New items this week...

[Page 42](#) has the latest parent information sheet from National College—this week provides 10 top tips for parents & educators on developing healthy sleep patterns. Camden are running a cost of living crisis help session at Harmond on 17th July see [p72](#). There will be a boxing camp running at Redhill Street in the summer see [p68](#). Camden libraries will be auto enrolling all primary school children to Camden libraries where children will get their own library card and will be able to borrow books please see [p7-8](#) to read more on this. The Brandon Centre will have an ADHD parenting programme starting in September see [p39](#) for details. If you are on a low income please speak to your local pharmacy to see if you are entitled to certain free medication see [p80](#). Family Hubs Camden are running free potty training sessions see [p40](#) for info. Castlehaven Community Centre are running a somali culture event on 4th July see [p67](#) for details. Harmond children's centre are offering emotion coaching see [p37](#) for details. Incredible years school age programme see [p38](#) for details. Tfl are running a Camden junior citizenship scheme at the Salvation army in Chalk Farm see [p41](#) for details. The BBC are filming a new show in the summer focused on children who struggle to make friends see [p82](#) for info. Fleet will be hosting our annual summer fair on Friday 10th July after school please see [p3](#) for the poster and please do help out if you can, so much work goes into hosting these events and it just isn't possible without the help from parents (See the PTA or ask in the office if you are able to help out). Please do take time to look through the whole newsletter—especially if you haven't done so for a while as there is so much available to both you and your children across Camden. We're sure you will find something of use whether that be a drop in sessions, a club, or information there is so much on offer in Camden from the Council and other local community groups.

Morning Snacks—Fruit only please

Please can you ensure that if your child is bringing in a morning snack to have at playtime that is restricted to a piece of fruit. Any other food items should be kept to have with their lunch and any packaging disposed of in the dining room (or if in Tupperware left on the trolley in the hall to be collected after school). Thank you.

Met Engage - Community Crimefighting

Met Engage is a new online tool whereby the Metropolitan Police will circulate information to users about issues that may impact them in their area, and where they can be contacted by residents and stakeholders (such as school parents) who can have their say in setting local ward priorities and objectives.

The Met are currently trying to encourage as many people as possible to sign up to share information and to provide feedback to the police who serve their community.

MAYOR OF LONDON

Date: May 2025

Dear Parent/Carer,

Delivering universal free school meals (UFSM) in London's primary schools has been one of my proudest achievements. I am delighted that all primary school children in state-funded schools will continue to receive free school meals for as long as I am Mayor.

Over the last two academic years, I have seen first-hand the transformative impact of this important intervention, ensuring that no child goes hungry and giving all children the best possible chance to succeed.

At a time when the cost of living is still so high, I hope this program has offered some financial relief to your family – potentially saving parents and carers over £500 per year per child. It is hugely encouraging to see research show that UFSM in London are also improving nutrition, behaviour, concentration, energy levels and parent-school relationships.

Even though your child will continue receiving free school meals automatically, it remains vitally important to register for the Government's free school meals if you meet the criteria.

This will ensure you receive other benefits you may be entitled to, like food vouchers during the holidays. It could also bring the school an extra £1,480 in funding per child. That is more money for extra-curricular activities, teacher development, and support for children who need it most.

Please visit <https://www.gov.uk/apply-free-school-meals> or speak to your school for further information on how to register.

I am immensely proud that we have funded over 70 million free school meals to date, with hundreds of thousands of London's primary school children benefitting every day. I know this is just one part of the help families need to support their families.

I will continue to do all I can to support Londoners of all backgrounds, as we build a fairer, better and healthier London for everyone.

How will it work?

All children at a Camden state school, from Reception to Year 6, will be automatically joined to Camden libraries. Camden Council will securely transfer the data the library service needs to create a library membership. Schools are supporting this because of the clear benefits reading for pleasure has on your child's education. All data will be handled securely and confidentially, according to GDPR guidelines. It is the data you shared when you enrolled your child for a primary school place. The auto-enrolments data will be transferred this week and, during the summer and autumn terms 2026, your child will receive their library card at school when it is ready. You are invited to come to the library and see what we have to offer.

What do I need to do?

You do not need to bring any further information or proof of address for your child's membership of the library. We hope you will come and visit our libraries to help your child find and borrow books. There are nine Camden libraries, and you can visit any of them. A member can also use our free 24/7 digital library, that can help with homework - this can be found online at camden.gov.uk/digital-library.

How do I find my local library?

Please check on the website to find your local library and opening times at camden.gov.uk/library-information.

What data do you hold about my child and what if I don't want my child to be part of this?

We will hold some of your child's personal data on the Library Management System. This includes their name, address, school, school year and date of birth. You shared the data with the Council when you enrolled them at primary school.

You have the right to opt out of library membership. To do so, please contact your local library or email libraries@camden.gov.uk. We will then delete your child's information from the library management system. If you want more information about how we use your personal data please see the [library privacy notice](#) and our main privacy notice at camden.gov.uk/privacy or scan our QR code:

Camden Council

02 June 2026

Dear Parent / Carer,

Your child, if they are not already, will soon be a member of Camden libraries! Camden Council is working with all local state schools to auto-enrol primary-age children to the public library service if they don't already have a library card. The library card will be delivered to your child through their school during the summer and autumn terms.

