

Fleet News

Friday 10th July 2026

As we head into the final week of the school year, I think it's safe to say that the biggest talking point has been the weather! The recent heat has certainly tested us all, but one thing we have been especially grateful for is our air conditioning. It has really come into its own recently and has helped keep classrooms comfortable and learning continuing, even as temperatures have soared outside. A huge thank you to all our families for continuing to get children to and from school in the heat. I know it hasn't been easy, particularly at the hottest times of the day. I'd also like to recognise our staff, many of whom make their journeys on packed public transport during the busiest commuting hours. Their commitment to being here each day for your children, whatever the weather, never goes unnoticed. With just one week to go, it's the final push to the summer holidays. We have lots of exciting events planned, alongside the chance to celebrate another successful year together. It will also be time to say goodbye to our wonderful Year 6 children—and to some families who have been part of the Fleet community for many years. I'm sure there will be more than a few tears by Friday afternoon... and I suspect many of them will come from the staff! I hope you all manage to stay cool over the weekend, and we look forward to welcoming everyone back on Monday for the final week of term. A reminder that **school finishes at 2.00pm next Friday**, so please make arrangements for prompt collection. Finally, for those of you watching England take on Norway this weekend, I hope you get the result you're hoping for. I'll certainly be watching—and, as always, hoping Harry Kane can add a few more goals to his ever-growing tally!

General Health & Safety Reminders...

- Don't send in any snacks or food containing nuts - we're a nut free school.
- No chocolate, crisps, snacks high in sugar or salt, should be brought into school.
- Only collect children early if you have pre-arranged this with the office due to a medical appointment - school finishes at 3.30pm
- If your child is going on a playdate with another parent after school please make sure to let the teacher know directly. Do not rely on the other parent to tell us.
- If you change phone numbers or addresses please let us know immediately. We need your current contact details.
- Please do not prop open the main gate to the school site either before or after school. If there is not a member of staff there, the gate should be kept closed.
- If adults need to use the toilet on the school premises, even if accompanying a child, they must use the staff toilets in the corridor.
- The site is open to parents from 8am for breakfast club, please wait until then, even if a member of staff is buzzed in whilst you're waiting
- If you are in the junior playground after school, please supervise your children carefully and be mindful that the equipment in the junior playground is designed for older children and is unsafe for little ones. Other playground equipment (balls etc) are not for use after school.
- If you need to walk between the main school and the Nursery please use the path rather than cutting through the hall or corridor.

Mobile Phones...

If you choose to send your child to school with a mobile phone - please remind them and ensure they hand it in to the office on arrival. It should not be collected until they are leaving school (if going to an after school club the phones stays in the office until after the club).

Children should not have a mobile phone on them around school under any circumstances.

Thank you for your ongoing support with this.

FLEET'S FREE BREAKFAST CLUB

We have been successful in an application for funding for our breakfast club. This will allow us to offer every child who attends a free place.

These places are available NOW!

Those who already attend can continue to attend from 8am at no cost. They will be provided with a breakfast and can play games and chat with their friends along with adult supervision until 8.30am when they can go into the playground to play, again supervised by adult staff.

We know from experience that getting to school on time and having time to play with friends and chat makes a huge difference in helping children to settle to their learning when the bell goes and the school day starts at 9am.

We also know that a good breakfast is crucial to support, health, growth and concentration. We would encourage as many of you as possible to take up this opportunity to access a free breakfast club place from 8am everyday.

If you re currently not using breakfast club and would like to from when the free places start after the Easter break, please just let the office know.

Makaton Sign of the week...

Each week we'll be sharing a new *Makaton sign* that the children are learning in school. You'll find the sign in this newsletter, along with a QR code if you'd like to see more information or practise at home. Please ask your child to show you the sign—they'll love teaching you what they've learned!

What is Makaton?

Makaton is a way of communicating that uses simple signs and symbols alongside speech. It helps children (and adults) to understand and express themselves, especially if they find language tricky. You may have seen Makaton being used on TV, in hospitals, or in other schools—it helps make communication more inclusive for everyone.

By learning Makaton together, we're giving all our children an extra tool to support understanding, confidence, and inclusion.

Let's keep the momentum going as – remember, **every day in school counts!** Remember if your child has been unwell and no longer has a high temperature they are welcome to come to school, we really need to show some resilience going forward. If your child has had the morning off and feels better you are more than welcome to bring them in if they are feeling better and we can always call home if they are feeling really bad however, you will find once they are in it takes their mind off of feeling unwell.

- Repeated unauthorised absences can lead to **court prosecution, fines up to £1,000**, and may affect your child's school place.

We strongly encourage families to book holidays during official school breaks to avoid missing valuable learning time.

Well done to Leo (club champion) and Frankie (school champion) and to all the other children who took part. As special mention to Frankie, who Alem awarded a special prize in recognition of the dedication to the sport he has shown over the last 3 years and for being such an amazing help in setting up the tables each week. Huge thank you to Alem for all her hard work with the club and promoting Table Tennis with the Fleet children.
