Message from the Executive Head:

We've spent time this week looking closely at children's progress and attainment over the autumn term. Many children are doing brilliantly, and we're so proud of their efforts. Where children haven't quite met the goals we had hoped for, it's often linked to attendance. Being in school every day really does make a difference, and we want to work with you to make sure your child gets the very best out of every day.

Punctuality is just as important. A few minutes late each morning might not seem like much, but it quickly adds up. Those first few moments of the school day help children settle, feel calm and ready to learn. Arriving late can leave them feeling rushed or unsettled – which can impact their whole morning. Last term, the number of late arrivals was more than double that of the same period last year. We know we can do better – and with your help, we will. Don't forget, we offer Breakfast Club from 8am, and the playground opens with adult supervision from 8.30am to support a smooth start to the day. You should have received your child's curriculum letter and topic snapshot this week via ParentHub, and a hard copy of the snapshot was also sent home. We recommend popping it on the fridge or somewhere visible – it's a great tool for chatting with your child about what they're learning as the term progresses.

Thank you, as always, for your continued support. Have a lovely weekend – we look forward to seeing you on Monday!

General Health & Safety Reminders...

- Don't send in any snacks or food containing nuts - we are a nut free school.
- If your child is going on a playdate with another parent after school please make sure to let the teacher know directly. Do not rely on the other parent to tell us.
- If you change phone numbers or addresses please let us know immediately. We need your current contact details.
- Please do not prop open the main gate to the school site either before or after school. If there is not a member of staff there, the gate should be kept closed.
- If adults need to use the toilet on the school premises, even if accompanying a child, they must use the staff toilets in the corridor.
- The site is open to parents from 8am for breakfast club, please wait until then, even if a member of staff is buzzed in whilst you're waiting *(some parents have been coming in before 8 and leaving their children in the qube unattended)*
- If you are in the junior playground after school, please supervise your children carefully and be mindful that the equipment in the junior playground is designed for older children and is unsafe for little ones. Other playground equipment (balls etc) is not for use after school.
- If you need to walk between the main school and the Nursery please use the path rather than cutting through the hall or corridor.

Mobile Phones...

If you choose to send your child to school with a mobile phone - please remind them and ensure they hand it in to the office on arrival. It should not be collected until they are leaving school (if going to an after school club the phones stays in the office until after the club).

Children should not have a mobile phone on them around school under any circumstances.

Thank you for your ongoing support with this.

Makaton Sign of the week...

Each week we'll be sharing a new *Makaton sign* that the children are learning in school. You'll find the sign in this newsletter, along with a QR code if you'd like to see more information or practise at home. Please ask your child to show you the sign—they'll love teaching you what they've learned!

What is Makaton?

Makaton is a way of communicating that uses simple signs and symbols alongside speech. It helps children (and adults) to understand and express themselves, especially if they find language tricky. You may have seen Makaton being used on TV, in hospitals, or in other schools—it helps make communication more inclusive for everyone.

By learning Makaton together, we're giving all our children an extra tool to support understanding, confidence, and inclusion.

This week's
sign is...

Let's keep the momentum going as – remember, **every day in school counts!** Remember if your child has been unwell and no longer has a high temperature they are welcome to come to school, we really need to show some resilience going forward. If your child has had the morning off and feels better you are more than welcome to bring them in if they are feeling better and we can always call home if they are feeling really bad however, you will find once they are in it takes their mind off of feeling unwell.

The new topic displays are going up in the resource block corridor outside Don's office so do try to have a look next week if you are picking up or dropping off - lots of interesting work up to show the entry points to these new topics.
