

Fleet News

Friday 27th March 2026

As we come to the end of another busy term, I wanted to take a moment to reflect and say thank you to our wonderful Fleet community.

To those families who celebrated Eid last Friday, I hope you had a truly special time with friends and family. I've loved hearing the children talk about their celebrations—and seeing some of the incredible henna designs! They were so impressive it almost made me consider getting a new tattoo... I do love those patterns!

A huge thank you to all of our amazing Fleet staff. This has been a short term but certainly not a quiet one—it's felt like a bit of a whirlwind at times. Their dedication, energy and commitment to ensuring the very best for your children never goes unnoticed, and I am incredibly grateful for everything they do.

Thank you as well to all the parents and carers who donated items and helped out at this week's Whole School Class Tea. It was fantastic to see so many of you staying after school to chat and spend time together. The sense of community at Fleet is something very special—beyond the important funds raised by the PTA, it's that shared support and connection that makes the school such a lovely place to be, and one of the reasons I enjoy working here so much.

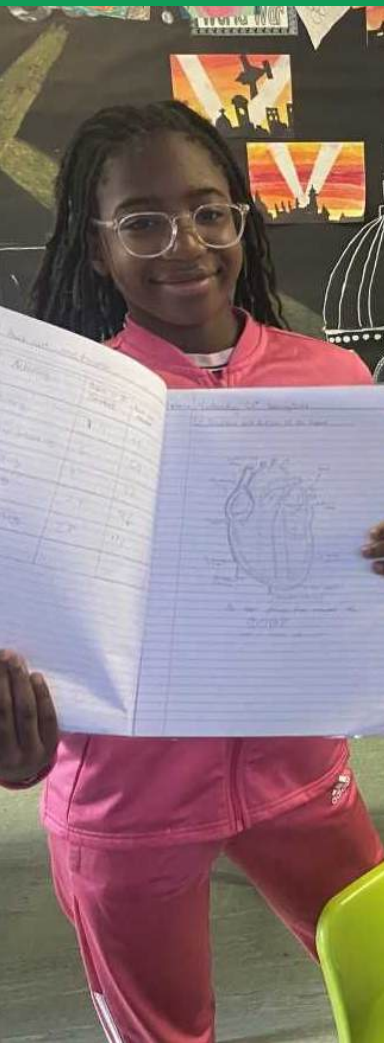

Please do take time to celebrate your children's achievements this term. They have worked incredibly hard and shown a fantastic attitude to their learning—we are very proud of them all. Attendance remains an area we are continuing to focus on. For some families, this has been a challenge, and as a school our overall attendance and punctuality are not where we would like them to be. With the weather improving and, hopefully, fewer winter illnesses around, we are really looking to see this improve next term. Quite simply, the more time children spend in school, the better their outcomes.

It was also wonderful to see so many children taking part in our annual Easter Egg decorating competition. The creativity on display was fantastic, and we loved celebrating the entries in this morning's assembly. Thank you for continuing to support these enriching and creative experiences.

Finally, I wish you all a restful and enjoyable Easter break. Do encourage your children to keep reading and practising their times tables—little and often really does make a difference and helps keep those skills sharp.

Thank you, as always, for your continued support. We look forward to welcoming the children back on Tuesday 14th April (please remember the school is closed on Monday 13th for INSET).

General Health & Safety Reminders...

- Don't send in any snacks or food containing nuts - we're a nut free school.
- No chocolate, crisps, snacks high in sugar or salt, should be brought into school.
- Only collect children early if you have pre-arranged this with the office due to a medical appointment - school finishes at 3.30pm
- If your child is going on a playdate with another parent after school please make sure to let the teacher know directly. Do not rely on the other parent to tell us.
- If you change phone numbers or addresses please let us know immediately. We need your current contact details.
- Please do not prop open the main gate to the school site either before or after school. If there is not a member of staff there, the gate should be kept closed.
- If adults need to use the toilet on the school premises, even if accompanying a child, they must use the staff toilets in the corridor.
- The site is open to parents from 8am for breakfast club, please wait until then, even if a member of staff is buzzed in whilst you're waiting
- If you are in the junior playground after school, please supervise your children carefully and be mindful that the equipment in the junior playground is designed for older children and is unsafe for little ones. Other playground equipment (balls etc) are not for use after school.
- If you need to walk between the main school and the Nursery please use the path rather than cutting through the hall or corridor.

Mobile Phones...

If you choose to send your child to school with a mobile phone - please remind them and ensure they hand it in to the office on arrival. It should not be collected until they are leaving school (if going to an after school club the phones stays in the office until after the club).

Children should not have a mobile phone on them around school under any circumstances.

Thank you for your ongoing support with this.

FLEET'S FREE BREAKFAST CLUB

We have been successful in an application for funding for our breakfast club. This will allow us to offer every child who attends a free place.

These places are available from after half term.

Those who already attend can continue to attend from 8am at no cost. They will be provided with a breakfast and can play games and chat with their friends along with adult supervision until 8.30am when they can go into the playground to play, again supervised by adult staff.

We know from experience that getting to school on time and having time to play with friends and chat makes a huge difference in helping children to settle to their learning when the bell goes and the school day starts at 9am.

We also know that a good breakfast is crucial to support, health, growth and concentration. We would encourage as many of you as possible to take up this opportunity to access a free breakfast club place from 8am everyday.

If you re currently not using breakfast club and would like to from when the free places start after the Easter break, please just let the office know.

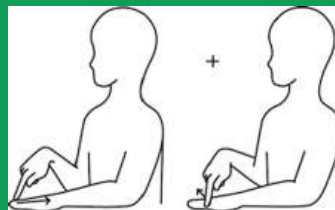

Makaton Sign of the week...

