it made? Is it trying to persuade me? These habits encourage digital thinking, especially when videos seem too shocking or convenient. Reinforce that not everything shared by friends or influencers is true, even if it looks convincing at first, and that the initial approach should always be one of speculation.

STRENGTHEN PRIVACY SETTINGS

Advise children not to share voice notes, selfies or personal videos on public platforms. AI tools often scrape content from social media to create deepfakes. Use privacy controls to limit who can see their content and turn off facial recognition where possible. Fewer public images means fewer opportunities for misuse.

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. In December, you can find the advice bus dates using this link [camden.gov.uk/winterevents](#). To find out more about advice and support, visit [camden.gov.uk/costofliving](#). INCREDIBLE YEARS SCHOOL AGE PROGRAMME

AN EVIDENCED BASED GROUP INTERVENTION TO SUPPORT PARENTS AND CARERS

The Incredible Years programme offers parents evidenced based strategies to improve children's behaviour, social skills, and academic achievement. It aims to build stronger relationships between parents and children, manage difficult behaviours, and promote positive outcomes. The programme helps parents develop skills to increase their child's self-esteem, manage emotions, and improve social skills.

Pregnancy & New Born Baby

New Born Baby to 2 Years

Child 2 to 5 Years

Mums, Dads and Carers,
come with your children to
your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

One-to-one support if you are feeling low, anxious or stressed by family life

Our support.

- Midwifery and health visiting services
- Information and support about breastfeeding, baby feeding and healthy eating
- Stay and play drop-ins and other activities for you and your child to enjoy together
- Family support team — if you need extra help
- Early education and childcare and childminders
- Help to find training and employment and benefits advice

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Step Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.

Free 24/7 urgent mental health support for young people

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need - including children, young people and their parents. The lines are free to call and open 365 days a year.

FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your

household income must be less than £7,400 a year (after tax and not including benefits)

- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or
 - reduced your hours to less than 16 hours in the last 4 weeks
- Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

Please ask Lisa in the office for help applying if you need it. Fleet relies on accurate funding to support the education of all our children.

Clue

There are hundreds of different ones out there, you will find them near home printers

and when not hiding inside printers they usually look like this

www.recycle4charity.co.uk

Recycle 4 Charity Treasure Hunt

Attention to all children and teachers!

Find some empty ink cartridges and bring them to the school to turn them into gold!

Your school will receive money for them, and you will help the environment with your recycling!

Do you have any used printer cartridges lying around at home? Send them into the school office!

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

COOPERATION TOWN

Cost of living too high?
Join a food co-op!

**Cooperation Town is a network
of community food co-ops.**

A food co-op is a neighbourhood buying group, where members get quality groceries at extremely good value.

Co-ops buy food and household products in bulk and, in addition, get free supermarket surplus.

Co-op members can save up to 40% on their weekly food costs by organising with friends and neighbours.

Food co-ops are managed by members, who together decide what to buy and how to run the project. No bosses, no managers!

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

'That's not very ladylike'

'Man up'

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoysof.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
- Swap 'he' and 'she' where male-dominated.
- Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.
