BE ALLERGY AWARE WITH ALLERGY LIFESTYLE®

www.ALLERGYLIFESTYLE.com

Don't let your child miss out – every school day counts

Attending regularly is vital for your child's happiness and success in school.

We know that pupils with good school attendance – of 95% or more – are far more likely to achieve the expected level in their primary school tests at age 11 and go onto gain good passes in their GCSEs at age 16.

Every day your child is not in classes means they're less likely than their classmates to do well in school.

We know that most parents and carers make sure their children attend regularly. However, we also know absence rates in Camden are higher than we would like.

Please support your child to go to school regularly. If you need help or advice, please speak to your child's school.

Camden Learning

Message to parents from our School Inclusion Support Officer

School Inclusion Support Officers

Over the last few months, you may have seen stories about the importance of good attendance on social media, on TV, in newspapers and there have been posters in bus shelter in Camden and the government has launched its Moments Matter Attendance counts campaign this month. The government is very concerned about the number of pupils who are missing school, and they are asking council's attendance services and schools to help support children return to school.

Camden council has appointed three new School Inclusion Support Officers to help support schools improve attendance and reduce suspensions / exclusions by ensuring children and young people who are absent from education or at risk of suspension/exclusion receive appropriate interventions and support to enable them to achieve positive educational outcomes.

Our School Inclusion Support officer is Ms. Alison Ellis, and she will be visiting us in the coming weeks and some parents may be invited to meet with the School Inclusion Support Officer to discuss the reason for poor attendance and what we can do to help your child to return to school.

We know that children who attend school regularly and on time are more able to access their learning, get support in subjects they may struggle with and have a better chance of passing their exams.

We know as a parent you also worry about your child's future, and we want to work with you to ensure every pupil at Fleet has a full-time education to maximise opportunities for everyone to realise their potential.

Being a parent is not easy if you need talk to someone about your child's attendance, please contact me on: alison.ellis@camden.gov.uk

It is never too late to benefit from good attendance.

Please ensure you have signed up to our Arbor parent portal as we will be sending all communications via this from now on. You can download the app in your devices app store. If you have any issues signing up or need any assistance please do let the office know as soon as possible so that we can resolve this for you.

If you or any friends/family are tidying gardens and pruning trees please save and bring in any branches or logs for our Forest School. Any size! They are very useful for making dens and forest crafts. Thank you so much. If you have any questions, please pop over and speak to Rebecca Combes in Nursery.

CAMDEN Parent Carer Forum

Camden's official Forum for parents and carers of children and young people aged 0-25 with Special Educational Needs and Disabilities (SEND).

Providing a safe and supportive community for parents and carers of SEND children in Camden.

Who are we?

The Camden Special Parents Forum is run by parents of SEND Children who live in & have links with the local Community. We understand the unique journey of raising children with special educational needs. We aim to share information, listen to your experiences, identify common themes and strengthen our common voice to improve services.

We are a member of the National Network of Parent Carer Forums (known as the NNPCF), which brings together the collective voice of families like ours from across England.

We work in partnership with Camden Local Authority (Education, Health & Social Care) and other service providers to influence how they commission, plan and deliver services to meet the needs of children and young people with SEND.

What do we do?

1 Peer support:

We hold regular events to bring parents & carers together In person or online, in a safe and supportive environment where they can share experiences & discuss idea. We provide activities that promote self care & support Parents and Carers looking after themselves to ensure that they can look after others to the best of their ability.

2 Training and Workshops:

We work in partnership with different education, health and social care providers to provide training and workshops on different topics helpful to parents and carers.

3 Co-production and Co-Design

We work in partnership with Camden Local Authority to feedback views of parents and carers and ensure that the families voices are at the centre of the work that they do. We hold an informative bi-monthly forum meeting which is attended by professionals alongside parents and carers to break down the barriers & support a co-productive relationship. Members are encouraged to share individual & collective experiences & use their voices to help co-design & shape services.

We also support key opportunities for parents & carers to feed into focus groups/ provide consultation on key areas.

You are welcome to come along to any of our events, they are informal, friendly and very informative!

