

Fleet News

Friday 23rd January 2026

Message from the Executive Head:

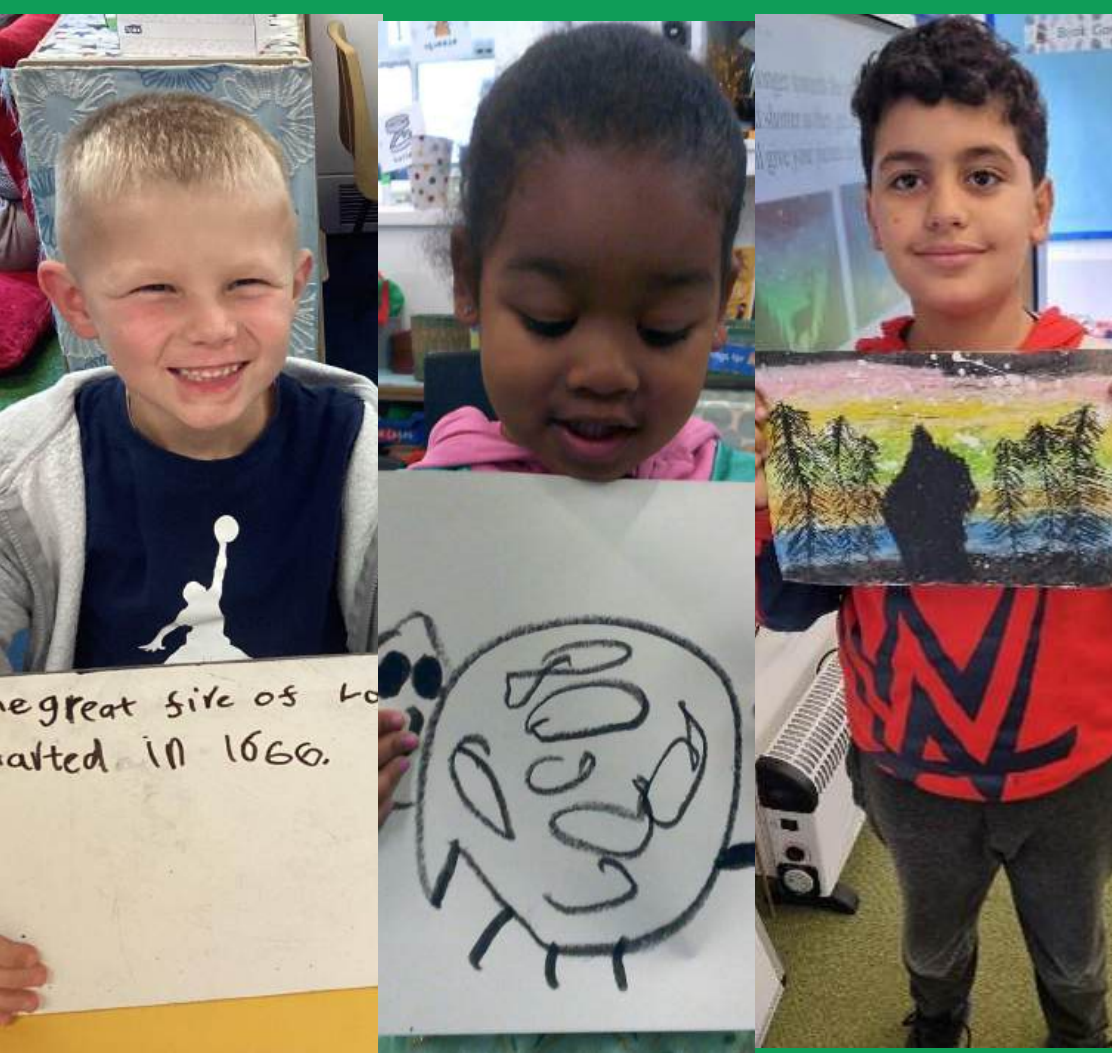

The weather has certainly been keeping us on our toes lately! Please do make sure children are coming to school dressed appropriately each day, with coats and suitable footwear. Even on wet days, if it isn't raining heavily, we will still try to get the children outside for play and fresh air. Outdoor time and physical exercise are so important for children's wellbeing, and it really does help them settle, concentrate and learn more effectively once back in class.

A reminder as well that we have Open Classrooms next week in the morning, with a focus on Maths. Please check the dates for your child's class in this newsletter. It will be a great opportunity to see some of the methods we use in school and pick up practical ideas to support maths learning at home.