This year is the National Year of Reading, and Camden wants every child to discover the joy of reading, because we know the benefits it has for wellbeing and education. The library card can be used to borrow up to 20 books. There are thousands to choose from in our nine libraries, including picture books, talking books, stories and information books, books in other languages and graphic novels.

Why are we auto-enrolling children to the library service?

Reading for pleasure helps a child's development in language and understanding. It supports academic success and aids problem-solving.

We've made it easier for parents and carers to support children to use the library by introducing this auto-enrolment. By becoming a member of Camden libraries, your child will have access to thousands of books they can borrow and will support reading at each stage of their life, as well as free events and activities that help to foster a love of reading and learning. Membership is free and borrowing books is free - and there are no charges if you return books late.

Every year, Camden libraries run the Summer Reading Challenge to encourage reading over the summer holidays. As a member, your child can take part and join free activities.

We hope you will come and visit our libraries with your child and their new library card, to help them find and borrow books. You do not need to bring any further information or proof of address for your child's membership of the library.

Don't let your child miss out - every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Message to parents from our School Inclusion Support Officer

School Inclusion Support Officers

Over the last few months, you may have seen stories about the importance of good attendance on social media, on TV, in newspapers and there have been posters in bus shelter in Camden and the government has launched its Moments Matter Attendance counts campaign this month. The government is very concerned about the number of pupils who are missing school, and they are asking council's attendance services and schools to help support children return to school.

Camden council has appointed three new School Inclusion Support Officers to help support schools improve attendance and reduce suspensions / exclusions by ensuring children and young people who are absent from education or at risk of suspension/exclusion receive appropriate interventions and support to enable them to achieve positive educational outcomes.

Our School Inclusion Support officer is Ms. Alison Ellis, and she will be visiting us in the coming weeks and some parents may be invited to meet with the School Inclusion Support Officer to discuss the reason for poor attendance and what we can do to help your child to return to school.

We know that children who attend school regularly and on time are more able to access their learning, get support in subjects they may struggle with and have a better chance of passing their exams.

We know as a parent you also worry about your child's future, and we want to work with you to ensure every pupil at Fleet has a full-time education to maximise opportunities for everyone to realise their potential.

Being a parent is not easy if you need talk to someone about your child's attendance, please contact me on: alison.ellis@camden.gov.uk

It is never too late to benefit from good attendance.

Why learn music?

Learning a musical instrument can –

Support your child's literacy and numeracy

Help with concentration, co-ordination and mood

Lead to a career or be a lifelong, fulfilling activity where they will make friends.

How can you help?

Your child will need to practise regularly to make progress. At first this will mean setting aside 10 – 15 minutes three or four times a week (a regular time is best) but as your child progresses, they will need to practise most days, for longer. Younger children will need you to help them – you don't need to be musical, just be encouraging.

What else will help?

As soon as your child is able to play for more than a few minutes happily, and can play and read about eight notes, they could join one of our groups, make friends, and really develop their musicality.

Terms and conditions

All Camden Music staff have enhanced DBS clearance.

Payment for lessons must be made in advance. Lessons can only begin once a payment is received. You may pay in two instalments. You must have paid the second instalment by half term.

We offer ten lessons per school term. Most terms have more than ten weeks. In the event of us not being able to offer ten lessons we will credit your account or make a refund for lessons missed. If the school is closed for reasons relating to COVID-19, lessons will be taught online. If you are unable to access online lessons, it may not be possible to make up the missed lessons and no refund will be given.

If the tutor is absent we will try to find a suitably qualified temporary replacement. If this is not possible and your child does not receive the number of lessons paid for that term, you will be reimbursed automatically after the end of the term.

In the event of a pupil not attending a lesson for any reason the tutor will make up the lesson, provided written notice has been given to both the tutor and to the Music Service three weeks before the missed lesson. If this is not possible, the cost of the missed lesson will be credited to your account. Lessons missed without three weeks' notice will not be made up and no refunds will be made.

Camden Music and/or the school will monitor the attendance and progress of pupils receiving free or subsidised lessons, and subsidy may be withdrawn if attendance is unsatisfactory.

If you wish to cancel tuition we require at least half a term's notice.

If you have any queries or require further information, please contact the Camden Music Service – 020 7974 7239 – camdenmusic@camden.gov.uk

Individual Instrument Tuition at Fleet

Welcome to the Camden Instrumental Service

The Camden Music Service aims to extend the range of high quality instrumental tuition available to children attending Camden schools.

What instruments can my child learn?

We currently offer tuition on piano. Do let us know if your child is interested in starting a different instrument. If there is enough interest we can look to provide a tutor.

Will my child need an instrument?

Yes, because to progress children need to practise between lessons. Camden Music Service has a stock of instruments available for hire at very reasonable cost. Unfortunately we are not able to hire pianos, keyboards or drum kits.