FIRST STEPS TO SWIMMING

Helping Children Feel Safe, Confident and Happy in the Water

This October half term, give your child the confidence to enjoy the water safely with our First Steps to Swimming programme at a pool near you in **Camden.**

Designed for children aged **7 – 11** years old who are **new to swimming** or lack confidence in the water, this supportive and fun course helps children develop essential water safety skills while taking their first steps towards becoming a swimmer.

WHAT THEY'LL LEARN

Through engaging activities and expert teaching, children will learn how to float, move through the water, control their breathing and stay safe around water. They'll also explore simple self-rescue skills and learn what to do if they ever get into difficulty.

LESSONS BACKED BY THE BEST

Better Swim School is part of GLL, the UK's largest swimming lesson provider, and proud to be RLSS UK's first Water Safety Education Partner. It means every parent choosing Better Swim School can be confident they're backed by two organisations that take water safety as seriously as you do.

About our Best Start Family Hubs

There are 5 Best Start Family Hubs in Camden, bringing all our family support together in welcoming spaces across the borough.
They are part of the government's Best Start in Life strategy, which brings together services, support and local offers to guide families from pregnancy, through early years and into school, so they can get the help they need, when they need it.
The first 1,001 days, from pregnancy to age 2, are especially important, and early support can make a lasting difference.
Spread across the borough, the hubs act as local one-stop place to access services and connect with other families.
You can register or update your contact details on the Camden website.

How we can support you

Our free services include:

- midwifery and health visiting, including our Best Start for Baby service
- baby feeding support
- mental health and wellbeing support
- parenting classes to help build your skills and confidence
- support for children with special educational needs and disabilities (SEND)
- housing advice
- help accessing free early education and free childcare
- support with benefits, money and cost of living advice
- Camden Dads - support for fathers and male carers
- drop-in sessions for under 5s

Camden Mental Health Support Team (MHST)

Camden Mental Health Support Team (MHST) work in partnership with local schools to promote and support the mental health of children and young people aged 5-18 years.
As a preventative and early intervention service, we work collaboratively with schools to support a Whole School Approach to mental health, ensuring that the wellbeing of students and staff is a priority. We offer workshops, staff training, audits, reflective practice spaces, assemblies, psychoeducation and lots more.
We also provide brief, evidence-based individual and groupwork interventions for children/young people with mild to moderate presentations of anxiety, low mood, friendship issues, low self-esteem, stress, emotional dysregulation and behavioural difficulties.
For primary aged children, our practitioners usually work with parents individually or in small groups guiding them through tools and techniques, while for secondary aged, we tend to work directly with young people using Guided Self-Help and other therapeutic approaches to support and empower them.

Conditions treated

- Anxiety
- Depression
- Problems with life events
- Relationships
- Stress

How to access this service

We accept referrals from:

- Linked schools Designated Mental Health Lead
- Camden GPs
- the child/young person's main caregiver/s
- self-referrals (aged 16-18 years)

Please note, the referred child/young person must be attending a school that is linked to Camden's MHST.

To refer, contact:

- 020 8938 2903
- nlft.mhst@nhs.net

COOPERATION TOWN

Cost of living too high?
Join a food co-op!

Cooperation Town is a network of community food co-ops.

A food co-op is a neighbourhood buying group, where members get quality groceries at extremely good value.

Co-ops buy food and household products in bulk and, in addition, get free supermarket surplus.

Co-op members can save up to 40% on their weekly food costs by organising with friends and neighbours.

Food co-ops are managed by members, who together decide what to buy and how to run the project. No bosses, no managers!

Start a community food co-op today on your street or your estate!

To find out more get in touch with your local organiser or contact us on

We Make Camden Kit

"Money and support to make citizen's ideas happen"

Are you a Camden citizen, with an idea for the community and in need of some funding?

The We Make Camden Kit gives money and support to Camden residents and community groups who have great ideas for their communities. Decisions on who receives funding and support are made by a panel of Camden residents from across the borough who have diverse experiences of Camden.

- Diversity
- Young People
- Food
- Estates and Neighbourhoods

We're supporting projects that provide access to food for all, address diversity in positions of power, improve opportunities for young people, and create sustainable neighbourhoods. Residents can receive support with insurance, safeguarding and connections as well as a grant of up to £2,000.