Finally, a gentle reminder about attendance and punctuality. This year, both have been lower than we are used to, and we are already noticing the impact this is having on some children's progress and confidence. I've said it before, but the evidence is clear — children who are able to push through minor illness (as we all get ill from time to time) and build resilience miss less learning and achieve stronger outcomes over time. Thank you, as always, for your continued support in ensuring your children are in school as often as possible, and arriving on time each day.

Have a great weekend and see you all next week.

General Health & Safety Reminders...

- Don't send in any snacks or food containing nuts - we are a nut free school.
- If your child is going on a playdate with another parent after school please make sure to let the teacher know directly. Do not rely on the other parent to tell us.
- If you change phone numbers or addresses please let us know immediately. We need your current contact details.
- Please do not prop open the main gate to the school site either before or after school. If there is not a member of staff there, the gate should be kept closed.
- If adults need to use the toilet on the school premises, even if accompanying a child, they must use the staff toilets in the corridor.
- The site is open to parents from 8am for breakfast club, please wait until then, even if a member of staff is buzzed in whilst you're waiting *(some parents have been coming in before 8 and leaving their children in the qube unattended)*
- If you are in the junior playground after school, please supervise your children carefully and be mindful that the equipment in the junior playground is designed for older children and is unsafe for little ones. Other playground equipment (balls etc) is not for use after school.
- If you need to walk between the main school and the Nursery please use the path rather than cutting through the hall or corridor.

Mobile Phones...

If you choose to send your child to school with a mobile phone - please remind them and ensure they hand it in to the office on arrival. It should not be collected until they are leaving school (if going to an after school club the phones stays in the office until after the club).

Children should not have a mobile phone on them around school under any circumstances.

Thank you for your ongoing support with this.

Makaton Sign of the week...

Each week we'll be sharing a new *Makaton sign* that the children are learning in school. You'll find the sign in this newsletter, along with a QR code if you'd like to see more information or practise at home. Please ask your child to show you the sign—they'll love teaching you what they've learned!

What is Makaton?

Makaton is a way of communicating that uses simple signs and symbols alongside speech. It helps children (and adults) to understand and express themselves, especially if they find language tricky. You may have seen Makaton being used on TV, in hospitals, or in other schools—it helps make communication more inclusive for everyone.

By learning Makaton together, we're giving all our children an extra tool to support understanding, confidence, and inclusion.

This week's sign is...

Weekly Punctuality Award

Punctuality Update: Thank you to all families for continuing to make punctuality a priority. Arriving on time sets children up for a successful day of learning, and we appreciate your efforts to ensure pupils are in class ready to start at **9:00am**. This week, we recorded **32 lates** across the school – this is a fantastic improvement but 32 lates is still too high so let's keep on improving! All classes apart from one have managed to improve this week so let's all keep up the good work. We can definitely get these figures lower still - you can do it!

Punctuality Summary – This Week

- **Reception: 3** - (last week 5 lates) Go Reception! Great work keep it up!
- **Year 1: 5** – (last week 8 lates) Well done Year 1 an improvement keep it up!
- **Year 2: 5** – (last week 9 lates) Brilliant Year 2 keep up the good work!
- **Year 3: 4** – (last week 12 lates) Wow well done Year 3 an amazing improvement!
- **Year 4: 6** – (last week 9 lates) Great work Year 4 let's keep it up!
- **Year 5: 4** – (last week 7 lates) Amazing work Year 5 we are proud of you all!
- **Year 6: 5** – (last week 3 lates) We can do better Year 6 you can do it!

Please help your child to be more organised in the morning so that they are able to get to school on time ready to start the school day!

 **Remember – the school day starts promptly at 9:00am.** Arriving late can cause disruption to your child's learning and the class as a whole.

 **Free Bagels:** Available every morning from **8:30am** in the playground – a great way to start the day.

 **Breakfast Club:** Breakfast is available from 8am.

Helpful Reminders

- Classrooms open at 8:45am
- Breakfast Club is available from 8:00am in the QUBE
- Free bagels are served daily from 8:30am in the playground
- Children arriving after 9:00am will be marked as late

Weekly Attendance Award

Attendance Update: A huge thank you to all our pupils and families for your continued commitment to excellent attendance. **Congratulations to Year 5**, who topped the attendance chart with an impressive 96% – an outstanding achievement!

Weekly Attendance Summary

- **Reception:** 94.2% –(last week 98.2%) Come on Reception we know you can do better than that!
- **Year 1:** 95.6% - (last week 87.3%) Wow great improvement Year 1 keep it up! A close 2nd this week!
- **Year 2:** 92.5% – (last week 96.6%) What happened Year 2 we were doing so well!? Let's improve!
- **Year 3:** 94.2% – (last week 93.4%) Well done Year 3 still improving let's keep up the good work!
- **Year 4:** 93.1% - (last week 90.6%) Another class who has improved keep it up Year 4!
- **Year 5:** 96% – (last week 97.3%) Well done Year 5 top of the school! Can we aim for the top next week too?
- **Year 6:** 94% - (last week 93.2%) Slight improvement keep it up Year 6 we know you can do it!