If you would like to buy an instrument we can help through our **Instrumental Purchase Scheme** which lets you buy a brand new instrument at a greatly reduced price. To make life even easier, we offer a 12-month interest-free repayment scheme.

When and where will lessons take place?

Most instrumental lessons take place during the school day which means that pupils leave a classroom lesson for a short period.

What types of lessons are there?

We offer shared or individual lessons. Shared lessons can only be offered where there is another child of a suitable age and standard to share with yours. If there isn't, we will arrange a 20-minute individual lesson for you.

Shared lessons

- Ideal for beginners, especially for younger children
- Children learn from each other and have the opportunity to play together; excellent preparation for playing in ensembles later
- Children who start in a group can change to individual lessons later

Individual lessons

- Ideal for children who benefit from individual attention
- Better for children who are easily distracted
- Any sense of competition is reduced
- Easier to arrange a lesson to suit the needs of the child

What will it cost?

The following fees are based on 10 lessons during a school term.

Ten shared lessons (2 children) £84 per term
Ten individual 20 min lessons £112 per term
Ten individual 30 min lessons £168 per term

How do I pay?

The Music Service will send you an invoice before the start of term. **Lessons will only start once you have paid.** Payment may be made online or over the phone.

Is any financial help available?

Children eligible for Free School Meals may apply for a 50% reduction in fees.

What about if we want to stop?

We will invoice you for the next term's lessons shortly after half term. If you don't want to continue, please let us know. Lessons are booked for a term at a time and it is not usually possible to stop lessons part way through a term.

How do I apply?

- You can apply online
- Visit www.camden.gov.uk/camdens-music-service and follow the link to instrumental and voice lessons in schools.
- We will put your child on our waiting list if there is not a lesson space available straight away.
- We will send you an invoice when a lesson is available. Your child's lesson will not start until you pay.

Introducing the new neurodevelopmental website for children, young people, families and professionals in Barnet, Camden, Enfield, Haringey and Islington

A new ADHD and Autism website has been developed to improve and enhance the support available for children and families across North Central London (NCL). Specifically created for children and young people (CYP), as well as their families and professionals working with them, this pioneering website is the first of its kind for the area.

The site was co-produced with young people, parent/carers and professionals across the five North London boroughs. The idea behind its creation was to help users to easily find information local to them, such as NHS assessment services, psychoeducation and pre- and post-diagnostic support online and in their area, and to find support in **one convenient location**. Young people can search for organisations suitable to their needs, and parent/carers can access the live online calendar to look for drop-ins, training sessions and many more events – connecting people to their community.

This site acts as a central resource, delivering information and guidance on education, wellbeing, communication, self-care, and family support services, bringing together a wide range of support options throughout NCL. It is a cornerstone of NCL's commitment to accessible, equitable, and high-quality neurodevelopmental care. Visit the site today at [Autism and ADHD support in NCL | Waiting Room](#) or by scanning the QR code on the accompanying leaflet.

The site is part of the NCL Waiting Room and has been designed to provide comprehensive and user-friendly resources.

CAMDEN

Parent Carer Forum

Camden's official Forum for parents and carers of children and young people aged 0-25 with Special Educational Needs and Disabilities (SEND).

Providing a safe and supportive community for parents and carers of SEND children in Camden.

Who are we?

The Camden Special Parents Forum is run by parents of SEND Children who live in & have links with the local Community. We understand the unique journey of raising children with special educational needs. We aim to share information, listen to your experiences, identify common themes and strengthen our common voice to improve services.

We are a member of the National Network of Parent Carer Forums (known as the NNPCF), which brings together the collective voice of families like ours from across England.

We work in partnership with Camden Local Authority (Education, Health & Social Care) and other service providers to influence how they commission, plan and deliver services to meet the needs of children and young people with SEND.

What do we do?

1 Peer support:

We hold regular events to bring parents & carers together in person or online, in a safe and supportive environment where they can share experiences & discuss ideas. We provide activities that promote self care & support Parents and Carers looking after themselves to ensure that they can look after others to the best of their ability.

2 Training and Workshops:

We work in partnership with different education, health and social care providers to provide training and workshops on different topics helpful to parents and carers.

3 Co-production and Co-Design

We work in partnership with Camden Local Authority to feedback views of parents and carers and ensure that the families voices are at the centre of the work that they do. We hold an informative bi-monthly forum meeting which is attended by professionals alongside parents and carers to break down the barriers & support a co-productive relationship. Members are encouraged to share individual & collective experiences & use their voices to help co-design & shape services.

We also support key opportunities for parents & carers to feed into focus groups/ provide consultation on key areas.

You are welcome to come along to any of our events, they are informal, friendly and very informative!

Early Years SEND parent coffee morning: focus on sleep

For parents and carers of children aged 0-5 years with emerging or diagnosed Special Educational Needs or Disabilities. This is a relaxed and supportive space where you can:

- Connect with others who understand the challenges and joys of raising a child with additional needs
- Share experiences and advice
- Find emotional support
- Make new friends who understand your journey
- Access information about what resources are available for children with SEND in Camden

SIGN UP!