Each week we'll be sharing a new *Makaton sign* that the children are learning in school. You'll find the sign in this newsletter, along with a QR code if you'd like to see more information or practise at home. Please ask your child to show you the sign—they'll love teaching you what they've learned!

What is Makaton?

Makaton is a way of communicating that uses simple signs and symbols alongside speech. It helps children (and adults) to understand and express themselves, especially if they find language tricky. You may have seen Makaton being used on TV, in hospitals, or in other schools—it helps make communication more inclusive for everyone.

By learning Makaton together, we're giving all our children an extra tool to support understanding, confidence, and inclusion.

This week's signs are...

Eid and Easter

STREET TAG LIVE IN Camden

Move, Explore And Win Big With Street Tag

Your school has signed up to take part in Street Tag, a competition to help kids and families get active and explore your local area – with chances to win prizes for you and your school.

How Does Street Tag Work?

- Download the Street Tag app
- Find tags around the borough on the app
- Walk, run, wheel, scooter or cycle to the tags to earn points for you and your school
- Keep an eye on the leaderboard – who has the most points?
- Prizes to be won for the schools and taggers with the highest number of points.

PS: Parents can add up to two Child accounts on their Main account.

[QR code] Scan to download the app

Learn more – www.camden.gov.uk/StreetTag

STREET TAG LIVE IN Camden

Street Tag is a free, interactive mobile app that gamifies physical activity by turning local areas into a virtual playground where users collect points (tags) for walking, running, or cycling, earning rewards and competing on leaderboards with family, schools, or communities to promote health and exploration.

How to join:

- Install the app from Play Store/App Store and sign up.
- Enter the valid details, then click continue.
- Select the school leaderboard option then click continue.
- Select Camden Schools Leaderboard and click continue
- *Select/Pick your School team
- Enter your preferred gender, fill in the other optional details then click on sign up.
- Verify with phone number.
- After the verification step, please answer the short questionnaire.
- Congratulations, your account is ready for use!

PS: Parents can add up to two Child accounts on their Main account.

Termly Punctuality Award

It has been a very bad term in terms of Punctuality with overall number of lates significantly up on last year - see table below - from last year to 194 this year 552 which is shocking! Year 3 have the most room for improvement in terms of lates and really need to put the work in to improve this next term but all classes could do better! Being late disturbs not just your child's learning but that of all the others in the class too. Those who are consistently late will be invited to an attendance meeting next term to discuss this with Alison the attendance officer from Camden and our family support worker Saoirse Charles.

For those of you who support your children and consistently get your children to school on time thank you, there are 97 children who have not been late once 44.2% of the school.

To the right are the children who have not been late a single time this term, we are very proud of them all for their dedication and for excelling and ensuring they do not disturb their own or anyone else's learning by arriving late.

| Class | Late's Spring Term 2025-26 | Late's Spring Term for this class 2024-25 |
|--------------|----------------------------|---|
| Rec | 91 | 28 |
| Y1 | 82 | 32 |
| Y2 | 54 | 43 |
| Y3 | 133 | 22 |
| Y4 | 93 | 35 |
| Y5 | 62 | 23 |
| Y6 | 37 | 11 |
| Total | 552 | 194 |

Termly Attendance Award

It has been a very bad term in terms of Attendance with overall number of absences significantly up on last year - see table below - only one class has higher attendance compared to last spring! Missing school not only affects your child's learning but restricts their social interaction with their friends which can lead to poor social skills. Those who are consistently absent will be invited to an attendance meeting next term to discuss this with Alison the attendance officer from Camden and our family support worker Saoirse Charles.

For those of you who support your children and consistently get your children to school everyday thank you, there are 47 children who have not missed a single day of school this term.

To the right are the children who have not missed a single day this term, we are very proud of them all for their dedication and resilience!

Meet the staff...

Name: Fatima

Role: Learning Support Assistant

How long worked at Fleet:
This is my 2nd year

One of our aims is that our fabulous staff work in partnership with you, our parents and carers, to support your children on their journey through school laying strong foundations for resilience and future success. To help build this relationship each week we will be introducing different staff who looking after and work with your children. We want you to get to know the adults in school and some things about them over and above their school role.

Favourite Food...

Couscous - it is a Moroccan traditional food that I love to cook and eat with my family

Favourite Book as a child...

Majid - it is an Arabic book about children

Hidden Talent...

Cooking - my favourite thing to cook are Moroccan cookies.

Favourite thing about school as a child...

Reading - I loved all the different stories and excited places they took me.

Dream destination...

I would love to be able to go to Mecca for the Hajj

Surprise fact about you...

I go to the Gym after work! I love a work out even after a busy day in Nursery

Any other jobs...

Just working in many different schools

Favourite Film...

Matilda- it is such a good film and I love Matilda's strong personality!

What did you want to be when you grew up...

A teacher!

Favourite activity to do when not at Fleet...

Go to the Gym

Our Amazing Stars of the Term!

These children have been chosen by their teachers for their outstanding application and attitude to school, learning and all round being amazing! It's a hard choice each term and often there are a number of children teachers could pick but these are the ones who have been chosen. See the individual class pages for the reason the teacher has given. Well done to them all!

This week at Fleet...

The last week of the Spring Term comes to an end! Thank you for all your support with your children's learning this term and we hope you enjoy the last photo drop of the term's learning contained in the next few pages. See you in the Summer Term!

Fleet Easter Egg Decorating Competition 2026!

What an amazing array of 'eggs-cellent' entries we had to this competition - the most we've had in a number of years! Thank you so much to all who entered. It's was almost impossible to pick the 16 winners so every entry who didn't win one of the larger eggs got a creme egg for their effort - it's not Easter without a Creme Egg after all!