Whole School Attendance this week

- **This week:** 92.7%
- **Overall for the year so far:** 91.7%

While this week's attendance sits at %, below our 96% target, we're proud of the effort shown by many classes. Let's keep the momentum going as – remember, **every day in school counts!** Remember if your child has been unwell and no longer has a high temperature they are welcome to come to school, we really need to show some resilience going forward. If your child has had the morning off and feels better you are more than welcome to bring them in if they are feeling better and we can always call home if they are feeling really bad however, you will find once they are in it takes their mind off of feeling unwell.

Helpful Reminders

 **Reporting Absence:** If your child is unwell, please call the school office by **9:00am** on **0207 485 2028**.

 **Free Bagels:** Available every morning from **8:30am** in the playground – a great way to start the day.

 **Term-Time Holidays Reminder:** Please remember that holidays during term time are **not permitted** unless approved under **exceptional circumstances** by the Headteacher. In line with the **London Borough of Camden's attendance policy**:

- Unauthorised leave may result in a **Fixed Penalty Notice of £80 per parent, per child** (if paid within 21 days – rising to **£160** after 28 days).
- Repeated unauthorised absences can lead to **court prosecution, fines up to £1,000**, and may affect your child's school place.

We strongly encourage families to book holidays during official school breaks to avoid missing valuable learning time.

Meet the staff...

Name: Lynley
Role: Assistant Head Teacher
& Special Educational Needs
Co-ordinator
How long worked at Fleet:
In various evolving roles for
over 13 years!

One of our aims is that our fabulous staff work in partnership with you, our parents and carers, to support your children on their journey through school laying strong foundations for resilience and future success. To help build this relationship each week we will be introducing different staff who looking after and work with your children. We want you to get to know the adults in school and some things about them over and above their school role.

Favourite Food...

That depends on the time of year. Ice cream in summer, couscous anytime and special soup and pastries in Ramadan.

Favourite Book as a child...

I loved the Chronicles of Narnia. I was convinced I could get through my wardrobe to some exciting other world.

Hidden Talent...

Playing the clarinet and baking the tastiest sourdough bread you've ever tasted!

Favourite thing about school as a child...

I loved all the extra fetes and fairs. We had a flower and plant fete. It had loads of categories. One of the weirdest was decorating a plate with leaves and petals which had a very short shelf life. We also had a pet show. That was brilliant!

Dream destination...

There are ancient rock paintings in the Sahara, in Tassili, which is an extremely isolated area in southern Algeria. Just getting there would be part of the adventure.

Surprise fact about you...

I was in the national secondary schools hockey squad in New Zealand.

Any other jobs...

I've been a chef, a piano teacher, a pianist in a ballet school, an editor of academic articles (that was really boring) and a retail manager. Sadly, I've never been a vet.

Favourite Film...

The Godfather movies. Who doesn't like a mafia family drama? But also, La Bataille d'Algers, a brilliant movie about Algeria's battle for independence.

What did you want to be when you grew up...

I wanted to be a vet, until I thought about doing operations on animals and that seemed too gory.

Favourite activity to do when not at Fleet...

I love DIY and cooking.

This week at Fleet...

A busy week this week with a number of fantastic topic linked trips to the zoo and the observatory (shame the cloud cover meant telescope looking wasn't an option for year 5 this time round!). Do check your child's class page as a number of trips are booked into this busy term. As you can see in the photos lots of happy faces making the most of the creative learning opportunities given to them. We hope many of you can join us for the maths open mornings next week so we can share some fun ideas to bring maths fun into your family life and help reinforce the learning they do in school - see the dates for each class on page 9.

Star of the week!

~~As I enter~~ As I enter the train station,
the deafening sound of children Busted through my
ear drums. The faint lavender sent shivers up my
nostrils as I held my ^{ma-ma} ~~man~~ with ~~sweaty~~
palms. The ~~bl~~-buffling smoke of the rusty
train filled the dark atmosphere ^{like} ~~as~~ a ~~rough~~
~~rapidly~~ the ~~train~~ ~~chugged~~ towards me,
my heart Beating like a drum. ~~this~~ ^{will} be
the end, will I ever see my ~~man~~ ~~man~~ again
the ~~doors~~ opened towards me, I went in.
I looked back to check if she was there.
I regretted everything.