SLEEP

In our Sleep Workshop for parents, Michelle Stott (Mosaic CAMHs psychologist and sleep counsellor) will:

- Discuss what might be maintaining your child's sleeping difficulties
- Give you information and advice about different ways of managing these difficulties including behavioural strategies and evening routines
- Give you a space to ask questions
- Give you an opportunity to meet other parents whose children may be experiencing similar difficulties to yours

After signing up, you will receive a sleep diary that you may want to complete before the session.

When:

Tuesday 21st April,
10:00am-12:00pm -
Hampden Centre 80
Polygon Road NW1 1HQ
and

Tuesday 13th October
10:00am - 12:00pm Agar

Talk to us about MMR

Take your child's Red Book or vaccine record to their vaccination appointment. You can ask the nurse any questions you have about the MMR or other vaccines.

X MMR does not cause autism. Many studies have shown there is no link between MMR and autism. Your nurse will be happy to answer any questions you have about this in your appointment.

✓ Ask your GP or nurse for an MMR vaccine without pork ingredients if you need it.

There are two brands of MMR vaccine in the UK – MMR VaxPro and Priorix. MMR VaxPro contains pork gelatine and Priorix does not.

If your child needs an MMR vaccine without pork ingredients, tell your doctor or nurse and they will be given a Priorix vaccine.

Is your child fully vaccinated against measles?

Measles cases are increasing in London

What is measles?

Measles is a very contagious disease that can make kids seriously unwell if they're not fully vaccinated. Measles is also very serious in pregnancy and for people with weakened immune systems.

There is no cure for measles and it can lead to complications like pneumonia and in rare cases can lead to long term disability or death.

camden.gov.uk/measles

camden.gov.uk/measles

Measles symptoms

- Measles usually starts with cold-like symptoms, followed by a rash a few days later.
- The rash starts on the face and behind the ears before spreading to the rest of the body.
- The rash looks brown or red on white skin. It may be harder to see on brown and black skin.

Rash

Temperature

Runny nose

Red eye

Cough

If you think your child has measles

If you or your child has symptoms of measles, stay at home. Measles can spread easily so call your GP surgery before going in. They may suggest talking over the phone. You can also call NHS 111 for advice.

Find out more about symptoms and see photos of the measles rash at nhs.uk/conditions/measles

The MMR vaccine is safe and effective

Two doses of the measles, mumps and rubella (MMR) vaccine is the only protection against the most severe forms of measles. The vaccine also offers protection against mumps and rubella. It is safe and effective and always free for everyone on the NHS.

MMR vaccinations are needed at age:

1 year

3 years and 4 months

If your child has missed either or both of these vaccines, it's not too late to catch up.

Getting a free MMR vaccine

- Check if your child is up to date with their measles vaccinations by looking in their Red Book (or vaccine record). If you're not sure, contact your GP to book a free vaccine appointment.
- You can find free vaccine appointments near you at schoolvaccination.uk/catch-up-camden or by calling 020 4603 3495.

From the National College - Wakeup Wednesday Guides

At The National College, our WakeupWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators DEVELOPING HEALTHY SLEEP PATTERNS

Quality sleep is paramount for wellbeing as it impacts our cognitive function, emotional balance and overall health. A World Health Organisation study highlighted that 44% of young people reported difficulty sleeping – potentially affecting their mood, concentration and immune system. Our guide offers expert tips for helping children to sleep more healthily.

1 MINDFUL TECH USE

Encourage a balanced approach to screen time. While phones, laptops, tablets and so on can serve as a helpful means of stress relief, it's advisable to minimise their use right before bed. These devices can keep the mind racing long after they're switched off, impacting how easily and how well a person can sleep.

2 EFFECTIVE SLEEP PRACTICES

Offer practical advice on reinforcing certain habits that have a positive influence on sleeping patterns. Children could start keeping a diary which they add to each evening, for example – or they could use up excess energy by exercising during the day.

3 HYDRATION HABITS

Underline the importance of drinking plenty of water throughout the day, while limiting drinks close to bedtime to prevent disruptions during the night: it's a lot harder to switch off if you keep needing to get out of bed for the toilet. Avoiding caffeinated drinks later in the day also allows the body and brain to slow down naturally, without any chemicals firing them back up.

4 CONSISTENT BEDTIME SCHEDULE

Assist children in developing consistent bedtime routines that tell the body it's time to wind down, promoting a more relaxed state. Establish specific activities for young ones right before going to bed – such as brushing their teeth – to set up an association between that action and falling asleep.

5 OPTIMAL SLEEP ENVIRONMENT

Ensure that the bedroom is comfortable, dark and free from distractions, fostering an ideal space for quality rest. The room's temperature should also be suitable for sleeping – that is, not too hot and not too cold – while rooms should be kept as tidy and free of clutter as possible.

6 RELAXING EVENING ACTIVITIES

Recommend activities that have a calming effect on the mind – such as reading or gentle stretching – in the lead up to bedtime, to prepare the mind for a peaceful night's sleep. Doing something quiet, relaxing and low intensity signals to the brain that it's time to rest and makes falling asleep much easier.

7 PRIORITISING ADEQUATE SLEEP

Emphasise the crucial role of sleep in maintaining physical and emotional wellbeing. It's especially important to sustain a healthy sleep pattern during challenging and intensive periods in our lives: during the exam season for children and young people, for instance.

8 NUTRITIONAL BALANCE

Highlight the significance of a healthy, balanced diet – and its role in establishing a more consistent sleep pattern. Try to lean towards preparing meals with plenty of fruit and vegetables, served in reasonable portion sizes: not only is this a lot healthier, but it also reduces the chances of feeling too full to be comfortable in bed.

9 PARENTAL SUPPORT

Parents and carers, of course, are uniquely situated to support their children in establishing and maintaining healthy sleeping habits. Parents can review their own sleep habits (incorporating anything from this list that they don't do already) to model a balanced bedtime routine and reinforce the importance of self-care.

10 MILITARY SLEEP METHOD

Look up 'the military sleep method'. It's a technique for falling asleep quickly, which incorporates deep breathing exercises. You could encourage children to try it or even use it yourself. While it can take a good deal of practice to perfect, eventually it will start to feel natural – and the results are often extremely impressive!

Dolly Parton's Imagination Library

<https://www.camden.gov.uk/imagination-library>

Dolly Parton's Imagination Library is a free programme that gifts books to children. The programme was started by Dolly Parton in 1995. She was inspired by her father, who could not read or write. The programme's goal is to help children everywhere love reading.

This project is supported by funds raised by players of [People's Postcode Lottery](#) and delivered by Dolly Parton's charity, [The Dollywood Foundation](#).

Imagination Library Scheme

Camden libraries and the British Library are hosting free children's creative activities for Clean Air Day on 18 June and London Climate Action Week (20 to 28 June), as part of the borough's Green Library Hub.

On Thursday 18 June, from 4pm to 5pm, children aged 4 to 11 can Build an Air Pollution Catcher at 5 Pancras Square Library, N1C 4AG. Become a Clean Air Hero by building simple pollution catchers to help spot and observe air pollution. It's an easy and creative way to learn more about the air around us, how pollution affects our communities, and why clean air matters. [Book places via Eventbrite](#).

Other children's events taking place during [London Climate Action Week](#) include The Broken Umbrella Challenge at Camden Town Library, 218 Eversholt Street, NW1 1BD on Monday 22 June, from 4pm to 5.30pm. Learn how to repurpose broken objects by transforming them into something new at this fun and engaging workshop. For ages 5 to 9 - [book here](#).

The Broken Umbrella Challenge is also running at the British Library, 96 Euston Road, NW1 2DB on Thursday 25 June, from 4pm 5.30pm. For ages 5 to 9 - [book here](#).

Applications are open to join the Royal Ballet and Opera's Youth Opera Programmes.

We are inviting young singers aged 8–11 (on 1 September 2026), to apply to join our **Young Voices** programme and **Youth Opera Company** this September. Applications close at **midnight on Sunday 10 May**.

Both programmes are **free** and offer an exciting opportunity for young people to develop their singing, performance skills, and confidence.

Young Voices (Ages 8-9)

A six-month singing training programme developing vocal skills and musical understanding, with performance opportunities in showcases at the Royal Opera House.

Youth Opera Company (ages 9–11)

A multi-year programme offering all-round training in the performing arts. Members develop vocal technique, language, stagecraft, musical literacy and creative skills. They also have opportunities to write, rehearse and perform their own new operas, and to audition for the Children's Chorus, who perform in productions on the Royal Opera House main stage.

Schedule and location

Sessions take place on **Saturdays during term time** at the Royal Opera House, Covent Garden, with additional and extended sessions around performance opportunities.

Young Voices: 10:00–12:00 (September–Easter)

Youth Opera Company: 13:00–16:00

Current members say:

"It has been one of the most amazing experiences of my life. Before I joined YOC, I was a bit hesitant about opera, but I now really enjoy it!"

— 2025 Youth Opera Company member

"YOC is really special because I've met lots of other young people who like singing, like me. I've also loved performing on the Royal Opera main stage in The Magic Flute and in Hansel and Gretel."

— 2026 Youth Opera Company member

Find out more and apply here: [RBO Youth Opera Programmes](#)

Applications close at midnight on Sunday 10 May. If you have any questions, or run into any issues completing the application form, please do get in touch at youthopera@roh.org.uk.

THE
ST. MARTIN'S
THEATRE

SEE MERMAIDS & PIRATES IN LONDON'S WEST END

Join us in July for a sun-soaked Caribbean adventure, bursting with calypso rhythms, colourful characters and laugh-out-loud mischief.

When Long Gone Silver and his hapless band of pirates land on Treasure Island, they are not prepared for Marina Mermaid and her tribe of sassy mermates. Chaos ensues as each claims stake to the island, but can songster Rita Conchita or the peace-loving Coconut Chief's Sacred Coconut mission save the day?

Mermaids & Pirates is a one-hour musical designed especially for the whole family, packed full of catchy songs, energetic dancing and larger than life characters.

"The singing was out of this world, the actors were excellent – everything a theatre visit should be."

Praise for a previous Perform Productions' show

Cost of Living Crisis - Camden Support Available

Healthy Start pre-paid card and free vitamins

Do you receive income support? Are you pregnant or do you have any children under the age of four? You may be eligible for a Healthy Start prepaid card. The Healthy Start payments can be used to buy milk, fruit, vegetables, and infant formula. If you are eligible, you may receive: **£4.25 each week from the 10th week of your pregnancy, £8.50 each week for children from birth to one year old, £4.25 each week for children between one and four years old.** [Apply online](#). Pregnant women and children under the age of four are also eligible for free vitamins from children's centres. Find your local children's centre [here](#).

Cost of living crisis advice, support booklet and translated advice

To support residents with the cost of living crisis, Camden have developed an advice and support booklet [which can be downloaded here](#). We have translated posters which signpost to support with the cost of living crisis, help with food, energy bills, mental health and help finding a job into Arabic, Somali, Sylheti, Turkish, Kurdish, Lingala and Swahili. [These can be downloaded on Camden website](#).

Cost of Living Crisis Fund Payment

Camden Council's Cost of Living Crisis Fund is for residents and families facing severe financial hardship and who cannot afford essentials – including food, energy bills, water, electricity and housing.

- The maximum award for a household of any size is £500
- A household can only receive a maximum of two awards in a 12-month period - and the amount you are awarded will depend on your circumstances and household size
- We will prioritise those in greatest need

The support can take many forms including payments into bank accounts, vouchers, help with debt repayments or equipment that will help you to reduce your costs and/or keep warm this winter.

How to apply

Camden want to ensure residents are getting all the help and advice they need to live well in Camden.

If you are a tenant and in financial hardship, speak to your neighbourhood housing officer who will be able to refer you to the scheme and help you get other forms of support.

If you live in temporary or supported housing or have a social worker, speak to your support worker as they can also refer you for a payment and help you get other forms of support.

If you live in the private rented sector, other social housing or own your home and are in financial hardship, [speak to one of our advice partners](#). You can also get help via [Good Work Camden](#), by calling Citizens Advice Camden on 0808 278 7835 or by calling us on 020 7974 4444, option 9 (welfare support).

We can also refer you as school – come and speak to us if you think you are eligible and need our help to access this support (see eligibility criteria below):

Eligibility criteria

You must have lived in Camden for at least six weeks. We will check the council tax database and if you are not registered then we will come back to you for another form of proof such as a bill, bank statement or benefit letter addressed to you at the address you are claiming for. The faster we receive proof of residency the faster the award can be made.

2. No more than two payments will be made per household in any 12-month period. When you apply, we will check records to see how many awards a household has received. If there is more than one adult or family in the household, the application must come from the person responsible for council tax.

3. You must be over 18 to apply, but we will accept applications from 16 to 18 year olds living independently because we know that not all young people are able to remain at home

You must be able to prove that you are in severe hardship or financial crisis

The cost-of-living advice bus

If you're struggling with the cost-of-living crisis and want some help, come along to our advice bus. Run in collaboration with local advice partners, you'll be able to get advice on a range of issues - including money, debt, help finding a job and accessing all the support you're entitled to. Pregnancy & New Born Baby

New Born Baby to 2 Years

Child 2 to 5 Years

Mums, Dads and Carers, come with your children to your local children's centre.

Happy, healthy and looking forward to the future? That's what you and your child deserve. It's why Camden has developed a complete range of services, designed to offer support during the first months and years of your child's life.

We're here for the whole family. From the moment you know you're expecting a baby, our services and support will be available to you and your child, right up until birth and for years into the future.

Advice and play activities to support your child's speech and language

What kind of help?

We want you to feel confident as a parent, to be aware of everything that's available for your child's early development. We can help — come and talk to us.

You may be a first-time dad or mum or you could already have a family. Either way, we want to help you and your child to feel secure, healthy and happy.

Some dads and mums are anxious about caring for their baby and how to look after a growing child. Others need help with practical issues like benefits advice, employment or arranging affordable childcare.

Whatever you need, we want to help you and your child get the best start in life.

One-to-one support if you are feeling low, anxious or stressed by family life

Our support.

- Midwifery and health visiting services
- Information and support about breastfeeding, baby feeding and healthy eating
- Stay and play drop-ins and other activities for you and your child to enjoy together
- Family support team — if you need extra help
- Early education and childcare and childminders

Camden Early Help

Everyone needs a little help sometimes. If you're feeling worried about your child, or you want to make a change in your life, Camden Early Help is here for you, your children and your whole family.

- ▶ Free support service for families with children aged 0 to 19 in Camden
- ▶ Practical and emotional support with a range of life issues if they are starting to feel overwhelming
- ▶ Working with you and your family to help make whatever changes you want to make
- ▶ Helping you and your family develop friendships and feel connected with your community.

Early Help

As well as family workers, there's lots of other options:

- ▶ Early Help Family Group Conference – bring together a circle of family members, friends, neighbours or community members to help solve problems
- ▶ Parenting programmes – a range of programmes for parents to be, and parents with children from 0-19 to help you feel confident and positive about your parenting role
- ▶ Activities – to enjoy time together as a family
- ▶ Early Help Play – support to access holiday play schemes, breakfast clubs, after-school clubs, and free early education and childcare places*
- ▶ Employment advice and welfare rights – access to our advisors to help with benefits and all things work-related
- ▶ Connections to housing support and homelessness services
- ▶ Connections to community organisations in your area.

How do I get Early Help?

You can contact us today, or you can talk to someone in your life that you trust. This might be your child's teacher or nursery worker, your GP or health visitor, your housing or tenancy support worker or youth worker.

They can contact us on your behalf, and then you can work with us if you would like to.

If it feels like it's time to make a change, Camden Early Help would love to be by your side so the little things don't become big things.

What's Early Help?

Early Help is about family and being here for when families are experiencing things that are starting to feel overwhelming. Early Help is about whatever is important to you, whatever is causing you to feel distress or worry. Early Help is for families with children of any age, from 0 to 19. It's voluntary and your choice whether to have it or not.

What can you help with?

Every family we work with is unique. We work with families experiencing relationship breakdown or conflict, violence in the home, children showing distressed behaviour, support for first time parents, housing, rent or money worries, difficulties at school, worries about a child's health or development, managing changes in circumstances, grief and bereavement, and mental health problems. Often it's a combination of many things. But whatever it is that you and your family want to change, we are here to work with you - to help you and your family get to where you want to be.

What does Early Help do?

There are lots of Early Help services in Camden, so we'll work with you to figure out the one you think will be most helpful to you and your family. You can watch a video about Early Help made by a Camden young person here: [youtube.com/user/CamdenCouncil](https://www.youtube.com/user/CamdenCouncil)

Early Help services include:

Sure Start

A full range of help and support in your local children's centre if you are pregnant or have a child under 5.

Early Help Co-ordinators

Someone to have a chat with to see how we can help and what Early Help service might be most useful.

First Step Early Help

A team of family workers who will work alongside you for up to 12 weeks, and help you and the network of people around you to feel on the right track.

Families in Focus

A team of family workers who will work alongside you for 6 to 12 months.

Transformation Team

A team of family workers who will work alongside you for 12 months plus.

Youth Early Help

A full range of help and support for families with children aged 11 plus and young people.

Every Early Help team will:

- ▶ Be with you through the tough stuff
- ▶ Listen to you and your family – we'll be led by you
- ▶ Focus on what's important to you and your family, and what a good life might look like for you
- ▶ Work with you to find out what's going well and what feels strong
- ▶ Work with you to explore and make sense of the things you want to change
- ▶ Make a plan with you, your children and your family so the changes can start to happen
- ▶ Make sure everyone involved works together to help you and your family best.

Free 24/7 urgent mental health support for young people

The NHS has set up free telephone lines across London for young people in distress, open all day, every day, and staffed by trained mental health professionals. They can provide immediate support, or refer people to other sources of help if needed.

Find your local crisis line number [here](#).

URGENT MENTAL HEALTH SUPPORT 24/7

Worried about your mental health?

Young people and their parents can get urgent support and advice from trained NHS mental health advisors, any time, day or night.

Every mental health trust in London has put in place a telephone line for people in urgent need - including children, young people and their parents. The lines are free to call and open 365 days a year.

FREE SCHOOL MEALS STATUS

For this year, all children from Reception—Year 6 will be able to receive a free school meal thanks to the Mayor of London's programme and you don't need to do anything to apply for it—simply let us know your child will be taking up the offer and that is it—nothing to fill in or apply for. However, this is different from 'Free School Meal Status'. This is still something you need to apply through Camden for. It is really important that you do this as this measure dictates a lot of the funding schools are allocated. To ensure we receive the correct funding we need all children who are eligible for this status to complete the process. You may be entitled to this status and therefore Fleet will receive additional funding if you receive one of the following:

- Income Support
- Income-based Job Seeker's Allowance
- Income-related Employment and Support Allowance
- Universal Credit – your

household income must be less than £7,400 a year (after tax and not including benefits)

- Child Tax Credit with a taxable income of no more than £16,190 and not in receipt of Working Tax Credit
- the Guaranteed Element of State Pension Credit support from the National Asylum Support Service (NASS)

If you receive Working Tax Credit you will not be entitled to free school meals status unless you have:

- stopped work in the last 4 weeks; or
 - reduced your hours to less than 16 hours in the last 4 weeks
- Free school meal entitlement will mean that you will not have to pay for school lunches and will receive concessionary rates for clubs and trips. It is also important for you to apply, as the school receives extra funding.

<https://accountforms.camden.gov.uk/freeschoolmeals/>

Please ask Lisa in the office for help applying if you need it. Fleet relies on accurate funding to support the education of all our children.

Parent group: Families, Food and Feelings

The Enhanced Healthy Living Service (EHLS) runs quarterly 6-week parent groups for Camden and Islington parents/carers of children aged 5-17 who struggle with excess weight. The group focuses on psychoeducation and strategies around boundary setting, healthy modelling, emotional eating and encouraging a healthy relationship with food. Referrals are accepted by professionals and parents can also self-refer via the brandoncentre.healthyliving@nhs.net email address.

Gender equality: guide for families

What are gender stereotypes?

Fixed and widely held ideas about roles and behaviours that society thinks appropriate for men and women, girls and boys. For example that boys are more active, adventurous and tough and that girls are more caring, emotional and concerned with appearance. These stereotypes are everywhere in children's lives – in clothes, toys, books, media and language.

Children learn what those around them expect of them as a girl or a boy and their brains adapt. What might look like a child's free choice of toys, friends, subjects or jobs is heavily influenced by the messages the child has absorbed from birth about what's suitable for their gender. **The good news is that we can change these messages.**

Why are they bad for everyone?

Gender stereotypes can limit children's choices, behaviour, aspirations and even achievement. They are bad for individuals and for society. They steer girls and boys in different directions – feeding different subject choices, different job options and even different health outcomes.

Study and work:

- In childhood, construction and science toys are often sold 'for boys'. At A level, only 10% of computing and 22% of physics students are girls. At work, less than 10% of engineers are female.
- In childhood, children learn that dolls are 'girls' toys' and that women do more caring work. At work, fathers are twice as likely to be turned down in a request for flexible working. Only 11% of nurses are male.
- When it comes to children's career ideas, the gender divide is as strong at age 4 as at 14.

Health and mental health:

- In childhood, boys learn not to show their feelings except through anger. Boys are 6 times less likely than girls to seek Childline counselling about suicidal thoughts and feelings. Men account for 75% of all suicides.
- 1 in 4 women in the UK will be a victim of domestic violence in her lifetime.

'You cry like a girl'

FAQs

- *But aren't girls and boys just different?*
Despite popular perceptions, there is no credible scientific evidence of natural difference in interests or skills between genders. Children learn from the stereotypes surrounding them what is considered 'normal' for their gender – and their choices adapt accordingly.
- *What's wrong with girls and boys liking different things?*
Nothing, so long as it is down to an individual child's preference rather than pressure to conform. Girls and boys are more alike than different.
- *Are you saying I should stop telling my daughter how pretty she is?*
No – but if her appearance is what your daughter is most often praised for then she may start to think that society values her looks above her other qualities.
- *What about boys?*
Statistically, boys are more likely than girls to achieve lower grades in school, to go to prison and not to seek help for mental health problems. Harmful gender stereotyping contributes to these outcomes.

Our aim: that children be free to make their own way as individuals, unlimited by gendered expectations

www.liftinglimits.org.uk

Gender stereotyping: what can we do about it?

Toys:

- Building blocks, puzzles and construction develop spatial awareness. Dolls and imaginary play help to develop empathy and communication. Introduce a range of toys for all children.
- Thinking about buying presents? For help avoiding gifts which reinforce gender stereotyping see the Let Toys be Toys website at www.lettoysbetoys.org.uk – especially their Gift Guides and recommended retailers.

Opportunities to challenge gender stereotypes:

- In role-play games with younger children, who plays what roles?
- Talk to children about what they are seeing on TV – in what roles are male and female characters shown? How are female and male characters dressed?
- Look for positive role models of female leaders, women in sport, men in caring roles.

Language:

- Think about the messages language can suggest – e.g. 'man up' suggests that boys should not show their emotions. Never use 'girl' or 'girlie' as an insult.
- 'We need a strong man to open that' 'I can't do that with these nails' – throwaway comments can have a powerful impact on children.
- Use 'humankind' rather than 'mankind' or 'firefighter' rather than 'fireman' – avoid using the masculine to refer to everyone.

Expectations and aspirations:

Beware assumptions which might influence children's aspirations – e.g. by suggesting certain jobs are more for women or men or by assuming a future role as carer for girls and breadwinner for boys.

Books:

- Children's books still send very gendered messages about male and female roles.
- Look for books with strong female leads and boys in caring roles – for boys and girls.
 - Swap 'he' and 'she' where male-dominated.
 - Use books as an opportunity to question roles and attitudes.

Around the home:

- Who do children see doing what work around the house?
- What chores are children given at home – are they different for girls and boys?
- Is different behaviour expected of sons and daughters?
- If newspapers and magazines show women and men in stereotypical roles, question these so that children don't assume that's just the way the world is.

Attitudes:

- Teach children that caring roles are rewarding and important – and ensure that boys can see themselves in caring roles.
- All emotions are for everyone! Don't discourage boys from crying or expressing how they feel.
- What praise are children given? e.g. repeated praise of girls as pretty and boys as clever or strong teaches children what society expects of them.

Clothes and shoes:

- Are girls wearing clothes or shoes which are more delicate – which they need to keep clean or which hinder them in climbing or kicking a ball?
- Think about slogans, colours and the messages they send.

Similarities and differences:

- Don't set up girls and boys as 'opposite' or separate – there are more similarities between them than differences.
- Beware treating girls or boys as uniform groups.
- Friendships between genders are to be encouraged.
